Why this thing become a challenge?
I don't get it...

You know... senpai

... because it makes you sexy..

hmm?

I want to do it too,

but I don't have a big chest...

Drinking milk tea without hand?

I can hold it for you with my paw, if you don't mind

y-yes please....

Mhmmmm Mhmmmm ❤️

Don't spill it.

Unless you want to clean 'them' too...
