The background of the entire page is a repeating pattern of small, solid pink five-pointed stars. The stars are arranged in a grid-like fashion, with some stars slightly offset from the grid to create a sense of movement or a 'rain' effect.

The usual

Ahah~
Came again, huh?
Do you always blow your load so quickly?

Plap

Splurt

Plap

Three pump chump~

Sheesh, talk about useless.
Quit giving in so quickly.

You're going to at least
try to hold it in this time.

Pinch

Twist

What the...
Did you just moan in pleasure?

You like it when
I tease your nipples?

Twist

Pinch

Pull

You realize this is
supposed to hurt, right?

Are you into pain?
You damn freak~

What? Are you about to cum again?

Too bad. Hold it.

Deep breaths.

Stroke

Jerk

I'm about to tear your nipple off.
This can't possibly feel good.

Stroke

.. Hm
Or so I thought...

Jerk

I'm not stopping even
if you cum again.

You're doing
this to yourself.

Yank

Eugh~
Look, he came again.
Another defeat at the
hands of two Goddesses~

Stroke

Spurt

Loser~
Quick shot~♪

Rub

I warned you~
I even told
you to resist...

And now you're
going to get punished.

You can cry all you want
but we won't be stopping.

Spasm

Twist

Twitch

Haha
He's drooling~
Ugh he just gets uglier and uglier~
What's that? You're losing your mind?

We'd wiped your mind
blank ages ago, haha~

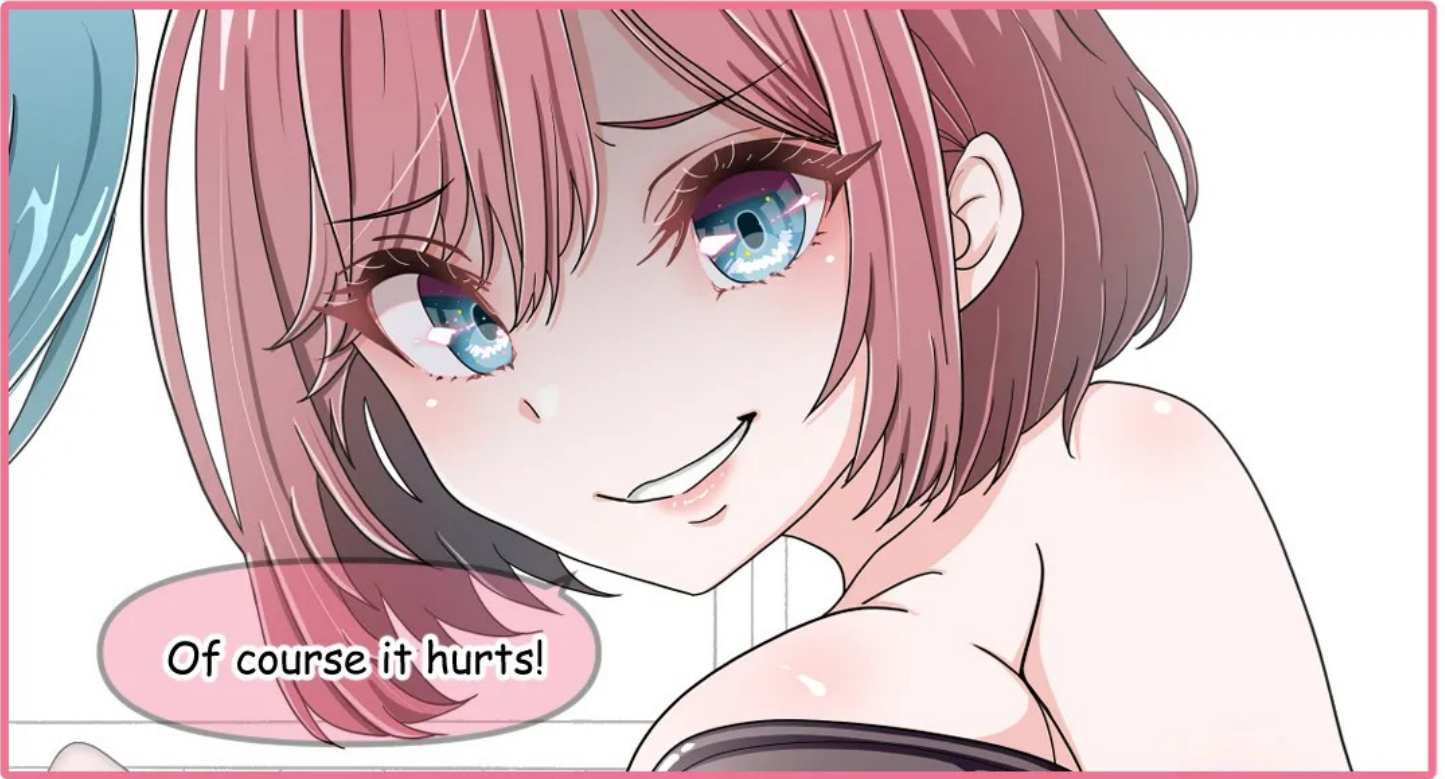

Mercy? You dare beg for mercy?
No, you're taking it all.

We're going to show you
what happens to little sluts
who disobey their Mistresses.

The end!

Extreme

Heh, your cock's all swollen up~

Throb

Bulge

So that's what a month of not cumming does to a man

Ahaha
You're a mess of drool and tears~
How adorable.

Oh?
Did you just
ejaculate?

Knowing full well how
much cum blocking hurts...
You really are stupid...

Twitch

Jerk

Stroke

Spasm

Now, cry more for me,
bitch!

You poor thing...
Your balls are all swollen
from that backed up cum

Squeeze

Squish

What do you think would
happen if I crushed them?

Phew...
You suffering is
the hottest thing ever...

And it makes me want to
hurt you more and more~

Hmph!

Aha~
He's never screamed
like that before!

Smash

What, did it hurt that much~?
Well then have more!

What was that?
You're going to die?

Quit being a little bitch.
Losing your balls isn't gonna kill you.

Now suffer!
Suffer!

Strain

Bulge

Ahaha look at him~
Convulsing with his
eyes rolled back~

Squeeze

Gasp

Stroke

Pant

Guh seeing him like this
such a turn on...

Jerk

Whoa...!

Look he cums
non-stop when I stroke
him while squeezing!

Pinch

Tremble

Jolt

Heh, I'm going to back your
cock and balls up with so
much cum that they'll burst~

Aren't you happy you get
to be broken by us~

Stroke

Jerk

You'll be even
happier to hear
that we're going to
destroy you~

The end!
