

Isn't it because there are plenty of fathers like you out there who do the same?

THAT'S BECAUSE IT'S A SUNDAY! WHY WOULD YOU SCHEDULE IT ON MY DAY OFF?

WHAT!? TOMORROW'S A PARENT TEACHER CONFERENCE!?

You say you have plans but I bet you're just going to lay around the house. Why don't you go out sometimes and play pachinko or something.

DO I REALLY HAVE TO GO?

WELL THERE GOES MY PLANS FOR THE WEEKEND...

I knew you'd forget!

Good, then I'll see you tomorrow.

YEESH... THAT HURTS YOU KNOW?

You're always just working all the time why don't you do something more father-like more often?

PHEW ...

And so I've been living without even having a decent pachinko parlor to go to.

Even when I worked late in the city there were at least places to go late at night, but out here all the bars close at nine.

I was glad when I heard I was being promoted even though it was to a factory out in the boonies, but in reality I've been stuck working overtime without much rest.

It's been three months since I've changed jobs.

HUH...?
AGAIN...

But having to spend everyday without any kind of stimulation is starting to get to me.

Is there something back there?

For a while now I've been seeing guys disappear one by one into the park...

At first it was just out of curiosity.

Guess I'll go take a look.

Unlike the city though the environment here is great for raising kids so that's enough for me.

But I never imagined it would turn out like this.

THAT'S RIGHT SINCE I MOVED HERE I HAVEN'T BEEN TO THE OCEAN ONCE...

THE OCEAN HUH?

HM?

B-but ...

Maybe just a peek...

I heard some moans from the bushes...

W-wh-what was that!?

I get the feeling I should get out of here before I get caught up in something bad...

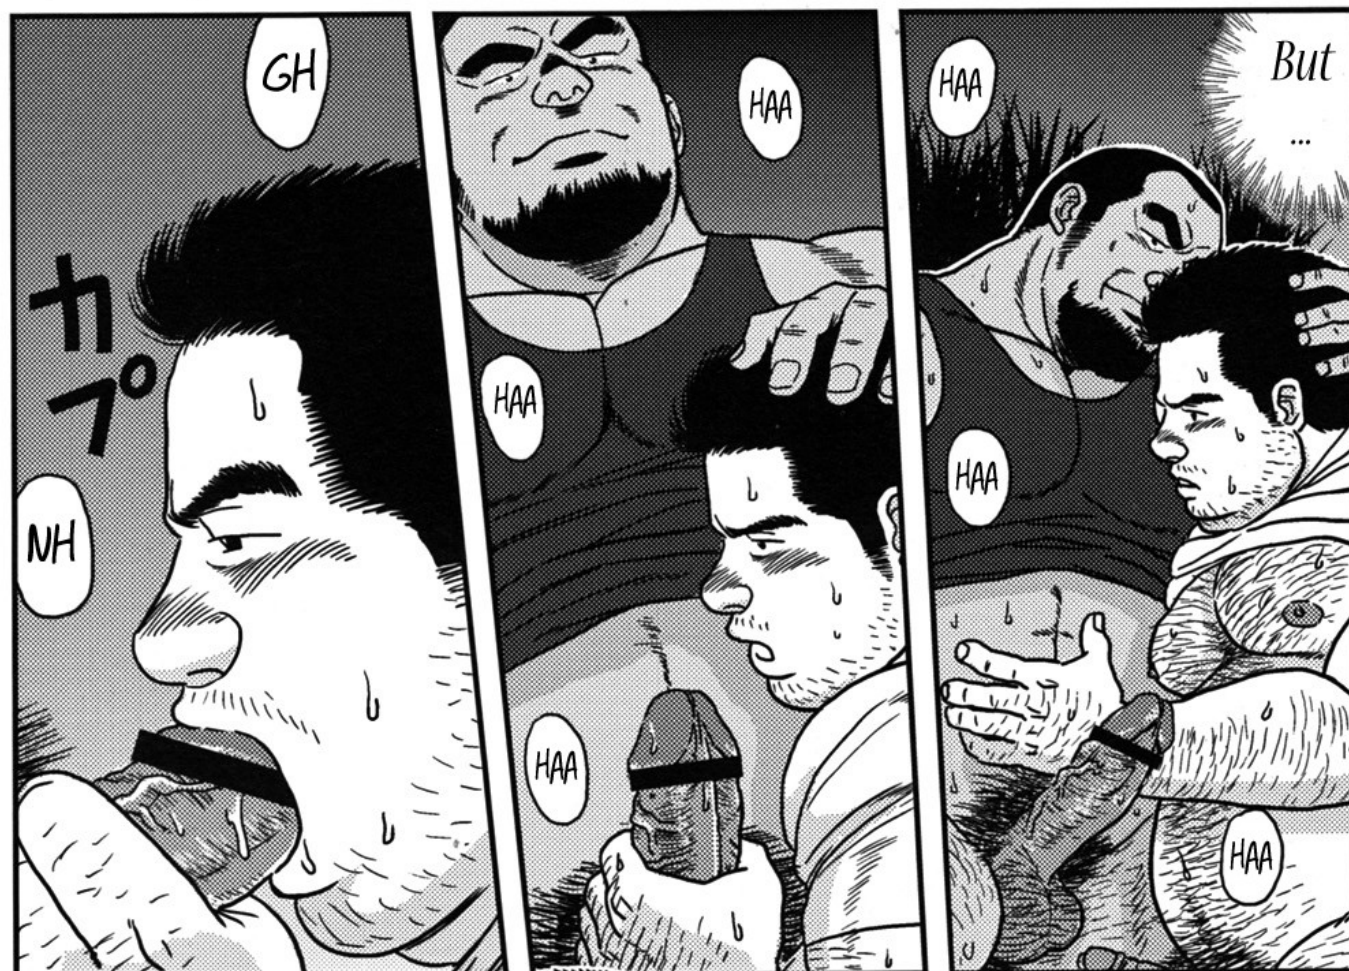

WHERE DID HE GO?

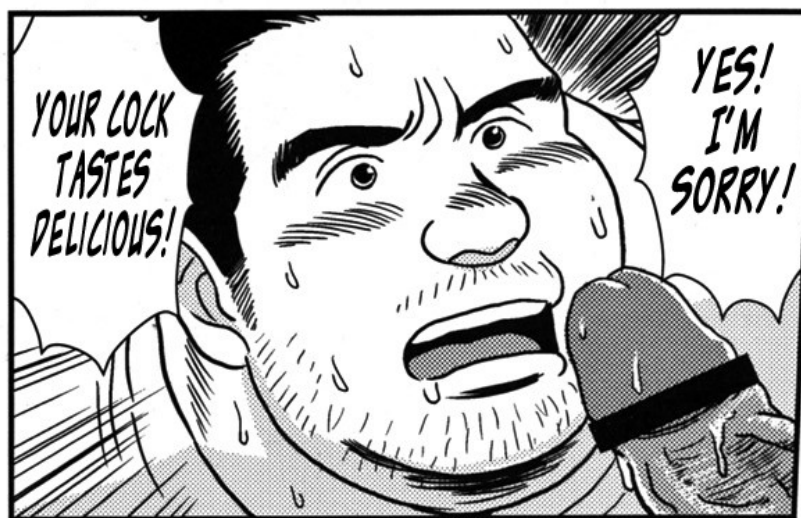

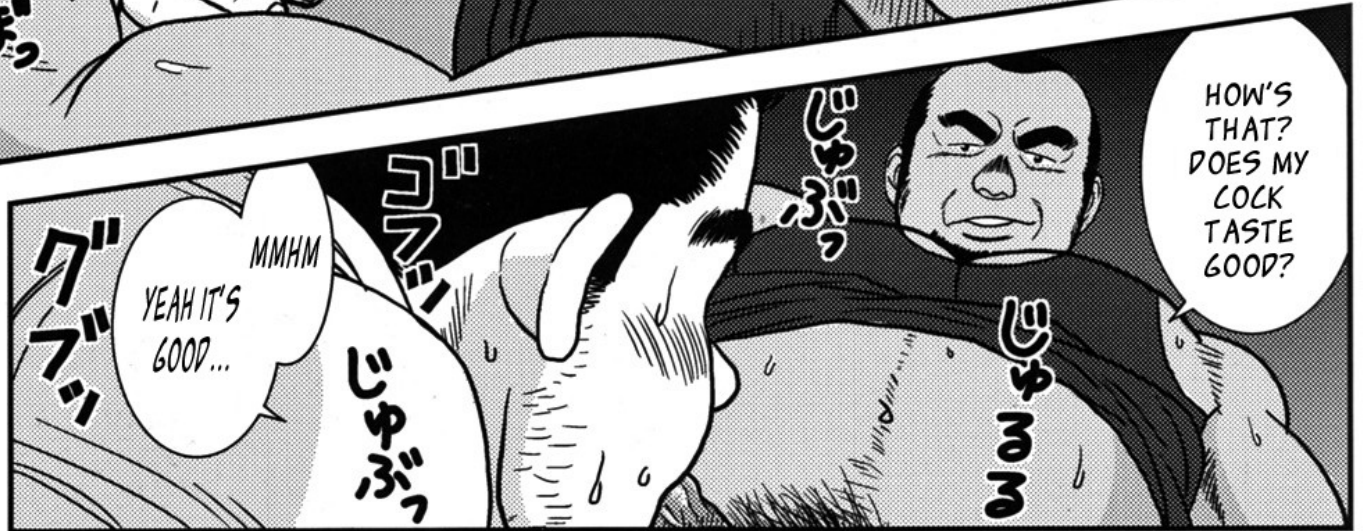

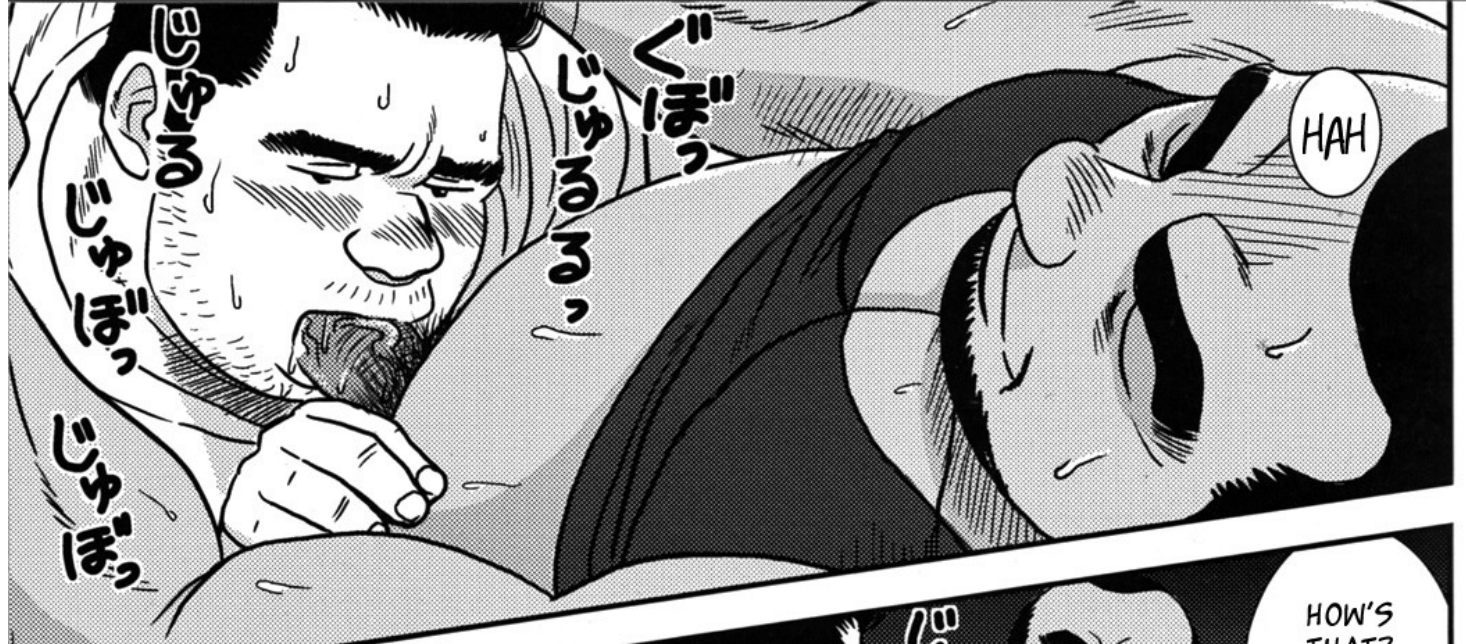

IT'D BE HARD TO MISS A BIG GUY LIKE HIM.

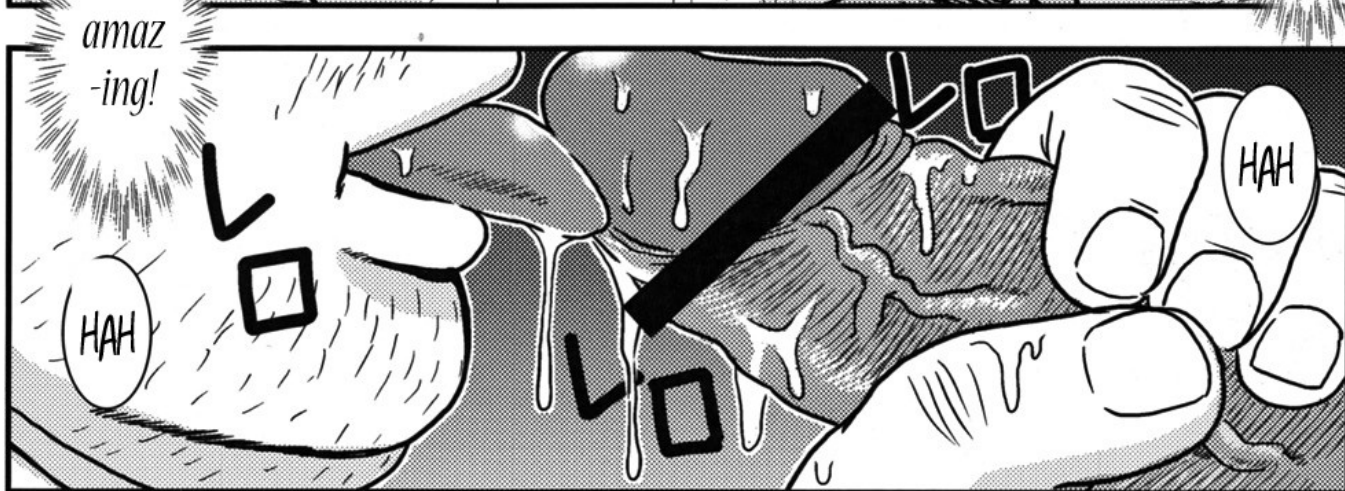

GREAT, NOW I LOST TRACK OF THAT GUY,
