

So I
begged
him.

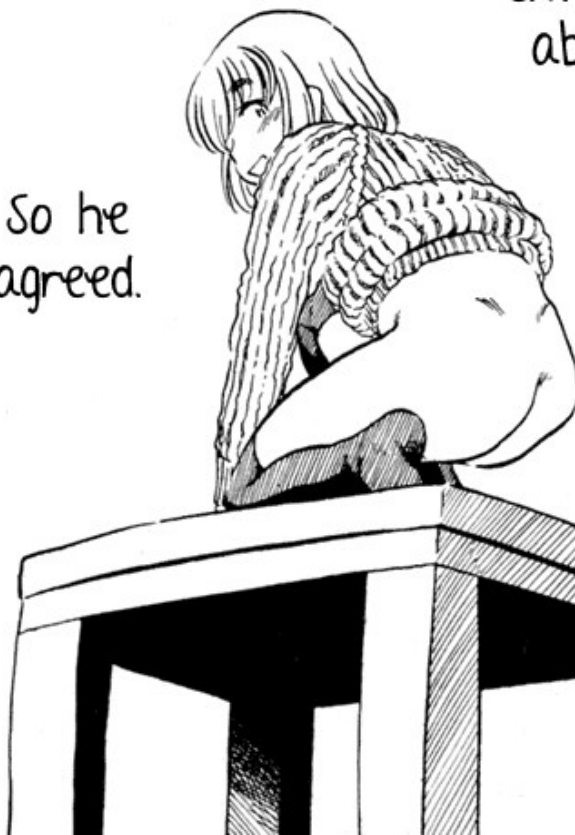

I really
wanted to
see it.

Inside of Onaka

He was pretty
enthusiastic
about it.

So he
agreed.

Wow ~~~~~ ♡

"It might
take a
while to
come out."

Twitch

...

His butt
twitched
every
time he
strained.

Just seeing
that was
enough to
make my
heart race!

The air leaking from inside aroused me further.

I wanted to smell it from up closer. Close enough to feel the heat.

あ...

PSHH
...

My mounting expectation

had me ready to go.

A clump of anticipation, oozing out from inside.

Come on out from inside of Onaka.

"Hey, it's gonna come out now."

"Yeah, I can see it."

I answered briefly, focused on what he was doing!

There it is.

Ah.

It's coming out.

It's coming, it's coming, it's coming!

It's here!

I'd always dreamed of what was inside of Onaka, and now my dream finally coming true.

It was hanging there, right in front of my eyes.

Onaka's insides.

Close enough to touch.

I could feel its warmth before I even touched it.

Wow, there's
so much...
It really smells,
and it's so hot.
And there's
more coming!

"I'm done." he said, and I snapped back to reality. Was it already over...?

But his butt was still shuddering with the aftershocks.

It was sexier than I'd ever seen it.

So sexy
that I had
to kiss it.

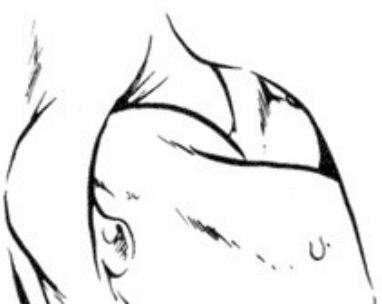

Huh?
What?
I haven't
wiped it
yet!

I kissed it.
I kissed it.

Before I
knew it,
I was
licking it.

I stuck
my tongue
inside his
butt hole.

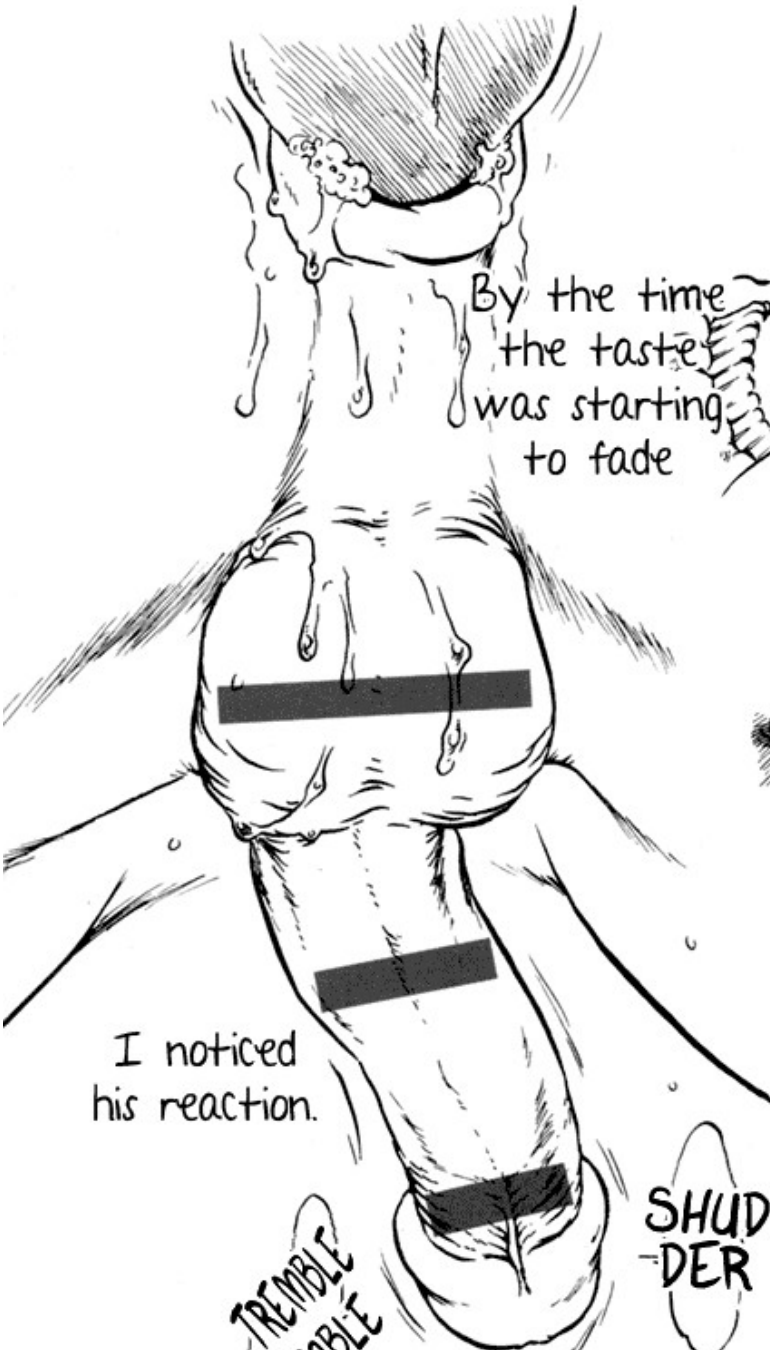

I sucked,
and gave
little love
bites. I
stretched
my tongue
so far inside
it hurt.

I spread
the wrinkles
apart, licking
between
the cracks.
I forced my
saliva inside of
him.

By the time
the taste
was starting
to fade

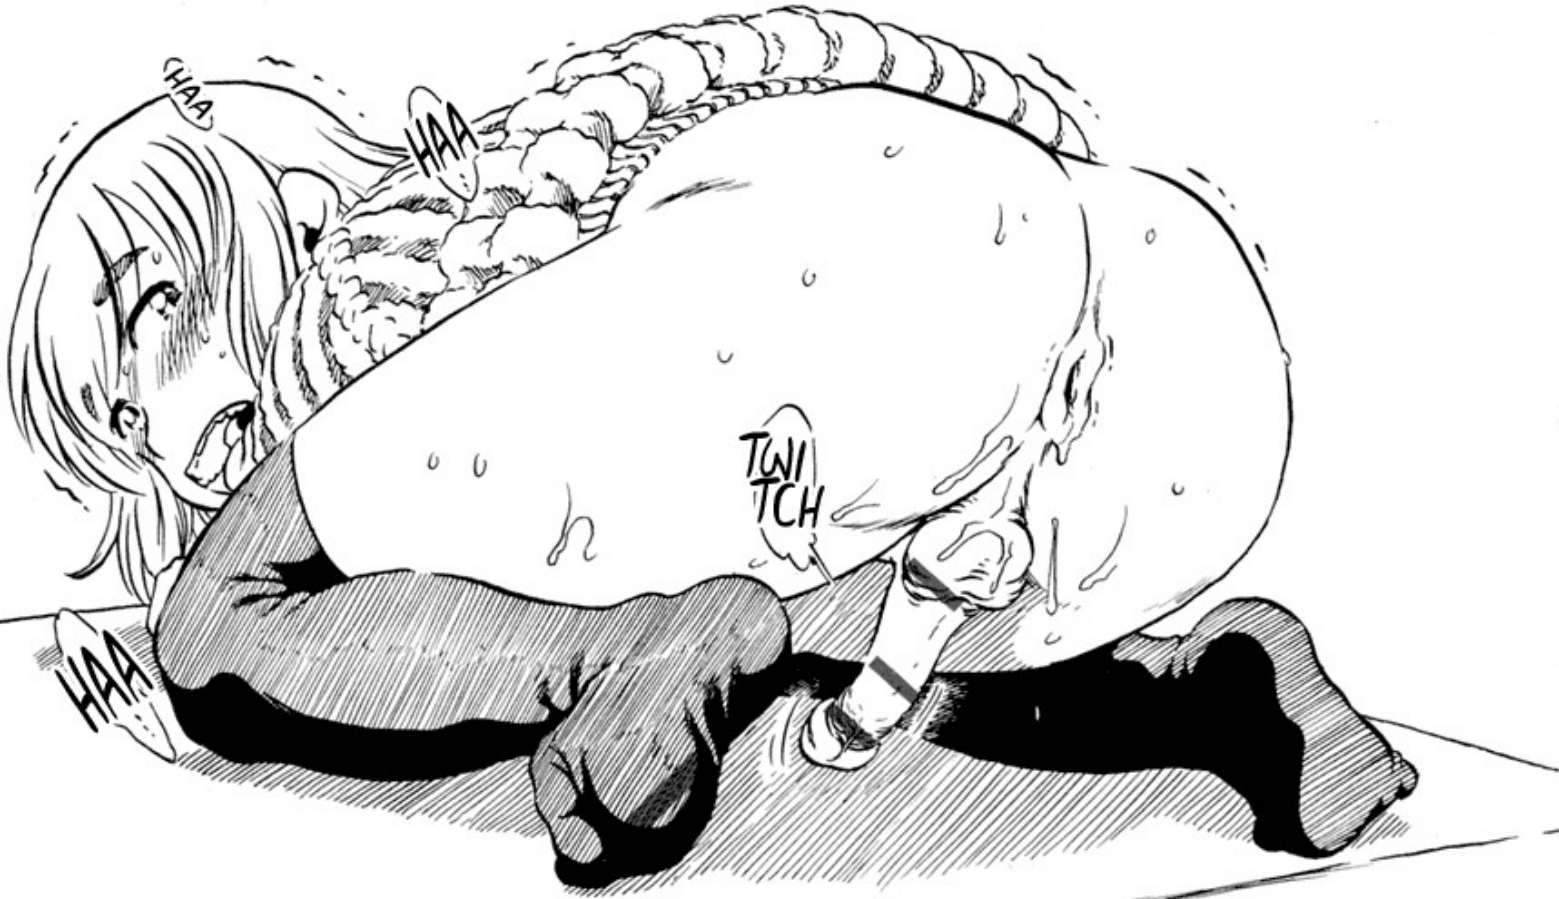

I noticed
his reaction.

I kept going
until the poop
in my hands
started to
get cold.

And I noticed that I was sticking out of my panties like never before.

I didn't want to waste what was in my hands, so I tried to put it in just by moving my waist.

Gotta keep this safe.

what?
huh?

Slowly, slowly, slowly. I wanted to do it more than ever, but my dick kept slipping around his hole.

SHUDDER

Ah..
By the time I realized things were bad, it was too late.

ah

I came...

Without even putting it in...

"Get on
the table."

"You bitch,
I haven't
even come
yet."

This time, it
was "being
fucked all day
while he
teased my
dickhead."
I can't handle
too much
stimulation.

When you
"request"
something,
you have to
do something
"in return."

No way,
it smells
so nice.

sniff

Flush
that away
already.

But I got
through it
by smelling
his poop.

The End
