Huh?
Why are you coming over?
My house is too small, isn't it?

There's a three-day break starting this Friday, so you should expect a visit.

Sis... What do you want?

Ah, Hiro?

Yeah, hello...

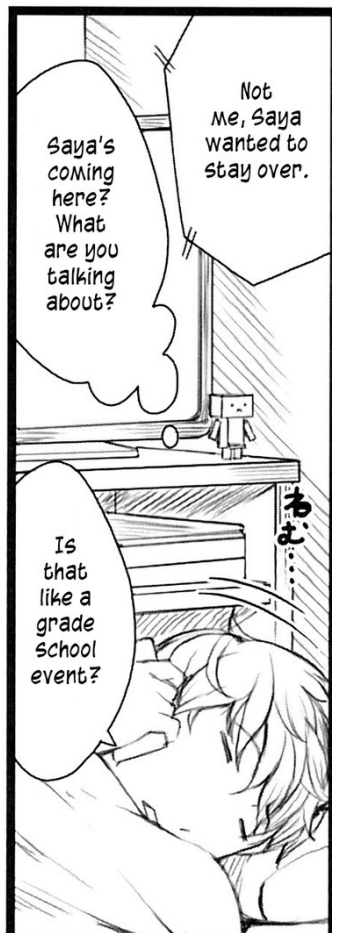

So I asked her if she wanted to try it once at it somewhere, and she suggested your place.

Saya has never stayed over with anyone alone, you see.

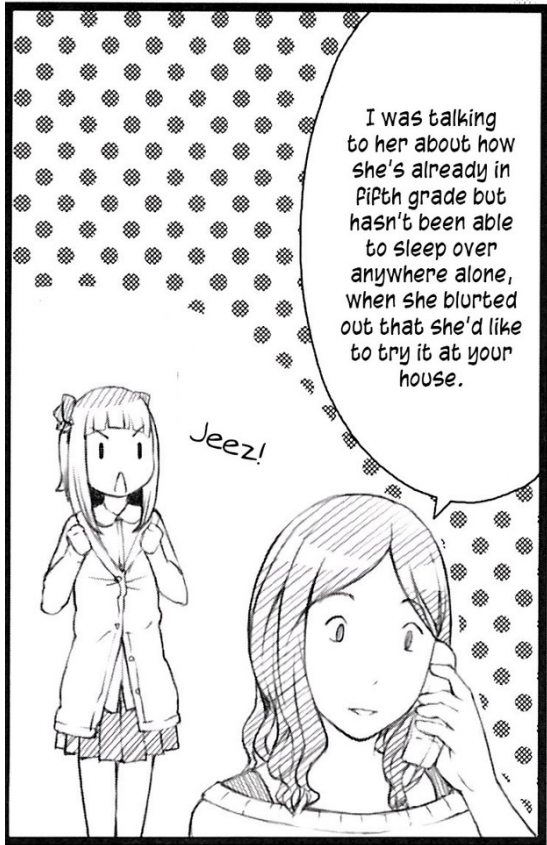

No! Wake up and actually listen to me!

Saya's coming here? What are you talking about?

Not me, Saya wanted to stay over.

Is that like a grade school event?

I was talking to her about how she's already in Fifth grade but hasn't been able to sleep over anywhere alone, when she blurted out that she'd like to try it at your house.

Jeez!

Can we sleep together, Hiro-nii-chan?

Saya's going to be staying at my place!?

Look, Saya will even ask you herself.

Yo- you don't have to say that much! It's so embarrassing!

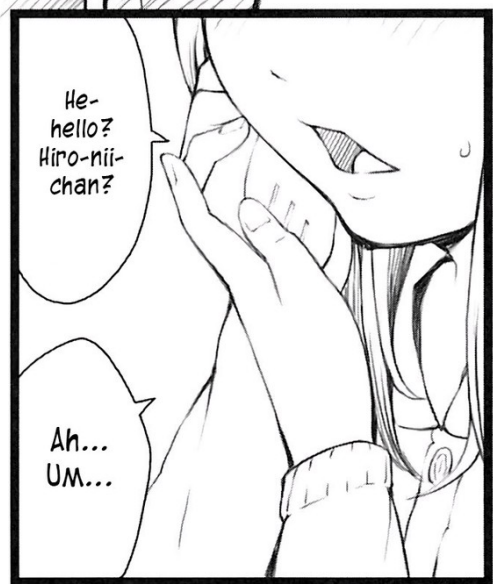

Saya's a spoiled kid, so she's been bothered that she hasn't been able to go anywhere alone.

They're so lively.

Huh? We're switching?

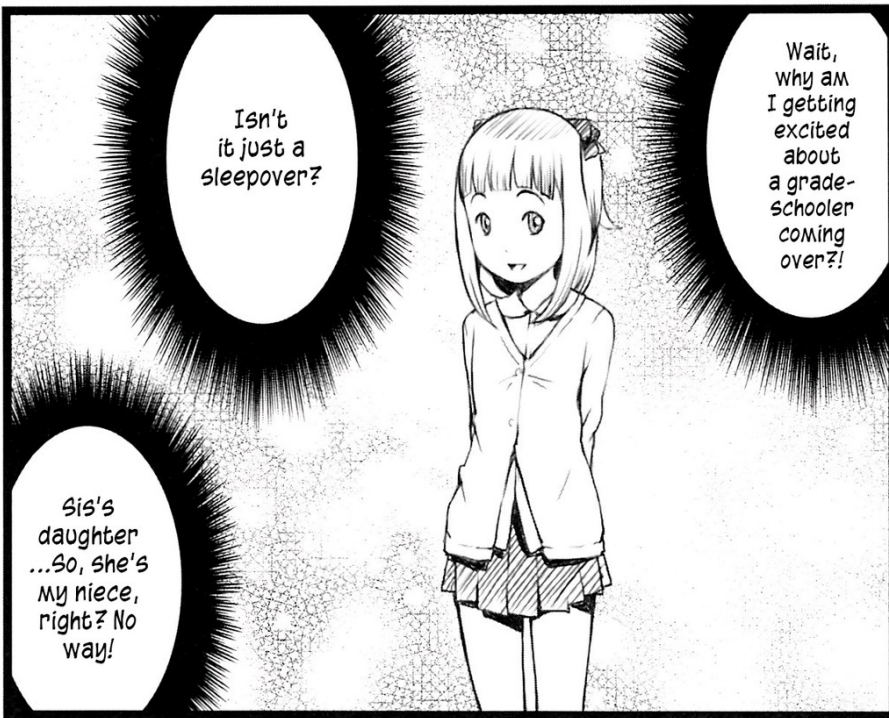

Is...Is it alright if I stay over this weekend?

He-hello? Hiro-nii-chan?

Ah... Um...

Isn't it just a sleepover?

Wait, why am I getting excited about a grade-schooler coming over?!

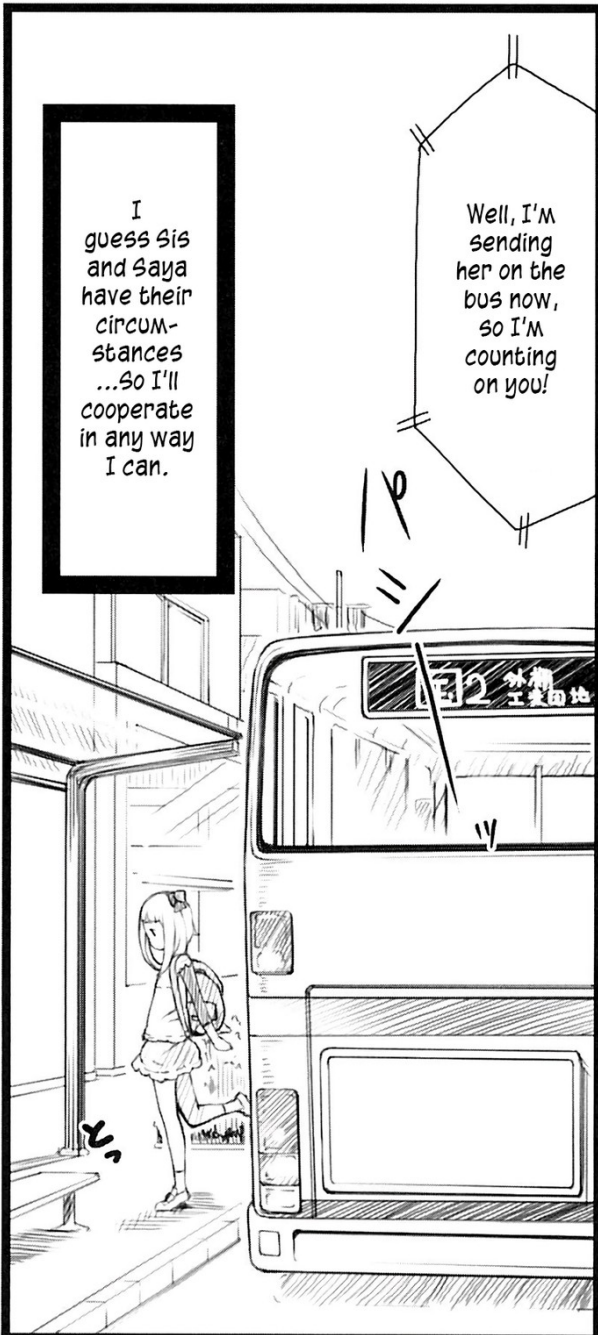

Sis's daughter... So, she's my niece, right? No way!

What a cute way of asking

HM, ye-... Yeah, that's fine... Feel free.

Yay!

I guess Sis and Saya have their circumstances... So I'll cooperate in any way I can.

Well, I'm sending her on the bus now, so I'm counting on you!

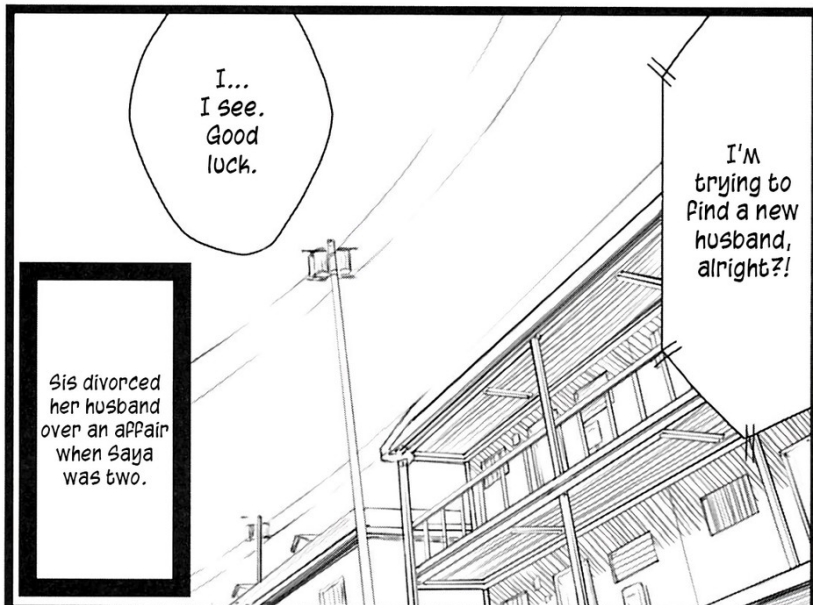

Things have been pretty busy around here, so it's perfect.

Th-... That's right, what are you going to be doing then, Sis? Aren't you going to be worried about Saya?

WOKEN UP

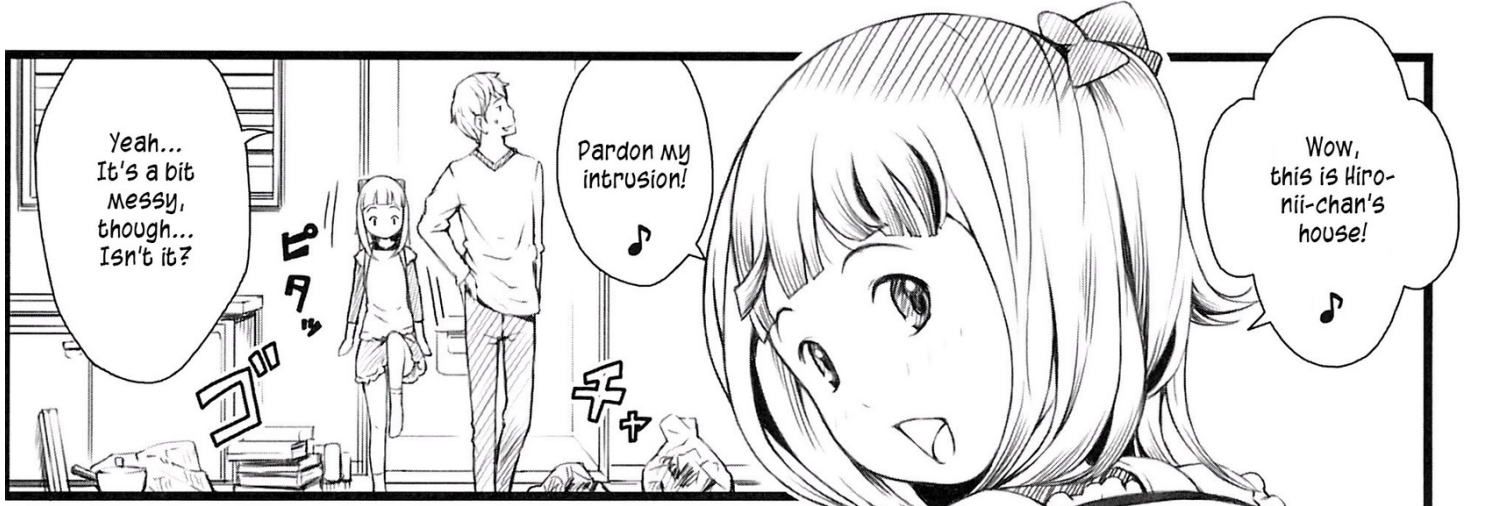

Is something going on?

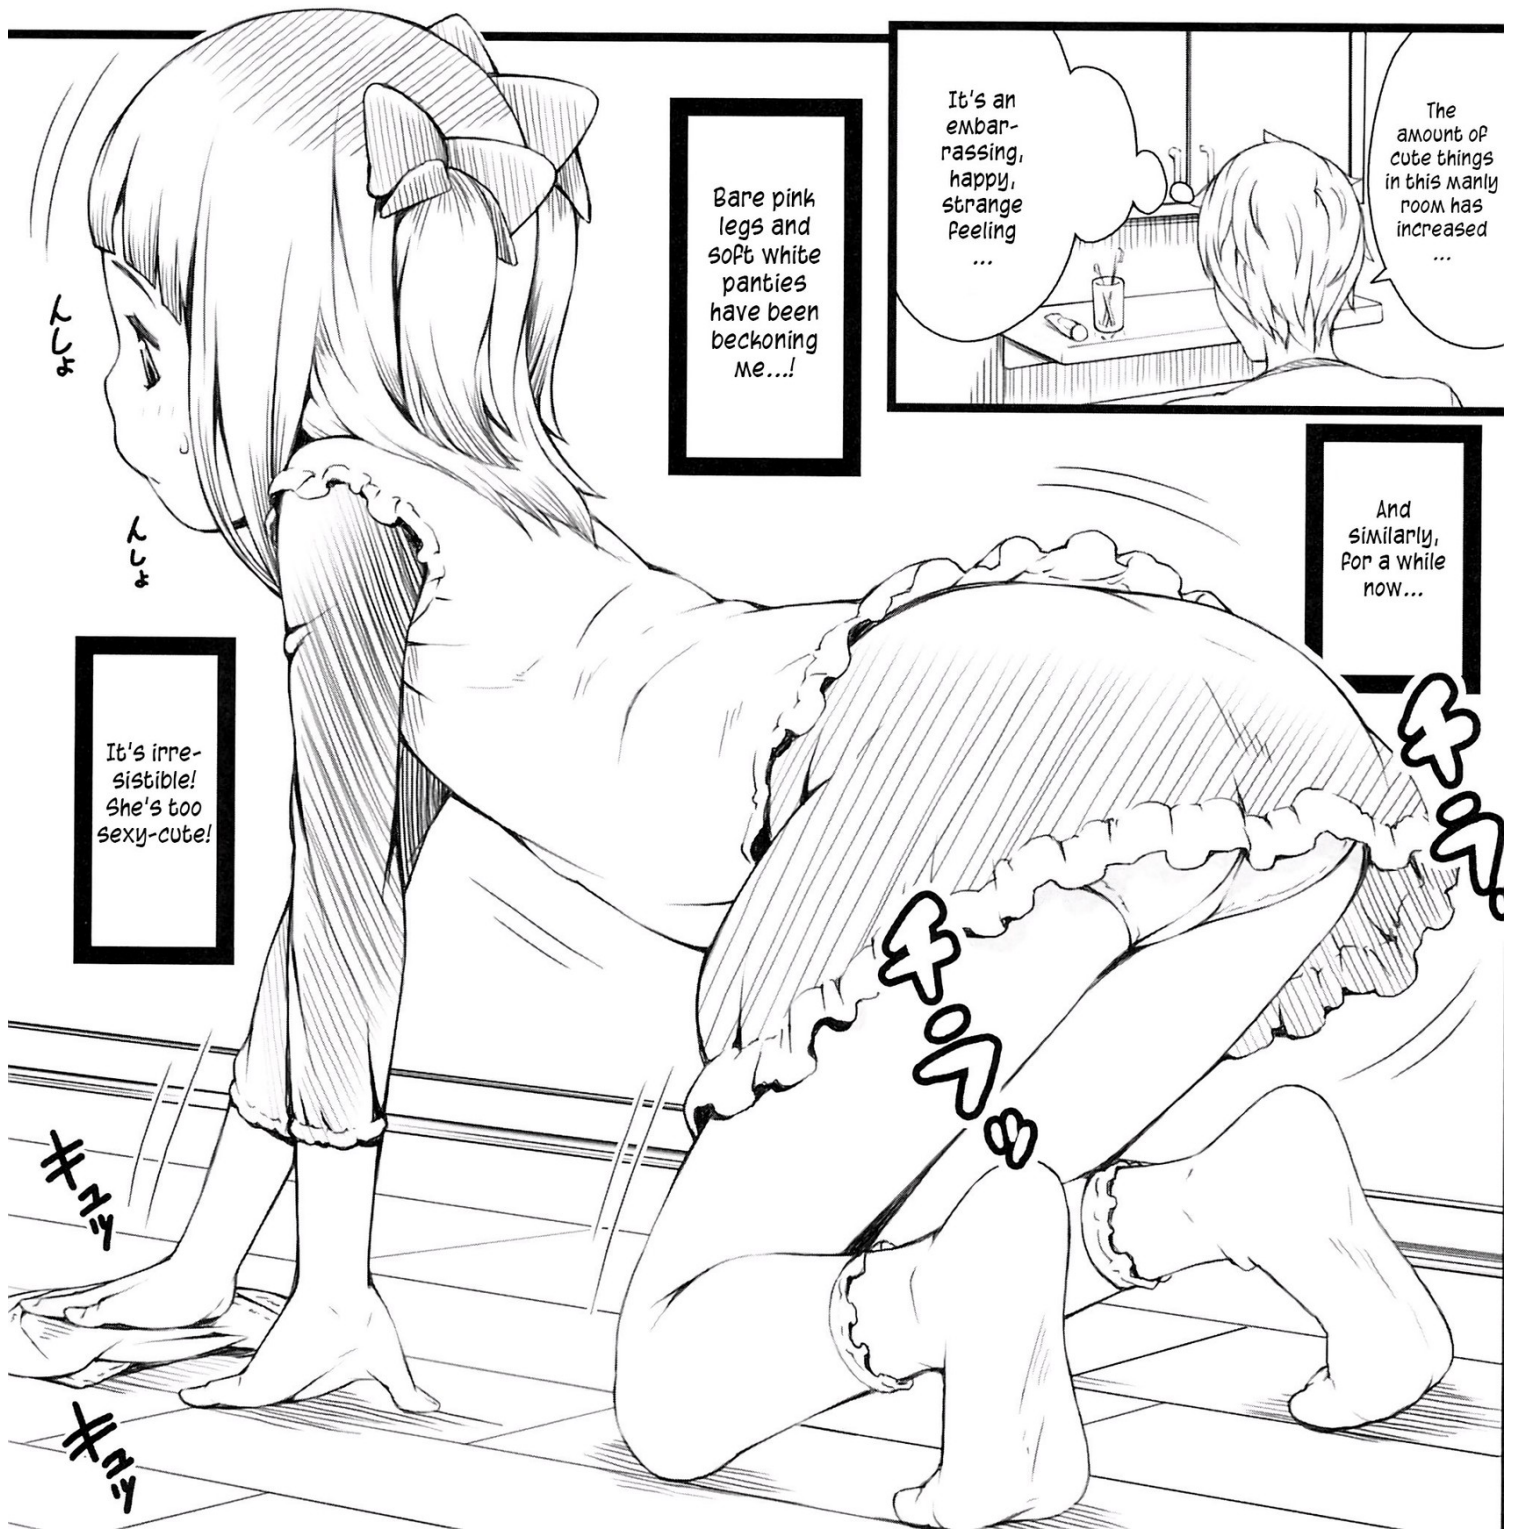

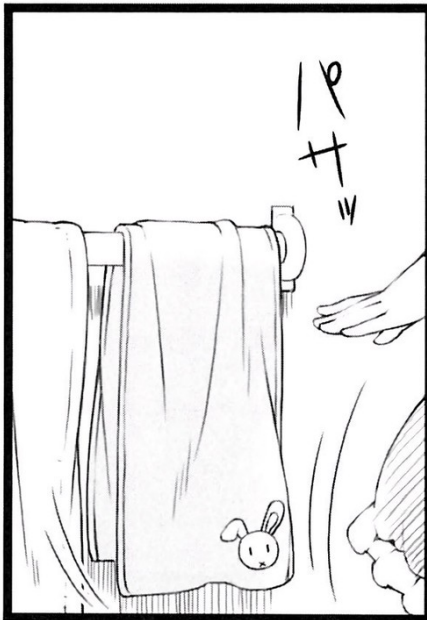

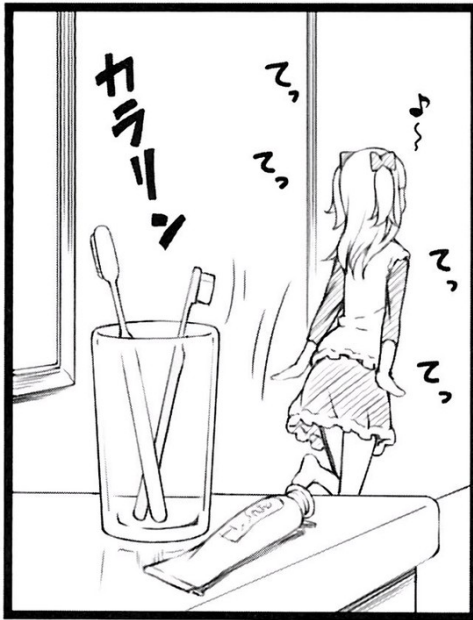

I... I see. Good luck.

I'm trying to find a new husband, alright?!

Sis divorced her husband over an affair when Saya was two.

Bare pink legs and soft white panties have been beckoning me...!

It's an embarrassing, happy, strange feeling ...

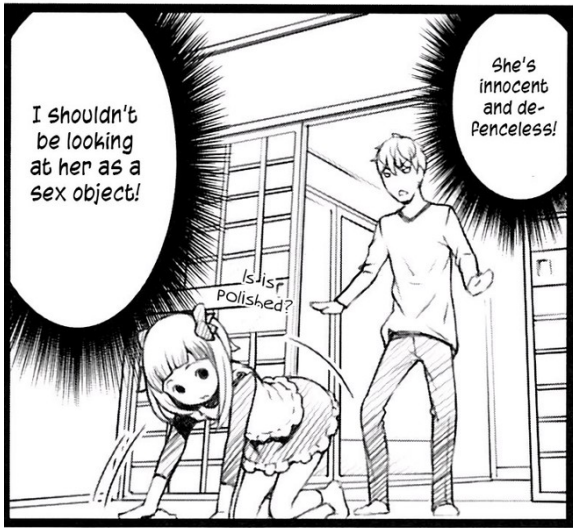

The amount of cute things in this manly room has increased ...

And similarly, for a while now...

It's irresistible! She's too sexy-cute!

フワフワ (fuwafuwa)

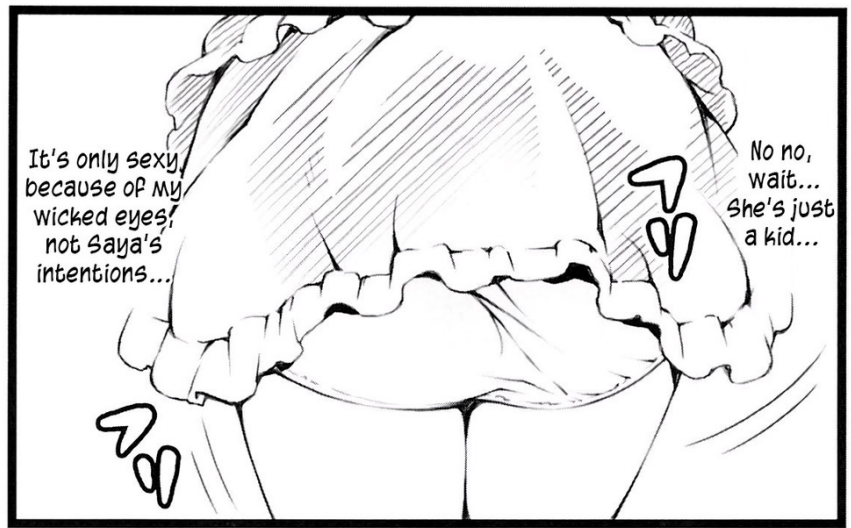

フワフワ (fuwafuwa)

I shouldn't be looking at her as a sex object!

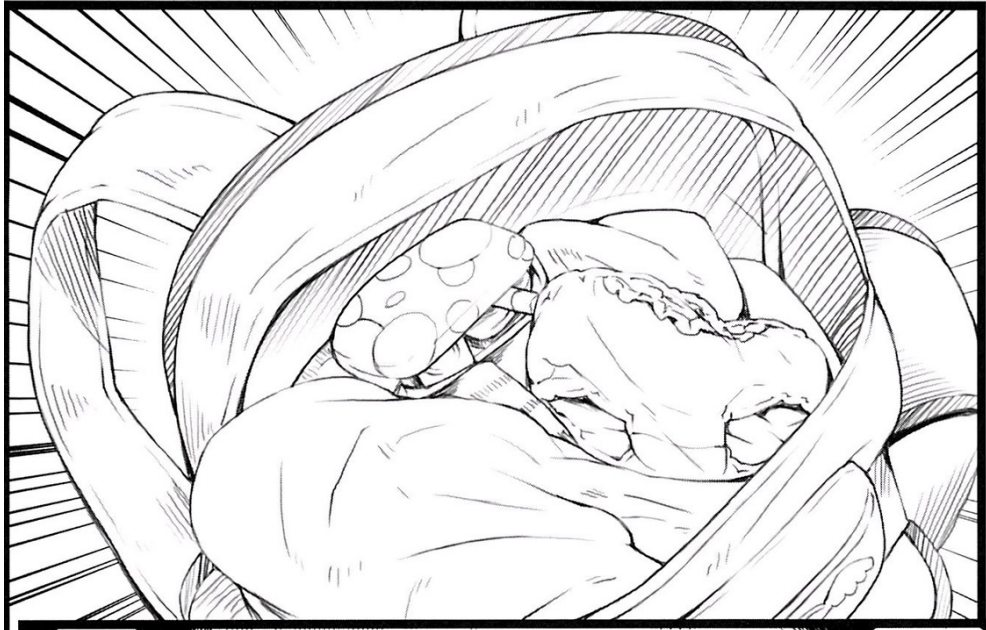

She's innocent and de-penceless!

Is it polished?

It's only sexy because of my wicked eyes, not Saya's intentions...

No no, wait... She's just a kid...

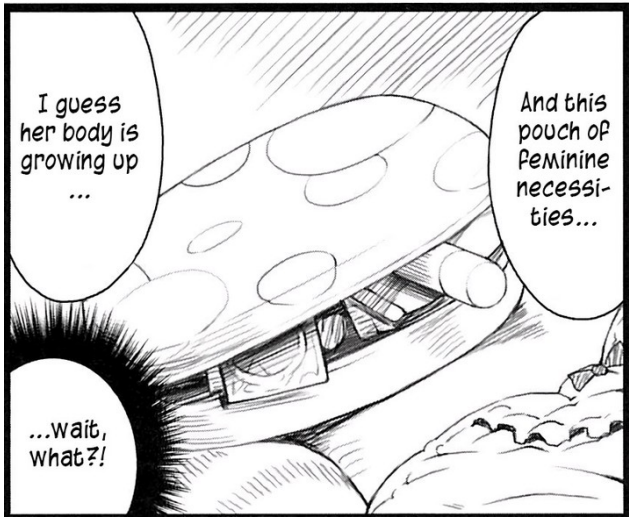

Get ahold of yourself ...

Forget about things like morals!

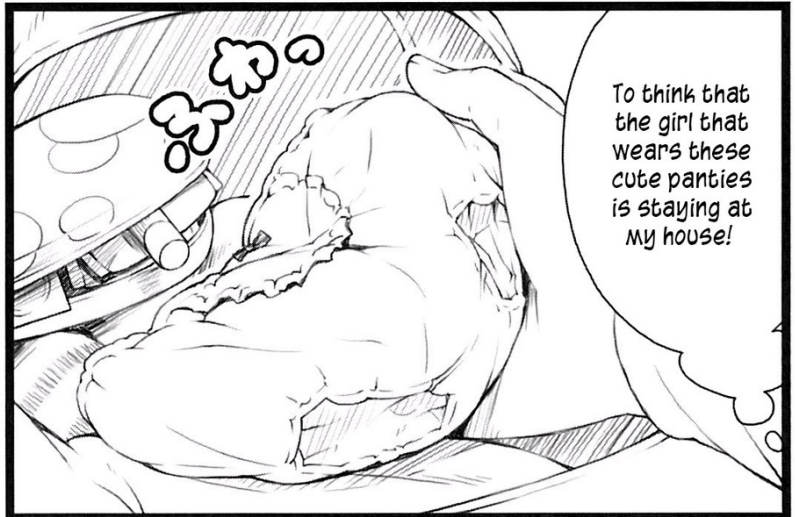

Ahhh! I discovered El Dorado!

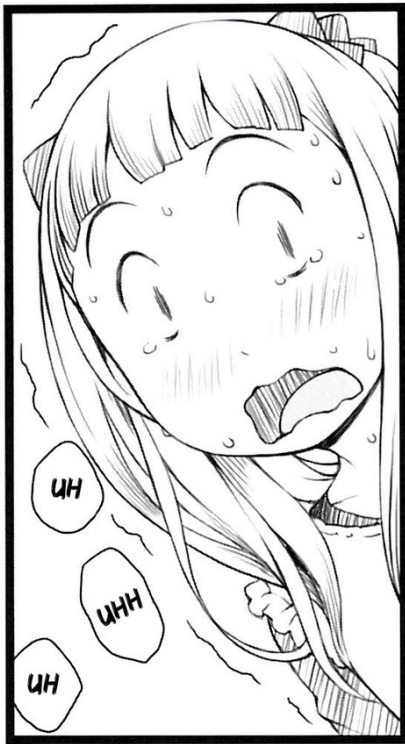

I guess her body is growing up ...

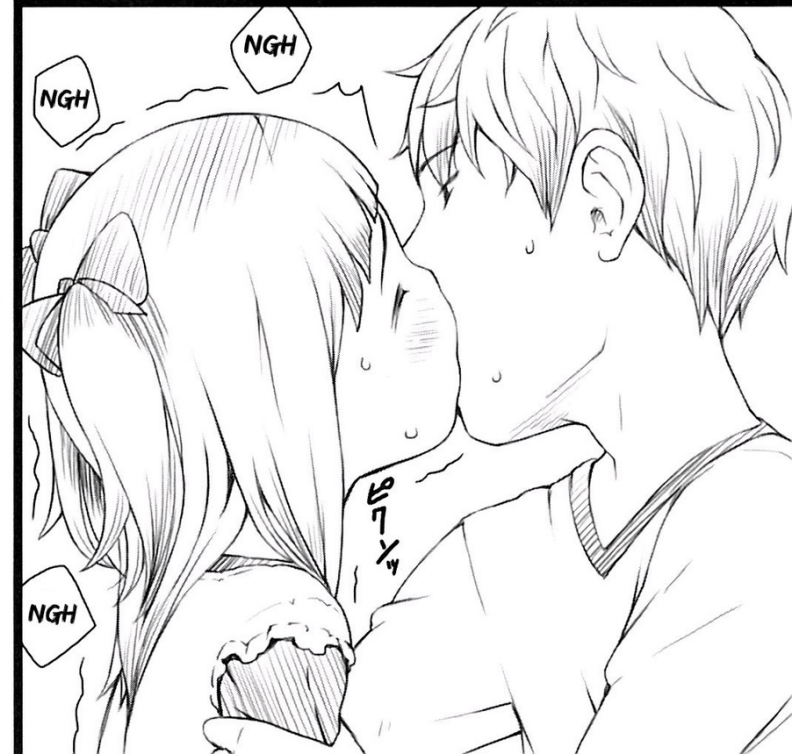

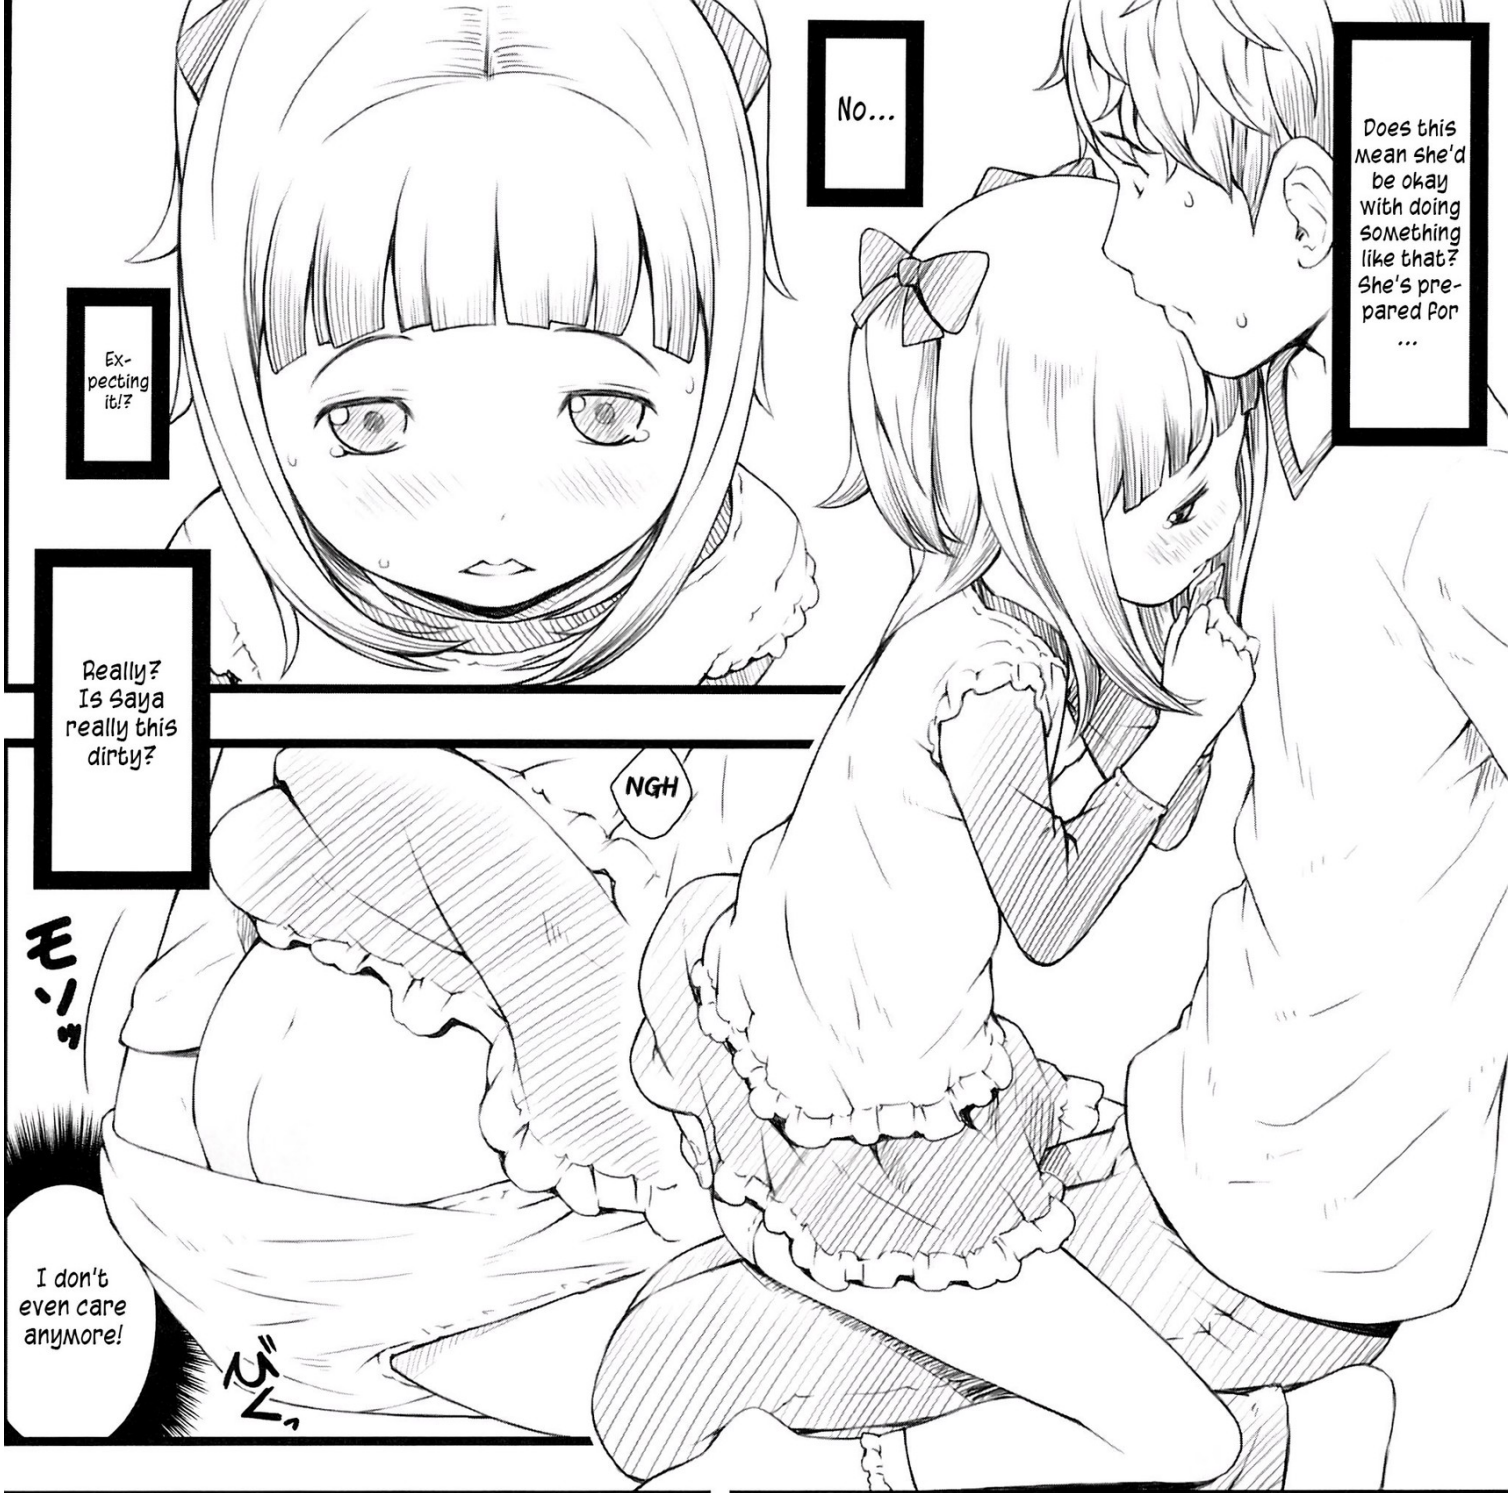

And this pouch of feminine necessities...

...wait, what?!

To think that the girl that wears these cute panties is staying at my house!

Alright
...IF you're
okay with a
guy like me
being your
partner...

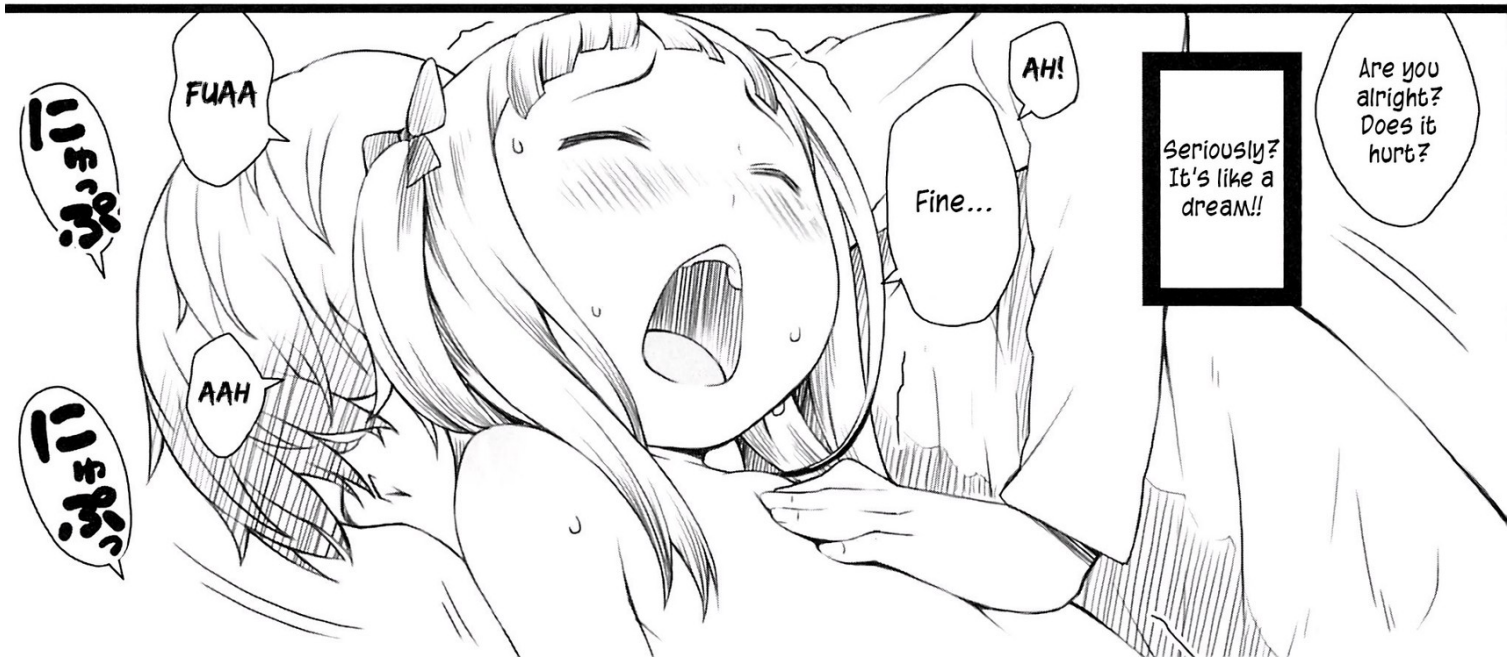

It's
Fine...
Keep
going
...

IF
I become
your lover
...

Yes! I
can have
sex with
Saya!!

FUAA

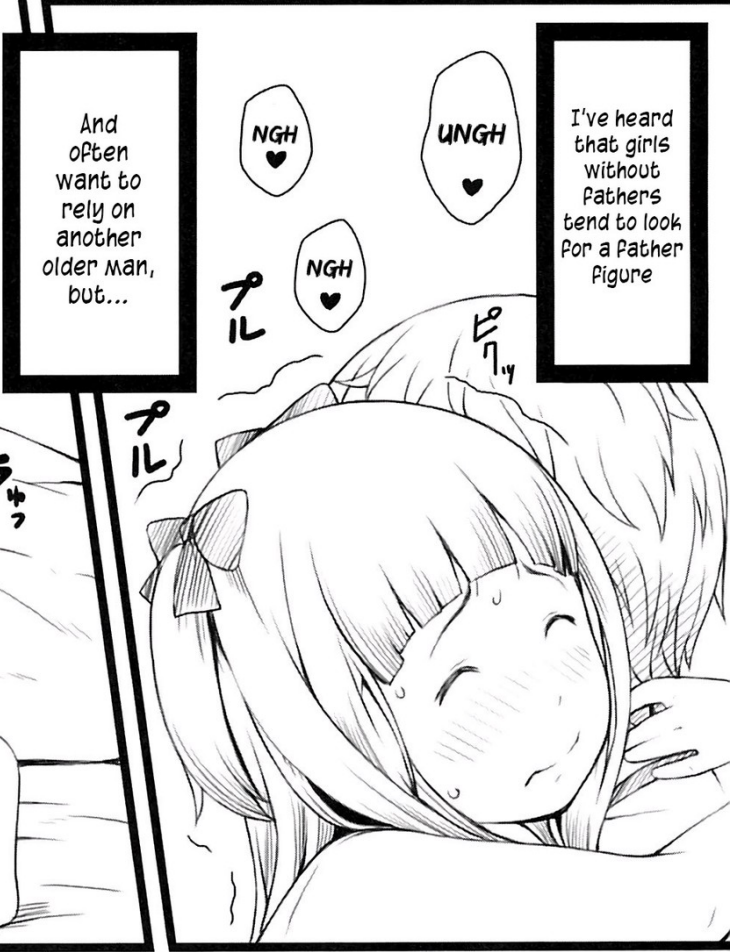

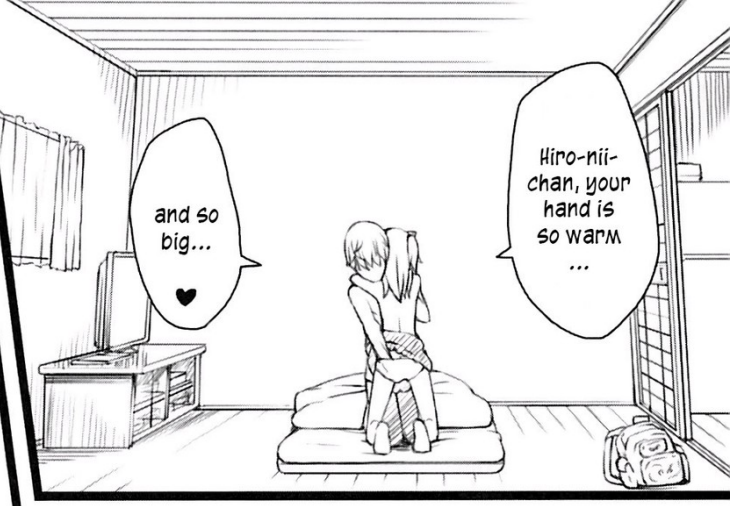

AAH

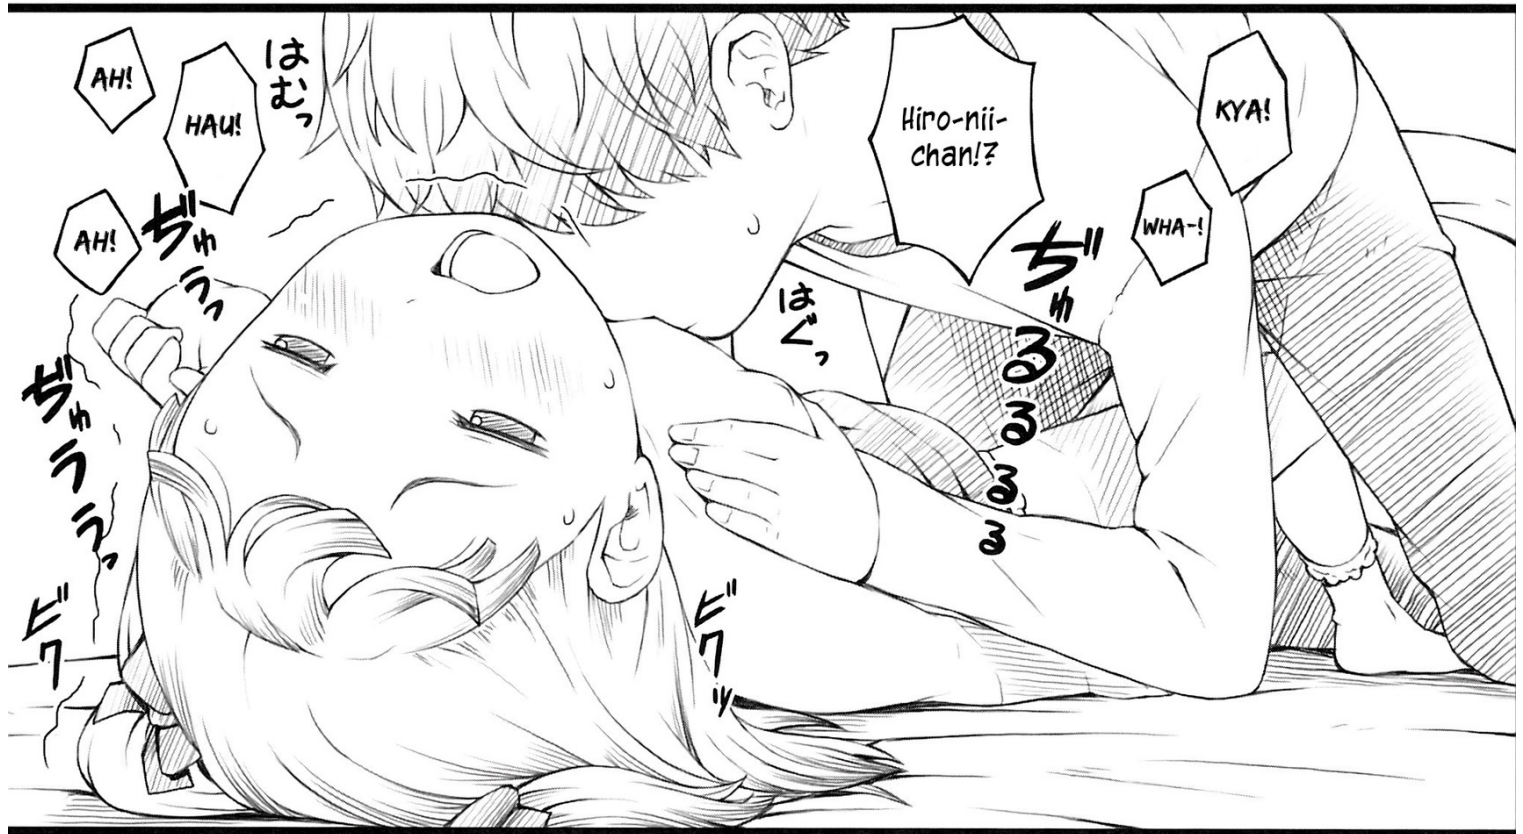

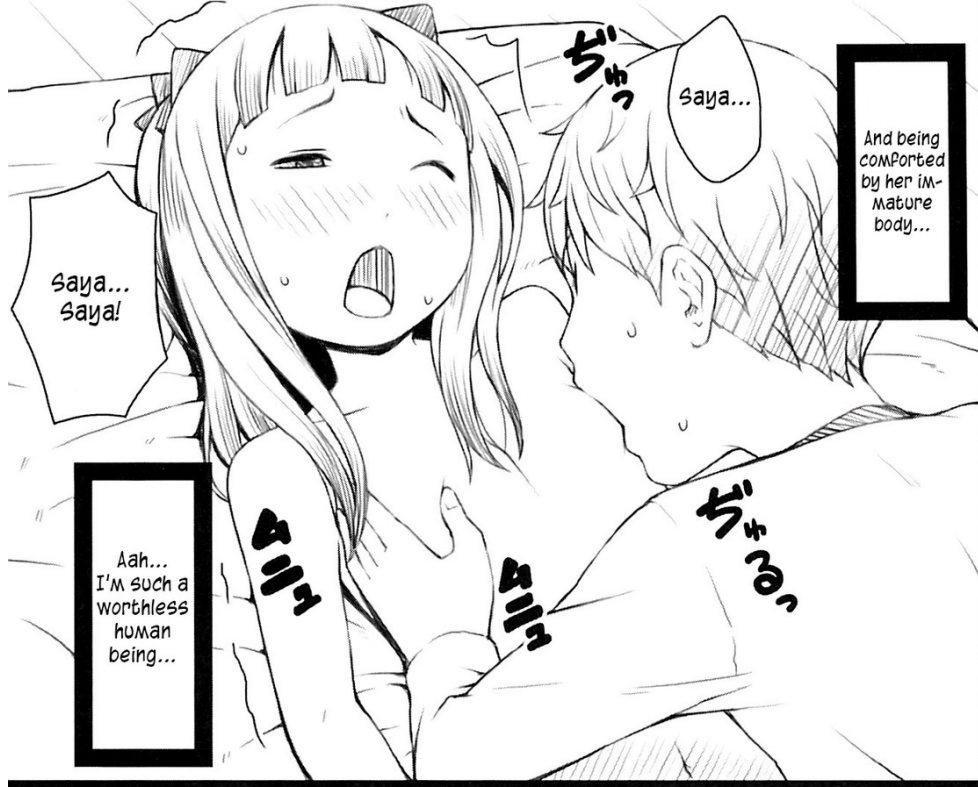

AH!

Fine...

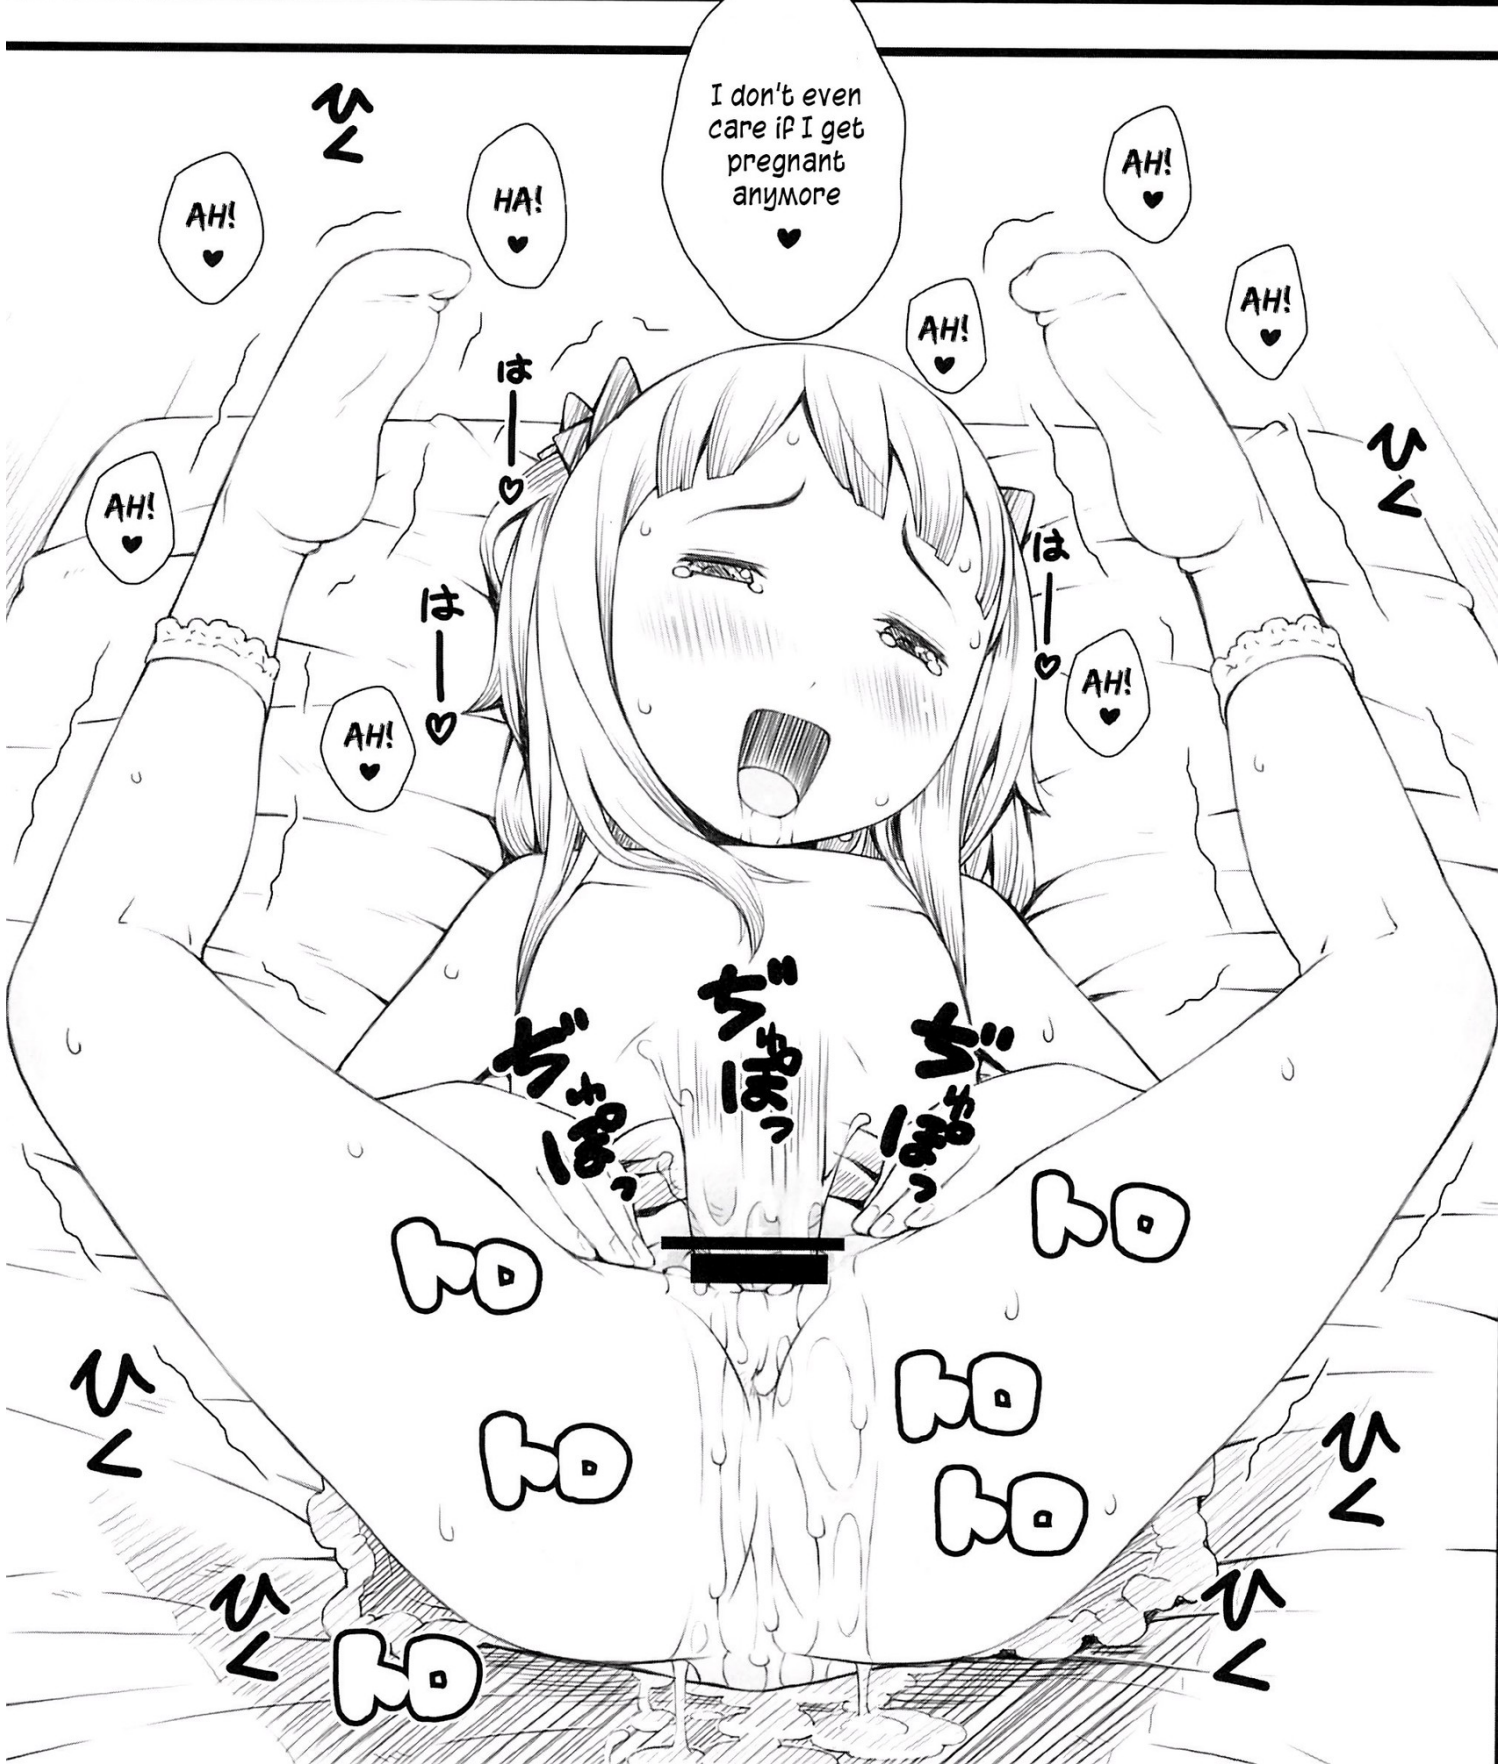

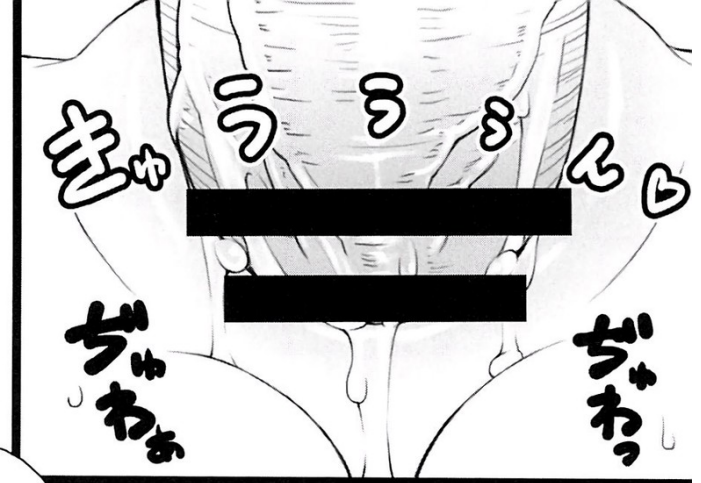

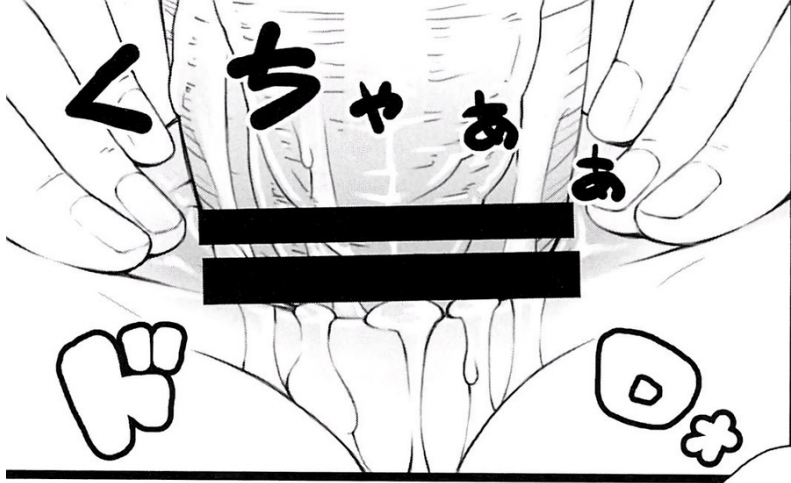

Seriously?
It's like a
dream!!

Are you
alright?
Does it
hurt?

I don't even care if I get pregnant anymore

AH!

HA!

AH!

AH!

AH!

AH!

AH!

Saya, who no longer has a father, is sensitive to the pain of losing something important ...

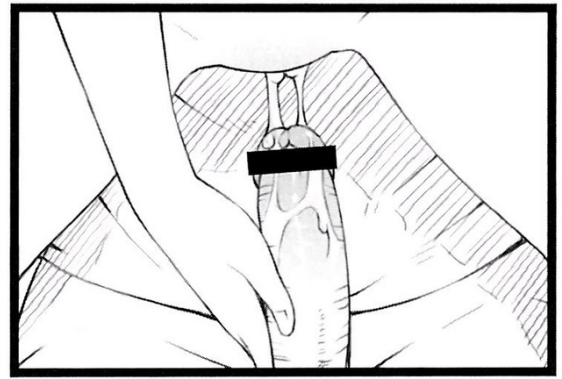

HA!
AH!
HA!

We can be together forever, right?

So, if sis ends up finding a new husband ... How well would saya be able to fit in?

Not yet ... One more time.

That's fine...

Hey, can I stay over every week?

Hehe, yay!

Surely we'll both be alright ...

It's alright ... It's alright, saya...

後書き

どーも、今回は久しぶりにオリジナルで描きましたがまた何か気に入ったアニメがあればそれで描くと思います…節操ないですがその時は宜しく願いたしますw

今回のこの原稿中にどうやらノロ（ロタウィルスかも）にかかってしまいまあ上から下から大騒ぎでした。でも原稿が出来ないほど体力がなくなって居る感じでもないのでふらふらしながらも作業は続けていたのですが、なんとか時間がかかりつつもやっと1ページを4日かかてもう少し完成！というところまで持っていったところ、PCの挙動がおかしくなり慌てて原稿データを保存したところブルースクリーンになりPCが強制終了…。

嫌な予感がしつつPCを再起動させて保存したデータを開こうとしたところデータがぶっ壊れて開けませんというメッセージ。

4日かけて書いた原稿がパーになり後ほど書き直したので実質1ページを完成まで持っていくのに6日かかるという泣きっ面にハチいやノロっ腹にブルースクリーン。

洒落になんねえ…。
俺はノロわれてるのか。なんつって。

イラっとした？ ごめんね☆

まあこうやって本に出来ただけ良かったなと思う事にしましょう。来年はDMM.comさんのCOMIC マグナム表紙に始まりL0さんの最終話掲載辺りから年始の仕事が始まると思いますのでそちらの方も宜しくです。
(L0遅くなって申し訳ありません汗)

ちょっと異色な感じでエンターブレインのほうで禁忌アンソロジー「feroce」に一本描きましたので宜しかったらそちらの方も是非。

ということで来年もまたよろしく願いたします。それでは。
