It seems Sagiya Kyoka is the daughter of a well off family. She's a quiet person who gets excellent grades...

You know about me?

You're Tadeno Kikuma-kun, aren't you?

Well...

KYOKA ALLURINGLY INVITES KIKUMA INTO THE FORBIDDEN AREA THAT A NORMAL "BOY" MUST NEVER SET FOOT IN...

Kikuma-kun...

Will you see me again tomorrow?

And then that day when there was nobody around in the library, she blew him until he came.

REFERENCE ROOM

After that...

It's not that at all.

Kyoka-san, could it be you're actually into girls or something...?

Uhm... Why would you ask me to dress this way?

My, how cute.

...

Uhm...

It's just that...

I like to look at the faces of cute kids like you dressed cute and getting off.

Eh...?

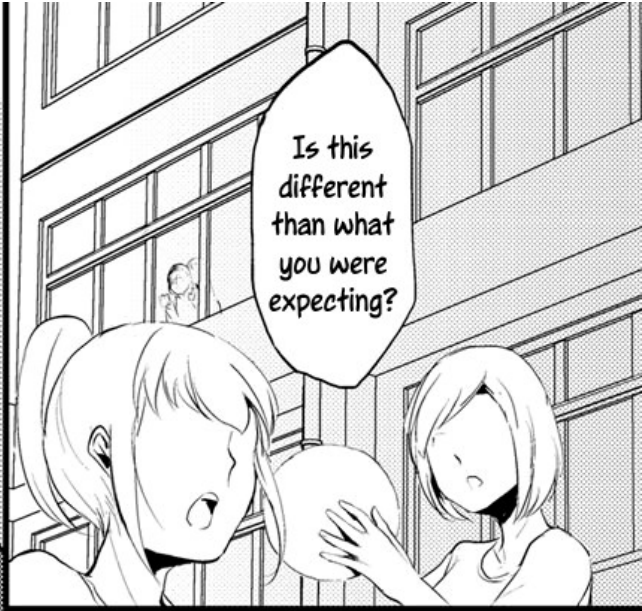

I'm gonna move.

Ah!

Kyoka-san... this is weird...!

What if somebody saw us like this...

Is this different than what you were expecting?

Look, the whole thing went in.

I just said I needed to do some research and they gave it to me.

Just by having good grades, you can easily gain their trust.

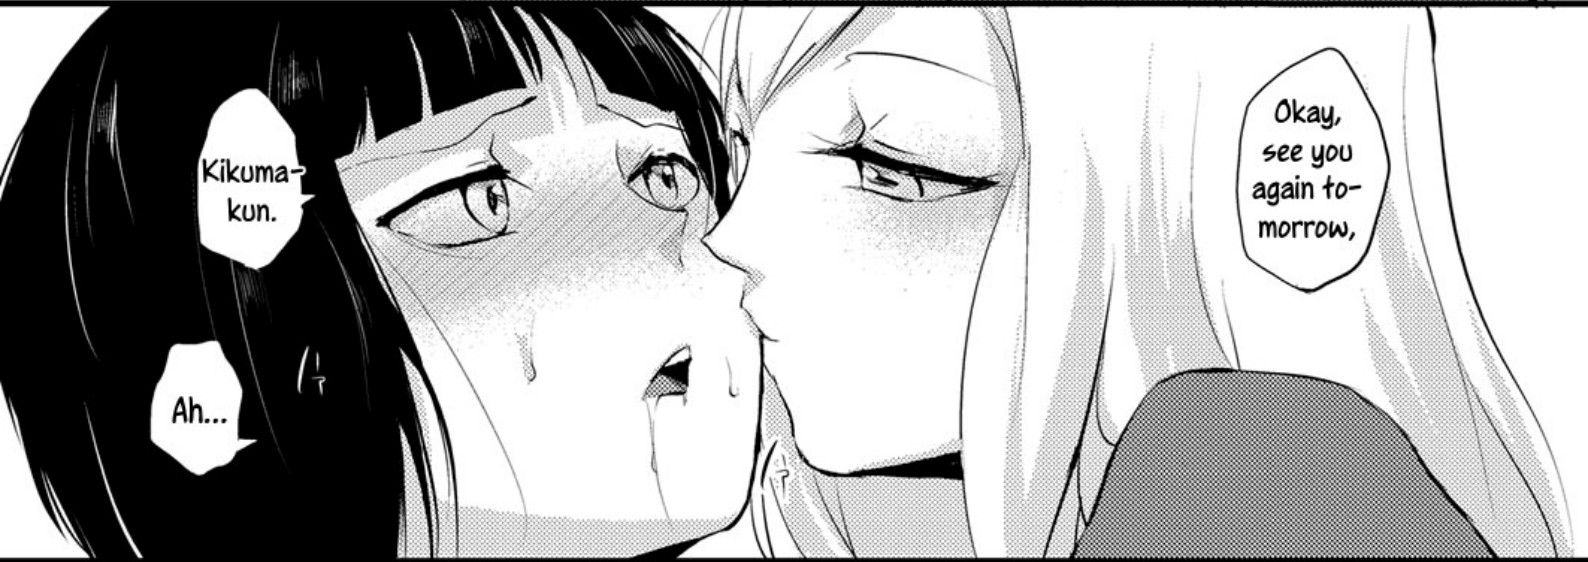

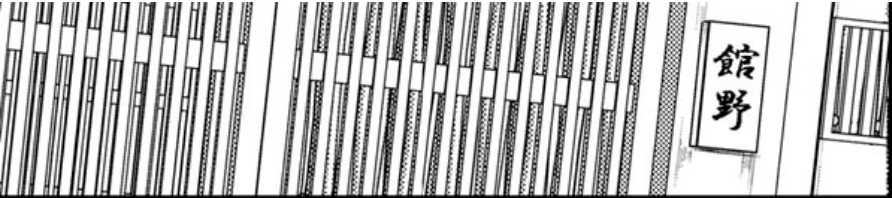

It's okay. I have the key to this room.

W-Why...

\*TADENO

My grandmother told me long ago that this fruit is good for healing wounds.

It hurts...

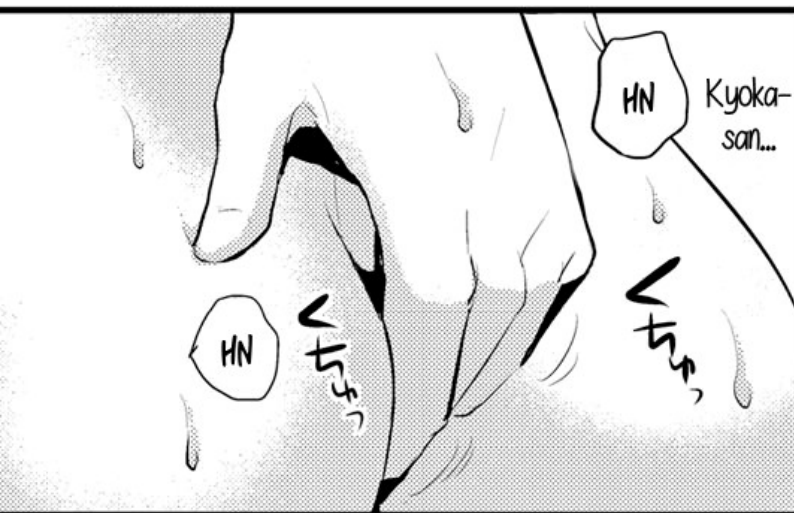

I can't believe I'm relying on a folk remedy of this sort...

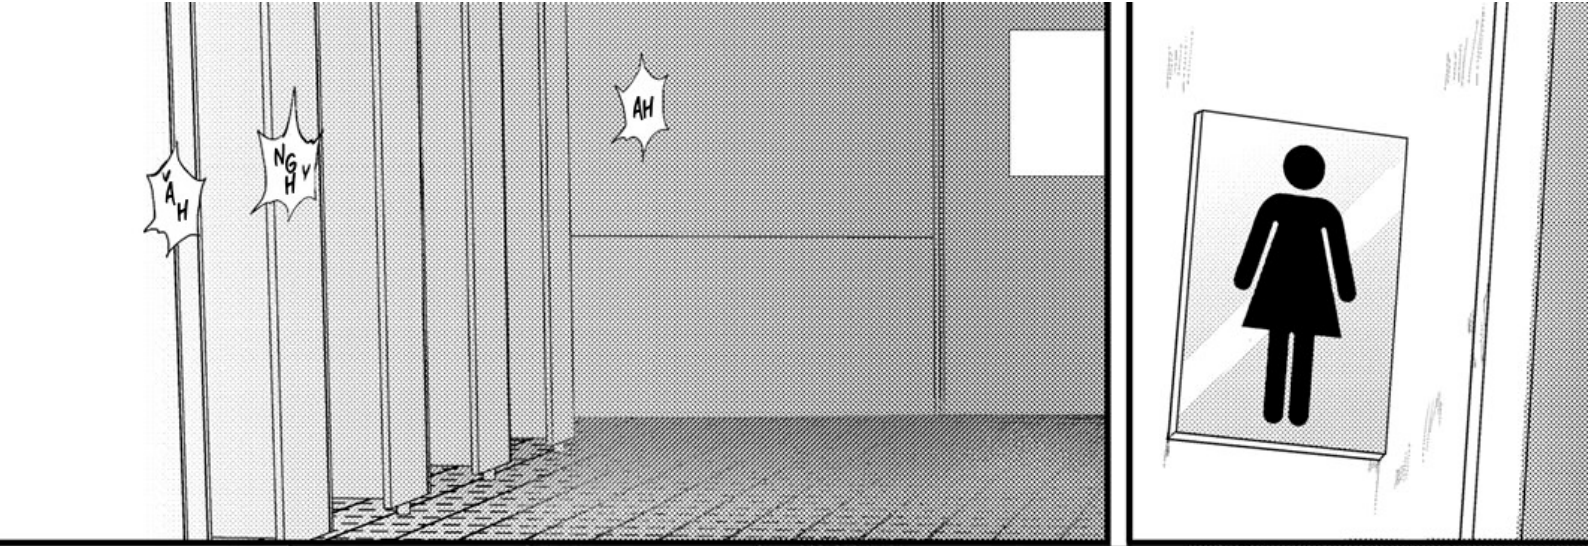

My butt hurts, but...

It was so embarrassing I couldn't buy the medicine...

I'm pathetic...

Again tomorrow...

She's started to summon me in the morning and at noon recess too.

HA  
AH

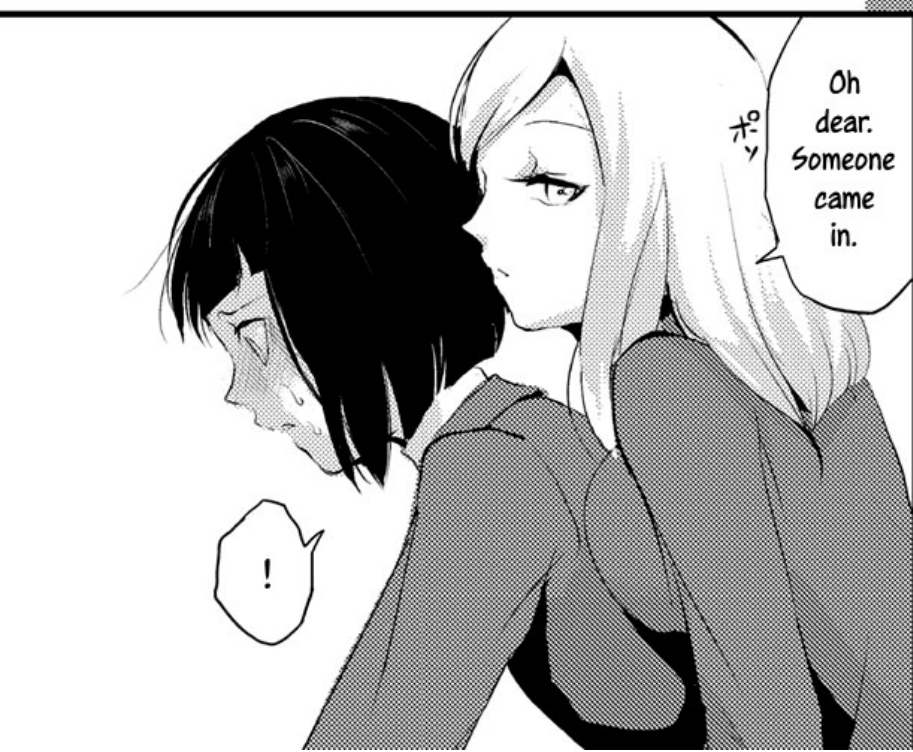

Not many people come here early in the morning.

...

She's done a lot to me too...

Don't say I didn't warn you.

What could Kyoka-san be thinking?

Come to think of it, in all this time she's never said "I love you" even once...

Maybe she doesn't even care who she does it with.

She did tell me I was cute though.

After school that day, I didn't go to visit Kyoka.

Kikumakun...
