Aki.

And you smell nice...

Um... You've grown in a few places, and you've gotten b-beautiful.

Have I? How?

Arakure Presents **おさなびっちゃん** Childhood Slut あらくれ

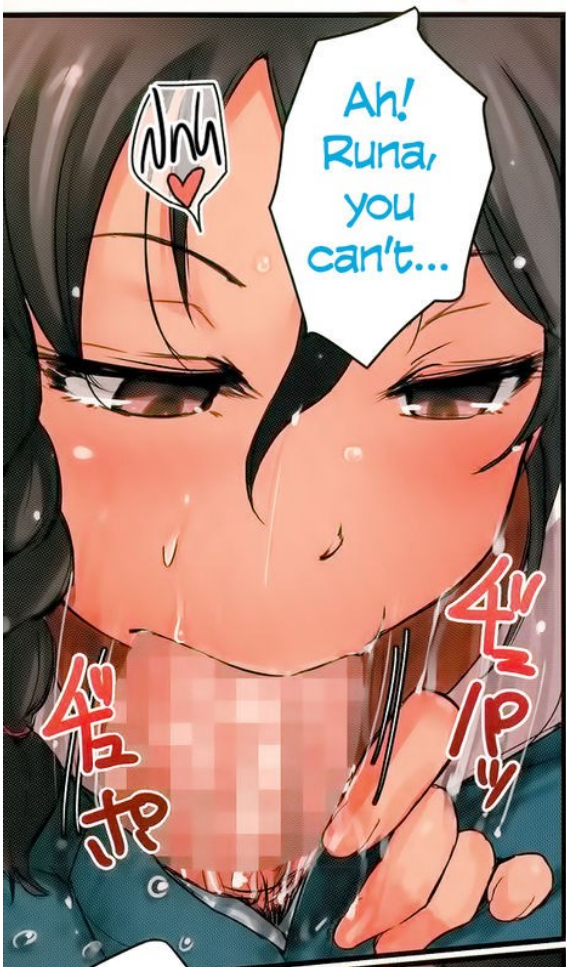

Aki,
are you
a virgin?

You're
not used
to kissing.

Ah!
Runa,
you
can't...

Oh?
Hehe,
you're
so cute,
Aki.

A virgin...
Um... Well,
I don't have
a girlfriend...

Your
dick
is so
hard.

Maybe it's because they've been played with a lot over there, but my breasts have become this big.

Look... Aki, you can tell that I'm very turned on too, right? I can't hold back anymore.

Ehehe. That's right, I'm not wearing any. This way, you can put it in right away at any time, right?

Eh? Runa, your underwear...

Well, I'm going ahead. I'll be taking your first time, Aki.

Doing it with you felt the best!

And some of my older male relatives, but...

Since I've returned to Japan, I've done it with the boys from my school, some of my teachers...

Runa ...!

Hey, we're doing it again, right? For you, Aki, I'd do anything you want.

I... I've always liked you...

But well, it doesn't compare to the dicks over there.
