

Radical Comic volume 7.8: DIHAMILI KAKEK BUYUT

Hello, my name is Kencur.

I live in a village full of
corrupted people.

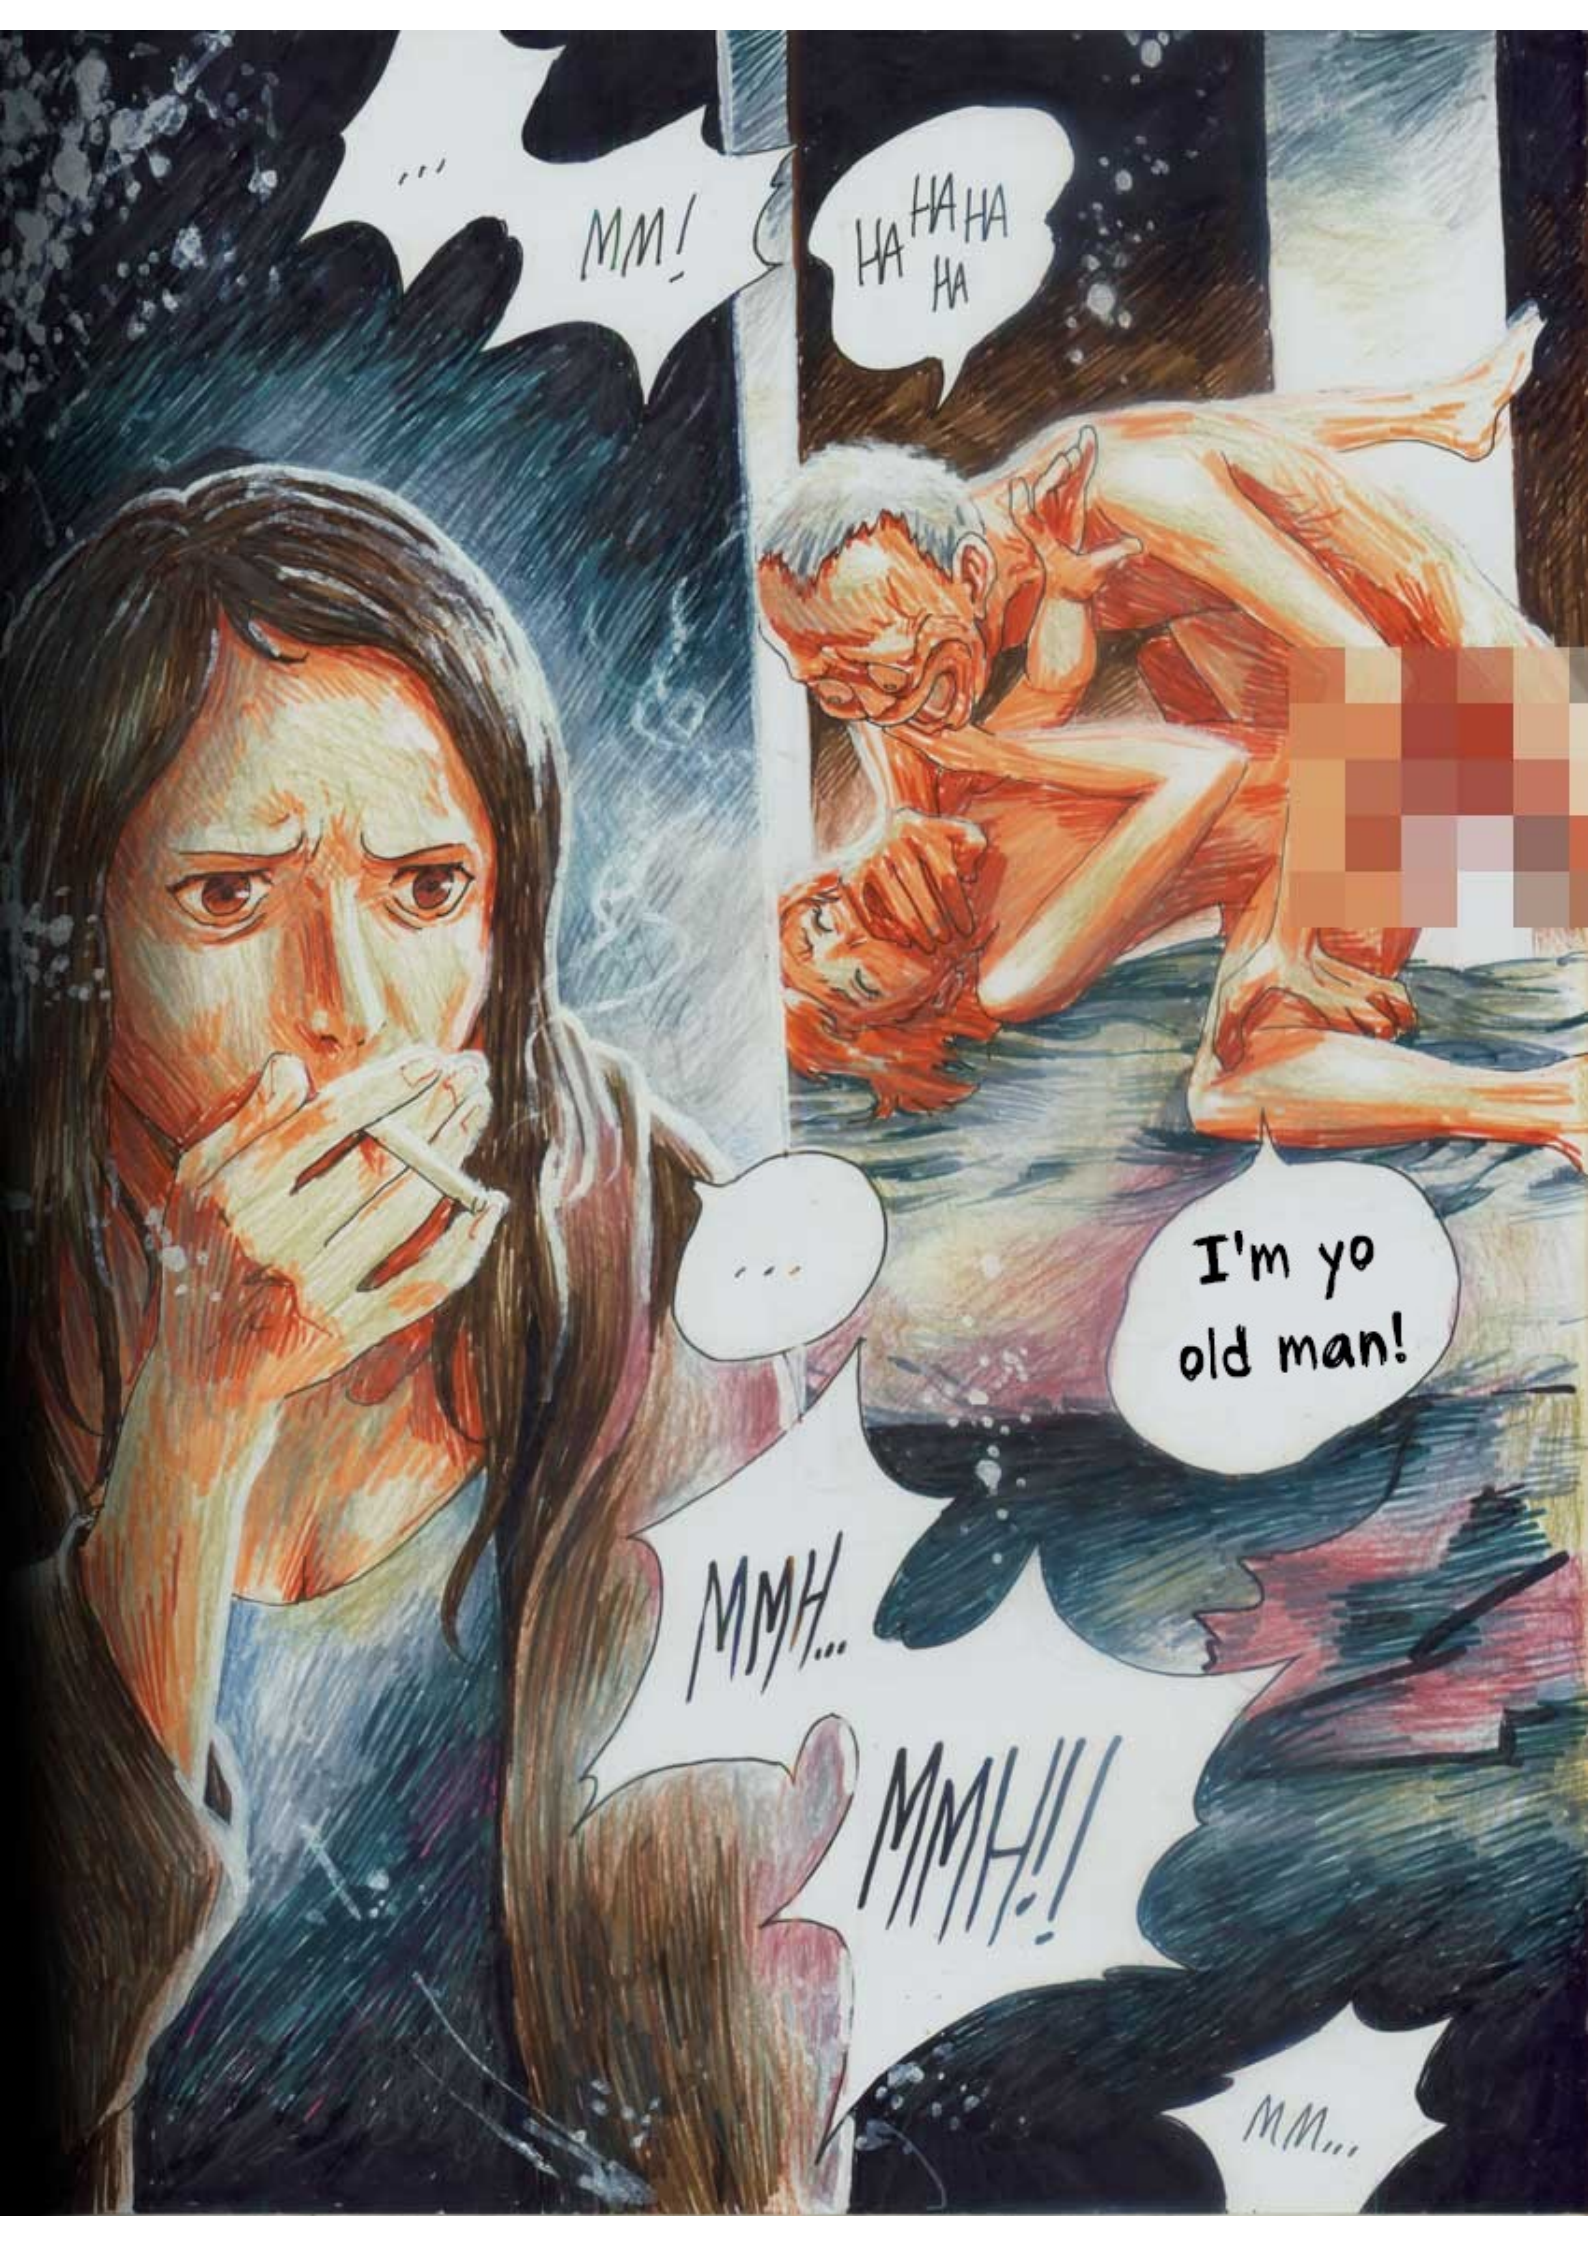

I'm not as fortunate as my friends, who merely got
impregnated by their neighbours or by their friends.
I was pregnant being raped by my great-grandfather.

Please,
no!!

I'm yo
papa!

MM!

HA HA HA
HA

...

I'm yo
old man!

MMH...

MMH!!!

MM...

I was being forced to be with him in the mornings, when my mom leaves for work in the mill.

Mom was also being forced to sleep with great-grandpa, which was her own grandfather.

And it gave birth to me.

Mom has never told me if I was born with great-grandpa.

It's my deranged grandma that told me that.

And herself too, gave birth to mom after being raped by great-grandpa, which was her father.

Grandma also told me that
she's somehow great-
grandpa's little sister too.

Being born after
great-grandpa slept with
his own mother.

Who was great-grandpa's father, you ask?
Perhaps it's Satan himself...
