Afterthought:

Siblings prank gone horribly wrong. Holy cow it's been a while since I've taken such a huge task. The editing for this one is really a pain in the neck (Ouch).

Speaking of which, I'm going to be busy with my finals soon. So it would be great if someone else wants to help with the next chapter. Contact me if you're interested :-)

Ok I hope you all enjoyed reading this, see you next time~
