

Mmm...

Come on, let's go!
Whyyy? Go!

Iromeki★Girls

Whooaaa...

Is it okay if we let them leave?

Hm?

Why wouldn't it be?

Because today...

Yeah...
Anyway, Mika...

Ahhh!

Did you see, Chinatsu? It went great!

We're heeere!

S-So, Saki.

Ah, right.

We have club after school.

Y-You know, what you said before...

Doing what?

About deepening our bonds as lovers...

whisper whisper

fidget

Ah, That...

fidget

Are...

Eh?

Are you serious about doing this?

I-I got the wrong idea!

It had no deeper meaning.

Well, uh... I meant that I wanted us to cuddle and be close.

Ashamed

BLUSH

WHAT!?

S-Sorry. My mind got carried away.

I should be the one apologizing.

Don't worry.

Ah, no, it's a little too early for that.

Ah, but if you wanted to go further than that, Aki...

jolt

fwap

Why?

Fig-ures.

I gave you that kiss out of nowhere.

Yup, yup!

Really!?

It's okay, I didn't mind it at all.

hehe

She's worrying about that.

I see...

it feels kinda hot in here. strip

Ah, now that I've calmed down

Besides, I'm the one...

Saki's got such a gentle heart.

phew

Thank goodness!

Okay then...

who should be feeling guilty.

why don't you initiate, Aki?

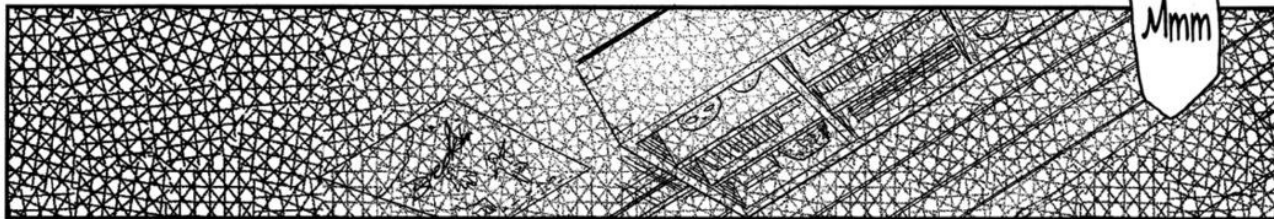

F-For the next one,

fidget

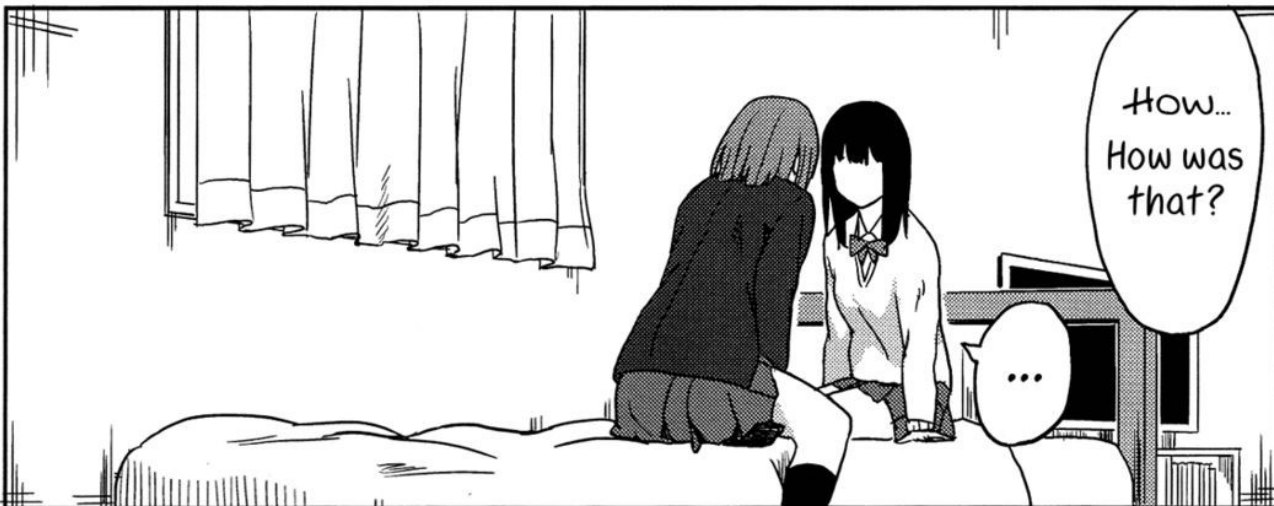

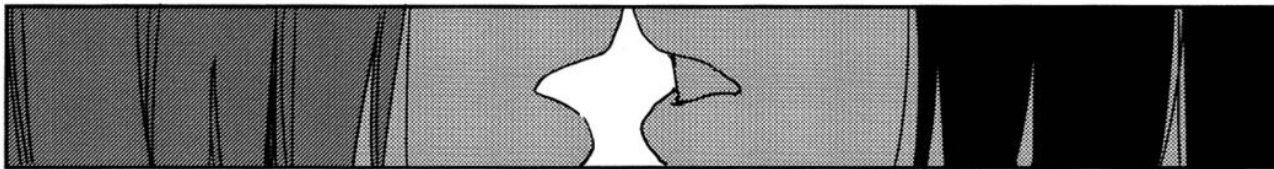

kiss...

A ki-

Mmm

How...
How was that?

Did I pressure you into that?

Is that the truth?

Huh? Not really...

Tell me, Aki.

Hmm?

Your lips are quivering.

jolt

Then explain this to me.

That's... only because I'm not used to all this.

Why do you have the same look on your face like when I confessed to you?

No more keeping important secrets from me.

...

I've had enough, okay?

What do you mean?

Is that all you've had enough of?

Why would I?
After I told you that I loved you?

Um... I meant if you've had enough of me.

fidget

I rejected you once, right?

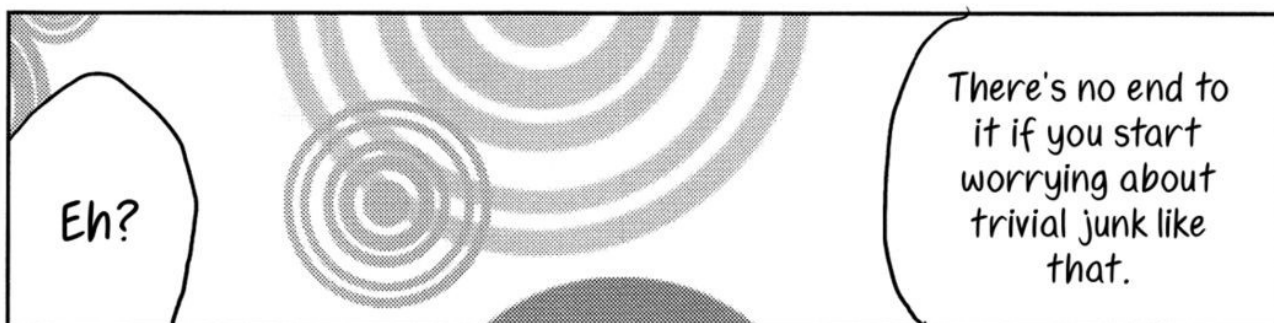

And then I took advantage of you still being close to me.

Ah, that's what you meant.

squeeze

B- Because...

That about covers it.

Ugh...

Care to argue?

S-Sorry.

I don't!

Either way...

was totally like that earlier. I was happy that I got my feelings across to you, but it's not like happiness is guaranteed now that we're dating. That's awful, right? If that's really what I believe, then why did I confess to you in the first place? Hm, what? What about that "just staying friends" part? Would that even be possible? Or maybe you wanted to see me down in the dumps after getting my hopes up? That would just be plain bullying at that point. But then after all that, you ask me if I've "had enough"? That's... I thought you were such a coward you kissed and then you got afraid of the idea of us dating and...

I could never
have fallen
this deeply in
love without
you, Aki.

kiss
you?

Can I
please...

grab

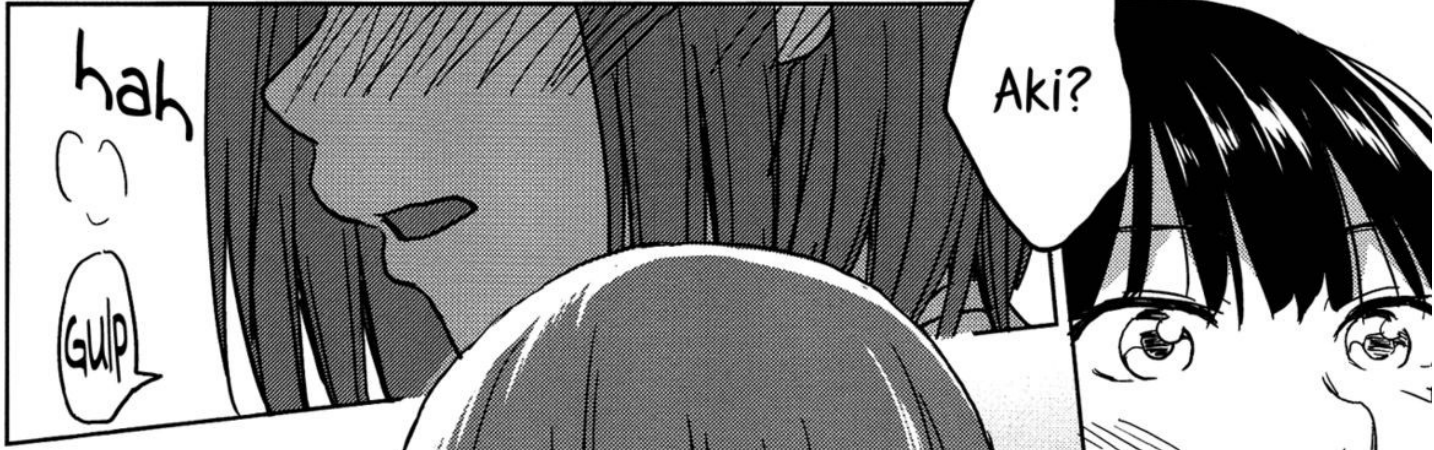

Whoa,
Aki!?

PUSH

Of
course.

slide

Do you not want to?

Of course not.

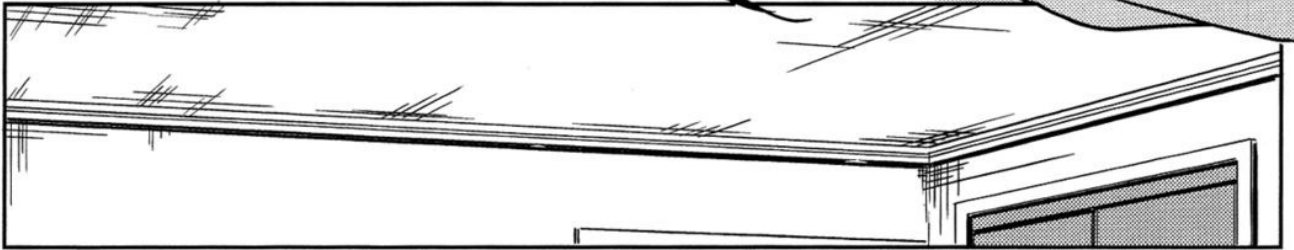

You're not going to get my hopes up, are you?

You better prove it to me.

Well then...

hehe

You're the one who made me that way.

Mmm

Aha... Your body is so warm, Aki.

grope

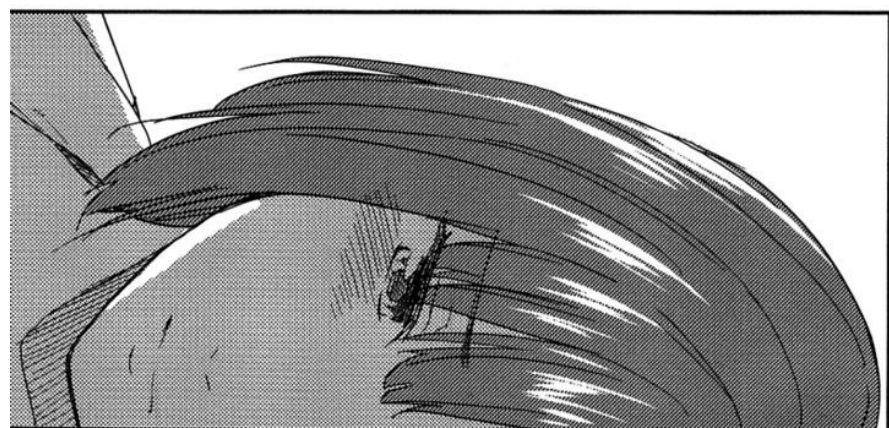

I-I can't help that.

You're pretty hot, too.

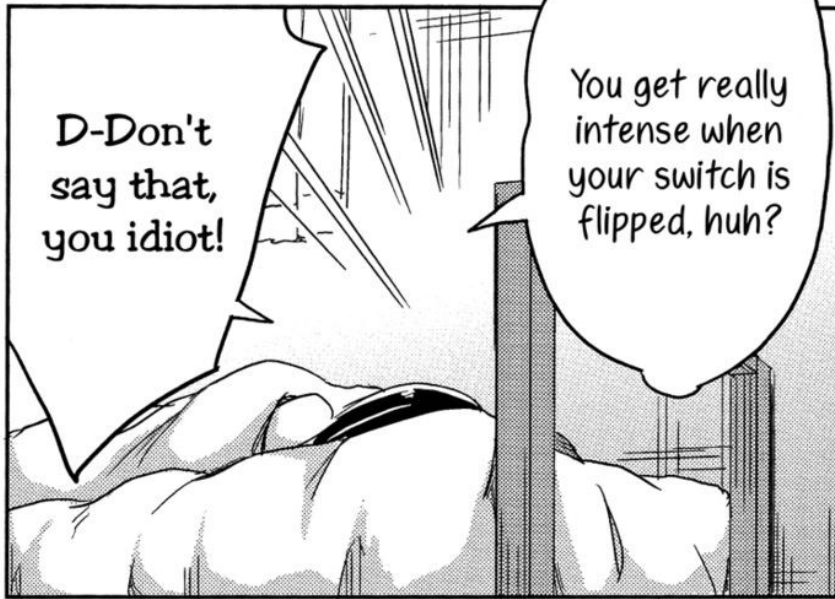

slide
