One day,  
he came..

Wha...

And I never would have guessed...

What  
the  
Hell  
?!!

He came  
out of no  
where and  
destroyed  
my desk!!

What  
the...

or at least  
thats how  
you humans  
would try to  
pronounce it

The name's  
Asuta

Yuppers

A denon?

and just  
make your  
god damned  
wish already

okay dude,  
could you, like,  
quit looking  
around all  
fidgety like

maybe  
this guy's  
messed in  
the head

Is this  
guy for  
real?

let me  
think...

A wish?!

Why don't  
you try fixing  
my desk you  
destroyed

first of  
all!

**FLASH**

!!

Is that  
seriously  
what you  
want?

yeah,

would you  
just fix it  
already

...  
for reals  
...  
?!

As you  
wish

which you've totally already agreed to

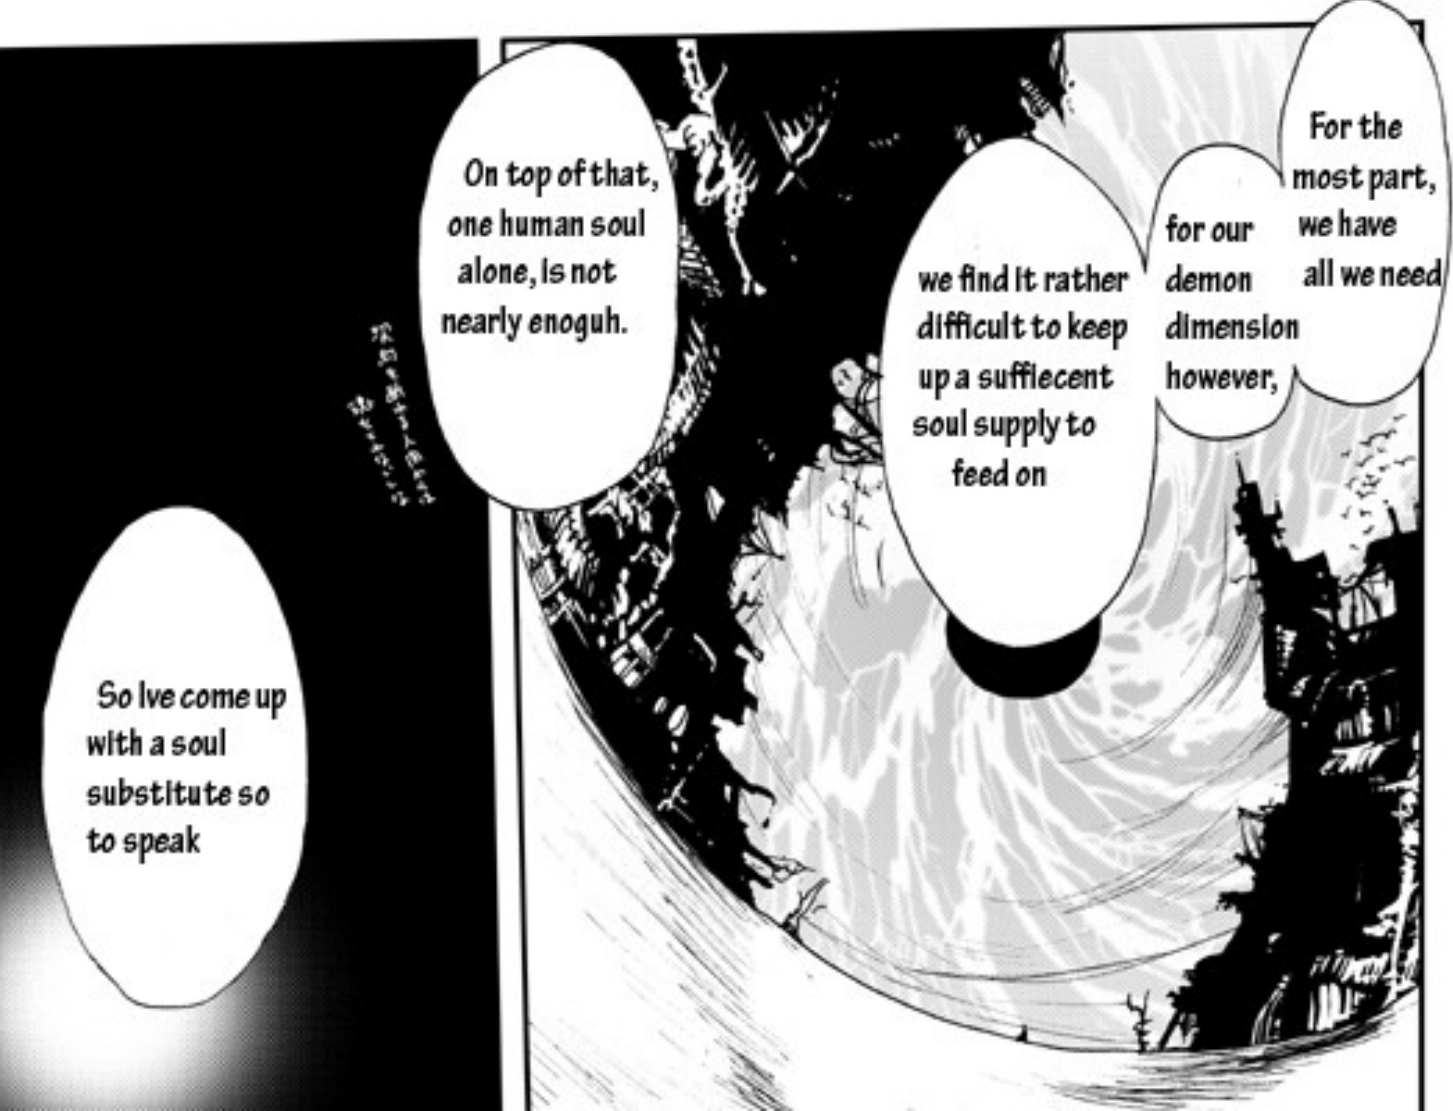

Just your life!

and as per ancient times  
Theres a price for the wish its not much

No shit.

we so happen to have a sweet-tooth for human souls

On top of that, one human soul alone, is not nearly enogh.

we find it rather difficult to keep up a sufflecent soul supply to feed on

for our demon dimension however,

For the most part, we have all we need

So Ive come up with a soul substitute so to speak

not really

But if you take a soul, don't they like die or something?

Just... what are you talking about?

a soul substitute?

Thats what you say, but its not what you believe

Just a sec here.. First of all, you can't just go around and destroying what you want

I only need to take a part of your soul thats the substitute I've been talkin about

But you can't just take other's energy..

Its wrong...

I can't live if I don't keep up the supply so its very bennificial to stay with one human and live off the part of their soul.

taking your soul will be exciting!

you owe me some of your energy! you can't deny me.

hm?!

so, you wanna....?

you DEMON!!

what do you....

契約だっ  
Everytime he's  
near me  
されて

そ  
this feeling  
後...

What  
are you?

What..

なんだ  
What is this....  
これ...

share with me a piece of your soul....

Its' time now.

hmn....

uh...

I'll go easy on you. Just a tad.

My soul began to drain...

as soon as he touched me...

Uh!

All of my...

ah

甘  
energy...

mn

UWA!

AH!

Stop...

MNH...

UH!

precum

Mnh...

Uhh...

The way his penis feels...

ちんちん  
触られてる...

HMMMMMM!

Inside of me...

中...

Ah...

Uh!  
Ah!  
Mh!

....Uh....

.....?

Uh....

I'm....

oh well

I thought I'd have to suck your dick to get you off

Now that you've finished

I'm sure you wouldn't mind if I took a turn

...there more...

...な  
what...

It will feel great.

here we go  
better be ready

ゆるり

頭が  
うっとして

こんにちは、19号です。  
今回、実を言うと自分でも間に合わないと思ってたんですが、人間頑張ればなんとかなるものなんですね。  
こういうバカな話は割と好きなのですが、お話的にちゃんとオチてるかどうか心配です。本当は導入部分をもっと長かったのですが、ページ数の都合とテンポの悪さのために泣く泣く削りました。  
せっかくネタを散りばめてたのに残念です。また別の機会に使えればと目論んでます。

最後に、手にとってくださった方、こんなところまで読んでくださってる方、ありがとうございます。  
日々修行を怠ることなく精進に励んでいきたいと思っておりますので、これからもよろしくお願いします。
