

MOTHER FUCKERS

My family and I live in
Griya Pakenthon Indah

Where I am blessed
with a loving family...

TAKE CARE,
DEAR!

mama loves me

and I love
mama too

And mama
loves papa

papa loves
mama too

Everyone loves
mama...

The Soto peddler
loves mama too...

Normally, everytime papa
goes to work, mama will
always buy some Soto

Sometimes mama
doesn't need to pay

That's to be expected,
because even the peddler
comes into our house

It often happens
when it's time for
my morning cartoons,

when the Soto peddler
stops by for not longer
than 15 minutes

Sitting relaxed
in papa's couch

With the tissue
ready on the table

And mama then sits
on his lap

After they're done, mama
tidies the house...

cleaning up the
furnitures,

sweeping and
mopping the
floor...

while she waits
for the green-
grocer to come

The greengrocer
loves mama too

Mama doesn't need to pay for
the morning groceries

but that's to be
expected, when
the greengrocer even
comes into our house

I have no clue what normally
happens after that
since it's time I have
to leave for school

My school is nearby, so
I often walk there

OOH...

I LOVE YOU,
MA'AM...

I'll be back home at
12.30 later

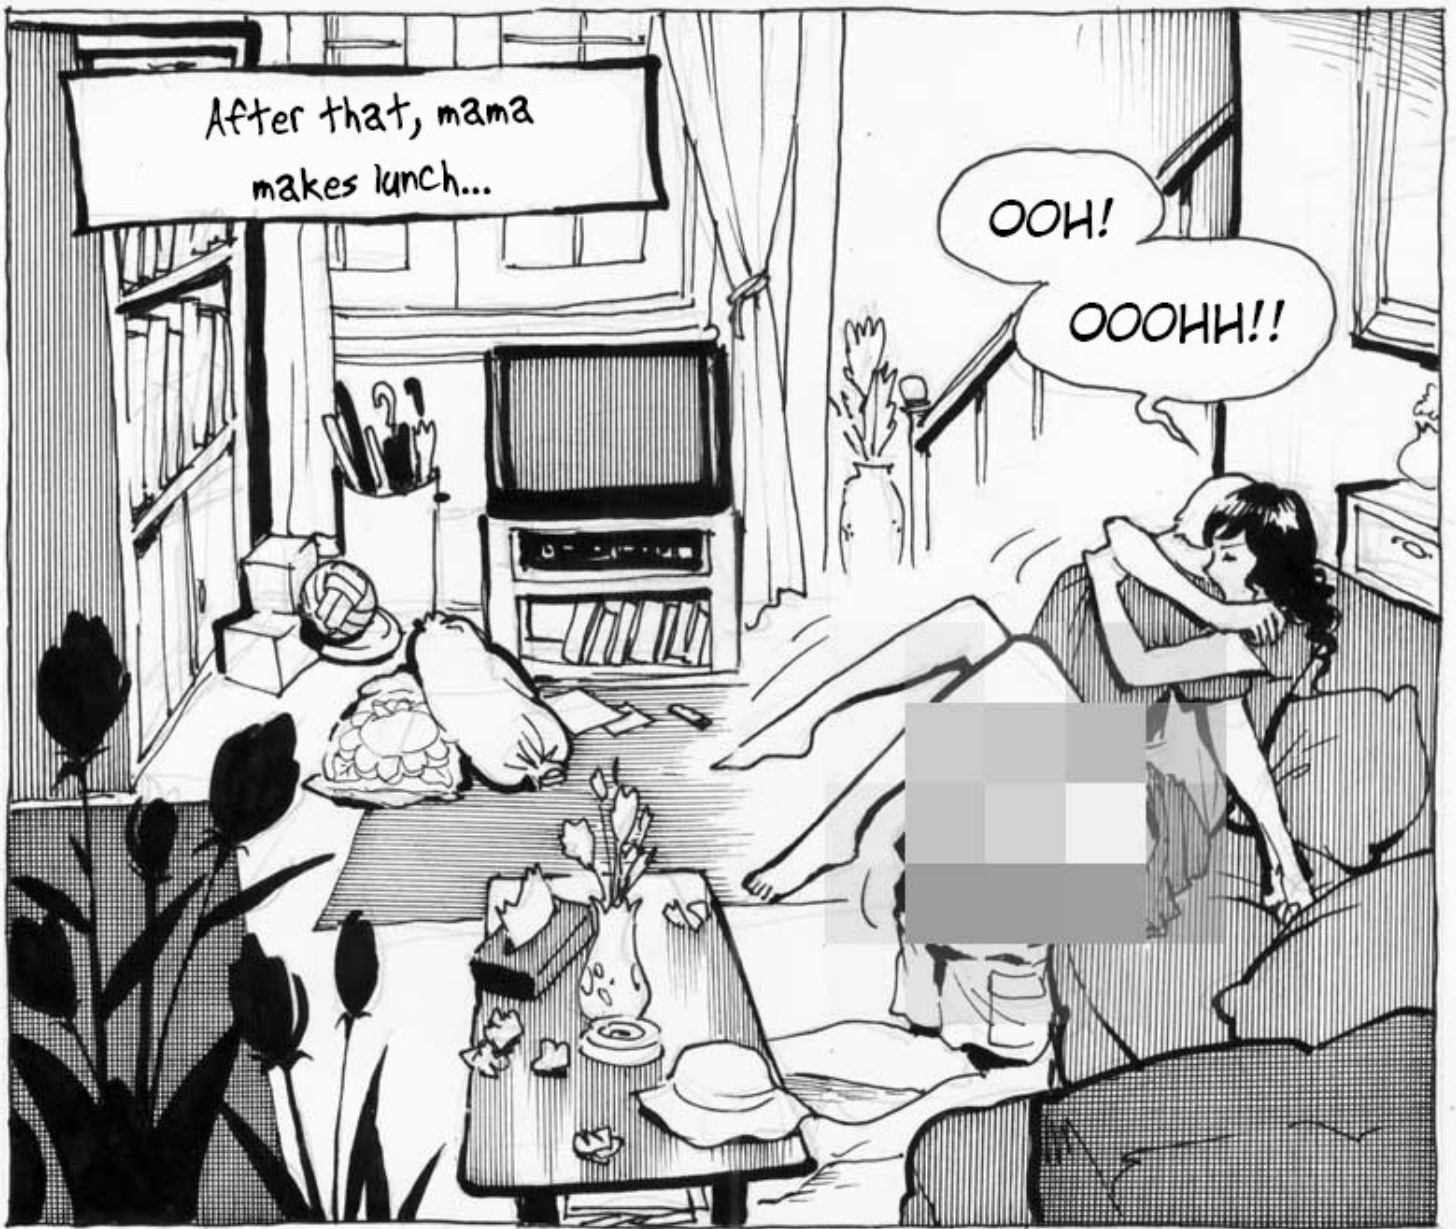

Sometimes, if I came
back early when the
teachers have meetings

...I could still see
him at home

If I'm back noon, I'd meet the
salesman or the university student

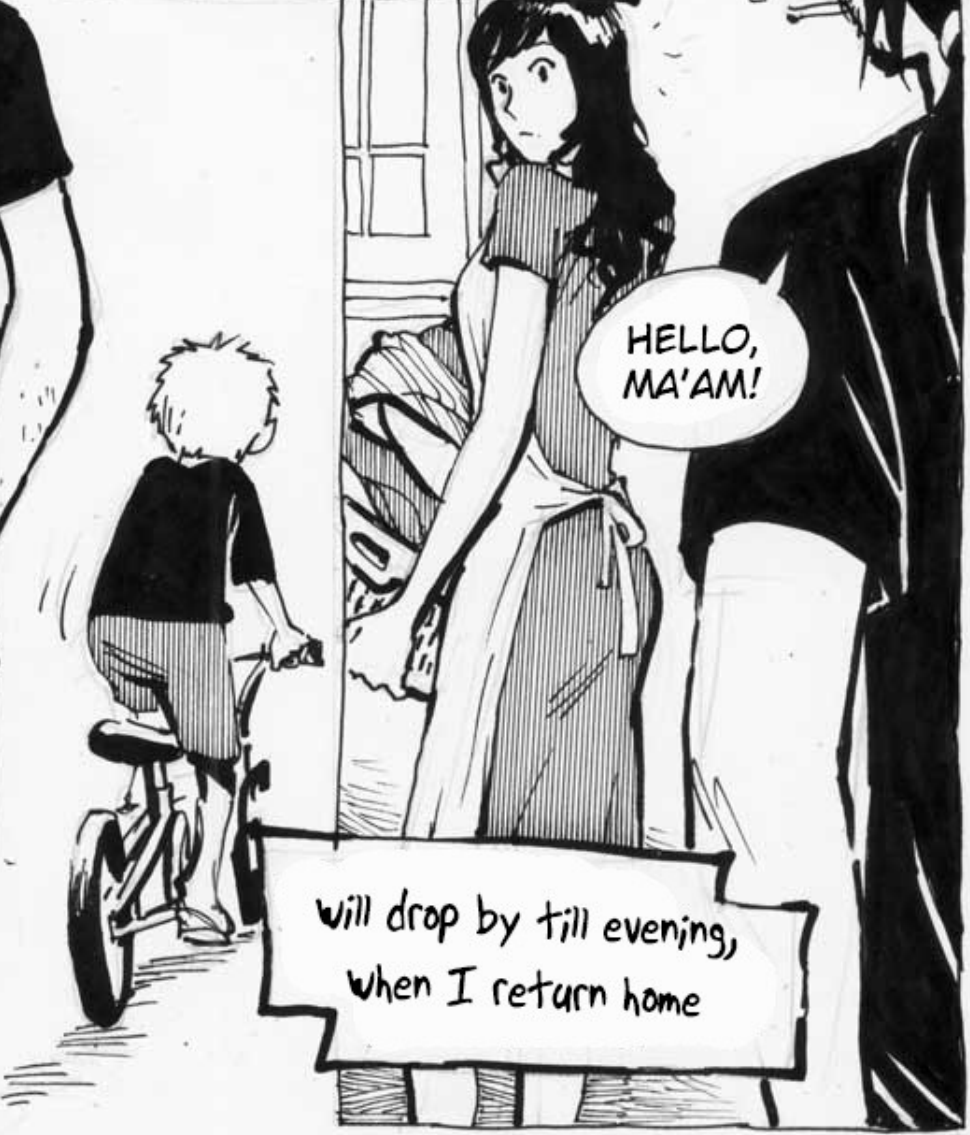

When I go out to play,
mama washes the clothes
after taking her
lunch break

IS YOUR
MOTHER HOME?

Yeah...

Sometimes I bump into
another person
that loves mama too

Our neighbor, an
unemployed young man who says
he's a novelist

HELLO,
MA'AM!

will drop by till evening,
when I return home

DID THE SALESMAN OR
THE UNIVERSITY STUDENT
COME TODAY?

NONE OF
THEM DID

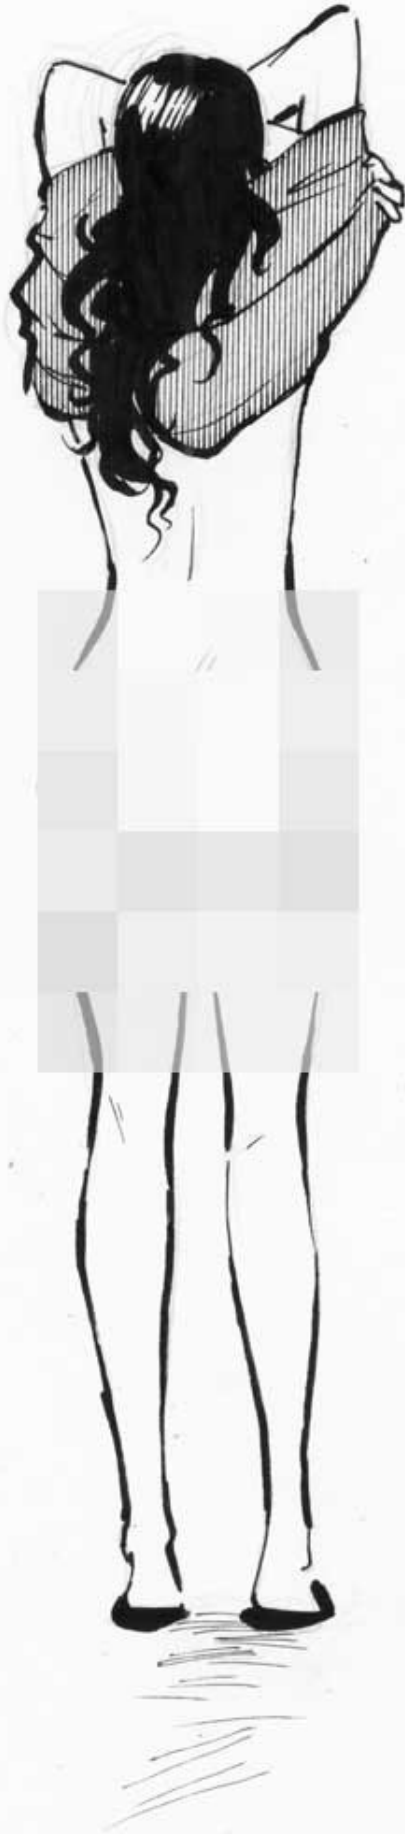

JUST THE
GREENGROCER...

I WANT TO TAKE
A BATH AFTER
LAUNDRY

JUST WAIT
FOR ME AT
THE COUCH!

Clearly the neighbor is still here when I'm back

OH!

Maa?

OOH...

OH...

We are out of snacks...

FREEZER

Oh yeah, it's time for the evening cartoons!

Normally during the evening cartoons, uncles from the neighborhood, the security guard or

the neighborhood association chief comes to visit

I LOVE YOU, MA'AM!

ME TOO...

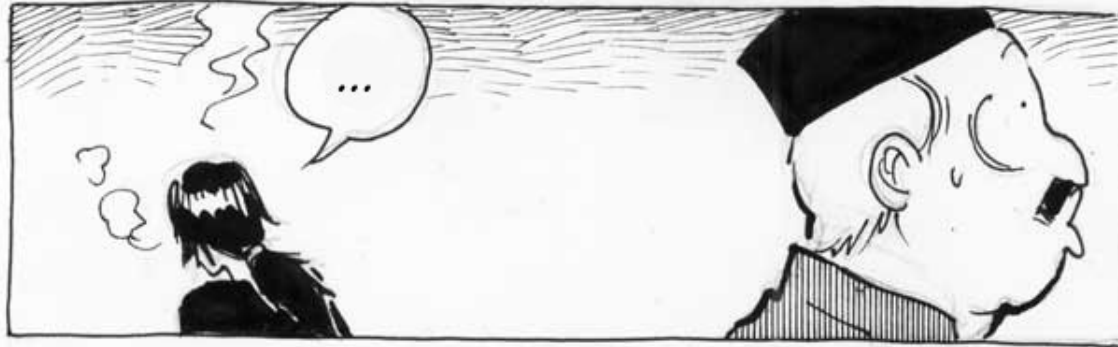

Seems like the neighborhood association chief is coming this time

At a time like this, mama doesn't look happy when more neighbors visit

The chief visits for around 30 to 45 minutes

He doesn't even go into the room, he just stays in the hall...

**KETOK
KETOK
KETOK**

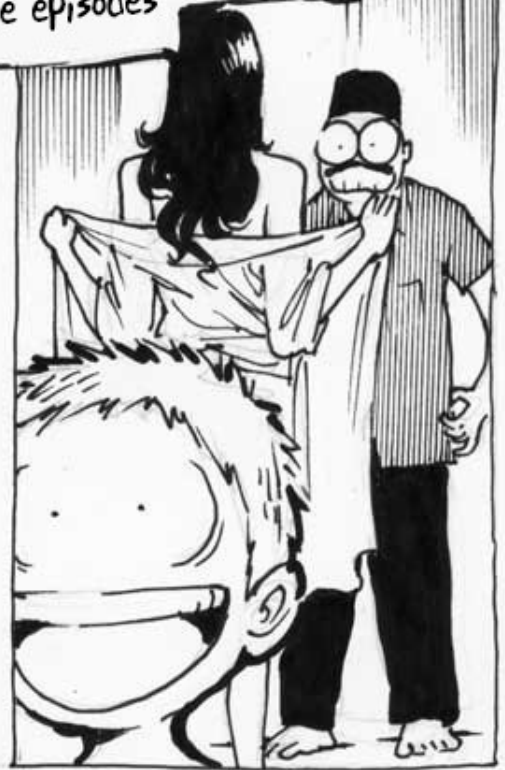

The chief also loves mama

EVENING, MA'AM...

When the chief comes, I get to watch 2 more episodes

Otherwise, mama will ask me to study in my room

It looks like mama did just as I expect this time

Papa should've reached home now,

but lately he has lots of stuff to do at the office

Perhaps he will be late again today...

The chief doesn't need to rush

and I can continue to watch TV

If it's like this,
I'll study after dinner

Sometimes mama buys
food for dinner

Sometimes she cooks
with the groceries from
the morning...

YAWN

We used to always
eat together

before papa started
working in the office

DO THEM
NOW, OKAY?

kiss

Yes,
maa!

Normally, no one else
visits after this

MA'AM...

SEE YOU

DO YOU HAVE
HOMEWORK,
SWEETIE?

Hehe

Lots!

I love my mama...

I know that many others love mama too, even though other women calls her a slut, a prostitute or an adulterer...

NYELONONG!

KEET QUIET,
OR I'LL
SHOOT!

Mama said,
even though mama got
married to papa,

she does not
belong to papa

Everyone belongs to themselves, therefore everyone is free to do as they wish to

PLAK!
PLAK!
PLAK!

We are free to do anything

PLAK!
PLAK!

PLAK PLAK
PLAK PLAK
PLAK

...

It is the fabric of the society that causes people to lose awareness of their own freedom

...that is why she still doesn't feel free

MM

That's what mama said

MMM...
MM...

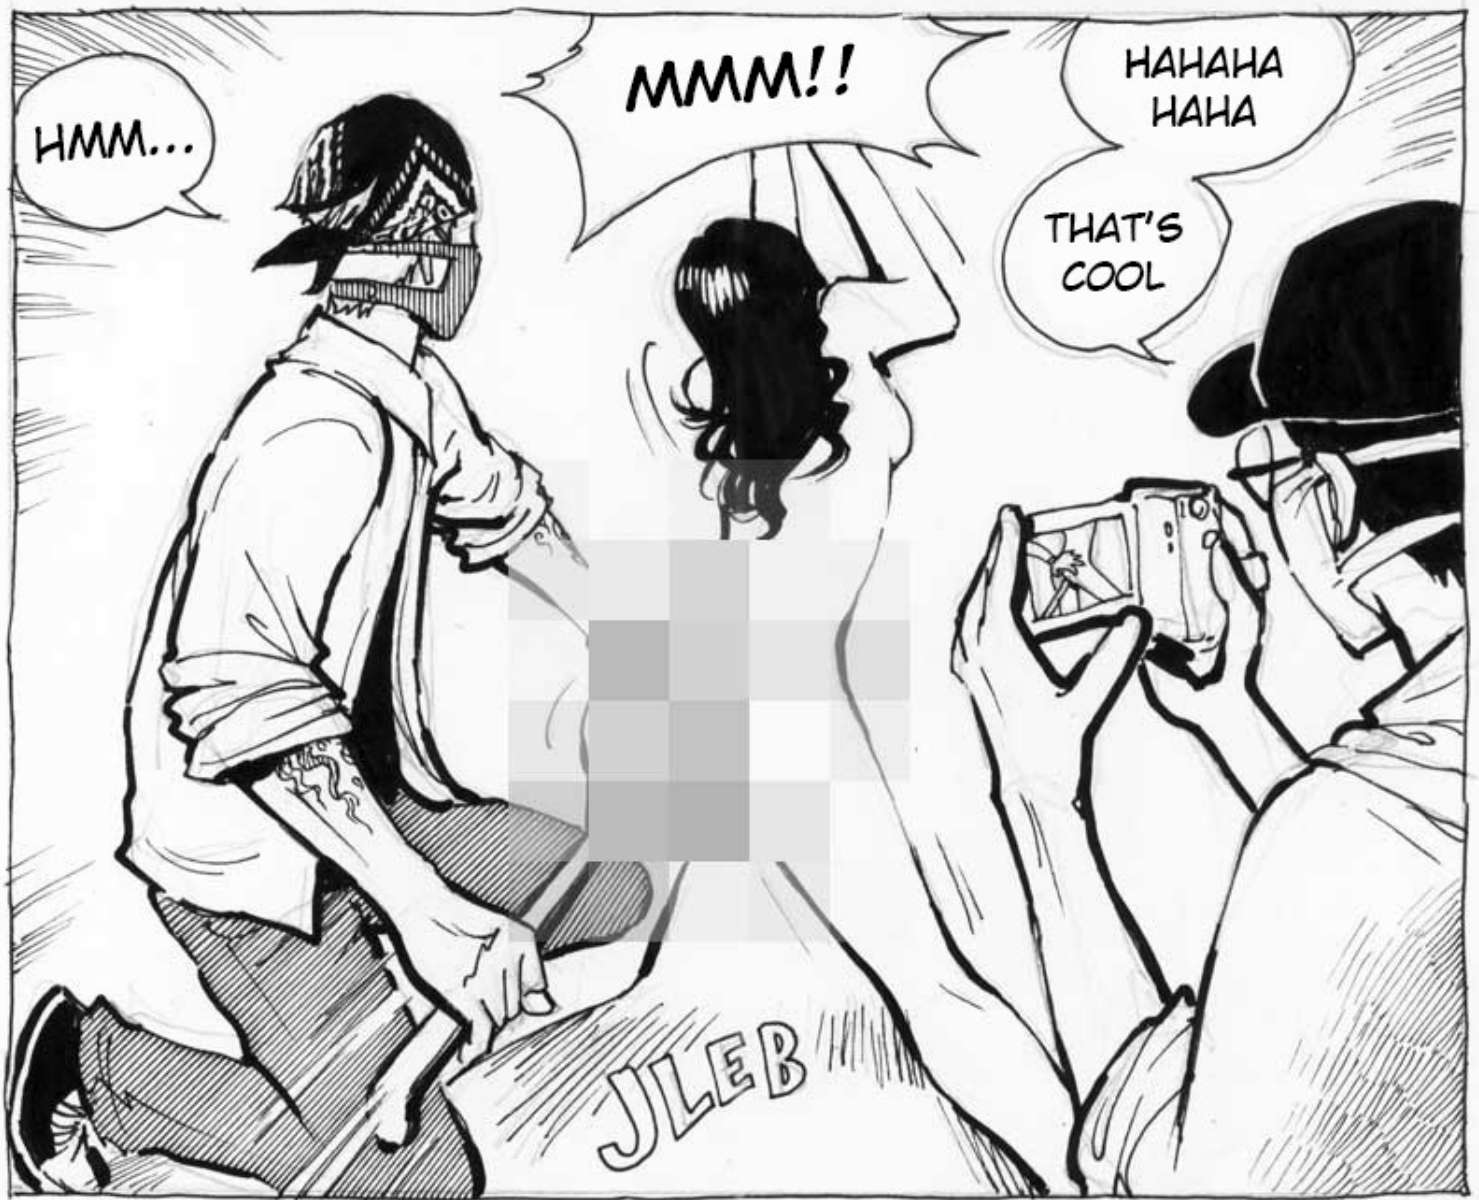

MY TURN!

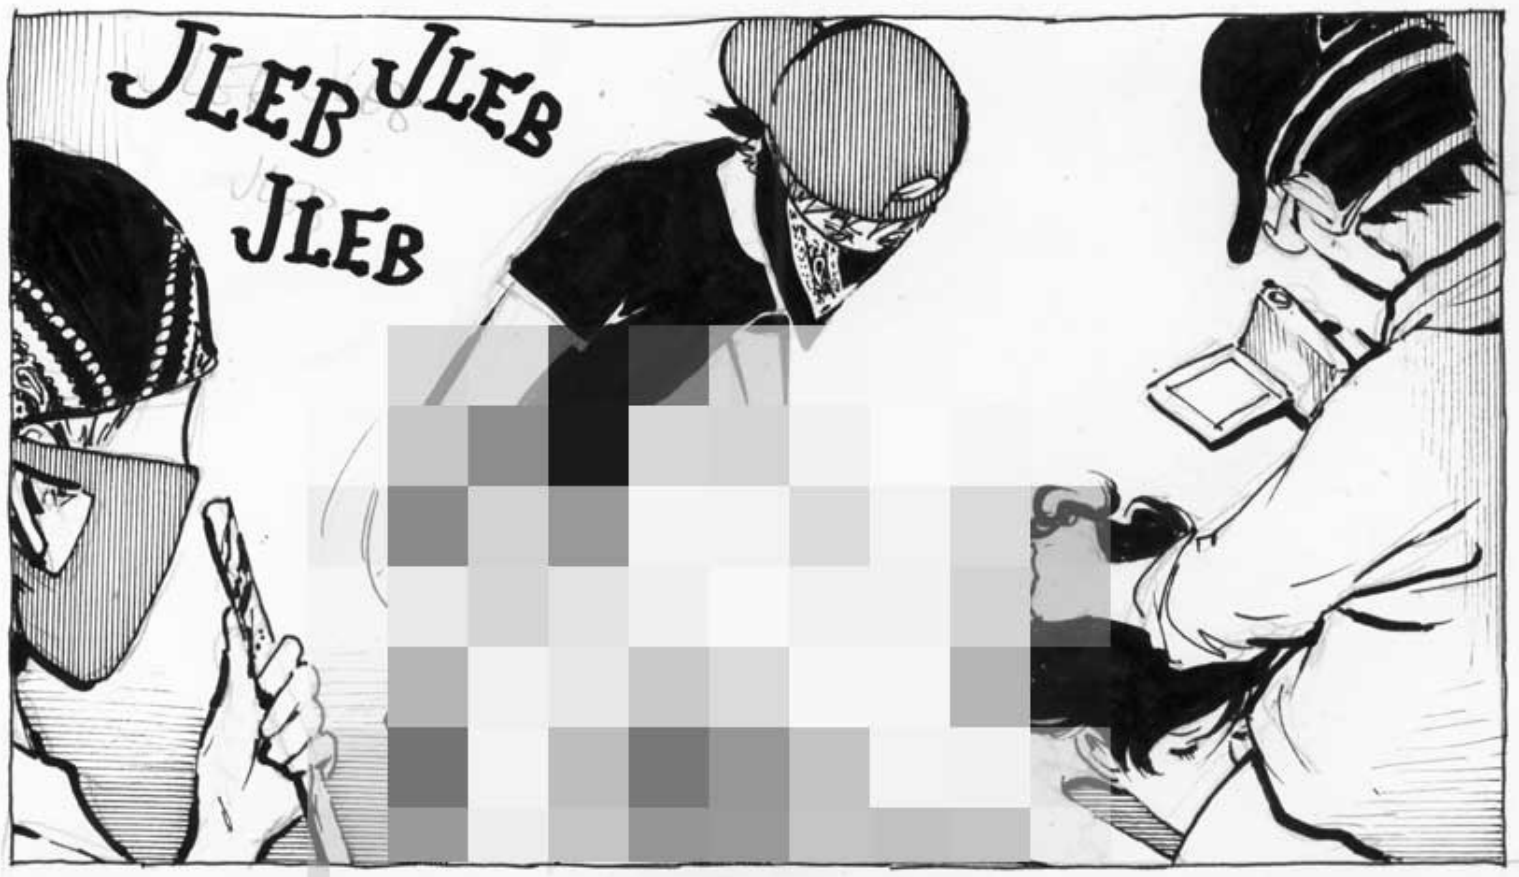

Mama also said

there are many people that feel restrained because of others,
unable to determine their own fates,

THERE YOU GO!

THERE!

UGH!

DID YOU RECORD
'EM ALL?

YEAHH

C'MON LET'S
LEAVE NOW!

ENOUGH!

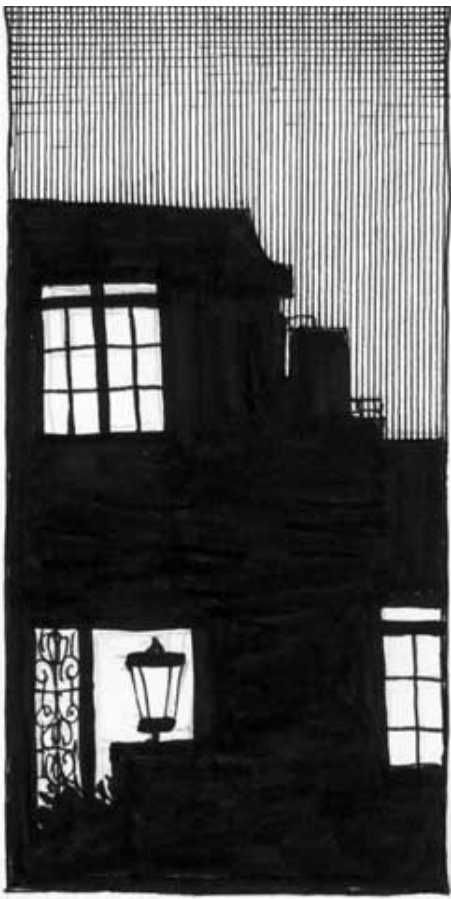

IT'S TIME
TO GO...

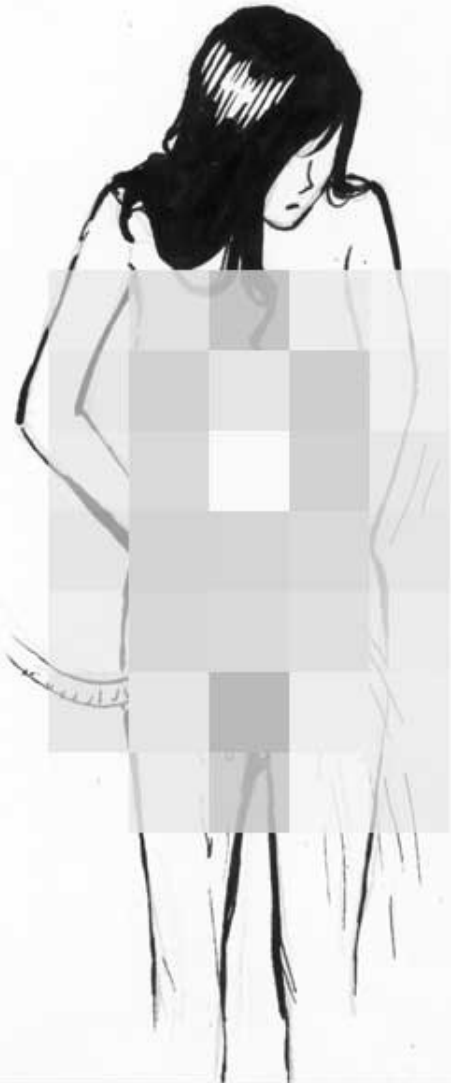

SOMEONE
MIGHT SEE
US!

BITCH,
YOU SCUM!

Mama also said,

There are people who hate
hardship in their lives
avoiding themselves from social
problems and hardships of others,

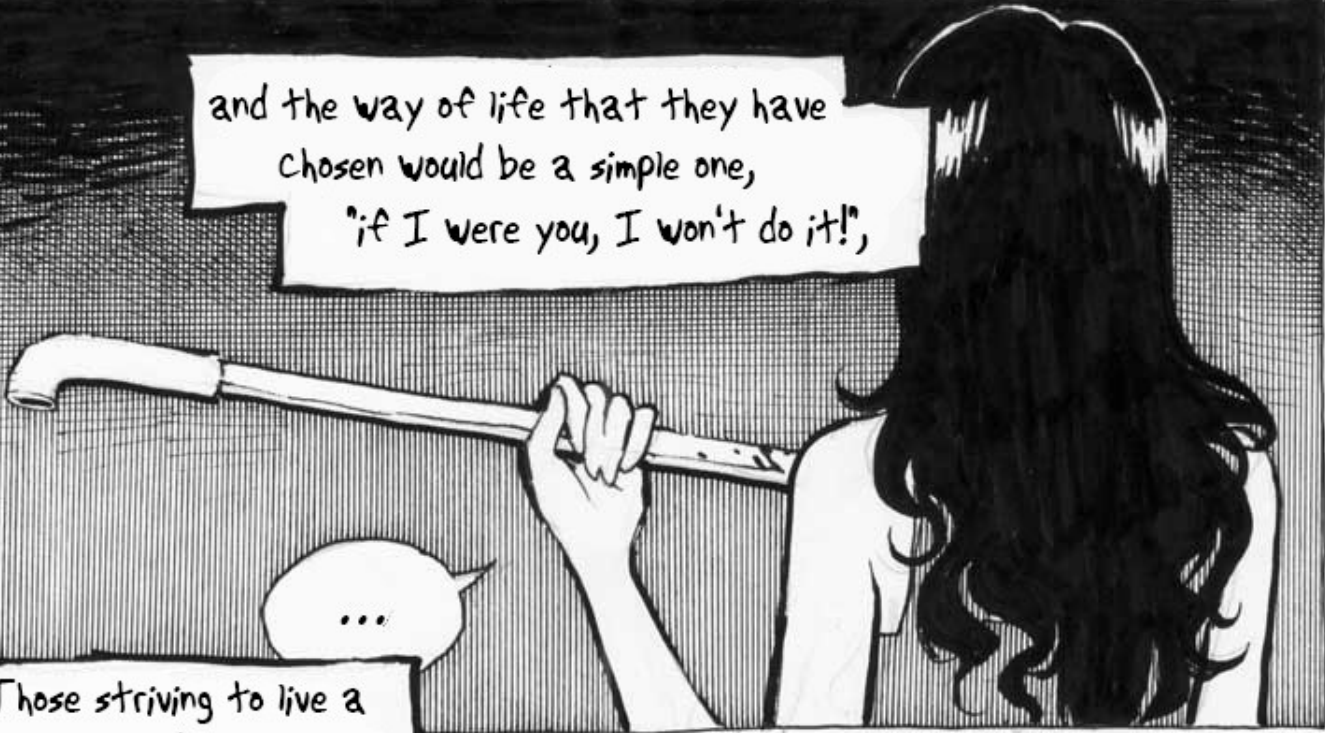

in their minds, they
always go...

"I gain nothing from doing that",

"Only others will
gain from it",

"That stroke of luck will
never repeat again",

and the way of life that they have
chosen would be a simple one,
"if I were you, I won't do it!",

...

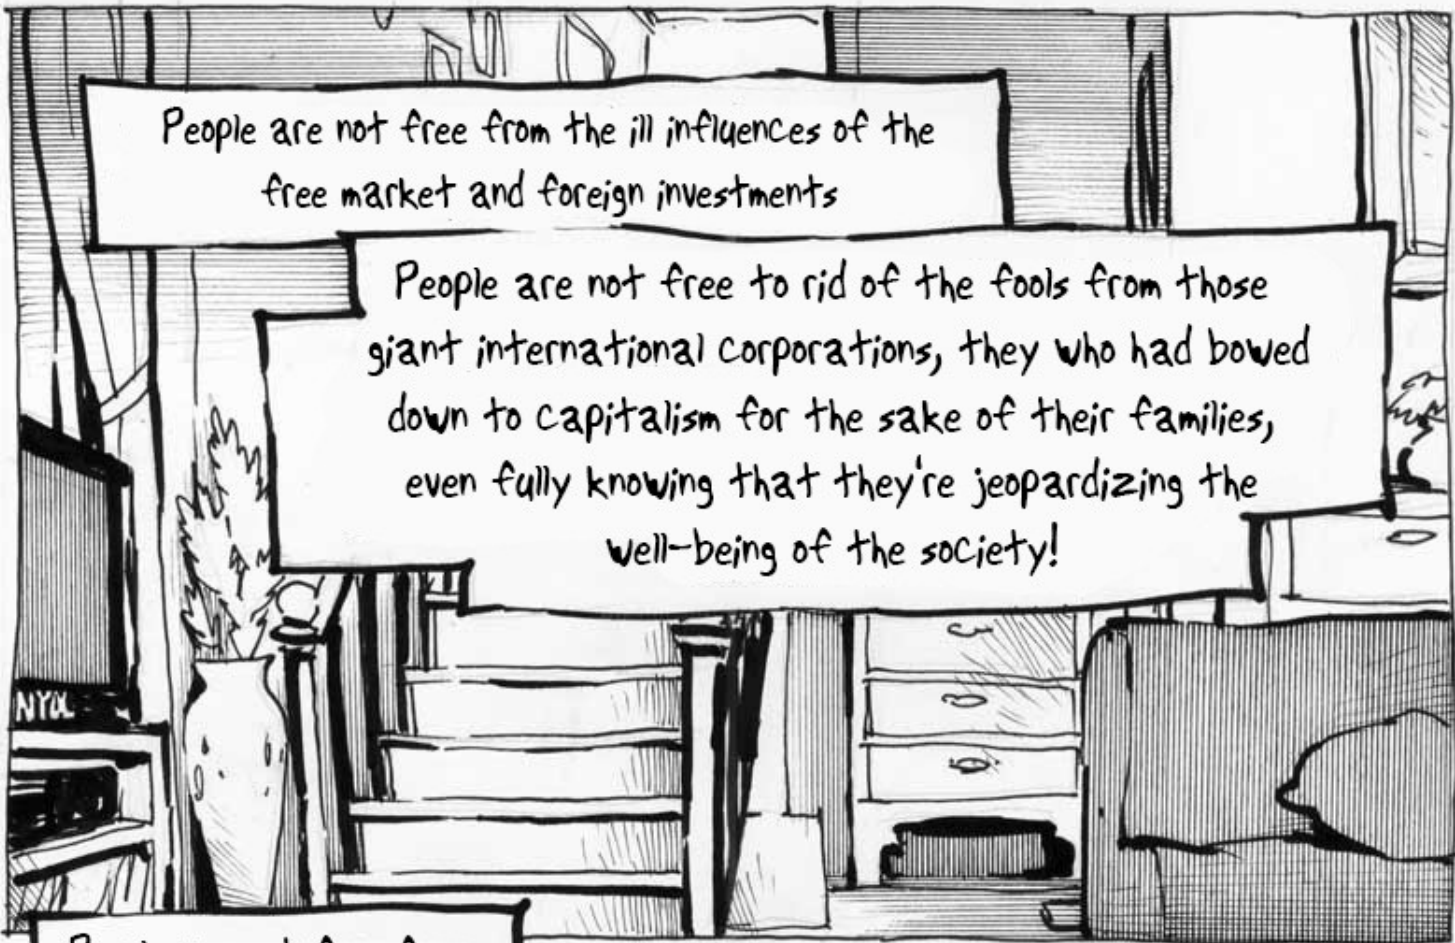

Those striving to live a
stable and calm life,
those that are able to live
in pleasure the entire week,

it doesn't make them
any more free
than those living in slavery

People are not able to close
the social gap, unable to provide
welfare onto others,

where they are ridden with tough decisions,
bureaucracy, ordinances and rules to follow...

People are not free from the ill influences of the free market and foreign investments

People are not free to rid of the fools from those giant international corporations, they who had bowed down to capitalism for the sake of their families, even fully knowing that they're jeopardizing the well-being of the society!

People are not free from the clutches of poverty, nor the systematic dumbing down of society

People are not free from rulers that will never fulfil their promises

People are not free to choose their beliefs in God

People are not free to choose to
be in agony or to be happy,
not free to choose their fortunes

unable to pick their gender,
unable to pick when and where
they're born into the world,

not free to choose how they
will pass away

People are even not free from
making the wrong decisions!

Everyone is not free from
those things

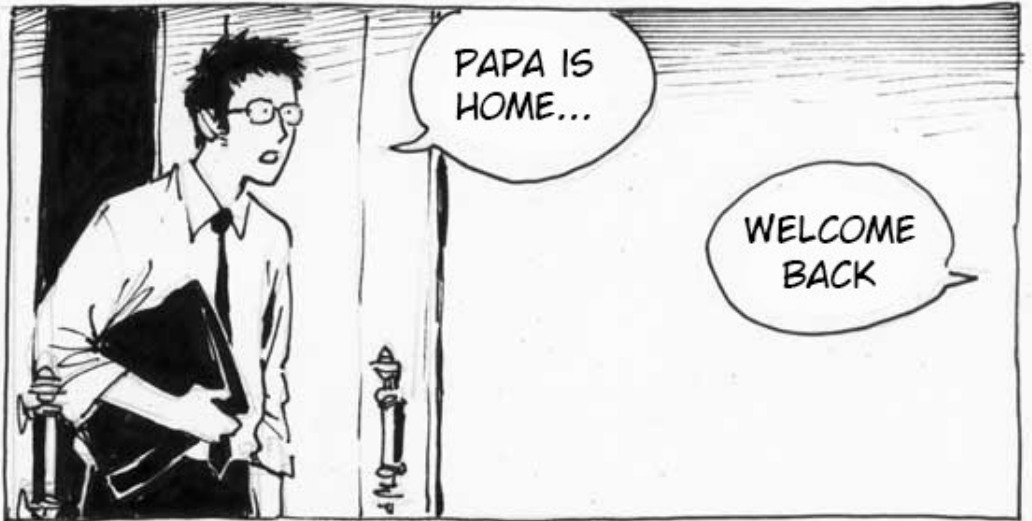

There are those that strive to
act for their freedom,

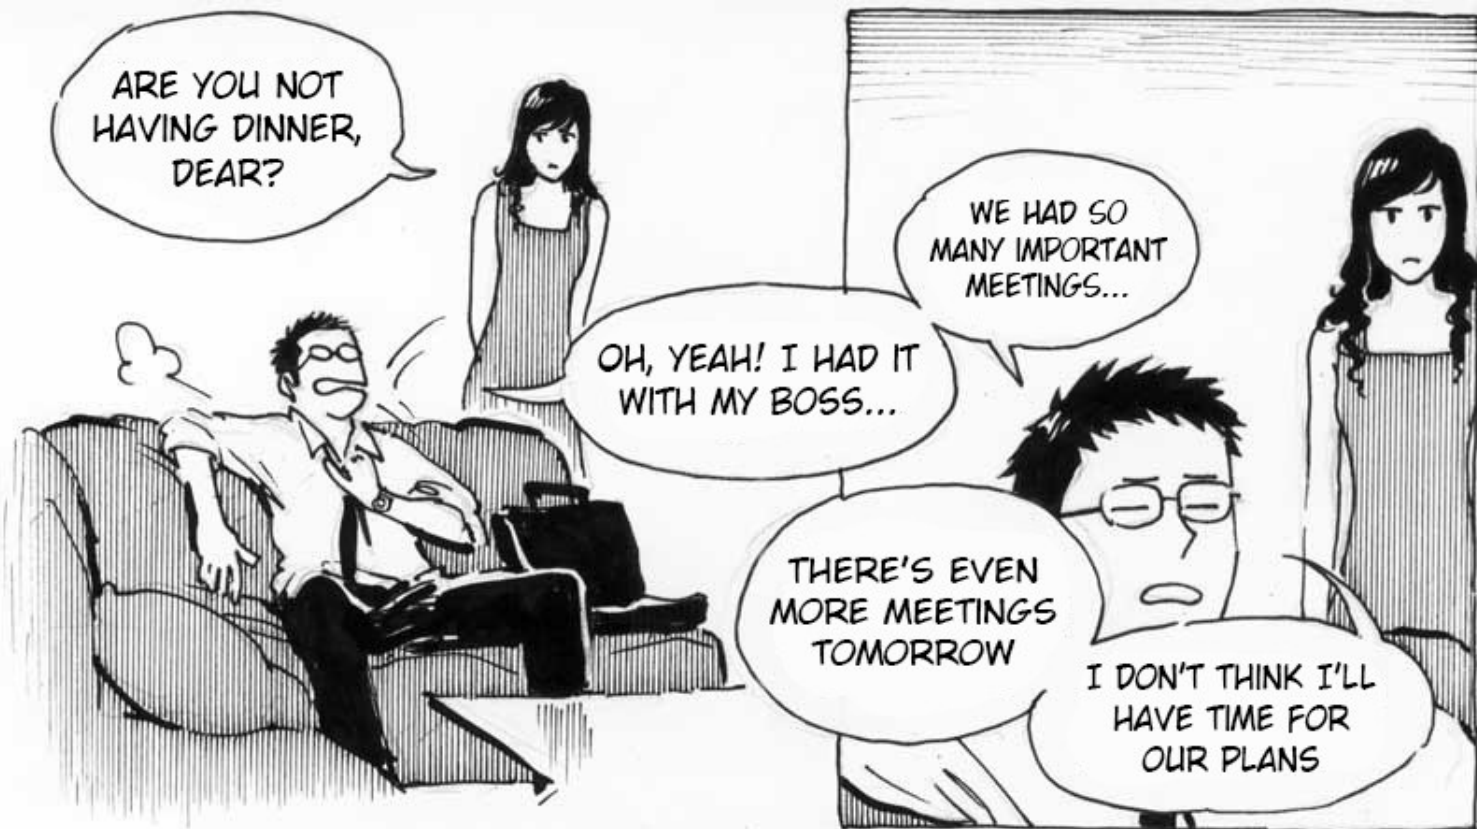

and there are those that
could only wait...

That's what
mama said

ARE YOU NOT HAVING DINNER, DEAR?

OH, YEAH! I HAD IT WITH MY BOSS...

WE HAD SO MANY IMPORTANT MEETINGS...

THERE'S EVEN MORE MEETINGS TOMORROW

I DON'T THINK I'LL HAVE TIME FOR OUR PLANS

I'M SORRY, DARLING!
I HAD TO TAKE SOME OF MY WORK BACK FROM THE OFFICE TOO

GUESS IT'S GONNA BE OVERTIME TONIGHT!

...
IT'S OKAY, DEAR

PHEW
LATELY THERE'S SO MANY THINGS TO DO IN THE OFFICE

I REALLY NEED A TIME OFF...

OF COURSE,
DEAR

WE ALL
NEED THAT!

JLEB!

You really
killed
papa!

Where are we
gonna hide the
body?!

Oh, mannnnn!

LEAVE
THEM ALL
TO MAMA!

YOU DON'T
HAVE TO
WORRY,
SWEETIE...

YOU MAY
WATCH TV TILL
THE NIGHT
TODAY!

JUST DON'T
FORGET TO
BRUSH YOUR
TEETH!

Huh,
mama...

I already did!

...AND I DON'T FEEL
LIKE BEING YOUR
MAMA ANYMORE!

Whatever...

If all of this
happened because it
was fated to,
or if it's just pure
luck and coincidence

it shows that
freedom is merely
an illusion

I am not free to
have mama love me!

Or perhaps, we have already
chosen to end up like that,
since the day we started living
in Griya Pakenthon Indah
