Japan?

Are you an idiot?

Ergh, foul-mouthed as always...

WHY IS THERE A GLOBE HERE ANYWAY?

Hehe-heh...

There's that black magic, so what did you do to the globe this time?

You'll see

!!

Hey, Teach! Come over here!

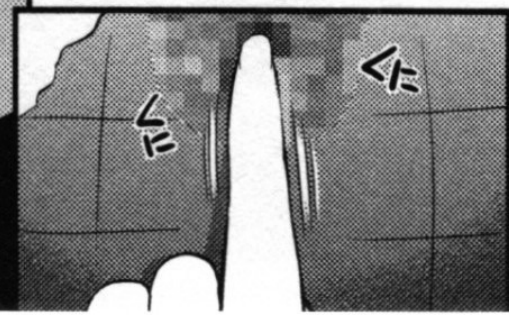

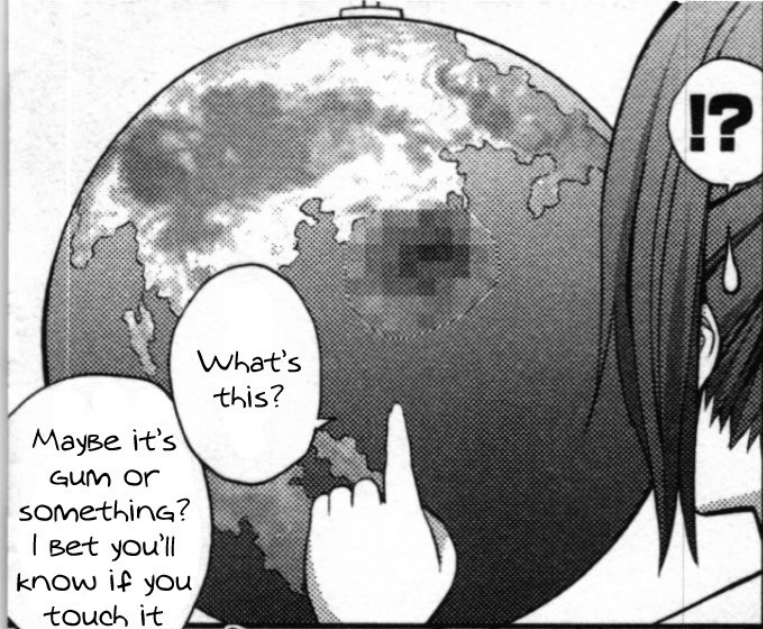

Huh?

Forget that, can you show us where Japan is?

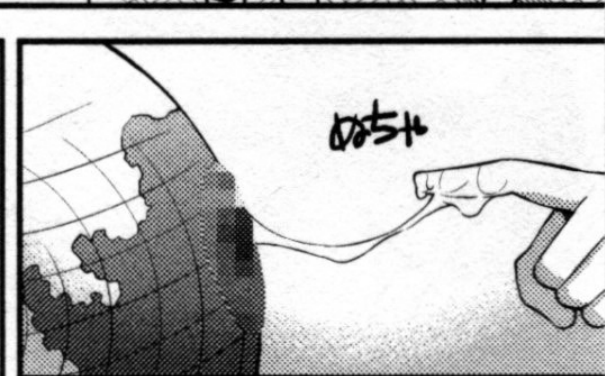

How many times do I have to say it? Please stop referring to your instructor so casually

Um...

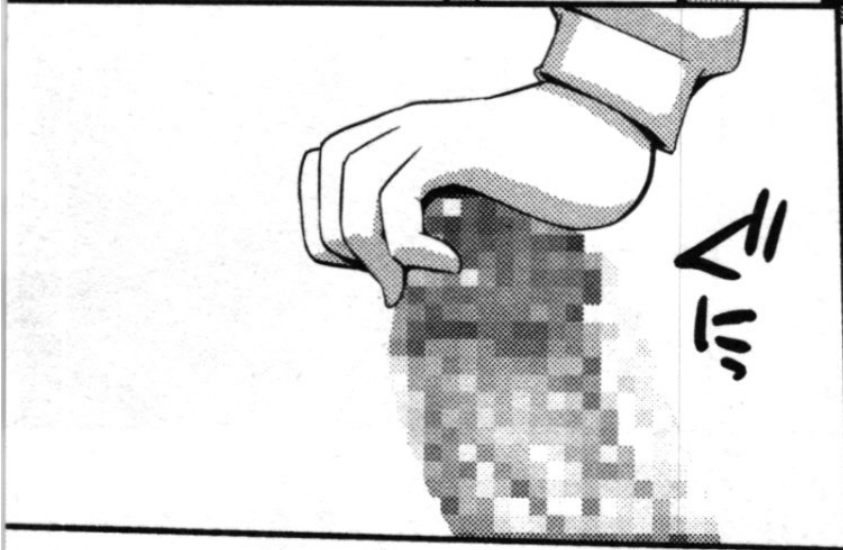

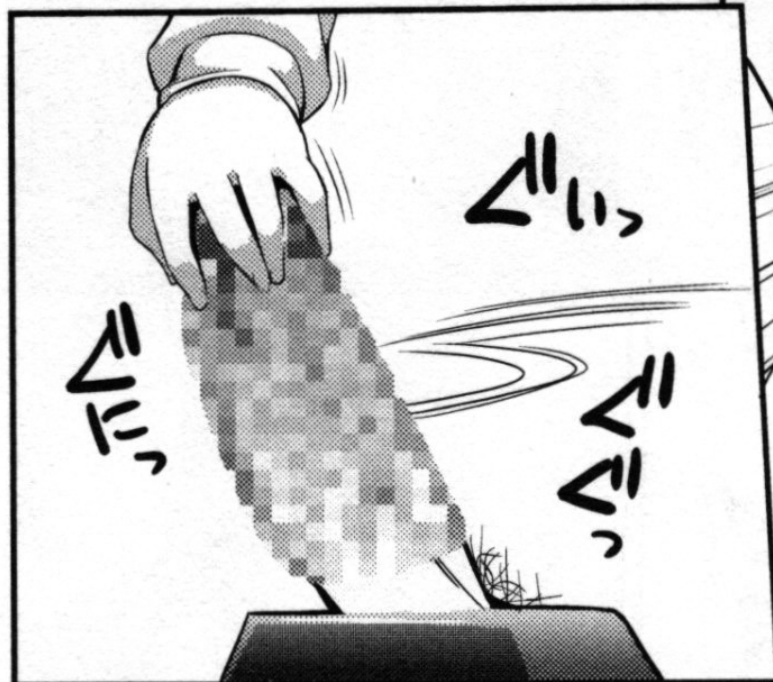

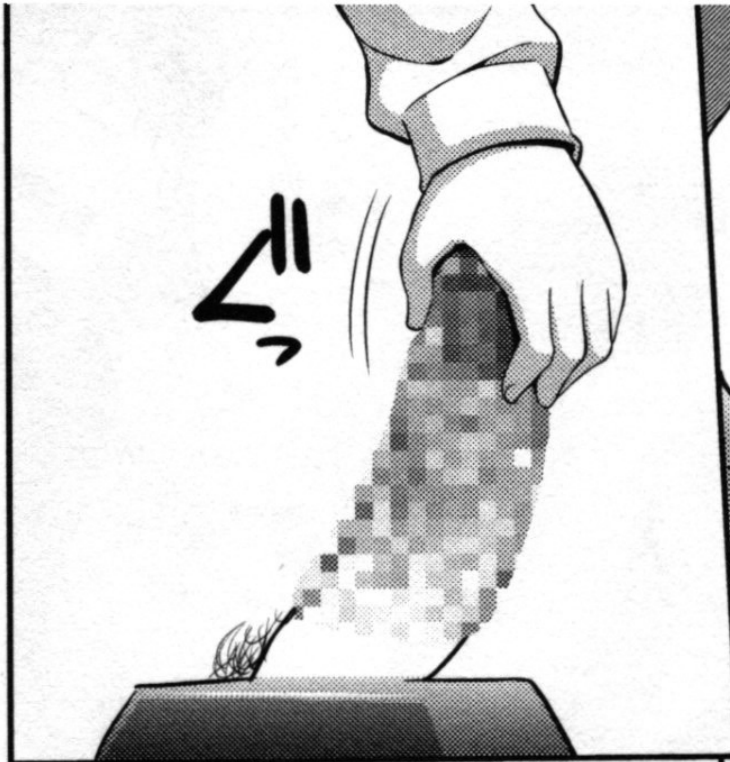

Samejima Sadao.
Using Black Magic, he is able to exchange objects with one another

Smells pretty lewd, doesn't it?

I'm sure I'm just tired...

N-no way...

Could it be you're so frustrated you think it's semen?

Fuah

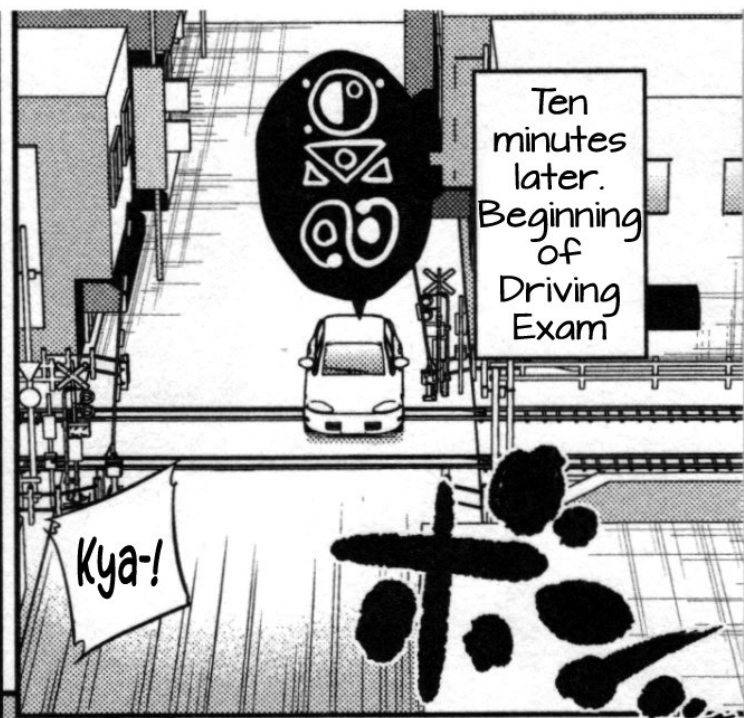

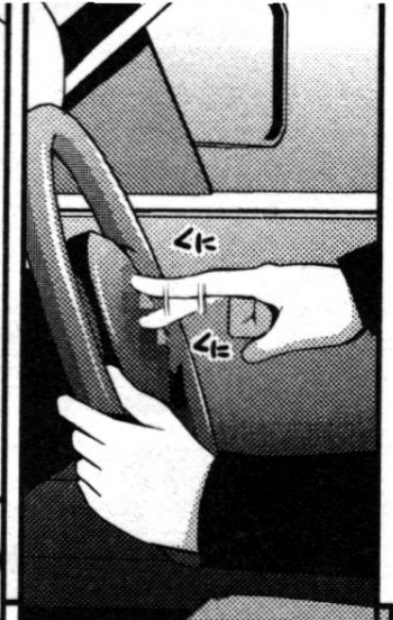

Looks like it's leaking oil

Oh? Is that shifter old?

T-this... is oil?

...

Hey,
Teach

Maybe
I really
am
frus-
trated...

What's
with me

Oh, what's gotten into you all of a sudden? Are you frustrated after all?

You switched my arms with hers

Oh

Sadao...

W-wait...
What's going on!?

This body...
A man?

My hands
are touching
something
else...

No. Please
stay focused
on the
exam, you
disgusting

four-
eyes

More impor-
tantly...
These
arms...

W-what
am I
going
to do
now...?

Haha,
I think you're
the one who
needs to stay
focused
right now

Ngh...

Ahh...

Oh, our first
reaction! It
seems you
like your
nipples and clit

Then
how
about
this?

Guh...

No...
What's
going
inside
me...

Ohhh...

It's dangerous!

Watch where you're going!!

H-Hey! Sadao!

Guh

Hehe, it's fine ♡

You don't need to keep holding back ♡

N-No... What...

What is this...?

Ah, Ah...

So, have you reached your limit? ♡

I'm
cum-

♥

Or is there something else you have on your mind?

So should we continue the exam?

Heh...

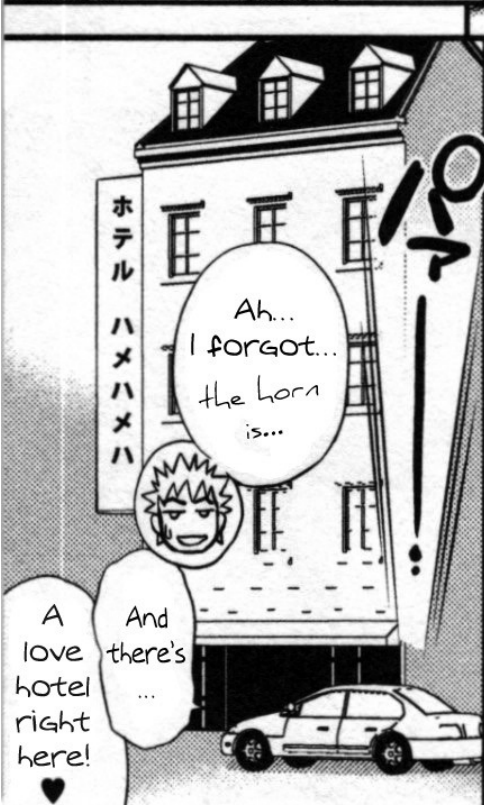

You're really something else

I can tell

Your pussy is very honest

Ah... I forgot... the horn is...

A love hotel right here!

And there's ...

I want sex... you shitty four-eyes...

Heh... It seems that way

Do it harder!

No matter what I do, I always fail!

Hey, hey, hey, hey!

One Month Later

But...

That's because your driving...

Is shit

So, shall we go to the hotel again?

I won't be able to see you any more...
