W-What ...?
Everyone, this is Senri Akamatsu - I'm an elite investigator at the national defense investigation unit!
The sutesama's were being manipulated by the cameraman's esper powers!
He wanted to film them being indecent in front of a large group of people!!
This is great!
Haha
Um... Where are we?"
Effects ...?
Looks like the effects have worn off. You're safe now.
The event was canceled, sending the fans into a rage...
Fuck off!!
What do you think you're doing!!
Please, everyone, calm down!!
I thought we had an event today...
