And then...

Ah!

BYE~

I'll drop by the toilet real quick before morning homeroom, kay~

Don't you think that's, like, real dangerous?

Seriously?

It was, like, so creepy you wouldn't even believe it~

That guy stares at me like crazy on the train~

Eehh~

SASAMORI SACHI,
HIGH SCHOOL 2ND YEAR,
16 YEARS OLD.

SHE'S WHAT PEOPLE TODAY CALL A "GYARU". DESPITE HER LOOKS SUGGESTING THAT SHE HAS A BOSSY PERSONALITY, THE TRUTH IS...

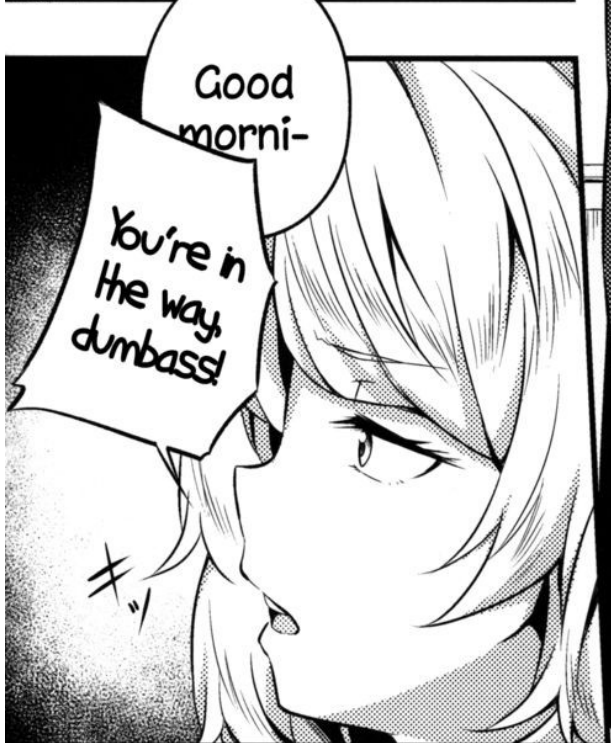

What, it was just you, Sasamori...

Yo...

Whoa there...

Good morni-

You're in the way, dumbass!

KISHIDA YOUHEI, HIGH SCHOOL 2ND YEAR, 17 YEARS OLD.
A GUY WHO LIKES BOOKS AND DOESN'T REALLY CARE ABOUT OTHER STUFF THAT GOES ON AROUND HIM. SASAMORI SACHI'S CHILDHOOD FRIEND.

S- Sorry...

Hmph...

I WONDER WHEN IT STARTED...

...OH RIGHT...

There we go...

WE USED TO PLAY TOGETHER A LOT AS KIDS...

WHEN DID SHE START ACTING LIKE THAT AGAIN..?

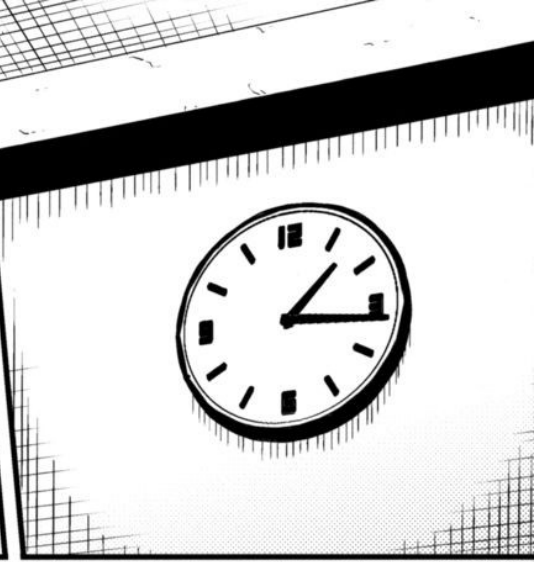

OUR HOUSES WERE RIGHT NEXT TO EACH OTHER, SO WE OBVIOUSLY ENDED UP SPENDING TIME TOGETHER, BUT...

AS WE GREW UP, SHE STARTED MAKING NEW FRIENDS... AND I WAS NO LONGER THERE BESIDE HER.

N-Not much...
Do you have some time..? *c c c*

Yeah?

Huh...
Oh,
Uemura-san.
What's up?

Uh... Um...
Kishida-kun...

Aahh...
Right,
I lent this
one to you,
Uemura-
san...

H-Here...
It's the book
you lent to
me some time
ago...
I thought I'd
return it
now...

I'd totally forgotten about it until now...

I really liked that too.

Oh yeah, that one...

And that scene was great...

おーい

...So, what did you think about it?

Y-Yeah! It was really interesting!

Especially the protagonist, when...

Did you like it?

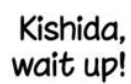

And listen, yesterday my boyfriend was, like, the worst~

He texted me like every ten minutes and it was sooo annoying~

...

AHHAHA

...Like, are you even listening, Sasamori?

Kishida,
wait up!

DING
DONG

...Huh?

I've got
some business
with you.
Come with me
for a sec!

Man, just listen to you... That kinda gloomy stuff is exactly why you've never gotten a girl-friend and never will.

Leave me alone!

The hell, Sasamori...

It's been who knows how long since we last talked, and now you just come up to me and start bossing me around? Give me a break...

And you told me to come with you, but where exactly are we going..?

Haah...

I get it already... I just have to follow you, right..?

You worry about small crap like that and you still call yourself a man?!

Hah, what?

Who cares...

Come on...
Just tell me...

Huh?

I'm pretty sure what I think of her is none of your business...

What the hell is it now, all of a sudden...

By the way...
What do you think of...
Uemura-san..?

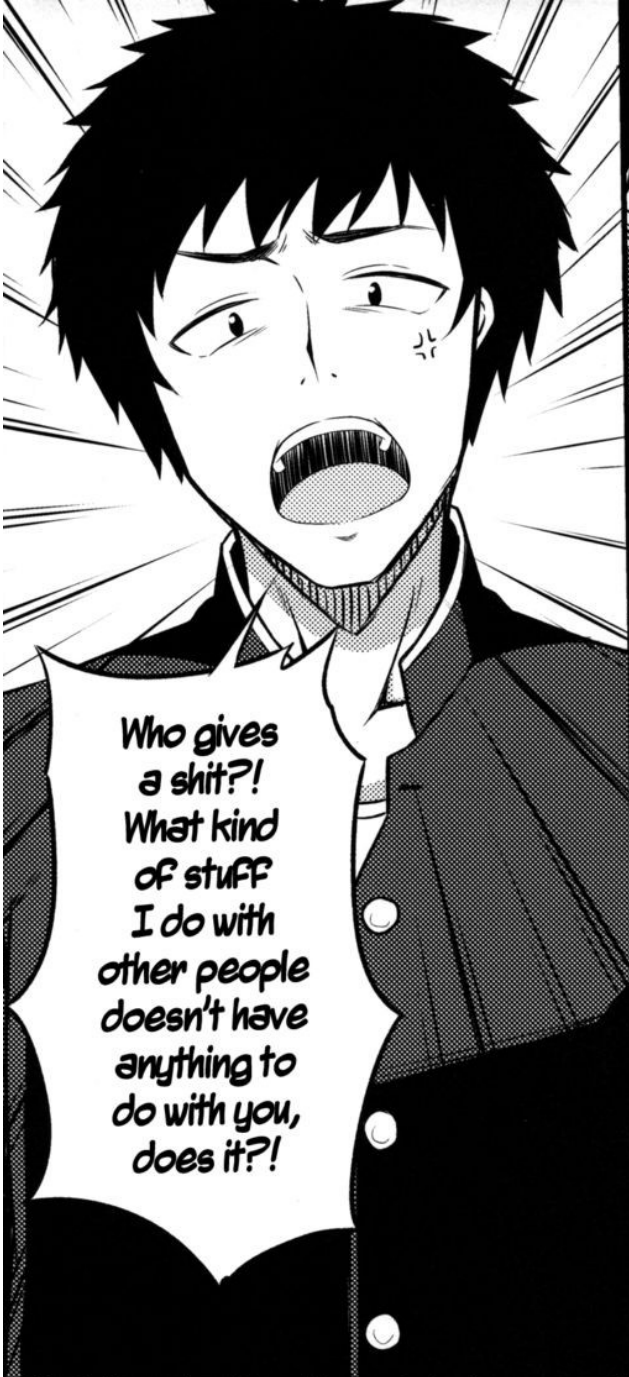

What's with that...

Now listen here...
I at least think she's a better girl than you and your superficial garbage.

PISSED OFF

H-Huh...
What's so good about a plain and boring girl like her...
Is it because she's as gloomy as you..?

Who gives a shit?!
What kind of stuff I do with other people doesn't have anything to do with you, does it?!

What do you even know about me?!

I'm not dressing up like this because I want to, okay?! Being a guy must be simple, but girls have it tough!

And you still think that boring girl sitting in the darkest corner of the class-room is better..?!

BUT IT DOES!

What the
guy she
likes is
thinking!

There
isn't a
girl
alive who
doesn't
want to
know...

Sasa-
mori...
You...

...Come here.

...You gloomy idiot...

Shut up, I don't care...

H-Hey... Sasamori... It's raining...

But did you just drag a girl to a love hotel..? You're seriously stupid, you know that...

I know it started raining...

After saying that kinda stuff to me...

You can't blame me for getting weird thoughts...

...You really are...

A total idiot...

A-Anyway, you're gonna catch a cold like that, so go take a bath...

...kay.

SILENCE...

GLANCE

...You know,
you look a lot
more slender
with your
clothes on...

Shut
up!

...Don't
stare
at me
too
much,
okay..?

KYA!!

GULP...

Sorry
for the
wait...

Sasamori...
