Meow?

The other day, I shared some sweets I had with her and we became friends...

You can always find Azuki-chan, a girl who lives in my neighbourhood, playing by herself in the park...

It's the candy Onii-chan! ♡

Onii-chan,
what are we
doing now?

Lie down
over here.

I'm gonna
shove my fat
cock inside
your special
place...

We're
going to
make each
other feel
really
good!

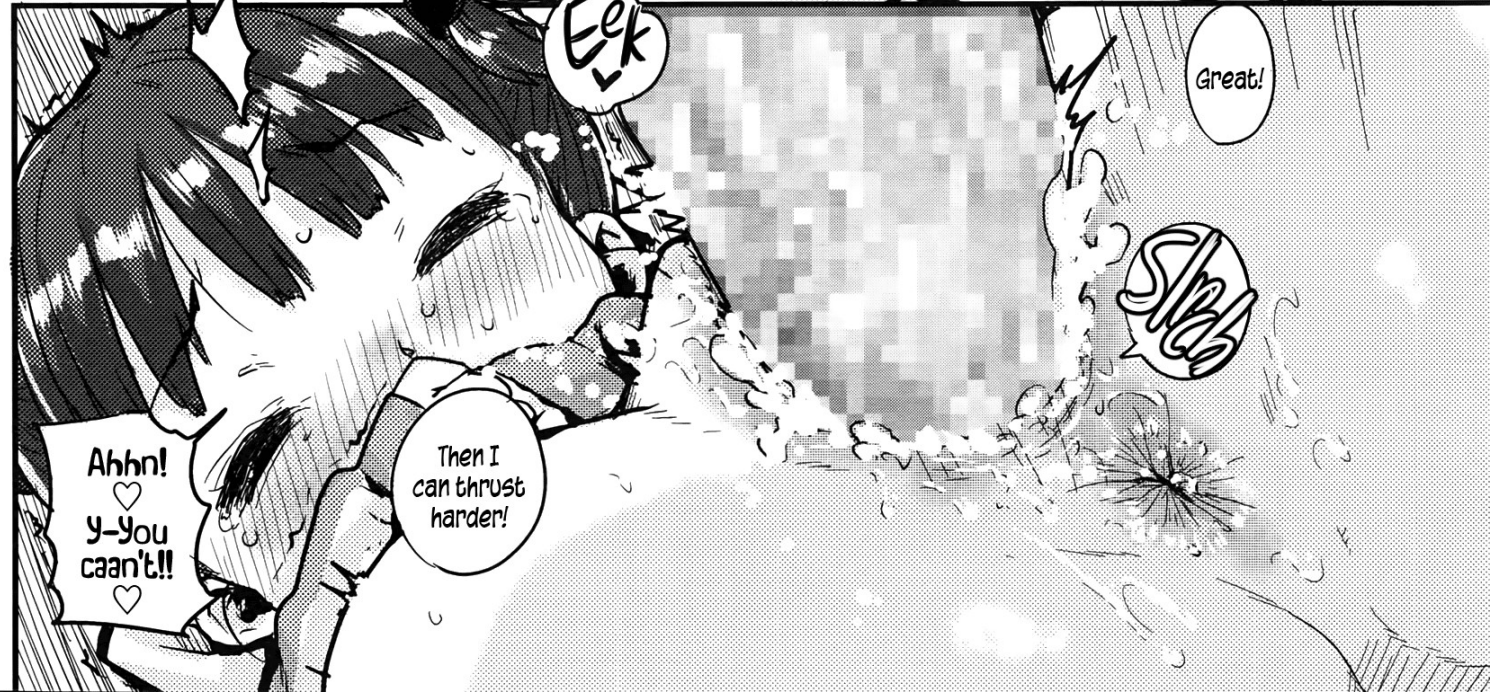

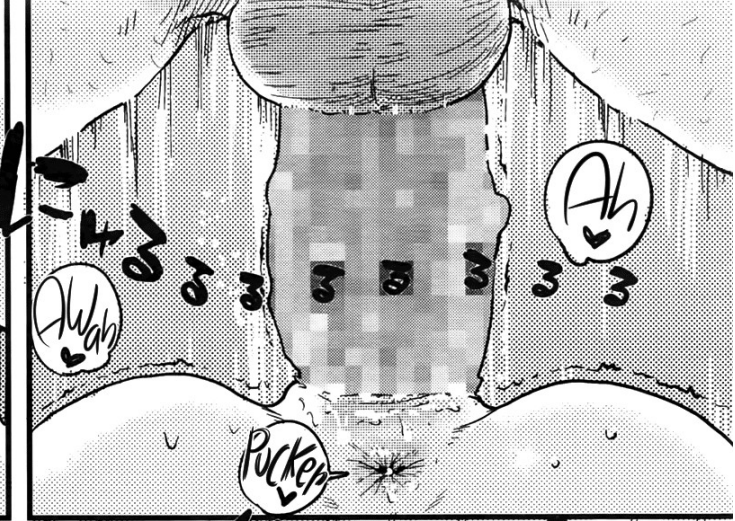

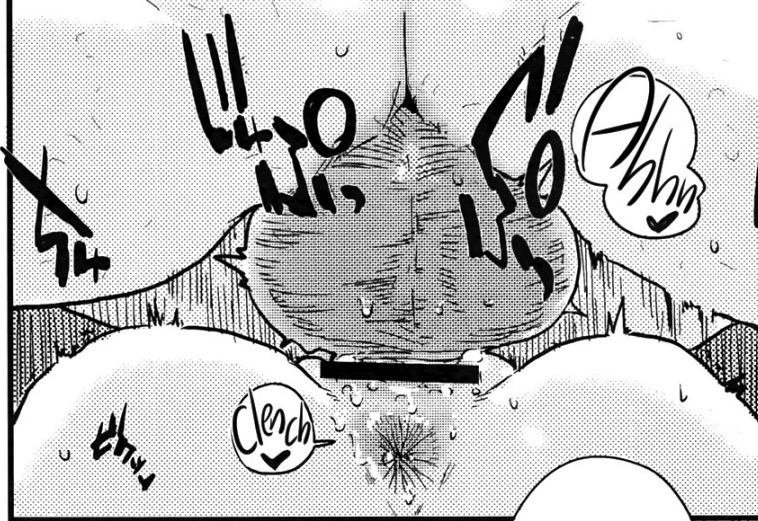

Your

inside me,
Onii-chan!

Azuki-chan,
your insides...
feel so nice
and slimy!

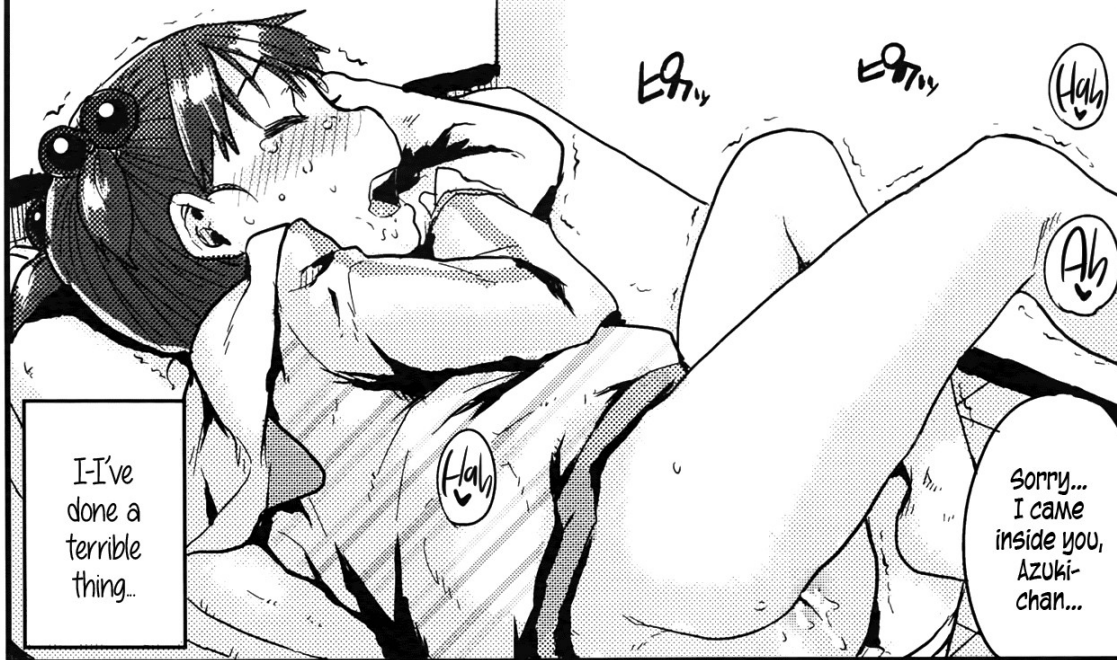

Really?

Clench

Ahh

I-I've done a terrible thing...

Sorry... I came inside you, Azuki-chan...

Three days later...

Thanks for everything!

A-Azuki-chan?!!

Here!♥ For you!

Is that... chocolate?

Yeah!♥

After that incident, I was worried, so I went to the park every day...

But I couldn't find Azuki-chan playing anywhere...

Maybe I'll never see Azuki-chan again...

Sigh~

I'm sorry! I'm so sorry!

Whuh?!
