A middle schooler who loves doing dirty things with her big brother. I want to give her a more important role in my doujins.

Microbikini

Being seen and praised makes her happy, even though it's embarrassing. She loves being slutty but she won't admit it.

cat kneesocks are so cute

Hello. Yuki Con here.
Thank you for picking up this one. I originally drew this one for Comic LO, I like stories featuring junior idols, filming sessions ending in sex, cosplay live streams and those kind of situations.

Have a good 2015!
