Well, it's not like they got popular from just waiting on guys, though.

This shop is one of the "trap cafes" that are getting popular recently. It's a watering hole where gentlemen are waited on by cute traps.

Either way, right now they're in the middle of training a new staff member.

OH, THAT. WELL, DO YOU THINK YOU CAN GET A LOT OUT OF YOU?

OH YEAH,

ALRI-GHTY!

UM, AREN'T YOU GOING TO TEACH ME ABOUT THIS "FRESHLY SQUEEZED STANDING MILK" OPTION ON THE BOTTOM OF THE MENU?

THAT TAKES CARE OF MOST OF IT. YOU CAN RELAX NOW!

O-OK-AY~

HMMM~ I THOUGHT WE SHOULD LET YOU GET USED TO THAT KIND OF WORK IN THE SHOP ITSELF,

IT MADE ME WONDER IF I COULD WORK PART TIME AT A TRAP CAFE. ♪
