and she took a liking to me.

We started talking

I first met Tomo in the art classes I had been attending.

I stopped showing up in the art classroom shortly after our first time.

And when she says "playing" now, she's actually referring to "becoming more intimate".

The only good thing I got from them was getting to know Tomo-chan.

those traditional art classes aren't too much help. If I want to become a manga artist,

BUT IT WAS SO INTERESTING! Whyyyy!!!

THAT MANGA I READ THE OTHER DAY!?

MY DRAFT WAS REJECTED...

THE EDITOR OF THE MAGAZINE JUST CALLED ME.

EH!?
