POLLEN GIRL

The view of her laying down in my own bed with a box of tissues beside her was somehow really erotic.

...here, wanna use this?

She's Aihara Maki, my girlfriend of two years older who's allergic to pollen.

HACHIN-

T-thank you very much. Today we're indoors but our noses still get quite stuffed, isn't it?

And me, Kikuchi Masumi, I've also developed the symptoms suddenly in the beginning of the year and now I'm completely allergic to pollen as well.

"Spring" ...

BRR

Speaking of which, in the first time I met Maki-senpai, she offered me a tissue box just like this...

April,
on a warm
noon of
a very
clear day,
on the
college
campus...

A T C H O O !

A T C H O O !

Ah, today
the pollen is
awful too...
And this
warm weather
only makes me
depressed...

...crap!
I'm already
out of tissues
and forgot
to bring
spares...

あはは

Excuse
me...

!

Tissues!?
And a whole
box!?

あはは

Huh?
f-for
me!?

If you'd
like,
wanna
use
this?

Ah, please
don't mind me,
I also need
them to blow
my nose
but I know
very well
the pain of
running out
of tissues.

あはは

わんわん...

So...

Okay?

So cute...

...thank you.

はい...

As I was sighing from running out of pocket tissues, this woman, suffering from the same pollen allergy as well, offered me this tissue box out of kindness even though it was our first time meeting. This was the motive of our encounter.

It was love at first sight. So, after that, I boldly wooed her. She was a senpai in the same college but I didn't care about the year difference.

The sights of her always carrying a tissue box, her red nose and moist eyes, and how she always falls behind because of constant tissue use are all very endearing to me.

Kikuchi-kun... even so, are you really okay with someone like me?

A girl who's always using tissues and blowing her nose, and without any sex appeal...

We started spending more time together and eventually she accepted my confession.

Now, formally as mutual love, our first night as boyfriend and girlfriend...

Uh...
that was
because
I couldn't
believe
that I...
would be
with a man
like this...

Are you
still talking
about how
you couldn't
get through
with a kiss
when we
started
going out?

You
are
lovely.

Hm!

So you
won't
deny
it?

Because
they're the
only thing
about me
that makes
me feel like
a proper
girl.

Your
breasts...
are really
big...

...yes.

HAA

HAA

I love it.

That's not true, everything about you is lovely! How you're always so fluffly is incredibly girly!

kya!

What should I do? I can't breathe well, my chest is squeezing so tight it's suffocating. It feels as if it's going to burst...

HAA
