Three anime-style girls with short hair (black, purple, and blonde) wearing maid outfits with white collars, red ties, and aprons. They have pink heart-shaped hair clips. The girl on the left is covering her face with her hand, the middle girl is making a peace sign, and the right girl is holding a blue object. They all have a blushing expression.

U-uhm,

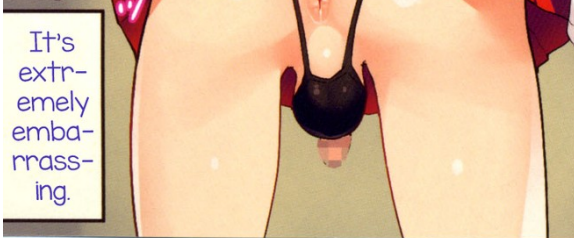

In a high class hotel for the top executives of the major firm XXX, inc.

The sponsorship condition was periodic "entertainment."

Every time we move, our embarrassing parts are totally visible.

They're looking at our butts and penises, as if tasting them.

What exactly is behind these disturbing glares?

No...
aah!

Yep, we
drugged
that tea
you all
drank
earlier.

Ooohoho.
Your under-
developed
penises are
getting so
hard, they're
sticking
right
out.

Our
bodies
are so
hot...

Why
are
they
doing
this...?

Hyaa!!

Please
stop
doing
this...

Uhm...

Why would
we do that?
Your penises
are reacting
so favor-
ably to what
we're
doing.

Noo!

Looks like
the drugs
we gave
you are
working
quickly.

Drugs...?

Besides,
the "enter-
tainment"
just started,
didn't it?
Hmmm?

So this is
enter-
tainment...?

Come
on now,
call us
"Papa."

Say some-
thing like,
"Papa, that's
so good!
Give me
more!"

Th-this
is so
gross!

If you don't stand firm, you'll lose all your Beads!

And now we begin the anal tug of war!

Ah!!

Any Boys that lose all their Beads, hmmm~
Yep, they'll have to have anal sex with their papas while french kissing.

Now then, which Boys will be giving their virginity and first kisses up today~

Kissing and sex...!?

B-but, those beads are hitting a good spot. It feels like our butts might actually give out...!

No way in hell! Not with a guy...and definitely not with gross old men!

ぎゅぎゅぎゅ

Shun-kyun's saliva is so tasty!

Their breath and spit all stink, too.

These lips feel disgusting.

These are our first kisses...?

They're being taken over and over again in rotation.

Seems
like today
will be a fine
memorial day
to celebrate
your
virginities
being lost.

.....!!

Ah!
♥

Oh my.
Seems
like you've
started with
the cute
moans.

from today
onward, you'll
become your

We don't want to become girls, but our bodies won't obey us!

We want to have gay sex so bad that our penises are cumming without even being touched!

We'll make
sure you
can be
proper
girls even
without
any
drugs.

Now,
now.
There
are
plenty
of dick
helpings
left!

がほ

Pfff,
that has
nothing
to do
with it.

Oh yeah,
wasn't it
rumored
that the
huge XXX
group was
sponsoring
them,
too?

Their
major
debut
wasn't
even that
long ago,
either.

It's so
awesome
that they're
finally being
covered by
all kinds of
media!
And they're
all so
cute~

Unit Yell's
gotten
really
passionate
recently,
haven't
they?

I'm sure they
did it all with
their own
talent and
hard work!

ぬ
ぽん...

We'll be
having a
wonderful
time today,
as usual.
Right,

Yuu,
Shun,
Mahiro?

That's
right,
papa...
♡

Thank you
all for
making
love to us
today, as
much as
always!
