肛感会

Go ahead.

Just make sure you don't get noticed.

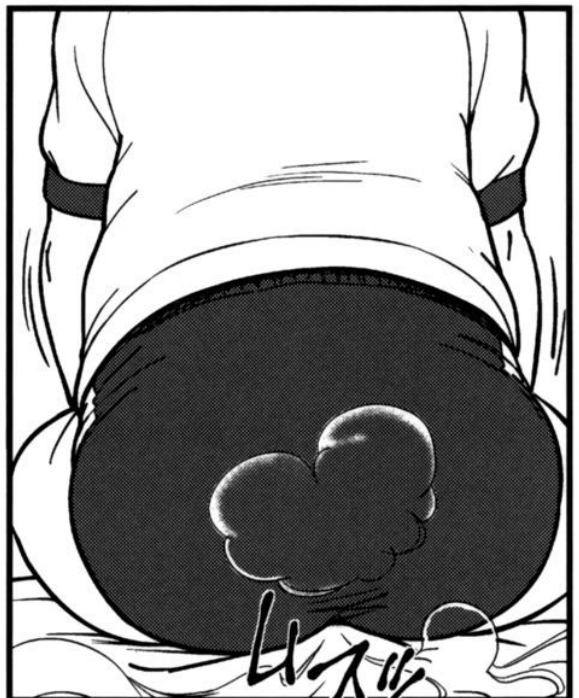

Do you mind...?

Aina-chan...

I'm gonna rip a part...

...ん!

Yeah...

It's already at the exit of your butt, huh.

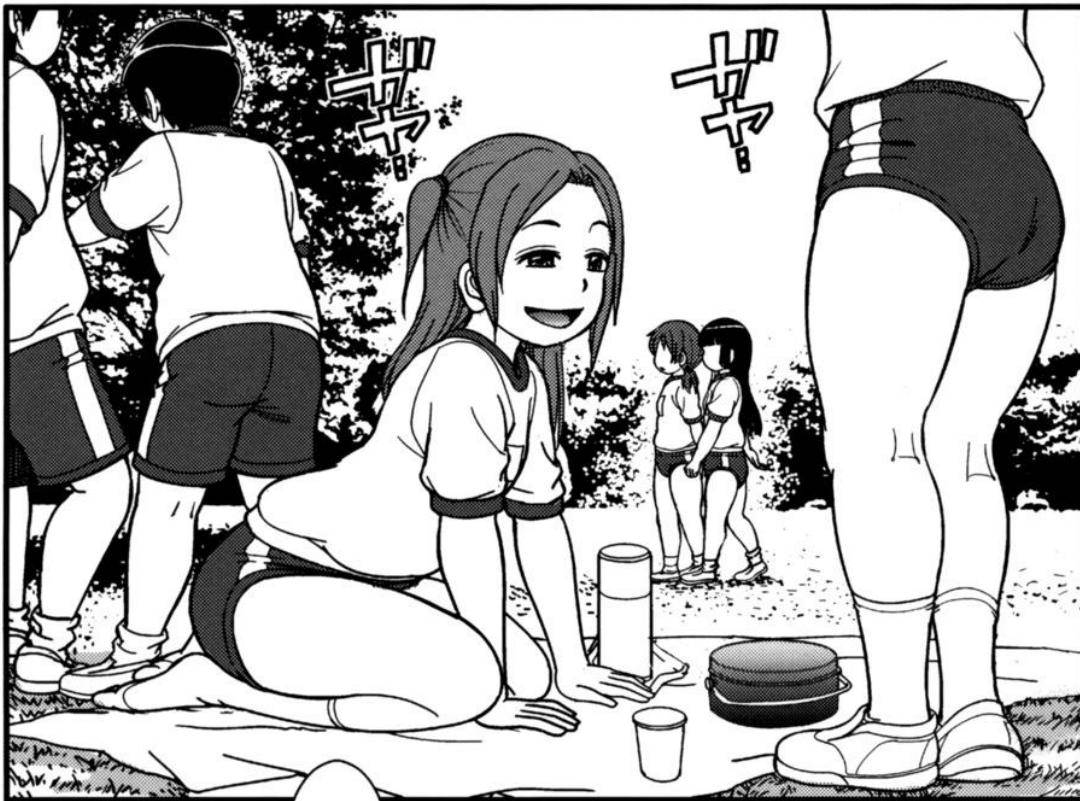

Be careful not to shit your pants.

Everyone notices the smell, and they're going on and on about it.

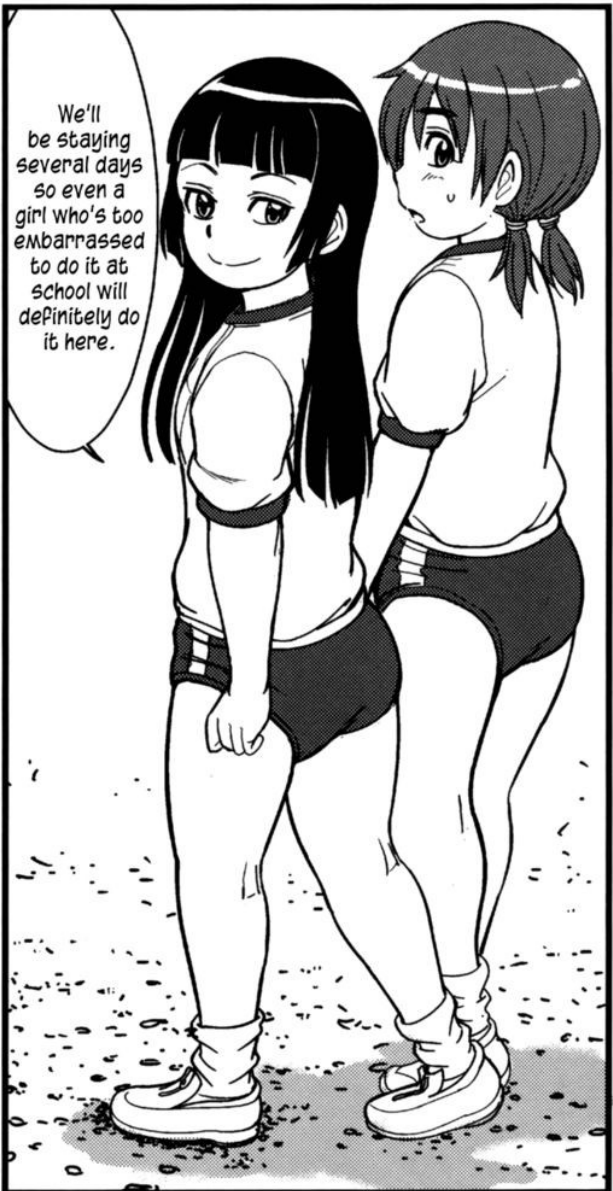

What's up with that smell!

I smell some shit too!

I guess we should take advantage of this opportunity, and do some peeping later on.

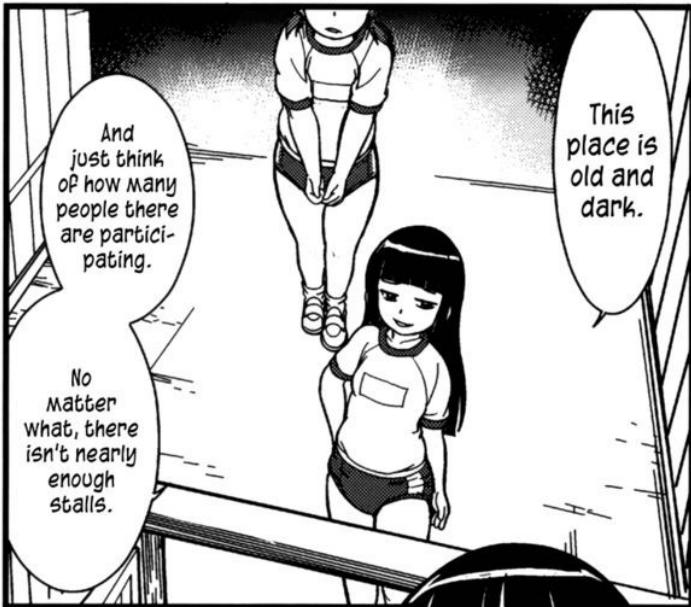

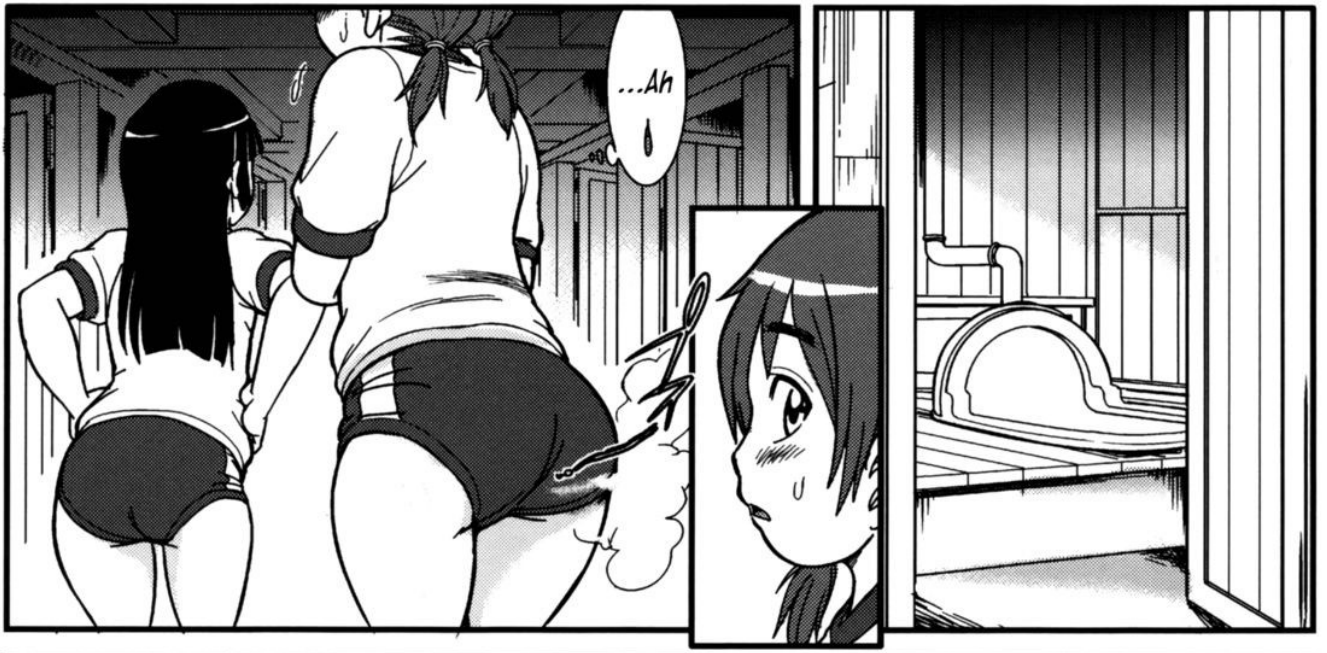

We'll be staying several days so even a girl who's too embarrassed to do it at school will definitely do it here.

This is the bathroom.

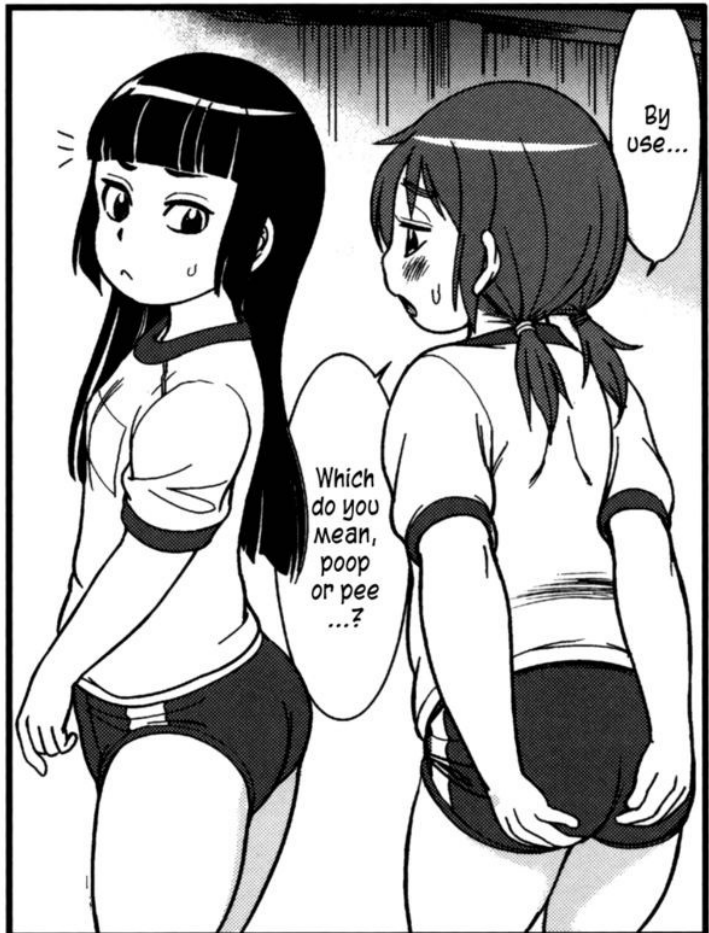

This is your first year participating... So you don't know the place, right?

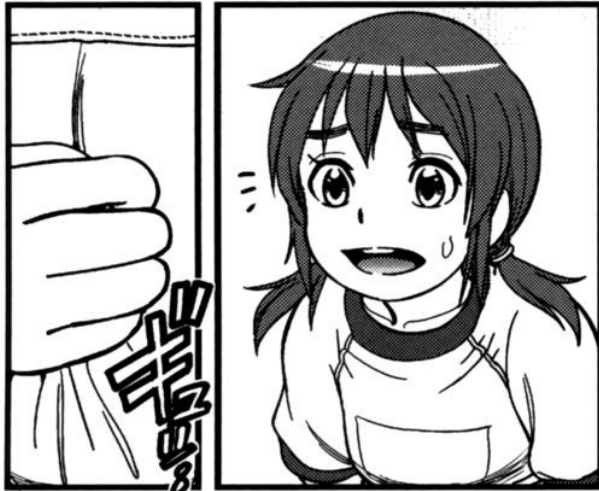

Poop!

Stupid, don't make me say it!

By use...

Which do you mean, poop or pee ...?

クソ

"When pooping, we do it together". That's our rule. Due to having to synchronize my timing with Aina-chan most of the time, I've suffered a lot, but...

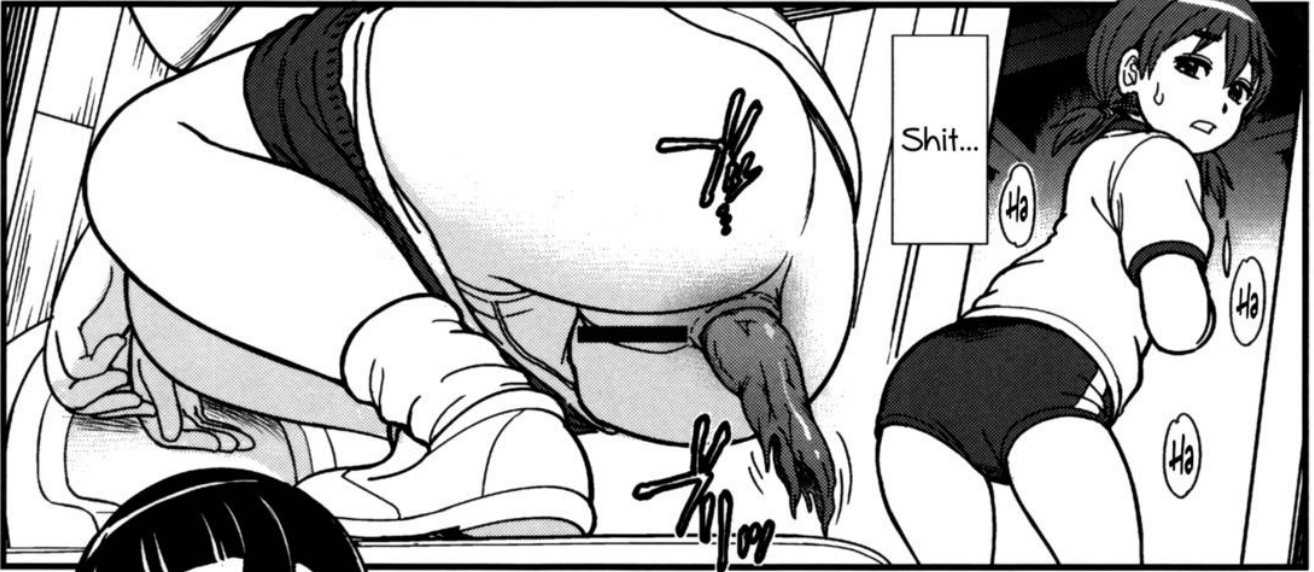

Aah ...!

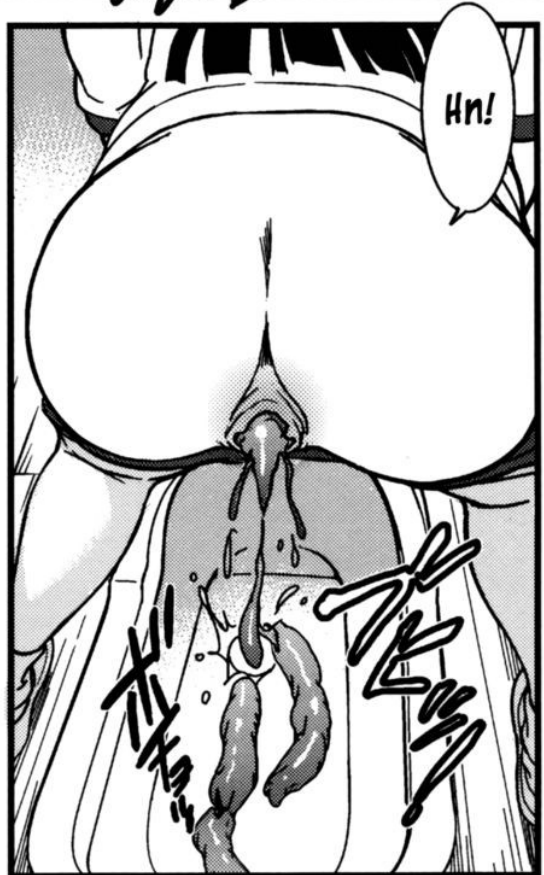

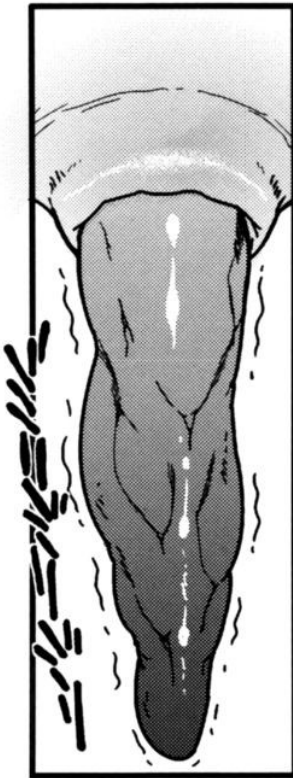

クソ...

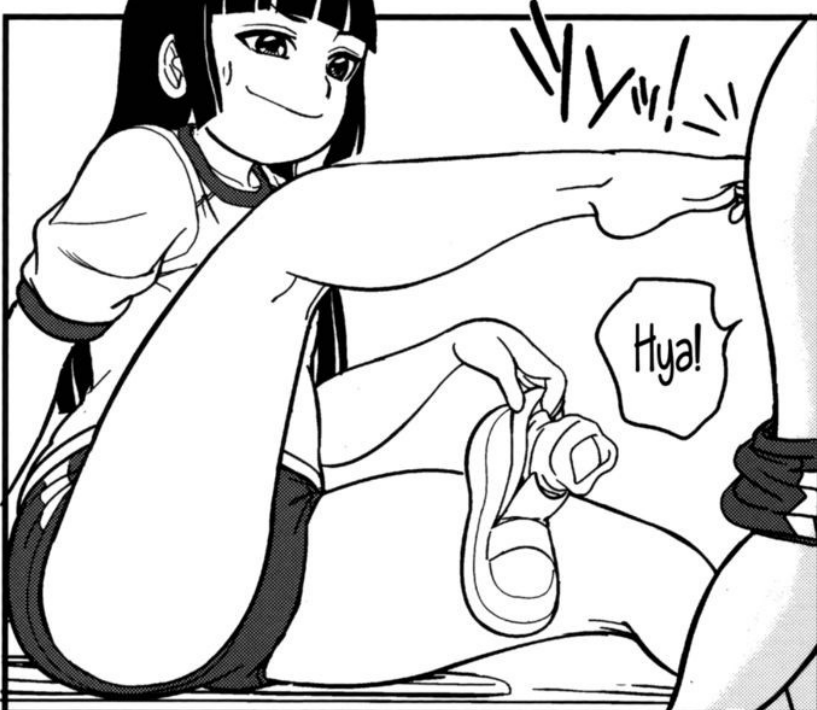

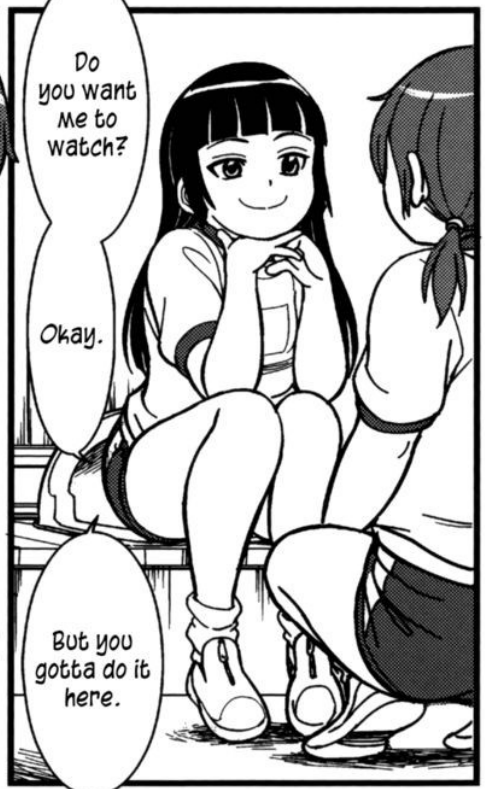

Aina-chan's poop

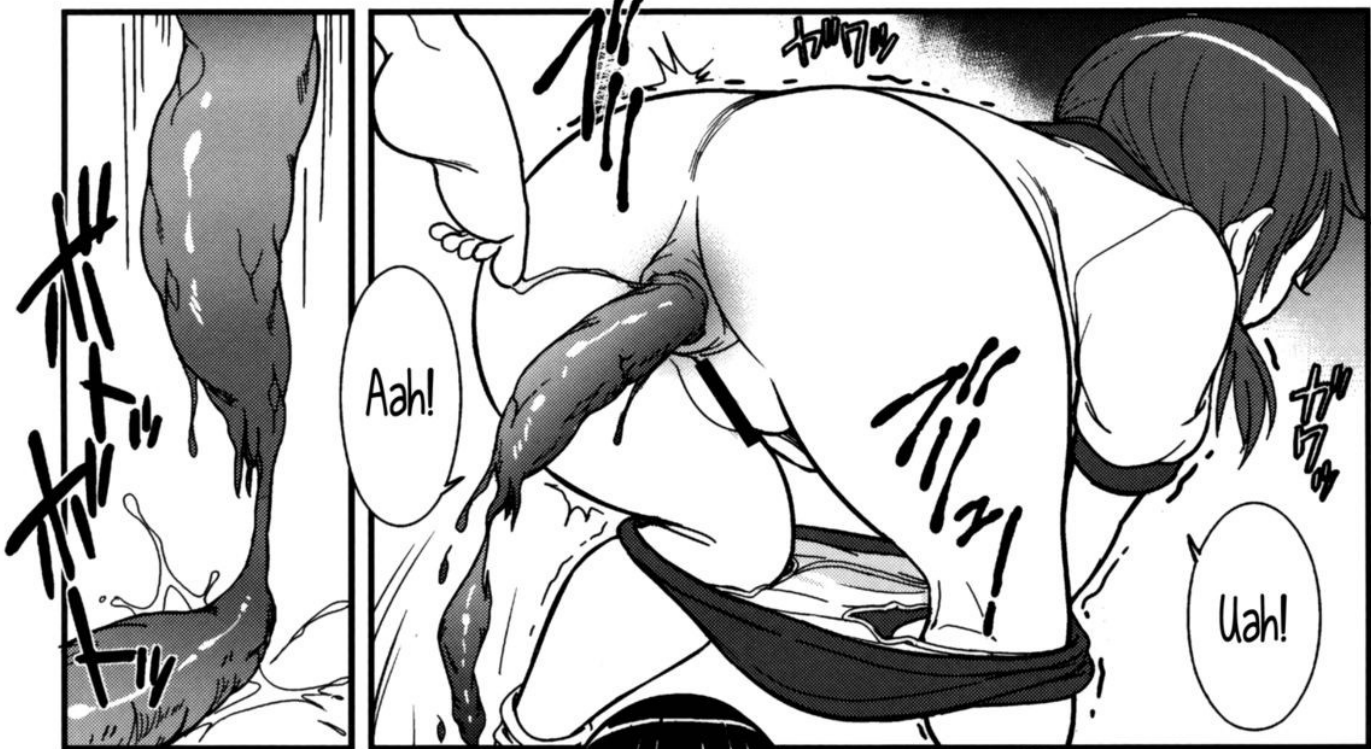

Poop!

クソ...

Haa!

It just keeps coming out.
How much have you got stored up?

Ha!

Ha

Ha

Ha

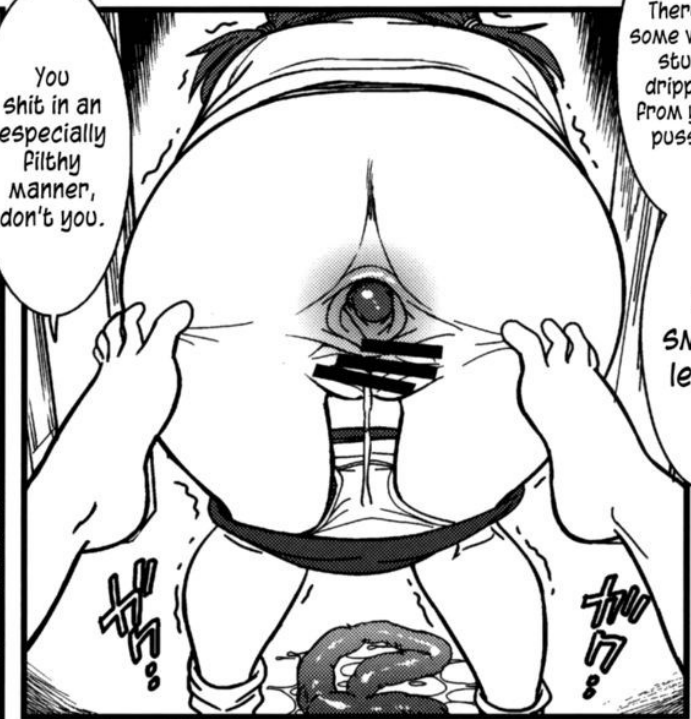

Ha

Ha

Ha

Y-Yeah.
It makes me really horny...

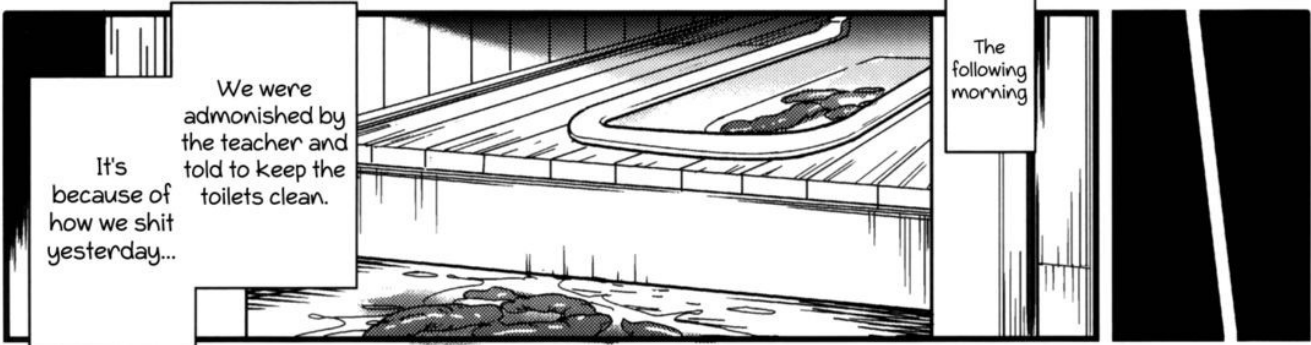

You shit in an especially filthy manner, don't you.

There's some white stuff dripping from your pussy.

It smells lewd.

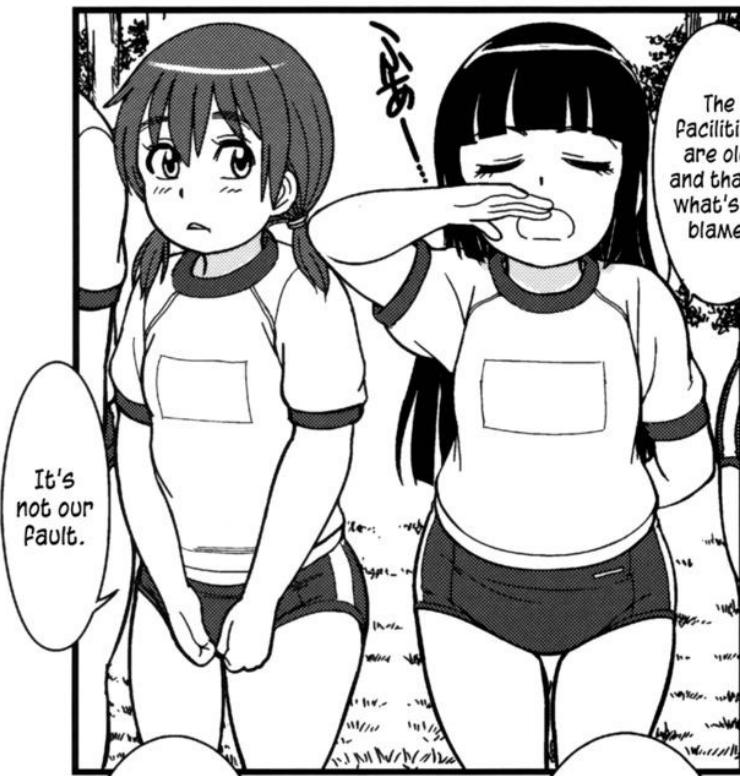

It's because of how we shit yesterday...

We were admonished by the teacher and told to keep the toilets clean.

The following morning

It's not our fault.

The facilities are old, and that's what's to blame.

Everyone will probably be shitting in it today.

That toilet will definitely get clogged again.

The stall with the toilet that doesn't flush...

Yeah...

I wonder what's happening?

Are you interested?

Even so, the girls did their business without too much concern.

As expected, it got clogged quickly. It suddenly became full of everyone's filth...

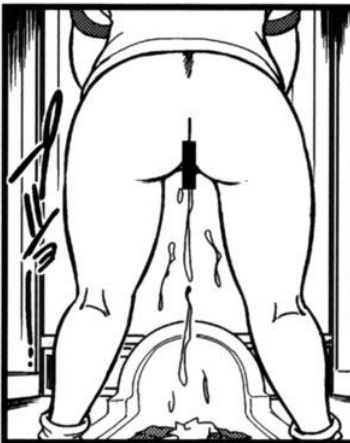

a girl nervously squatted and did her business...

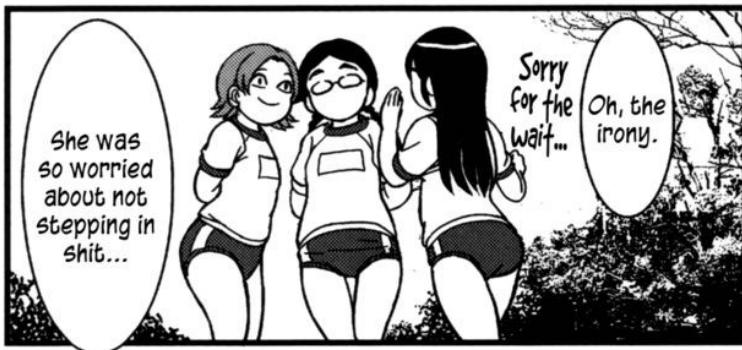

While watching her step.

There was so much filth that it was spilling out.

Another girl peed while standing up, and got it even filthier...

Of course.
But if it belongs to someone special to you,

Filthy things are filthy.

then don't you love it?

That's all it is.

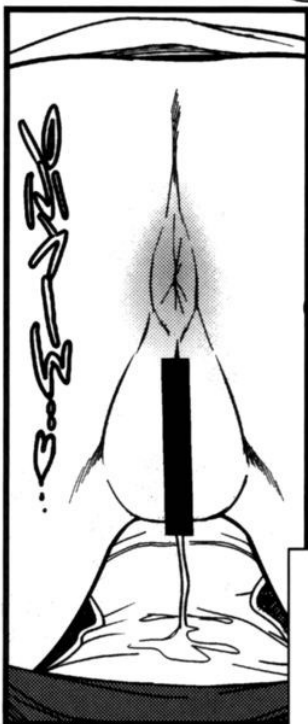

This even grosses me out...

How filthy.

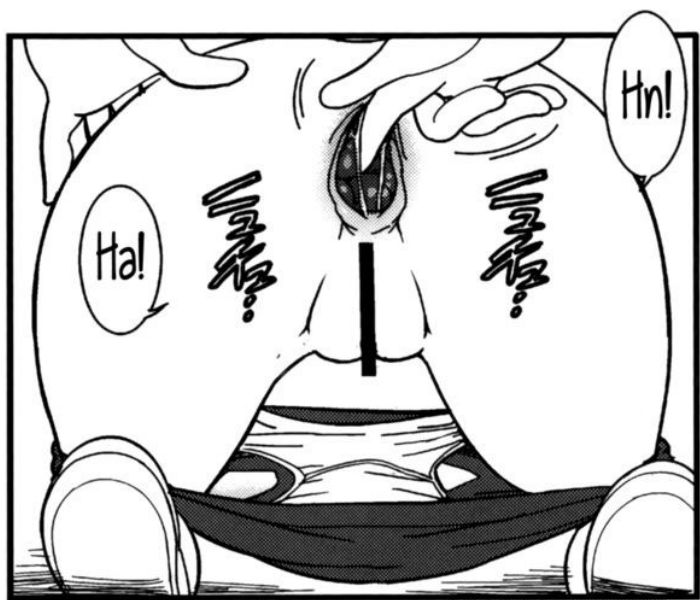

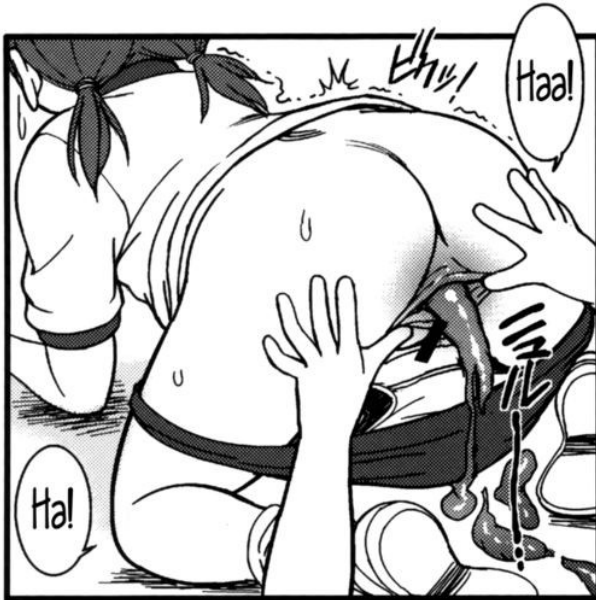

She says she likes how it smells.

Aina-chan is sniffing the odor of my butt.

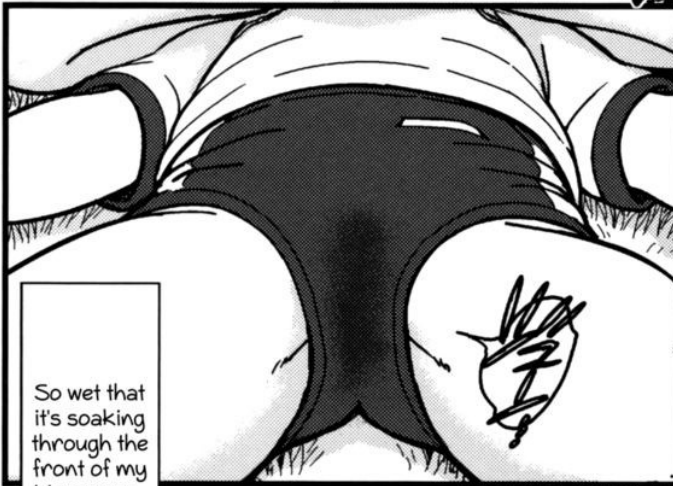

of my butt...

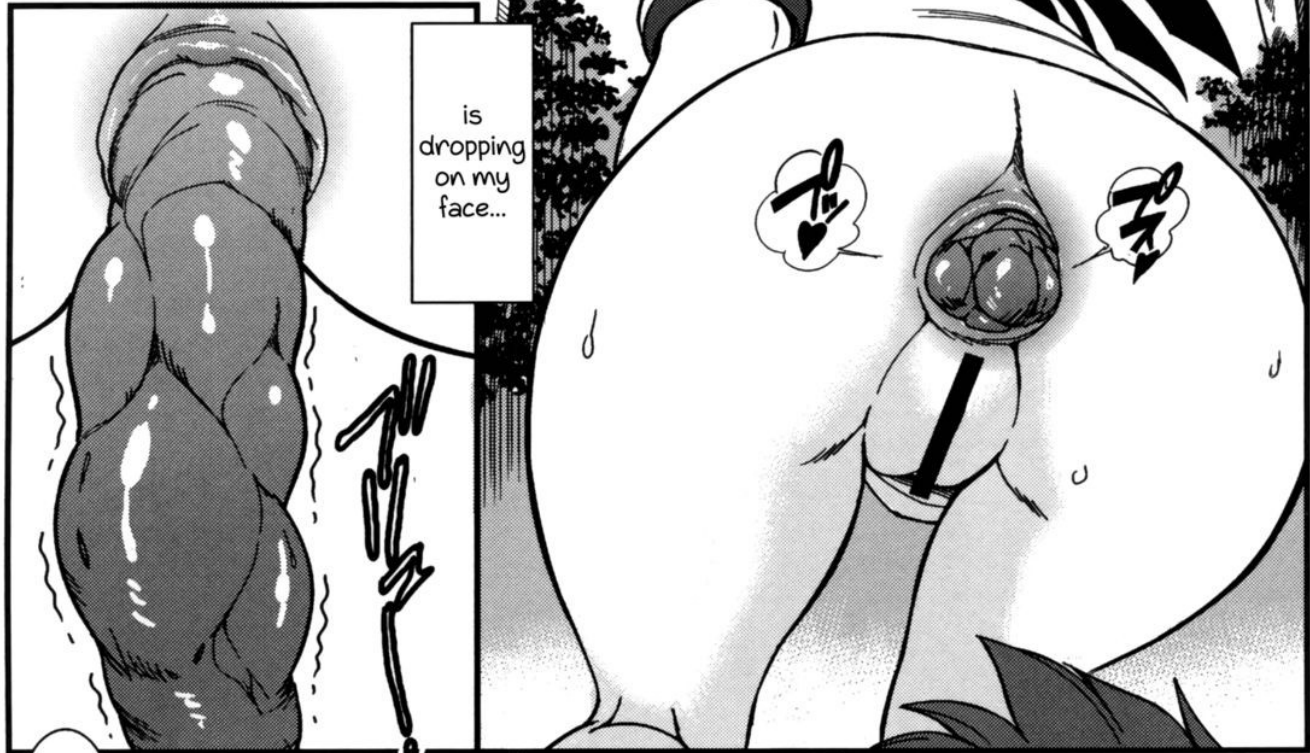

The odor...

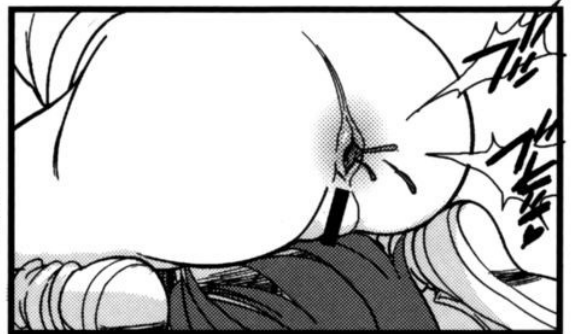

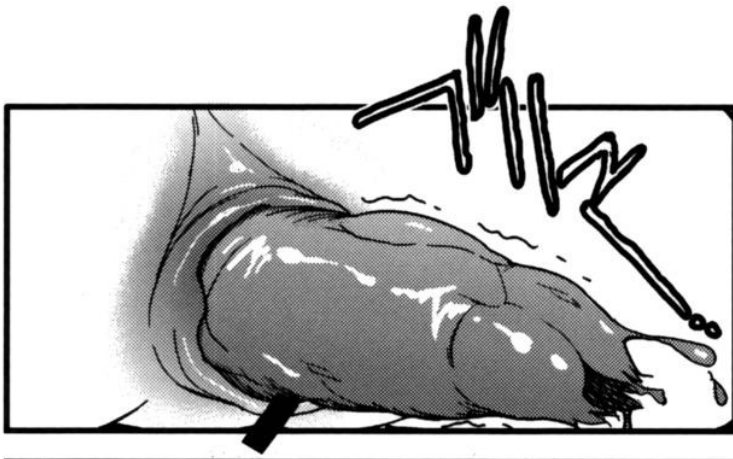

What I truly want.

Aina-chan always gives me what I want.

who will grant my true desire.

Aina-chan is the only one

It's so distant.

It almost sounds like I'm hearing something from another world.

あー!

I can hear the cheers of the other students playing outside.
