Tadah~! I also got cake~
♡

Oh no, it's just... Chiyo-chan...

Mm? What's wrong?

Cake...

The shop where I bought it from had been on TV or something and it was so crowded-

Th- That's, well, um, not, uhh...

Didn't you say you'd go on a diet?

Ahh, right...

Hngh-!

...Ten...

One-Two...

I guess that makes sense when you haven't been able to continue doing whatever exercise you tried...

Uu... I can't deny it... I'm ashamed...

But..!

Ah-Sorry, I have to get this call...

Eehh...

No one could keep going in that situation!

Your sweetness is the thing that lets my fat exist!

But you kept spoiling me whenever I felt like quitting!

I am?!

You said you'd help me diet...

You're partly at fault too, Toranosuke-kun!

Ceez!

And because I was free, well...

Y-Yeah, something urgent came up and they need more reporters on the scene...

You're going on a long business trip?!

EEEE
EEH?!

How long will you be gone?!

It might take a month, or more...

No, don't be... It's your job, it can't be helped...

Ugh...

I'm sorry...

Month... or more...

I'm so tired... I want to see Chiyo-chan already...

There's really no place like home~

I'm finally back...

That I couldn't contact her as frequently as I wanted... She might be mad...

But... I was so busy with work...

If I remember correctly, she said her diet was going OK...

I can't wait... ♡

Hehehe...

She hasn't replied to my text message either...

Is she not home..?

Here we are... back home at last...

Huh? The lights aren't on...

I wanted to look good in your eyes... so I lied... Uuu...

My diet was a huge failure!

I lied!

But you said it was going okay...

Because you weren't here...

But...

It was actually going fine at the start...

What in the world happened..?!

I ate a lot...

I was so lonely... I was so sad...

And went back to being my old, fat self-

And to take my mind off that...

Henyah?

Tohwano-shuke-kun-

Wah... Hwaht awe yhou dwoing?

You don't need to apologize.

This is your punishment for lying!

I'm sorry...

...Okay.

But then I thought I'd just wear it and pray that I looked thinner...

It's a swimsuit I bought so I could show off how much I'd lost weight...

Eh-? This-Um-

Also, well... I've been wondering for a while now, but what's with that get-up..?

I- I see...

Hehe... Well then.

Why don't I check how your body has turned out?

It's pretty risqué...

Were you perhaps... expecting something naughty?

Guh... Maybe a little...

...You meanie.

Torano-suke-kun, you've gotten so hard... ♡

It's been so long since I last felt your body, Chiyochan- ♡

Stop that- ♡
