Aunt!
Grand-
ma!

I'm
here!

Miyako
-chan...!

Mi...

...Oh!

My child-
hood friend
and cousin,
Miyako
-chan...

She
moved to
the capital
and lives
there
alone. I
don't see
her much
at all.

So
good
to see
you~!

Umi!

What?

S-So
in
the
end,
what
is
it?

And
why
are
we
acting
normal

I'm so
nerv-
ous, at
this
rate...

I
might
die!

Still I'm
happy

Recently,
I con-
fessed
my feel-
ings to
her by
e-mail.

Her
reply:

"We'll talk
when we
meet."
And so,
now...

BA-THUMP

BA-THUMP

W-...

Welcome
back, Mi-
yako-chan.

The whole gang went to prepare stuff at the place of my brother's ceremony.

Uhm...

PAT

By the way, I went by your house, but no one was there. Are they all here?

Huh?

Or were you... waiting for... me...?

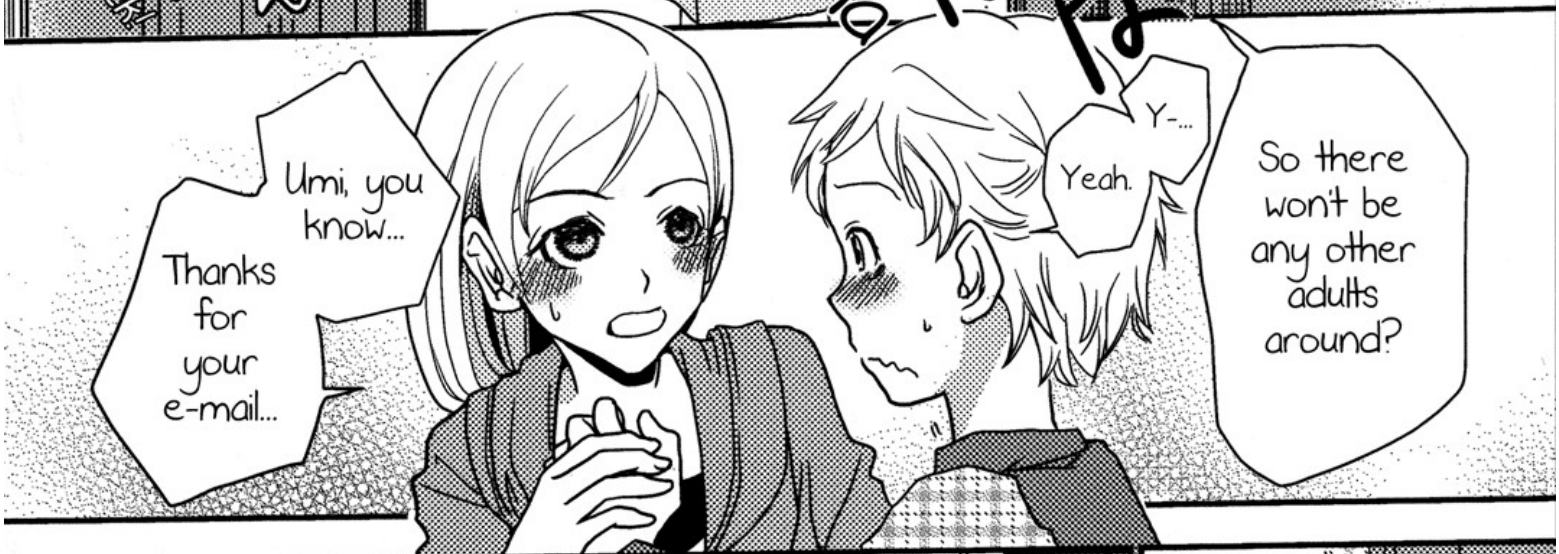

So you're here alone?
Ah, you must be taking time to study for your exams.

Wait for me...

TAKKUN,
THAT VASE
IS YOUR

Wanting to
be similar
to Mi-
yako-chan
in every
way...

I...

Mi-
yako-chan
is cheerful
and
strong.

Ever
since I
was little,
she was
my role
model.

Wah!

Me
next!

おん?
Lets do this!

So,
Umi...

Ah, uh,
good job.

It's Mo-
motetsu,
they'll be
busy for
at least an
hour!

I always
had my
eyes on Mi-
yako-chan.

Come
here.

Uwa...
This brings
back mem-
ories.

I
see,
that's
right.

Right? When
family was
over, we got
extra futons
from here.

There's not much room with the futons inside.

That's right. You normally don't go in here, so it doesn't stand out.

And would hide in here.

Or when there was a wedding or funeral, we played hide and seek...

So, about that e-mail you sent me...

SECLUDED ROOM

Y-Yeah.

But we can talk like this... Right?

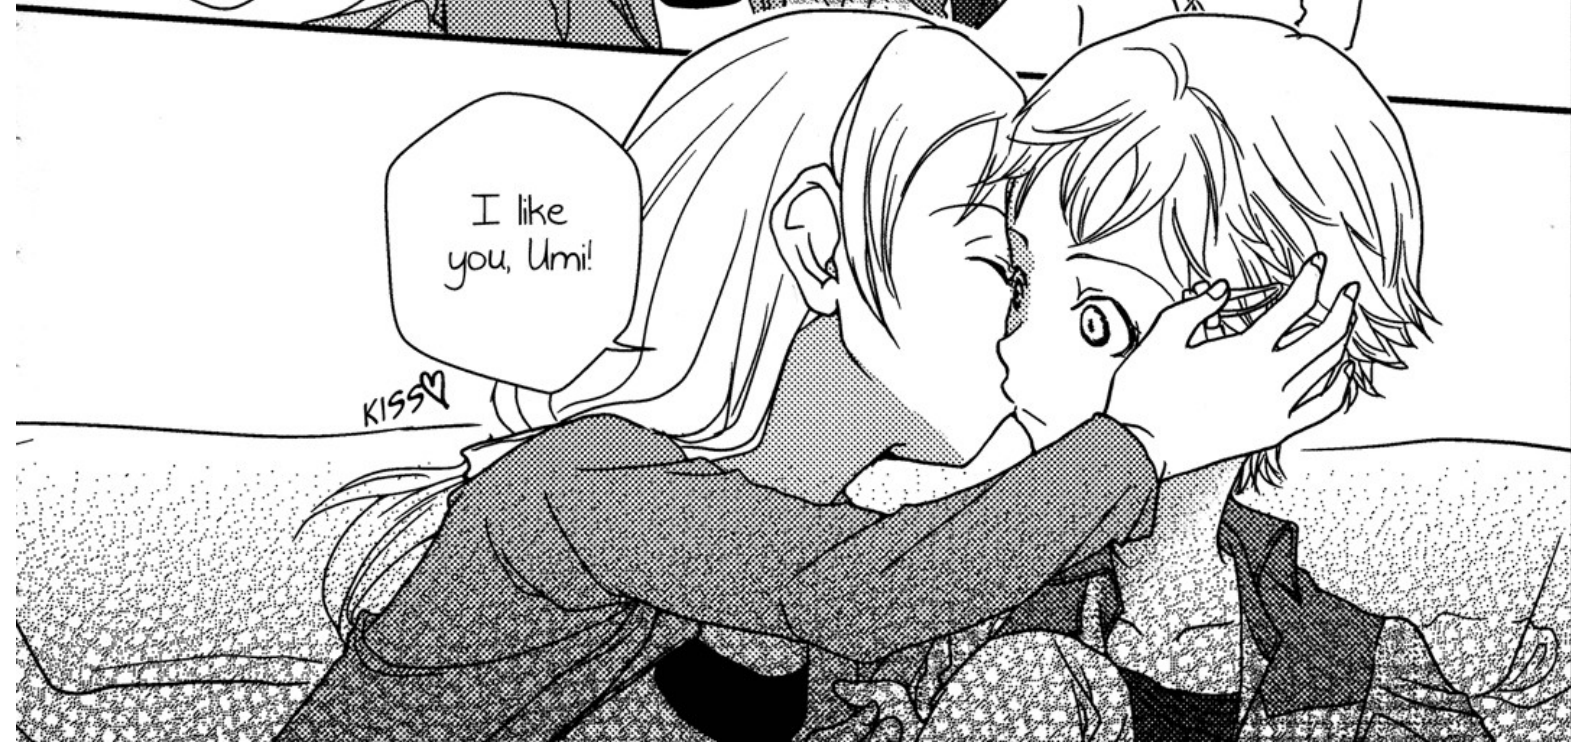

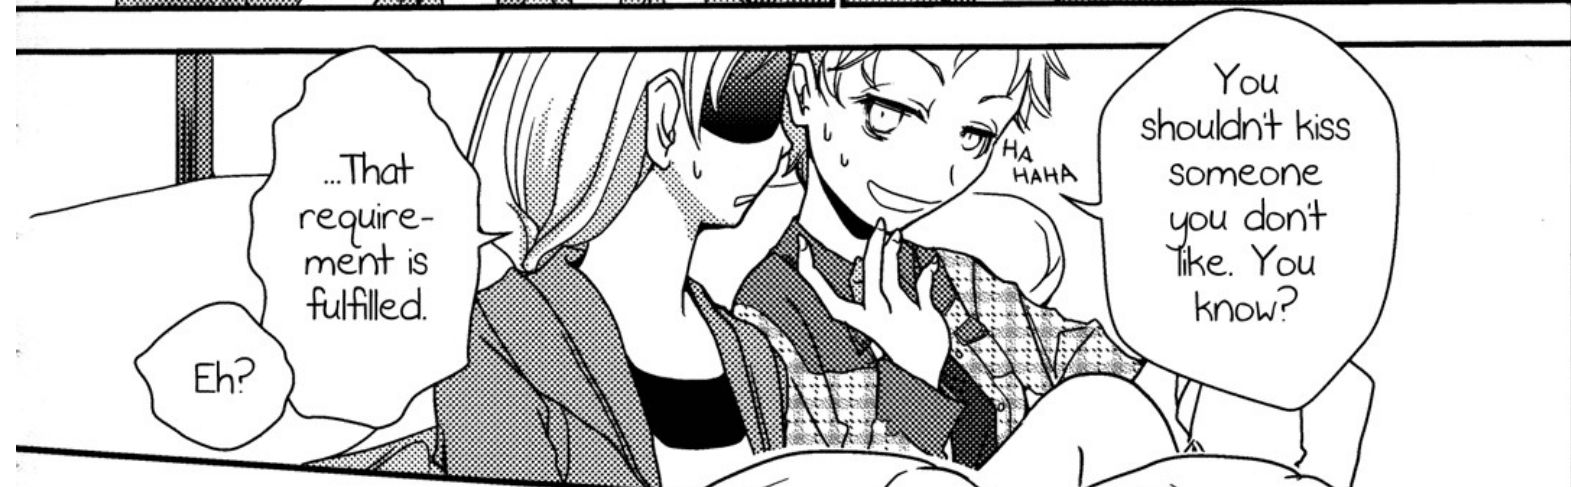

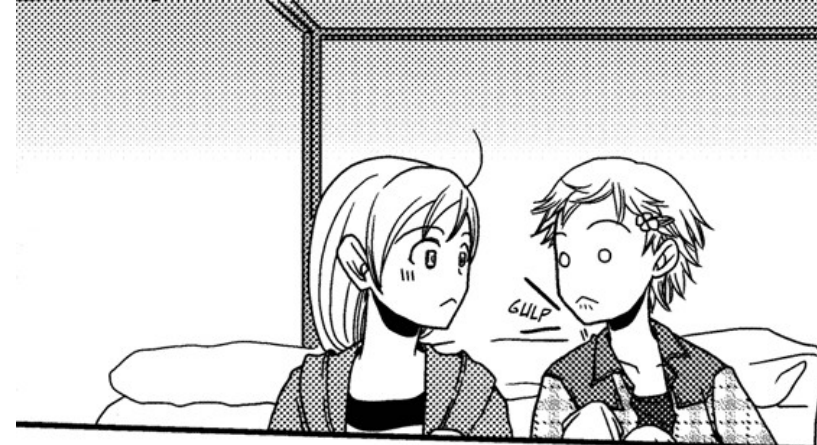

...It's cramped...

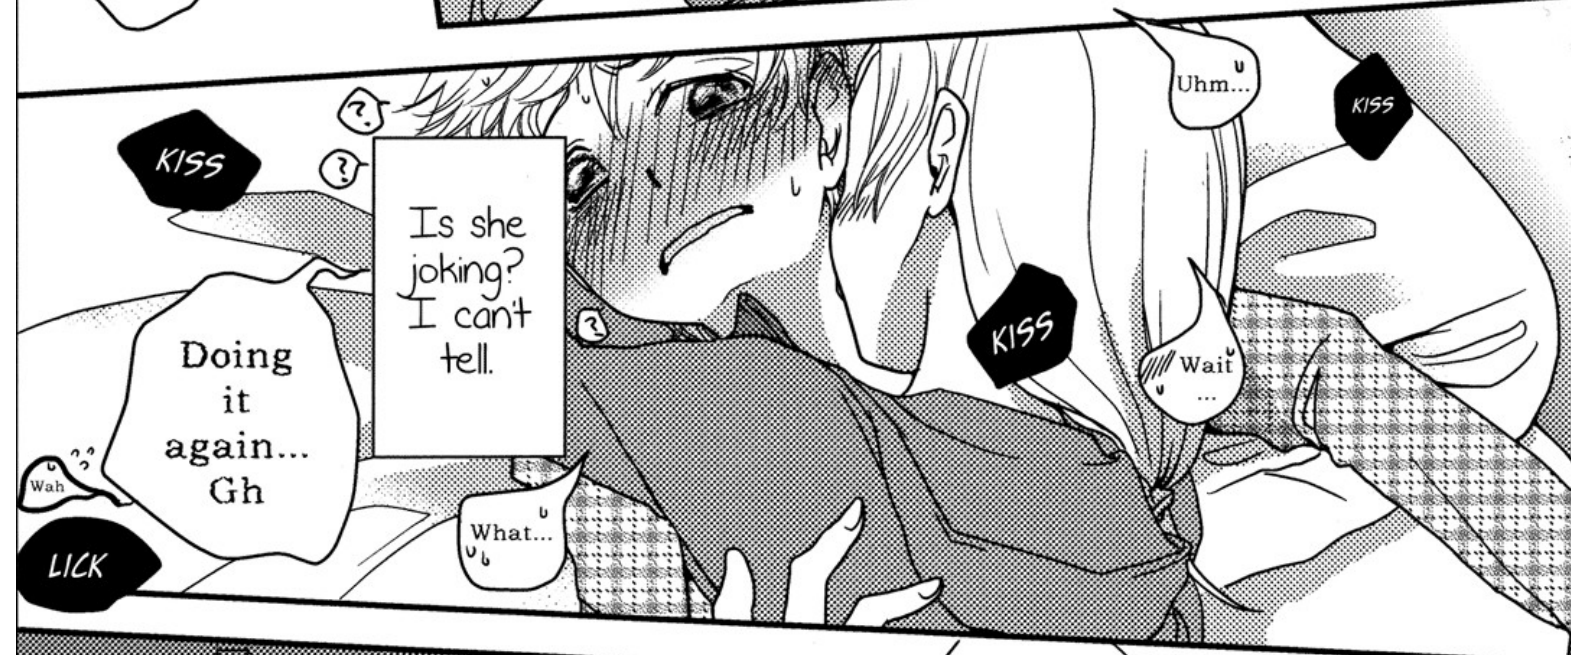

And we're so close!
So close to Miyako-chan!!

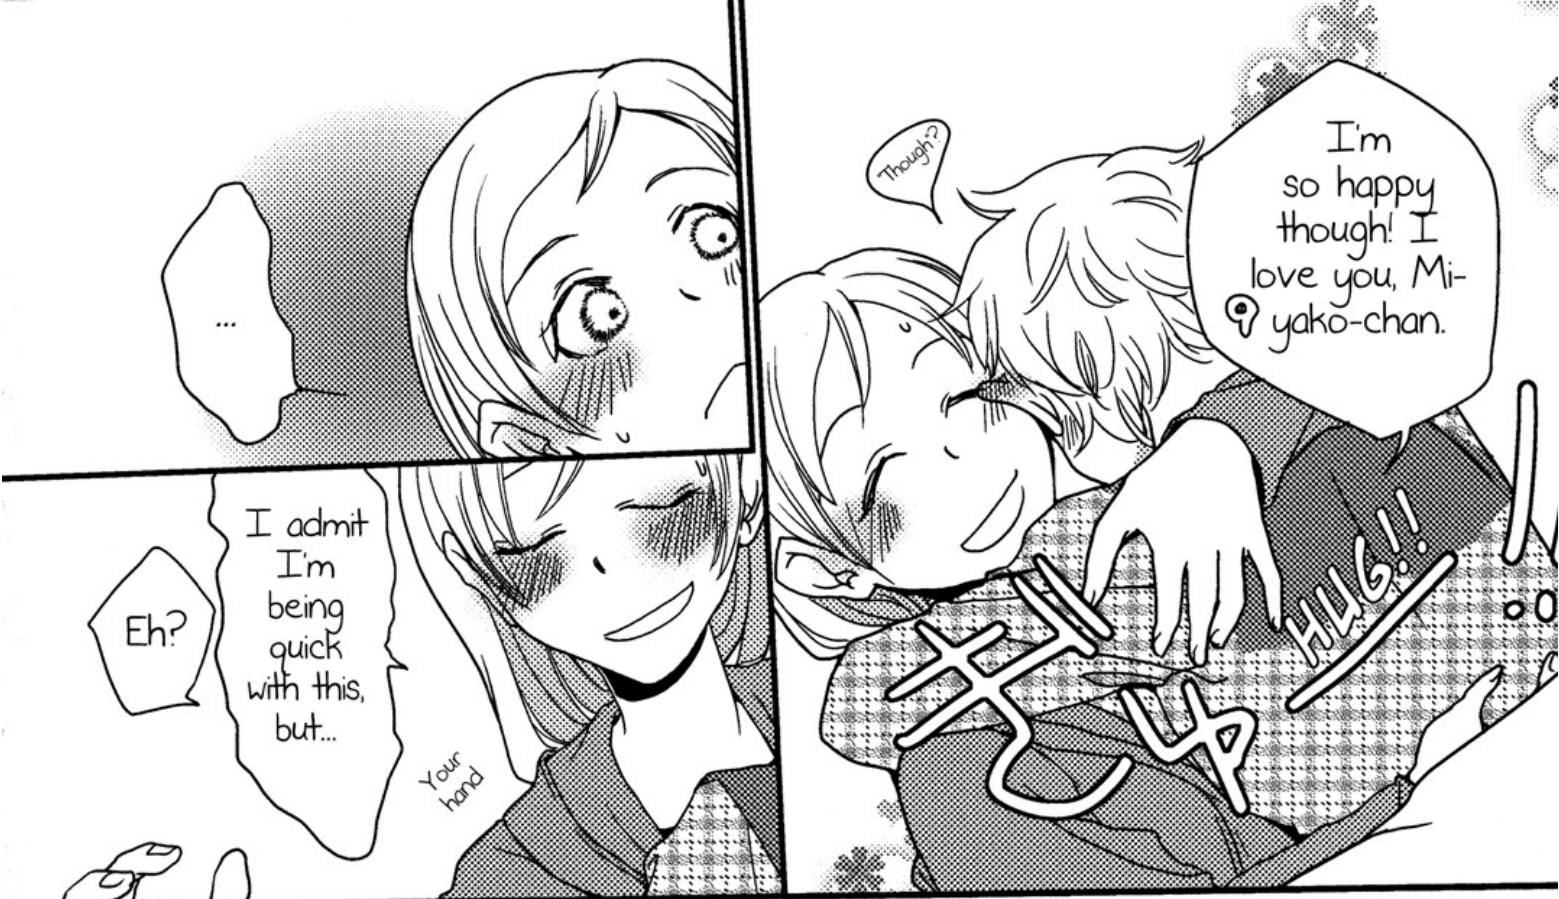

What I'm saying is...

What!?

Does it mean that... You're okay with us kissing?

...

Though?

I'm so happy though! I love you, Miyako-chan.

Eh?

I admit I'm being quick with this, but...

Your hand

XXXXXX HUG!!

I don't want to hold back... Is that all right with you?

and... uhm... I want to do all kinds of stuff with you.

I want to touch you more...

!

...I've never done this with anyone before.

But Miyako-chan will leave again soon...

...Okay.

The kids
are close
by, so a
loud voice
will...

Oh, I
see. u

I have...
But you
can't
make me
scream
right
now...

はは
Hah
Hahaha

Then...
I'll try
my
best.

How
about...

We
don't
see
each
other...

RIGHT?

But Umi,
I have
no inten-

giving up...

...Umi.

FONDLE

Wahaa♡

Sorry.

I thought
we could
muffle your
screams
with the
futon.

Mi-Mi-
Miyako-
chan, this
is embar-
rassing. u

WAH

Imagin-
ing your
voice,
and
such...

I think
of you too...
Like how it
would feel
with you.

Ah

...Yes.

When
you mas-
turbate,
do you
think of
me?

I moved
to Tokyo
and
thought I
had to
give up
on it.

Eh...?
Ahh...

Miyako-
chan...
That
spot...

...Because
I've
always
liked you,
Umi.

Just
touch-
ing...?

Ah
hn
...

But
since we feel
the same way,
there's no
reason for me
to bottle it all
up, right?

Ahh,
ah... If
you do
it... that
strong

Hah

Aa

Ah,
it's
inside!

But I don't want it to stop.

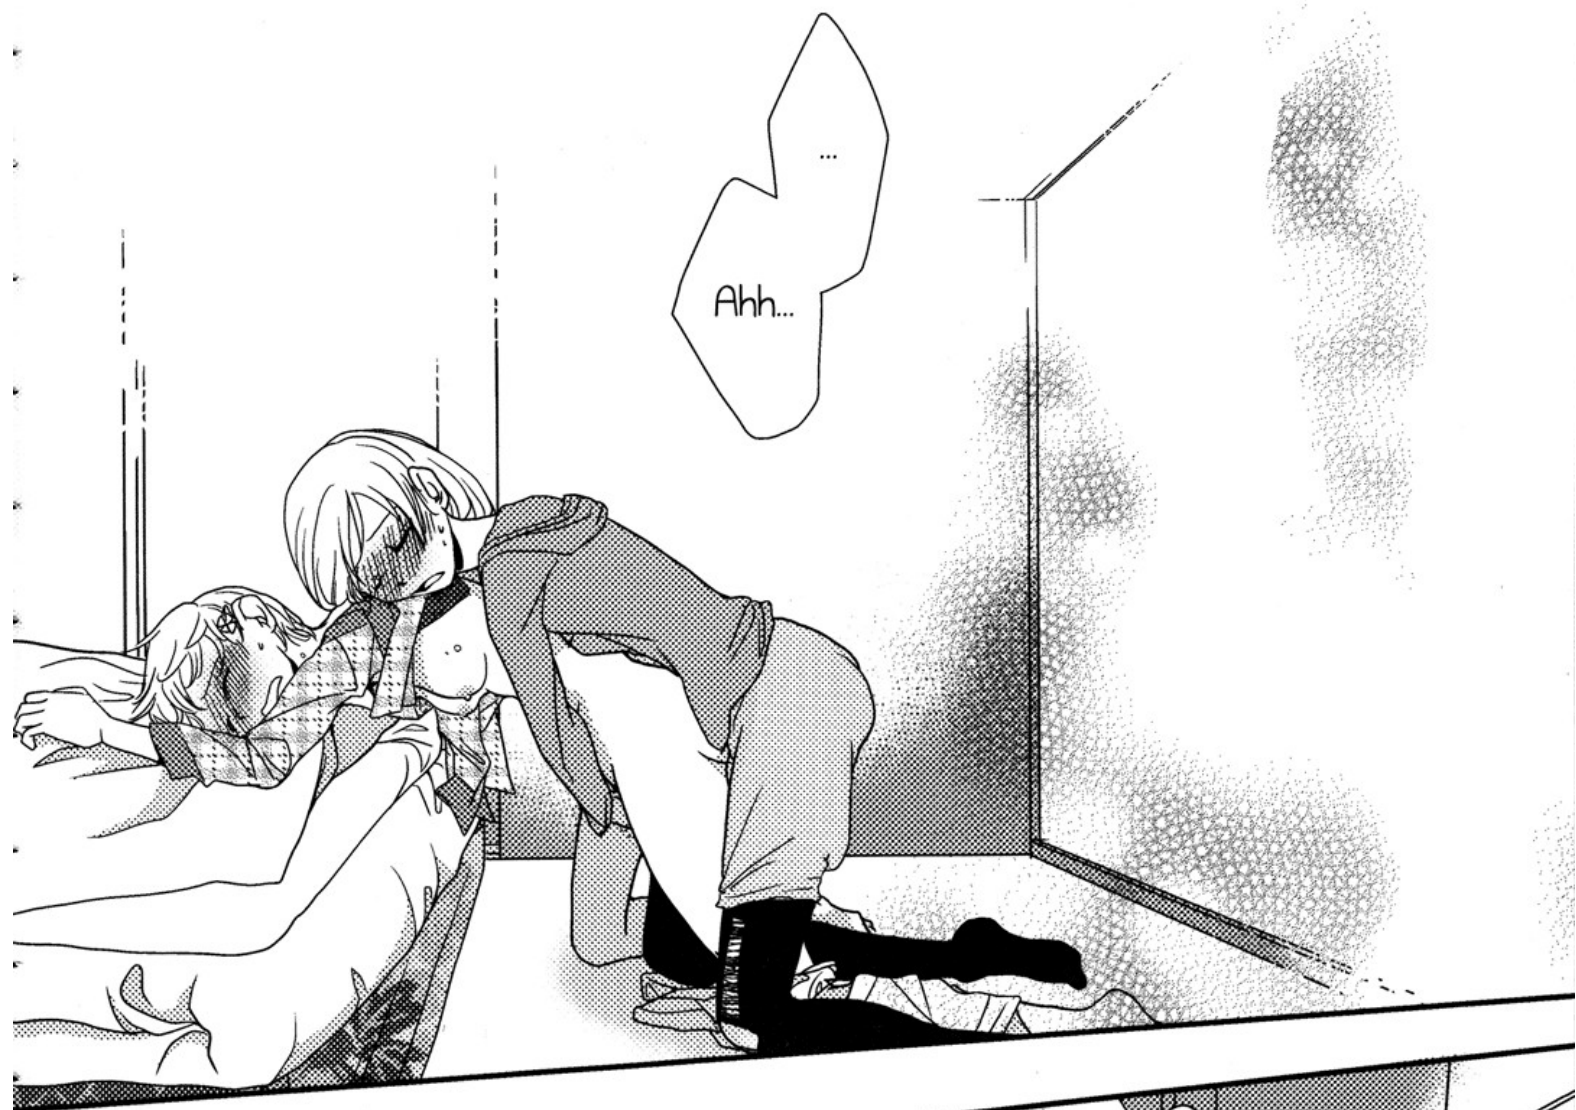

Ah! I feel weird.

Umi... my finger... I can feel...

That sounds nice! But isn't your university pretty good? Will Umi be able to enter?

If we can live together, the rent will be really low!

After all, Umi will be going to my university.

There's a lot of people here, so...

I... I'll do my best!

Then it's all right.

Oh, really?

EH

!?

O-Okay.

Let's do homework at my place. And spend the night...
doing other things, okay?

イロイロ感しかない。
MIND FILLED WITH EROTIC THINGS

Wah? Is Miyako-ch an a huge pervert?

During brother's wedding ceremony they were really tired.

The next day...
