MARMOT AND DR. GINKAKU

by Ike Reibun

APPROXIMATE TIMELINE (DOCTOR GINKAKU'S RESEARCH)

2009

The Jury system starts. The pros and cons of introducing the death penalty are debated.

2011

All broadcasts become digital.

2012

A detailed testimony from a juror ends up being published in a certain weekly magazine. Afterwards, the mental state of jurors and issues of confidentiality start to become hot topics due to the free press.

2022

In a popular reality show "Yoga Risk" a yoga master stops his own heart. The show features yoga masters and is very popular with children.

2030

A magazine originally themed around elderly romance changes its theme to school life by the 4th volume.

2041

Bread Riot. Because the government changed its policy to favor bio-energy, a large number of farmers switch their crops from foodstuffs to energy generation and the price of grain sky rockets. The prime minister's gaffe, "If there isn't any bread, than you can eat rice." circulates around like viral video.

2045

An American research team announces that they've just successfully created immortal cells.

2059

The first people to move to space are wealthy Chinese.

2062

The city relocation project started.

2064

Movie theaters that were once disappearing make a huge comeback. New and unique movie theaters are constructed in various places.

2070

Although talks of changing the government to a presidential system occur, nothing changes.

2073

Construction for a large metropolitan city starts on the site of an abandoned American army base.

2088

Japan begins adjusting its government to a presidential system.

2090

Kayanoya Aki is born.

2101

New Evolution Program is a bestselling book that discusses how people can be reintegrated back into the planetary system as "seeds".

2107

The first presidential election occurs in Japan. Voter turnout is 79%.

2108

The first president, Shibao Seiichirou (61), announces his engagement 4 months after his inauguration.

LABORATORY. I

I HEAR THAT HE RARELY GOES OUTSIDE WHEN OTHER PEOPLE ARE AROUND.

YEAH, YOU'RE PROBABLY RIGHT.

LIVING IN A PLACE LIKE THIS... DOCTOR SINKAKU SURE IS A STRANGE MAN.

IT'S LIKE THE TOWER OF BABEL!

HEY, HEY, WHAT'S THIS? I HAVEN'T BEEN TO THE NEW CENTRAL DISTRICT IN A WHILE.

There is an experiment underway in the name of history, and all humans are guinea pigs.

DOCTOR
GINKAKU!

I DIDN'T
COME HERE
TO BE YOUR
ERRAND BOY!

"How
should I
say it?
Hakase is
quite the
pessimist."

"Pessimist?
Ha ha!
You mean
he just
hates
people?"

bam

KAYANOYA-

HEY, I GOT
TIRED WAITING
FOR YOU,

LET'S DO
AN EXPERIMENT.

but with every step towards civilization, the gap between the rich and the poor became greater.

The development project used advanced technologies to reconstruct the city so it became an advanced capital.

The year is 2107. Tokyo is a city of high-rises built on the ruins of an American base.

I was born in Chaos, but was lucky enough to receive special student training in New Central District.

The New Central District, where even the amount of rainfall is controlled,

and Chaos, where skin cancer is rampant due to strong UV rays, are two completely different worlds.

DEFECTIVE GOODS?

I studied the history of the rebirth of the capital, and now I am working as Dr. Ginkaku's assistant.

IT DOESN'T SEEM LIKE ANYTHING'S WRONG.

CONDITIONS?

YES. IT SEEMS THAT WHEN A SPECIFIC SET OF CONDITIONS ARISE, IT RUNS AMOK.

HOW
COULD OUR

I

CONNECTIONS
TO GENERAL
SHIROSAKI.

HUH?

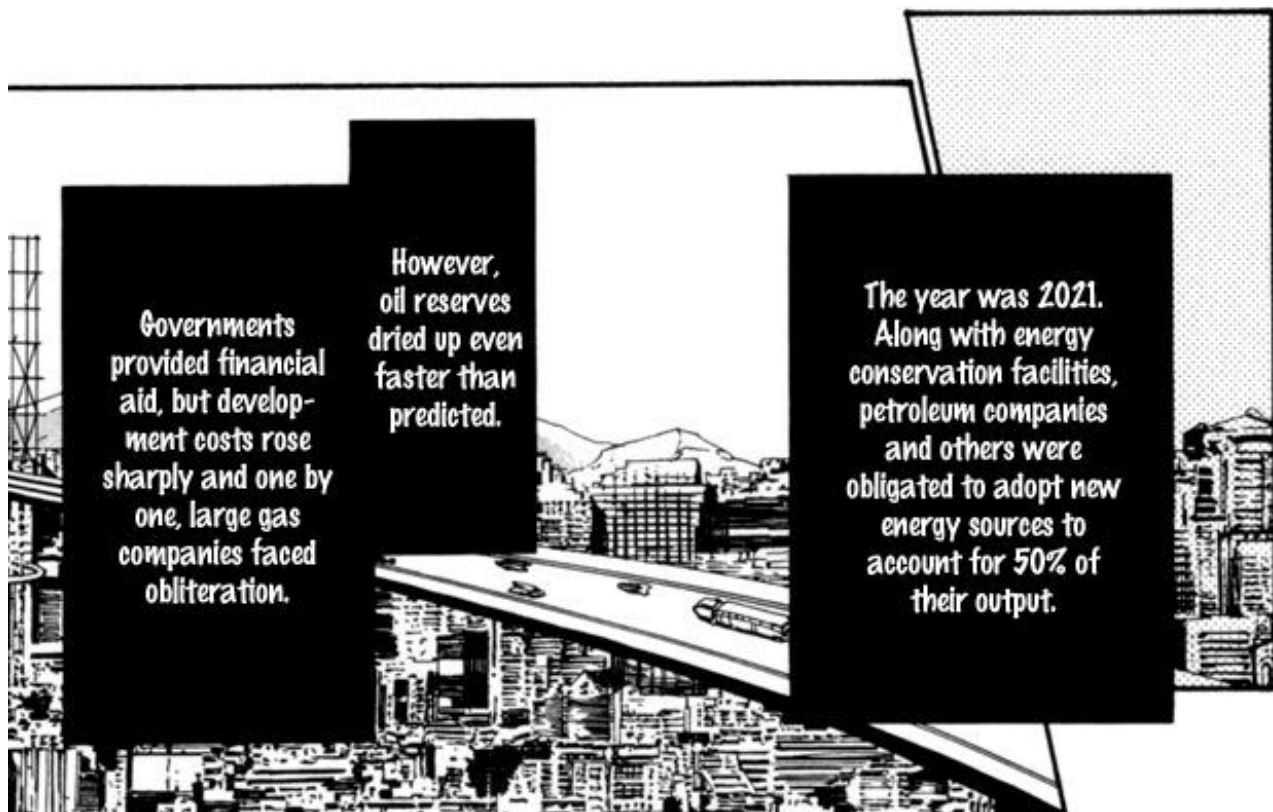

THOUGH IT WAS NEVER PROVEN.

SHIROSAKI WAS THE MASTERMIND BEHIND THE BOMBING OF THE NATIONAL CAPITAL RESEARCH LABORATORY 12 YEARS AGO,

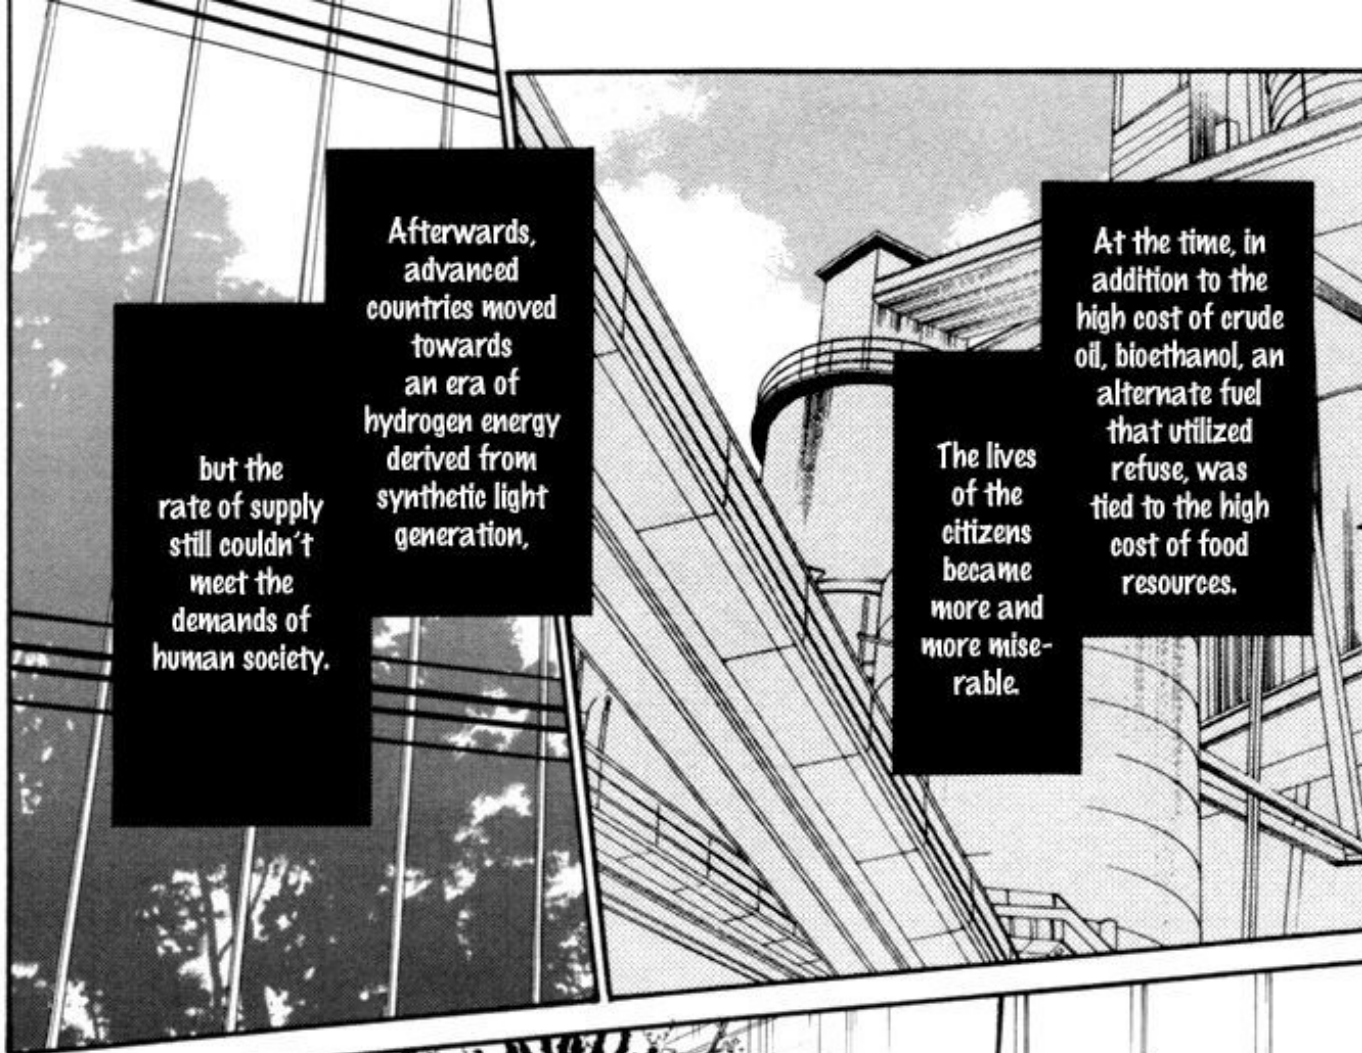

YOU KNOW ABOUT IT, RIGHT? IT WAS THE LABORATORY WHERE GINKAKU WORKED.

Governments provided financial aid, but development costs rose sharply and one by one, large gas companies faced obliteration.

However, oil reserves dried up even faster than predicted.

The year was 2021. Along with energy conservation facilities, petroleum companies and others were obligated to adopt new energy sources to account for 50% of their output.

but the rate of supply still couldn't meet the demands of human society.

Afterwards, advanced countries moved towards an era of hydrogen energy derived from synthetic light generation,

The lives of the citizens became more and more miserable.

At the time, in addition to the high cost of crude oil, bioethanol, an alternate fuel that utilized refuse, was tied to the high cost of food resources.

GRIP

THAT'S SO...

FOR MONEY, THEY WANT TO OBTAIN THE CONCESSION RIGHTS TO ALL OF THAT ENERGY.

THE BOMBING... BUT WHY?

WHY DID THEY HAVE TO GO THAT FAR?

AND ABOUT HOW THERE ARE TOO MANY PEOPLE IN IT.

I'M JUST LIKE YOU. I'M ONLY THINKING ABOUT THE WORLD,

YOU'VE GOT IT ALL WRONG. I COULDN'T CARE LESS ABOUT ENERGY CONCESSION RIGHTS. TSURUOKA HAS NO CLUE.

*REVERED JAPANESE SCHOLAR OF KOKUGAKU PHILOSOPHY ACTIVE DURING THE EDO PERIOD.

It looks like Dr. Ginkaku's return to the City Planning Team remains a dream.

SO THAT'S WHY, AS I'M SURE EVERYONE KNOWS, PRE-URBAN RESEARCH HEAD GINKAKU WILL BE JOINING THE TEAM.

He's young.

I THOUGHT HE WAS JUST AN URBAN LEGEND.

whisper whisper

NO WAY! HE IT'S ACTUALLY THE DR. GINKAKU.

HE'S A PAIN IN THE ASS BUT I EXPECT HE'LL MAKE HIMSELF USEFUL SOMEHOW.

YOUR THESIS ON THE DIAMOND HALF-CONDUCTOR WAS EXTREMELY VALUABLE TO OUR RESEARCH.

UM...

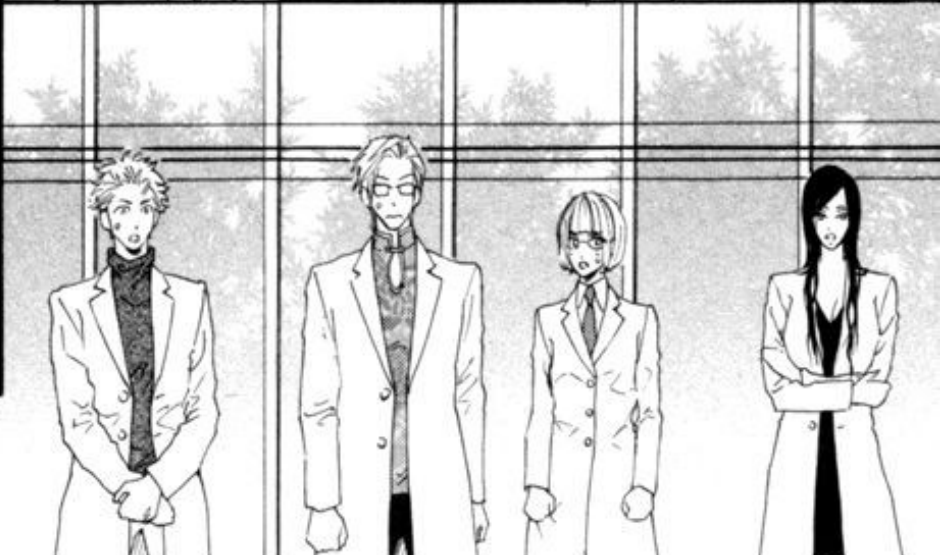

Doctor...

IT'S LIKE HE'S ALREADY DEAD IN THE EYES OF THE WORLD.

The elite police: in the past they were the organization in charge of public safety and deterred terrorists and subversive acts.

Upon the establishment of the Urban Research Center, Dr. Rokuonji left the research to Dr. Ginkaku and chose to actively fight the saboteurs.

IT'S SOMETHING EVERYONE FINDS HARD TO DO.

NO ONE SAID ANYTHING ABOUT BEING THE LEADER.

HEY! I JOINED TO BE KAYANOYAKUN'S ASSISTANT!

THAT'S SO...

I THINK IT WOULD BE BEST TO HAVE DR. GINKAKU AS OUR LEADER, TOO.

AKI...

It's probably a natural progression that the reinstatement of the elite policemen would coincide with the return of Dr. Ginkaku.

The Doctor solved various problems for us.

He showed us his innovative creativity to find practical solutions on the go.

Just as I thought, he really is a "genius."

BUT
REST
EASY!

I
KNEW
IT.

BUT
THEN I
MET
YOU...

I THOUGHT
I DIDN'T
HAVE ANY
SEXUAL
DESIRE
IN ME,

I PROBABLY
KNOW MORE
ABOUT EVERY
DETAIL OF
YOUR BODY
THAN
ANYBODY.

TUG

PULLING ON
YOUR LEFT
NIPPLE
INCREASES
YOUR
HEARTBEAT
MORE THAN
PULLING ON
YOUR RIGHT
NIPPLE.

NGH!

...

FOR EX-
AMPLE...

EVEN
IF YOU
THINK IT'S
TASTELESS,
THEY'VE
BEEN
GRAFTED
SINCE
THE EDO
PERIOD...

I'M SO
HAPPY
THAT YOU
CAME
BACK.

It's hard to say whether it will accomplish anything.

EVEN SO...

What is right changes every day.

The ultimate good is for the future to decide.

AFTERWORD

Thank you for reading until the end of this tankobon from June-Net. It took 2 years to get from serialization to tankobon format. Furthermore, it will be included in the Piasu (Pierce) series, so there'll probably be less erotic stuff. I wonder if that will be all right, but perhaps I'm a little harsh on those who find erotica hard to swallow. I do apologize (well, that Pet Robo was a little...). At any rate this is a comedy so I'd be very happy if it made you laugh even a little. "The Doctor's an idiot. What a jackass" - I would be in utter bliss if you had such thoughts while reading this book.

Thank you so much for picking this story up.
I'd be happy to know what you thought of it.
