

I'm
Dinda

What is
your name?

chapter 06: finale

Excuse us,
she's always being
such a curious
busybody!

Just ignore
her...

AAH!!

SHUT
UP,
BUD!

Din, can't you
see he's busy
burying his
broken toys?

I can
see
that!

Just let me ask
him myself!

Ow!

You really
won't listen,
do you?

QUIET!

You
bossy girl!

Just stay
there and
be quiet!

Don't say a
word anymore...

...

Are those
really your
toys?

You want to
bury them?

...

...yeah!

Do you not want
to play with
them anymore?

Uh...

Instead of
burying
them...

can you give
them to me?

It's for my
little cousin,

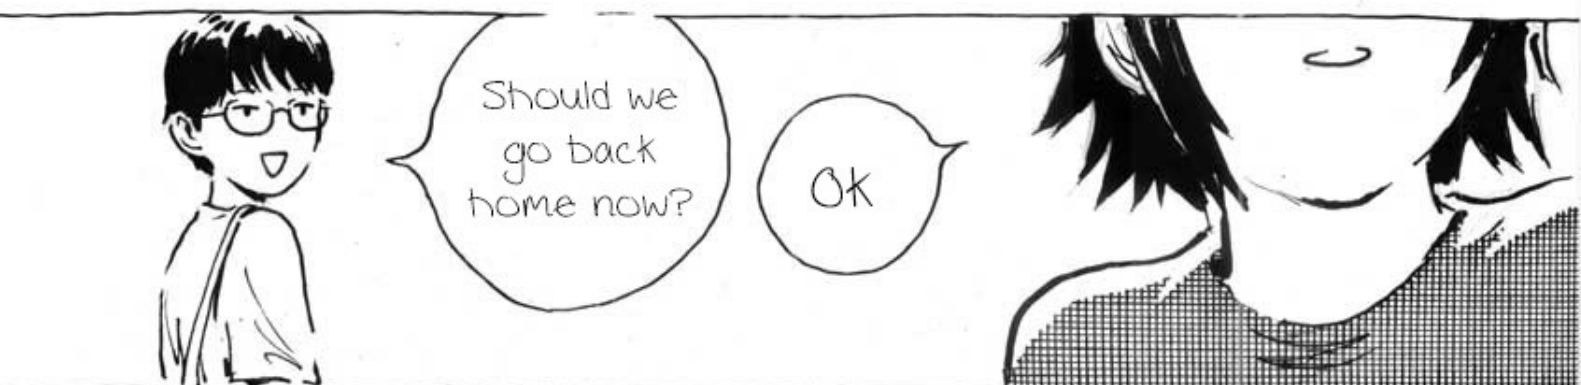

only if that's
okay with you!

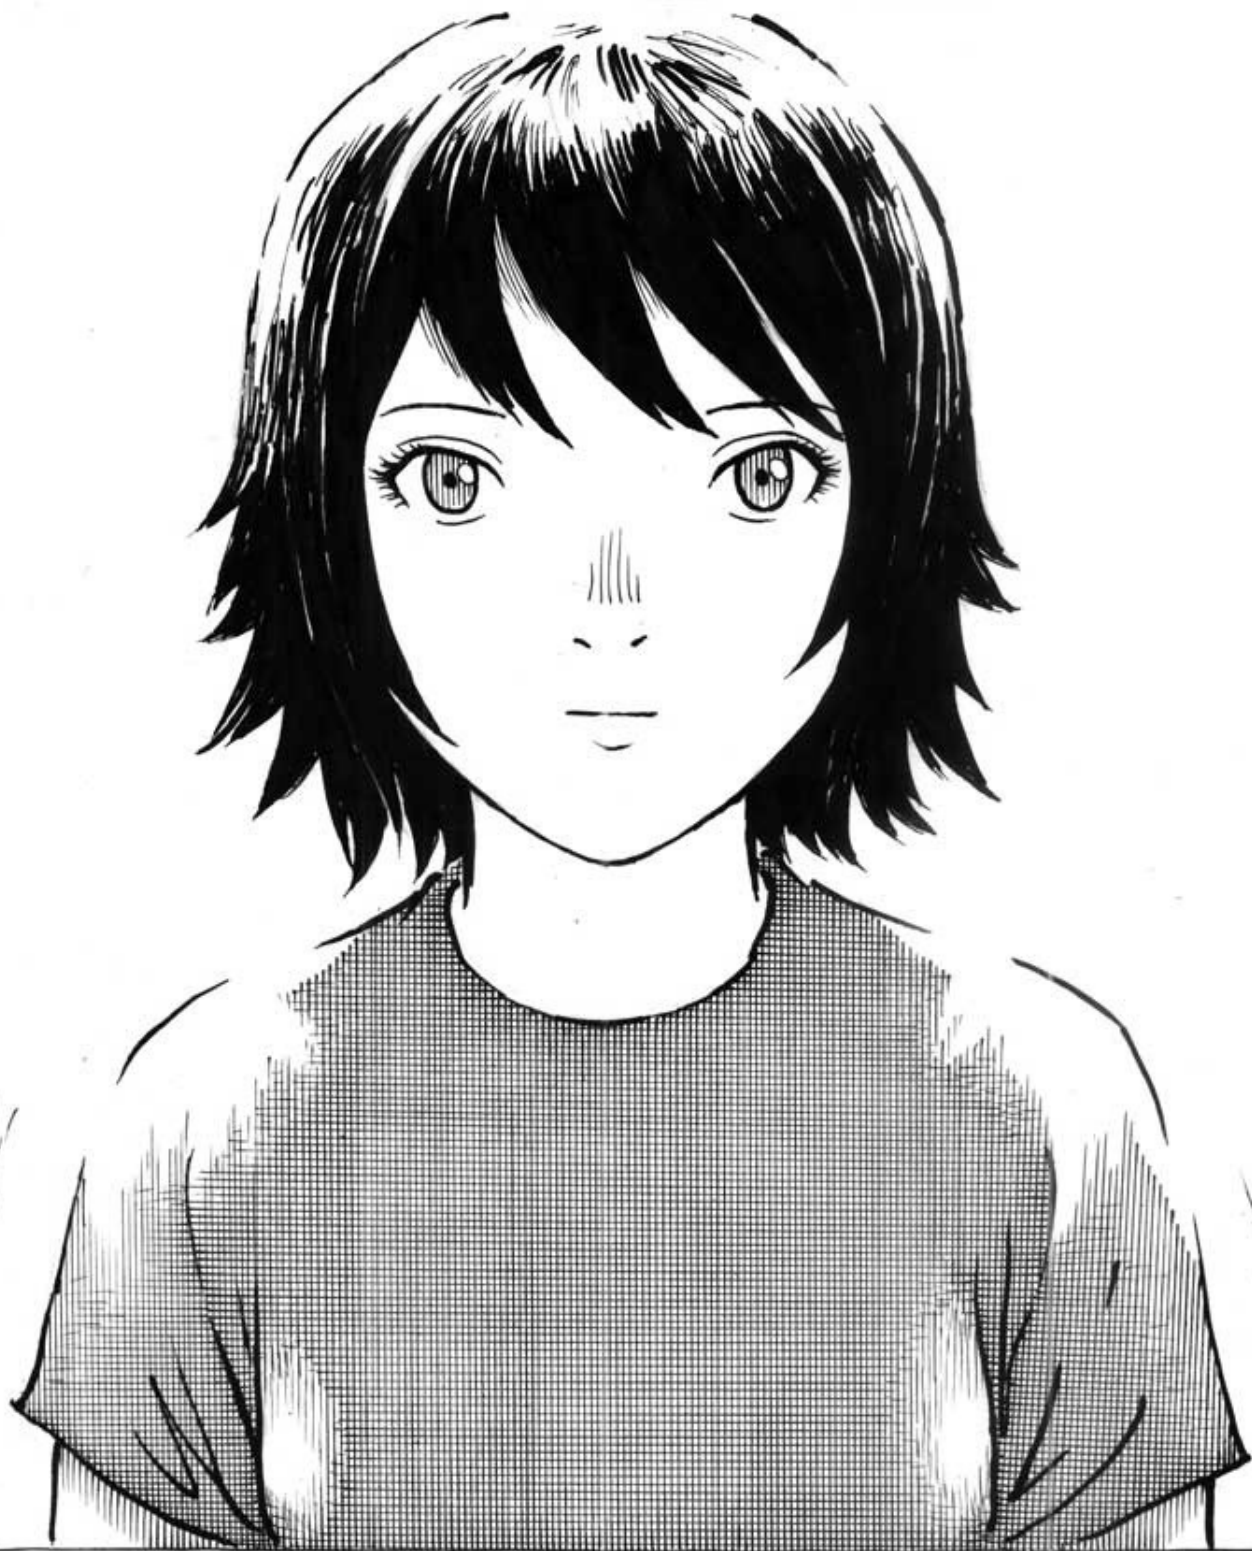

He's still five
years old

I'm sure he'd be
happy if he had
toys like these

And even more so if
you could give them
to him yourself!

Nice meeting you...

!!?

Wait, Budi!

You really love prying at other's stuff, Dinda!

Is that wrong?

Oh... that's wrong!

Just try asking your mom!

She sure tells you it's wrong
