Swim-suits are the best! ♡

A day off at the Coffee Shop Aqua...

We decided to spend today in swimsuits

My wives wanted to take their minds off from the hotness of the summer, and with their suggestion

Hm?

Summer sure is nice...

Husband: Roma Kouga

脳殺スピール♡♡♡

火照ったカラダ

Are you perhaps thinking about sex again?

Third lady: Marino

Kouga really is a perverted beast

Hehe ♡

Hooold on! What are you looking at?

シムー...

OLM...

Really now.
Your beastly
dick that gets
erect easily
requires so
much care.

It can't be
helped
since Kou-
ga's penis
got erect,
right?

Although I
thought about
taking it easy
and reading
this book...

Hm?

Second lady:
Otowa

Ha

Even
during
that, I'm
at home

During the
early after-
noon when
the whole
town sud-
denly gets
crowded,

People's
cheerful
voices are
heard from
outside the
house.

Their smooth
skin rubbing
against me
feels so
good...

My wives
are
sucking on
my
dick in a
room
where the
heat
has mixed
with the
humidity.

Mh

I love you

The customers love them a lot, and because of their beauty, they are called "the maidens of water".

My wives help me as Aqua's employees.

I run a coffee shop called "Aqua" in this town.

MARINO

The way she expresses her love is very passionate.

My third wife Marino is very lively and always makes the atmosphere cheerful.

My second wife Otowa is very smart and always stays calm. But in reality she is a jealous person, and that's cute.

OTOWA

I always feel relaxed when I'm with her.

My first wife Luna has always been the idol of this town, and acts like an older sister for my wives.

LUNA

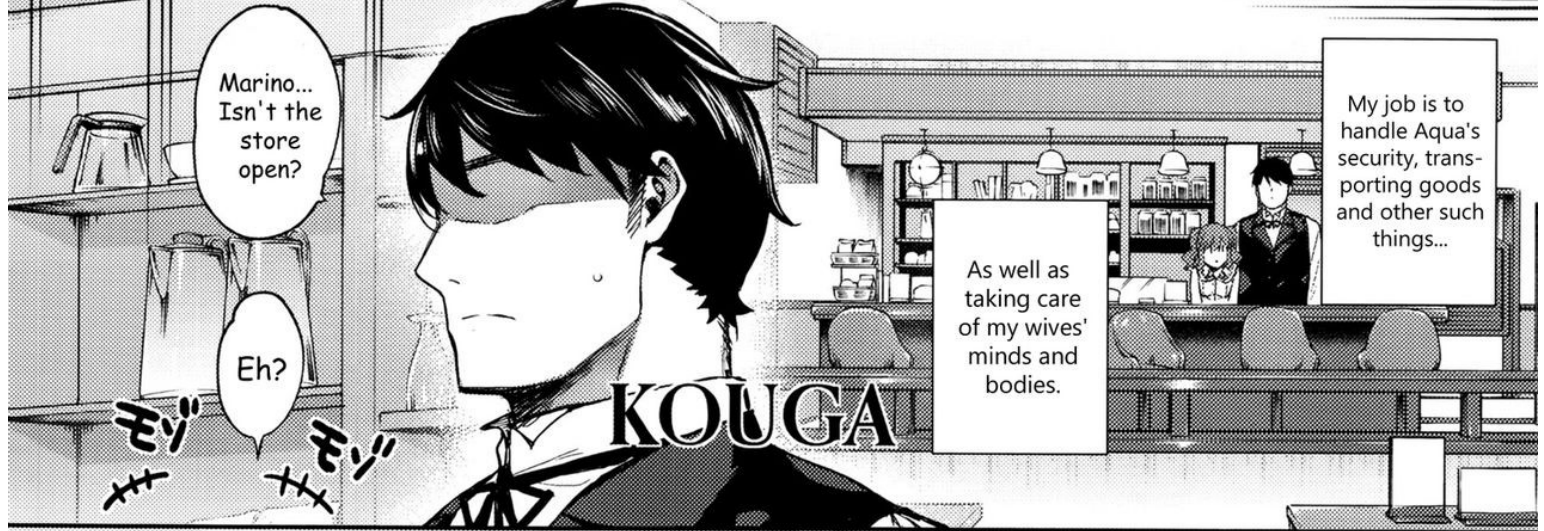

On the other hand, she is very lustful towards lewd things.

My fourth wife Sera is shy and tends to get embarrassed easily.

SERA

The last person is currently away from home taking care of various things.

Shock!

That's... That's right! Work comes first!

Smile...

Hehe! We do it in the morning. While everyone else is sleeping.

You haven't been doing it in the evening recently, right?

Doesn't Luna-san get frustrated?

I'm usually satisfied by Kouga-kun around breakfast time.

How about you try waking up early too, Marino-chan?

Thank you very much. Here's coffee.

Mh. Thank you

I often bring refreshments to her.

Because of that, not only does she serve customers, but she also takes care of accounting.

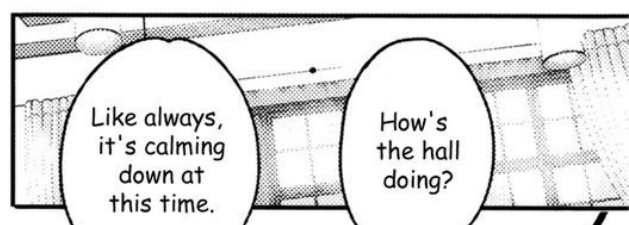

Amongst our family members, Otowa is the smartest one.

Kouga... Could we be together... a bit more..?

Fff...

Like always, it's calming down at this time.

How's the hall doing?

Then...

She normally a cold looking person of few words, but when it's just us two, she behaves like a spoiled child.

Even though it's hot, you came outside.

What's wrong, Luna?

Because of that, Aqua was once on the verge of closing down

I'm the shop manager... but I'm not very talented.

から..

It's gotten a bit less crowded, so how about something cold?

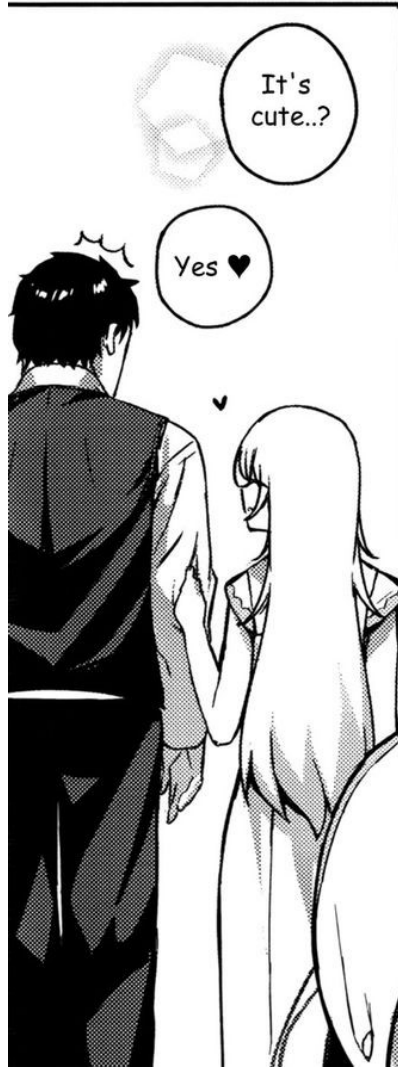

I think it will be good if that becomes my repayment to them...

I want to return the favour to my wives, not to mention her

She was unable to just ignore the shop that was about to go under, and helped me out.

Luna was my junior at school, and had always supported me.

It's cute..?

Yes ♡

Hehe. Were you thinking about that?

Kouga-kun isn't talented, but that's what's cute about you...
I would feel a bit lonely if you were.

Umm~... Sera~?

Hyaa!

Oh my

Is dinner ready?

I saw it

She is often caught doing something embarrassing like this

She's a girl who pays more attention to her appearance than most people.

Sera grew up as a daughter of a noble house.

But... I wonder if Kouga-san would be delighted...?

This kind of underwear... It's too extreme...

There are times when she becomes unaware of her surroundings while devoting herself to something...

Hehe, as expected from Kouga-kun.

So Sera is a person who likes extreme clothes, huh?

Ple... Please forgive me...

I also wonder if it would be better to wear more extreme clothes.

Please keep loving us forever.♥

Hehe, what a big yawn.

Kouga-kun, good morning. ♪

A morning of a typical day.

Should I make coffee? ♡

Ah... Do you want to take a morning bath together?

Yeah...

I'm so tired...

As I was struggling to wake up, Luna kindly lead me to the morning bath by hand.

Hehe ♡ lets wash your night's sweat away. ♡

Should we do... lewd things?

Ah! ♡ He woke up. ♡

This place looks like it's sweating a lot too. ♡ Let's wash it properly. ♡

As we were washing each other in the bathtub... Luna started touching my sensitive parts.

You are as healthy as ever ♡

It's so big ♡

Luna drank all of my semen with a smile. I wanted to have sex right then and there, but...

Luna often teases we like this

She was smiling like she saw right through me...

She exposes her skin that has gotten warm from the bath, and we walk to the bedroom together.

Early in the morning, while the sun is shining dimly from the gaps in the curtains, Luna opens her legs on the bed and tempts me.

Sera, how is it? Is my dick tasty?

I'm sure that the people who have met Sera couldn't possibly imagine her blushing face sucking on my dick like this.
