Sis~

I need your help with entrance exam...

This polite woman with glasses is Nate.

!?

Yes, sure.

And 2 years older than me.

.....

คิ้ว

More than that she is very good at studying.

....And quite a shy woman.

Thanks, sis.

With your help,

I can surely do it !!!

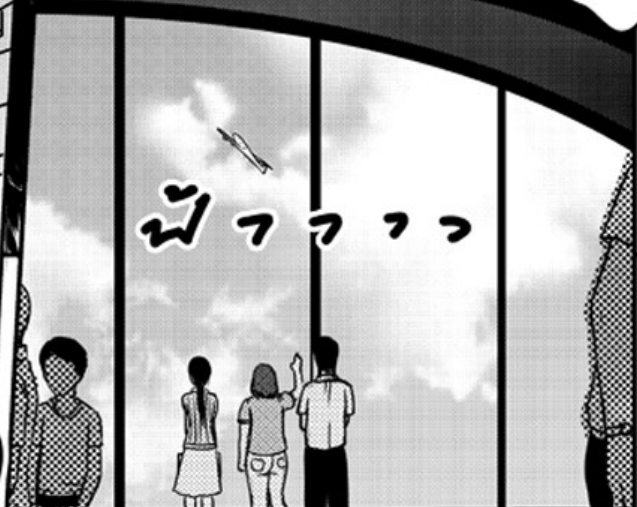

It... it is nothing.

At last, I passed the entrance exam. Then I was granted a scholarship to study abroad for one year.

Being "Nice Sister" will make you fall in love with me.

Because I thought .....

To do it, I searched across an internet.

And tried to read some porn comics. Most of the time, I saw that younger brother loves nice and shy older sister.

But it didn't work well like I expected.

You thought real life will be the same as comic !!?

Until the last year, while you were away.

I were cleaning your room and found your note, then I read it a bit.

Holy-Shit !!!

Wha-- !!?

ん

I couldn't believe that....

My cute brother...

I saw sis when she's dressing unaware. It's such a shame that she is very voluptuous and beautiful. If she is a seductress who like to wear sexy outfit, a women of my type, I must fall in love with my own sister..!

"Is such a pervert"
