

Is My Hobby Weird?

Chapter Six COMAKU

But if she's sick in bed or riding on the train, I'm sure it would be hard for her to reply...

In these situations...

I can text her something like, "How are you?"

.....

Risa... Is she taking a day off?

Please be careful.

I'll text her "I went ahead of you!"

Okay.

If she's not on this one,

The door is opening.

Is she really taking a day off?

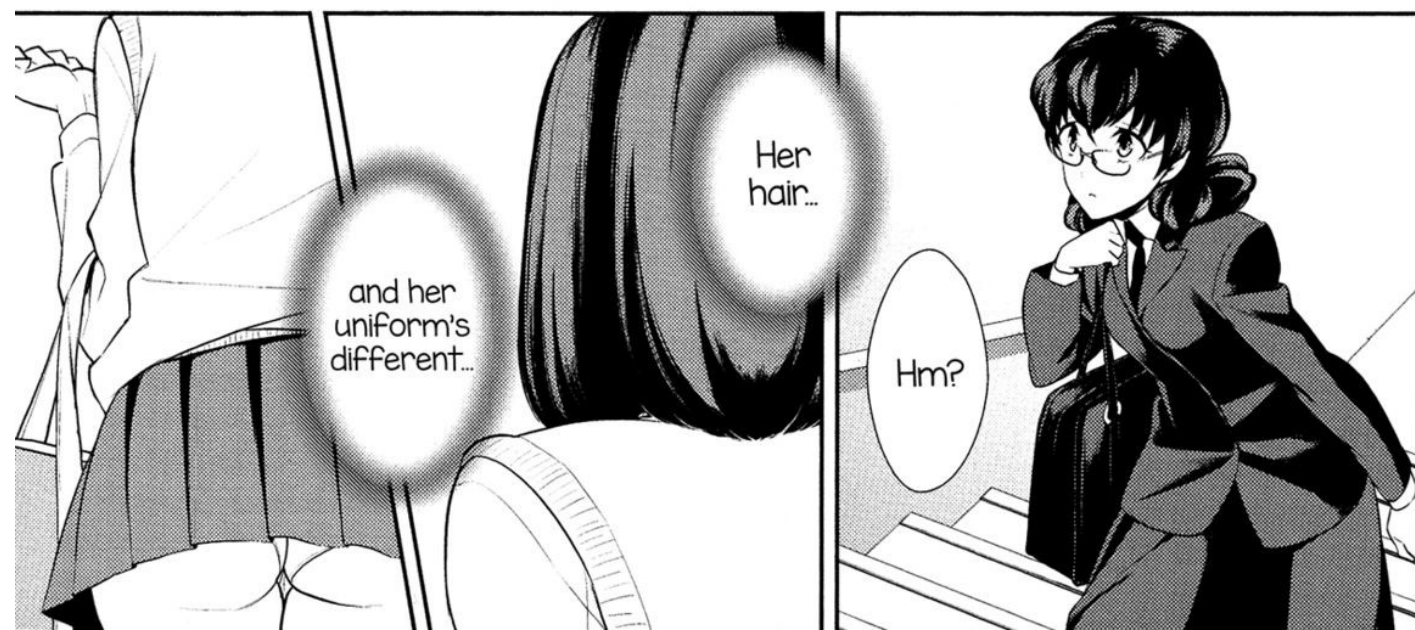

.....!

Risa...

I don't see her...

...How
did you
know it
was me?

Huh?

A-Are
you trying
out a new
style?

It really
is you!

Well,

I recognized
your butt.

You were just calling out to people with nice butts and got lucky, right!?

That can't be true...

Th-

No!

Every butt is different!!

Butts express a person's personality, lifestyle, nature, hobbies, ideas...

The
butt of
the person
I love...
I'd never
mistake it
for anyone
else's!

Your
butt is
the way
it looks
because
of you,
Risa!

...I don't
get it.

Why
couldn't
you kiss
me then?

.....

"Kisses are supposed to be special, so I don't think I can..."

Remember what you said!

Huh? Wh-What do you mean?

What...

It's the opposite!

That meant

you didn't want to kiss me, right?

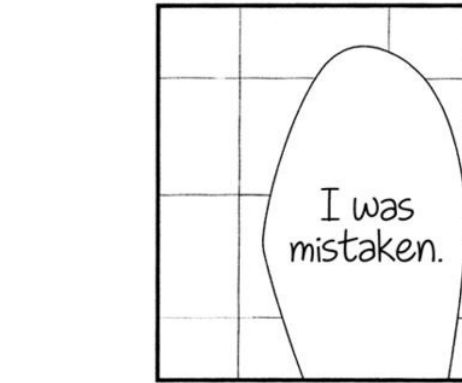

So that's
how you
felt...

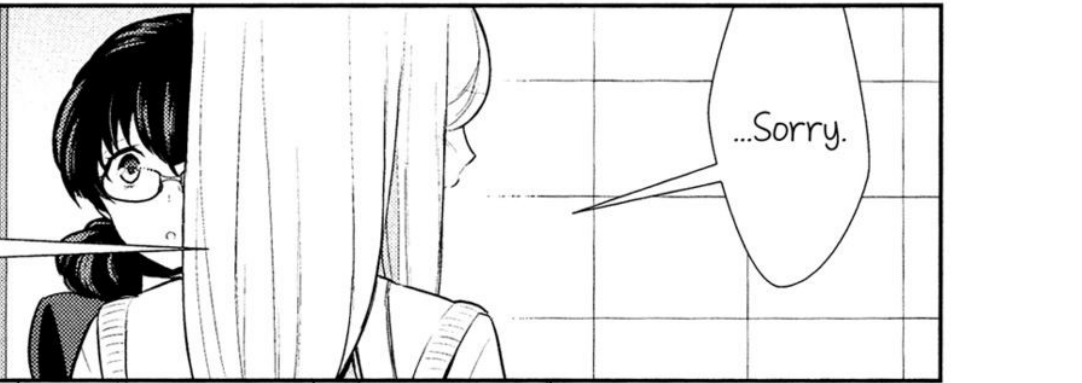

That's
why I said
that...

I thought
I shouldn't
wish for
something
as important
as a kiss...

I was
mistaken.

...Sorry.

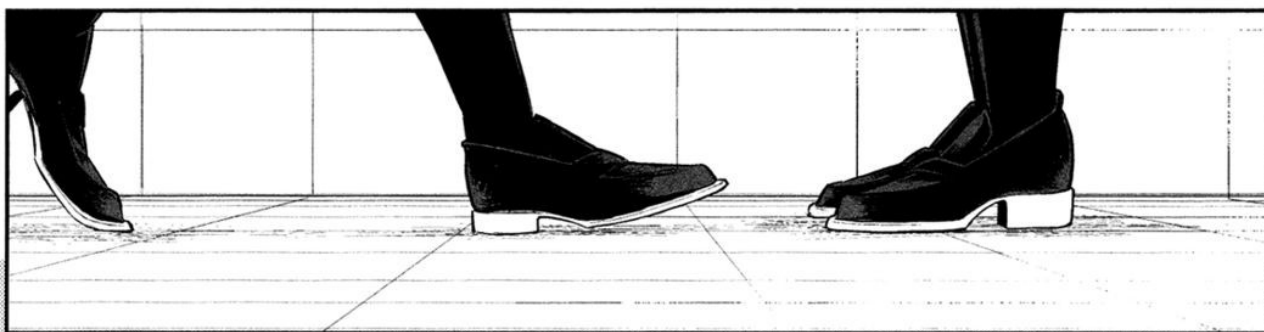

because
I wasn't
important
to you...

I thought
you couldn't
kiss me

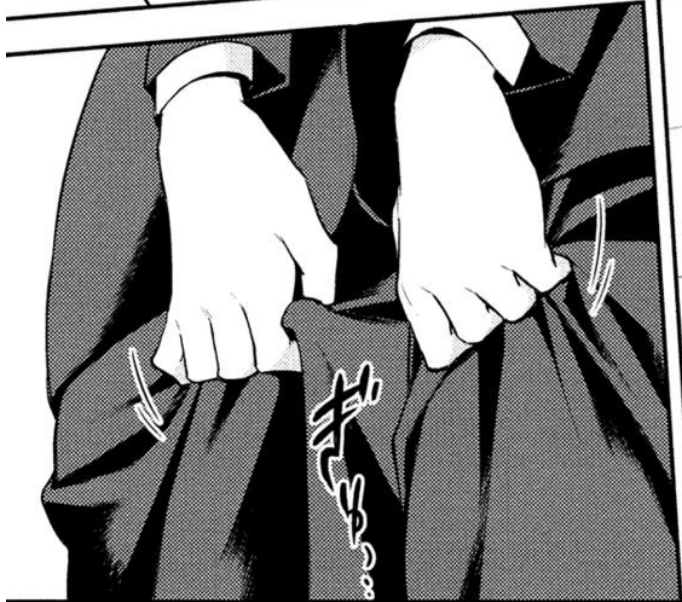

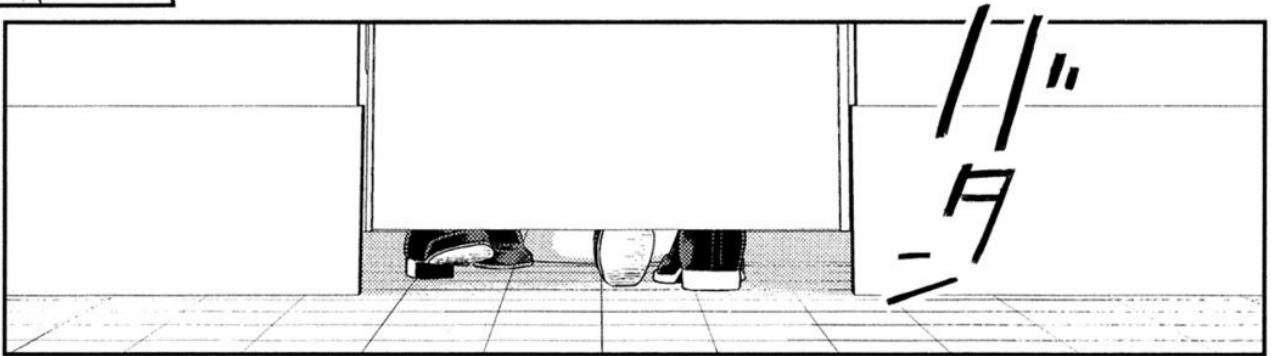

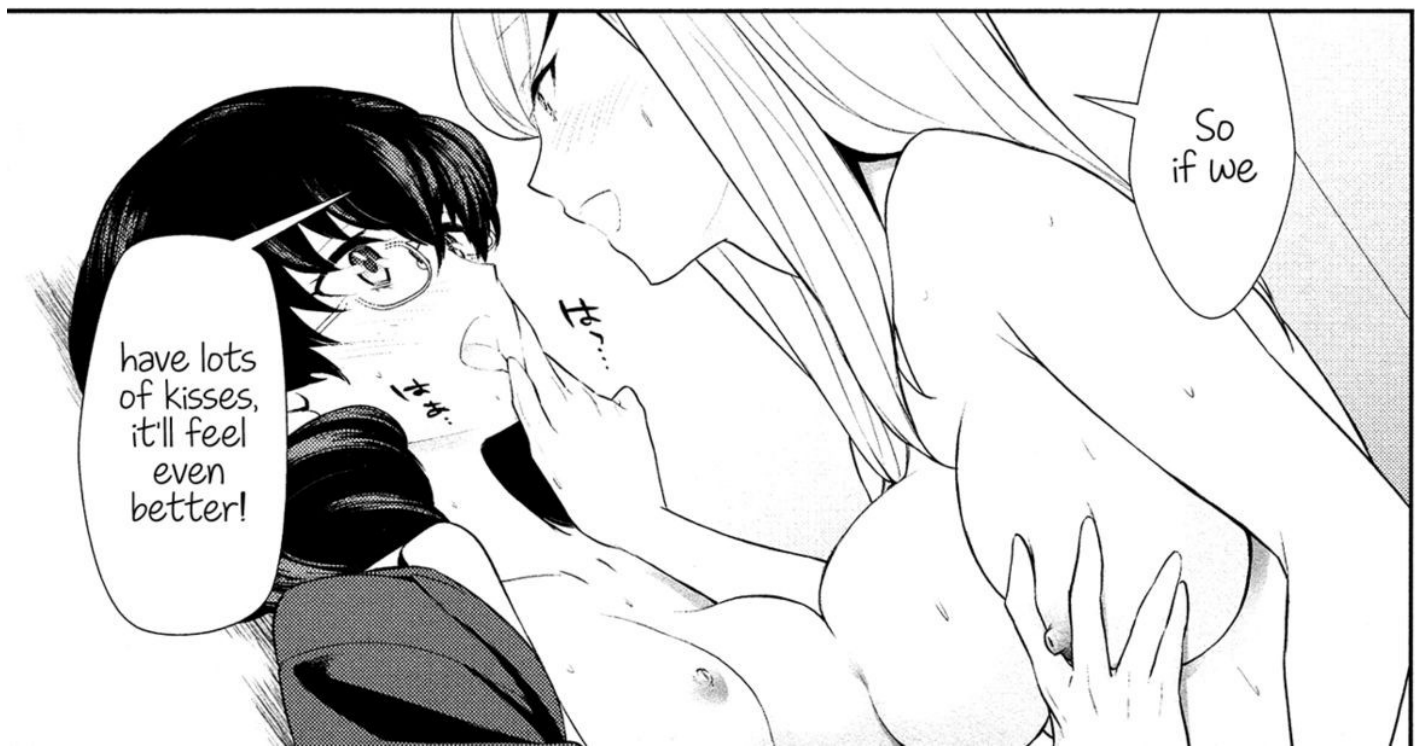

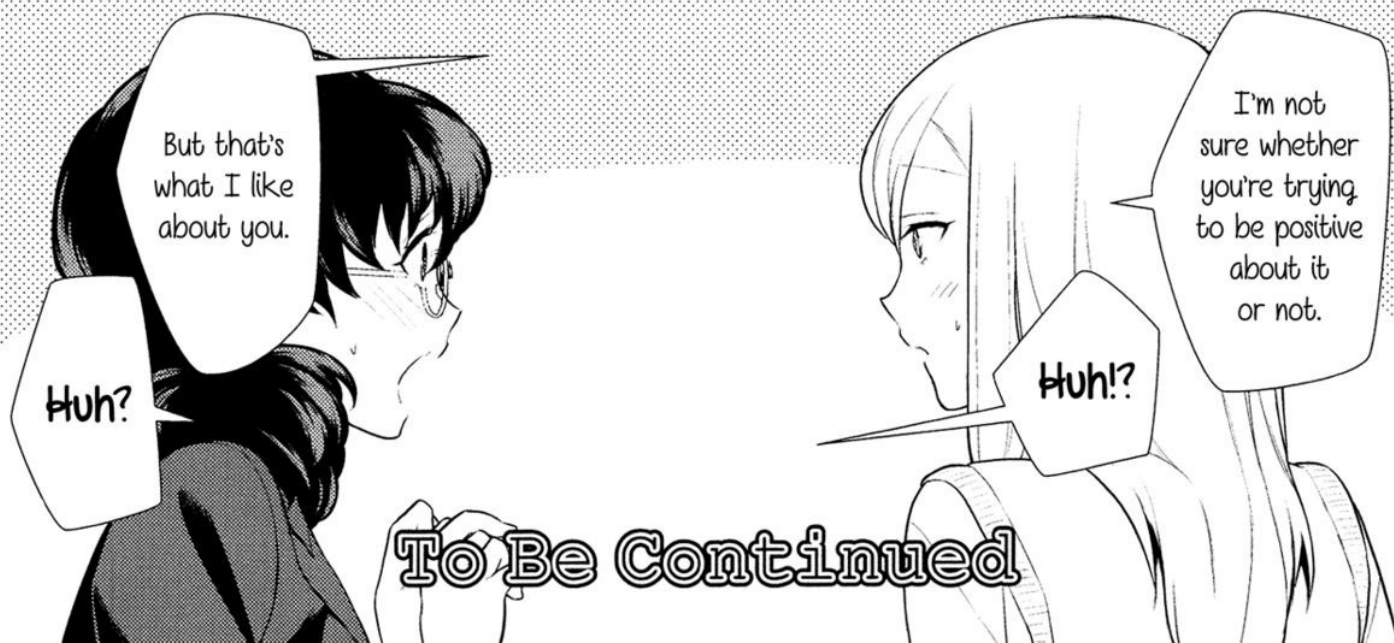

Maiko!
I love
you!

I love
you!

I...
I do
too...
