I was so lonely. I thought I would go insane.

1 month back, he died on a plane crash while working overseas.

I'll always love you. Kou chan.

Ah! My own son's hot cum. I love it!

Oraa!

My ass

A lot of my

wasted. Don't
you want to
drink it?

my cock

It can't be
helped,
I guess.
Mama is a
pervert
after all

Aaahh...
Mama's
getting wet
already.

ママ大好き!

What was it?..

Ugh! I don't get it.

What I mean is..

$$\frac{4}{27} \times \frac{2}{45} =$$

$$\frac{4}{117} + \frac{25}{97} \times \frac{1}{9}$$

Therefore,

In the case of this equation..

Umm.. What's this?

Today is parents day at school.

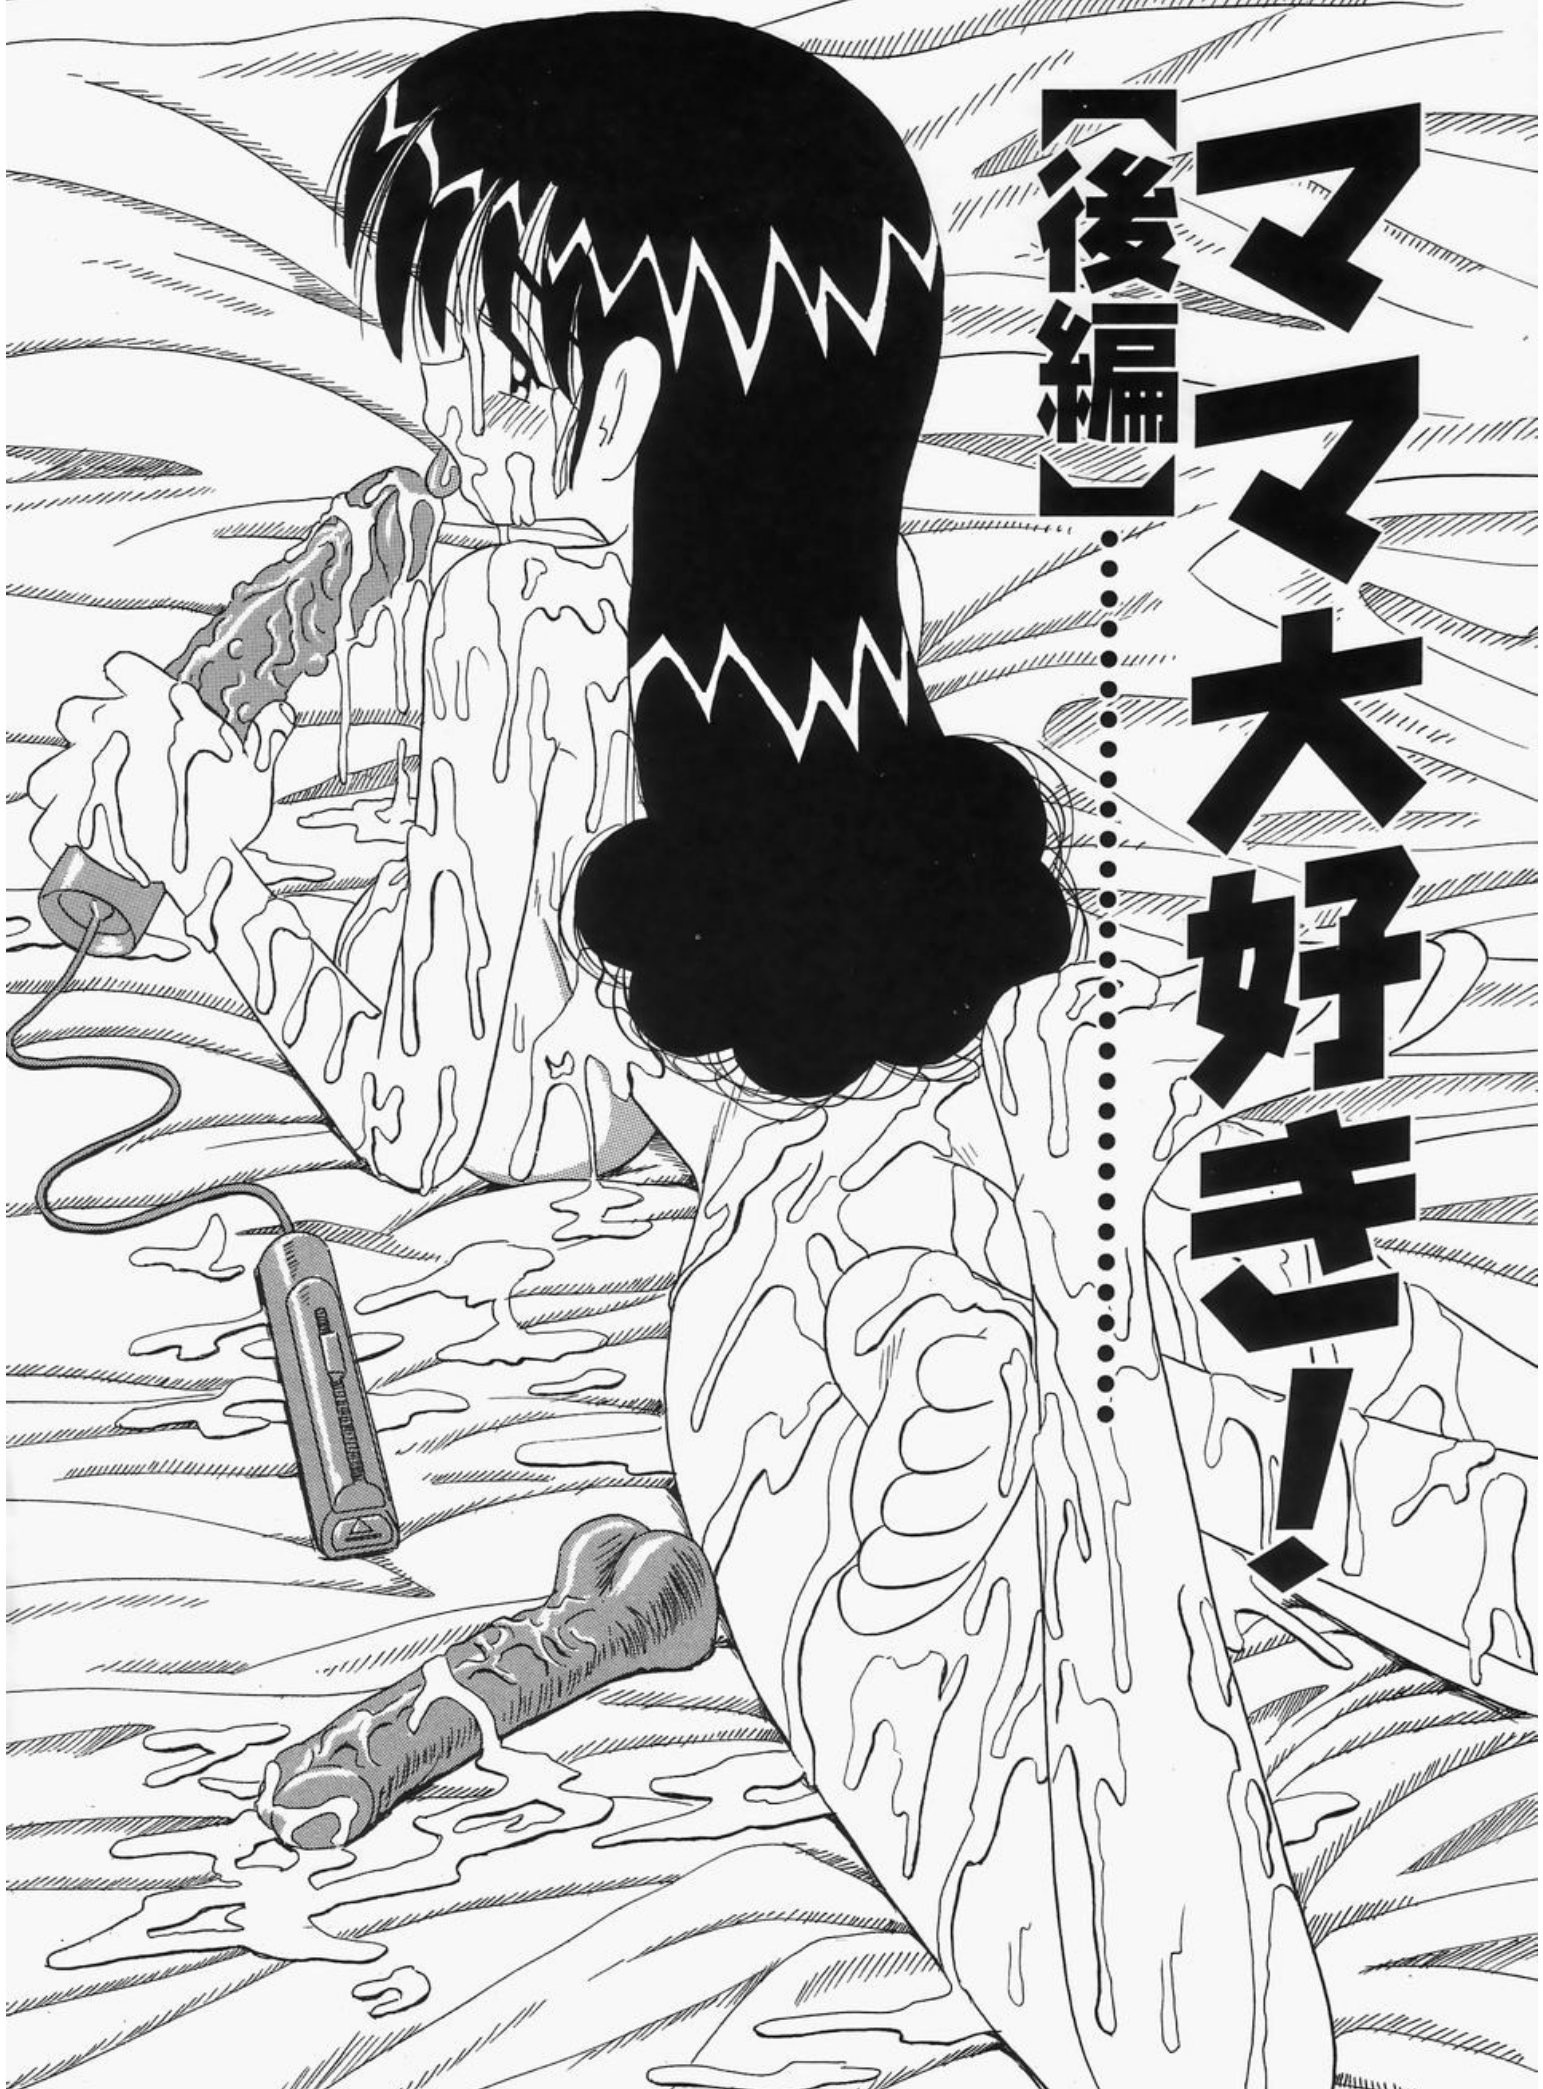

To come like this!! Did she not check her dress before coming?

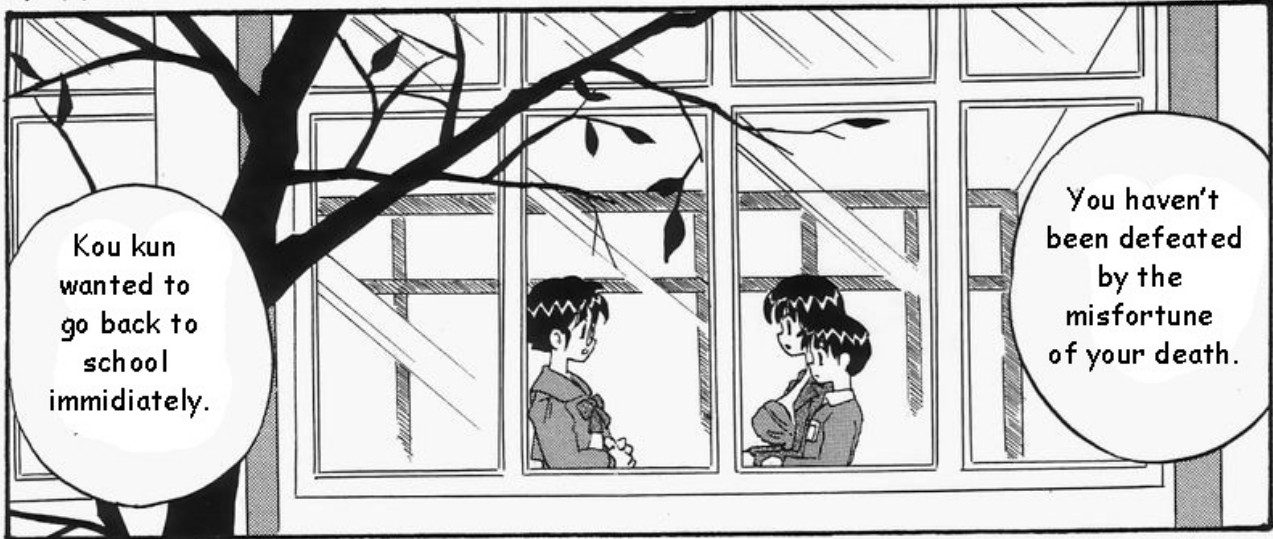

That's katsuko's

the case,
then I will
do everything
