[ぶーち] くノ一捕獲大作戦！

Release No. 0100

Tech — *Glorious Leader / Project Supervisor*

I chose to introduce a new artist for release 100, who has never been translated before. Expect more works from Booch in the very near future.

Team twitter ; @PhoenixSyndi

EdMX — *Translator*

Ginpatsu. Fishnet. Oppai. Ninja. Full Color.
Mmm... Me likey very much. Booch is a new artist for us, but his style is something I'd like to see more of.

Saramasu — *Editor*

Some kind of bondage is always nice, but how can you be so stupid to trap yourself in your own trap xP

Wayne — *Quality Check*

I'm liking these new artist a lot.

Axalon — *Quality Check*

And another sexy ninja from Booch. Gotta agree with Ed, fishnets (and the rest of that stuff he mentioned) is pretty cool.
