My Friend's Boyfriend

Presented by Noise (ノイズ)

Manami-chan is the cutest girl in school.

And she's my best friend.

And then, my silly boyfriend...

Recently she started dating her big brother's friend, Toshiki, in secret.

And now that's all she ever talks about.

Hmm...

I love Manami-chan.

So I hate her boyfriend for stealing her from me.

She said she wanted to introduce me to him...

so we both came to his house.

You must be Manami's friend, Noriko-chan.

You look lovely.

Just as advertised, he was good looking and well-dressed.

A nice guy with a good personality.

...Thanks.

Yep, I hate him.

Huh!?
バタン
I'm gonna go wash my hands.
Actually, what is this guy doing dating a grade schooler? He's just a dirty lolicon.
Go ahead.
Mm! ♡
W-Why do you ask?
Noriko-chan, are you taken?
No!!
Mmm...
Ahm! ♡
Wanna go out with me?
I fell in love with you at first sight.
What are you trying to pull...?
Mmm~! ♡

You're much more charming than Manami, Noriko-chan.
I've never even laid a finger on her.
Her? She arbitrarily decided she was my girlfriend, that's all.
Don't you already have Manami-chan, Toshiki-san?
H-Hold on a second...
Don't lean in...
What's going on...?
What...?

I'M here!
Welcome back.
Just think about it.
.....
What were you guys talking about?
It's a secret.
Aww!

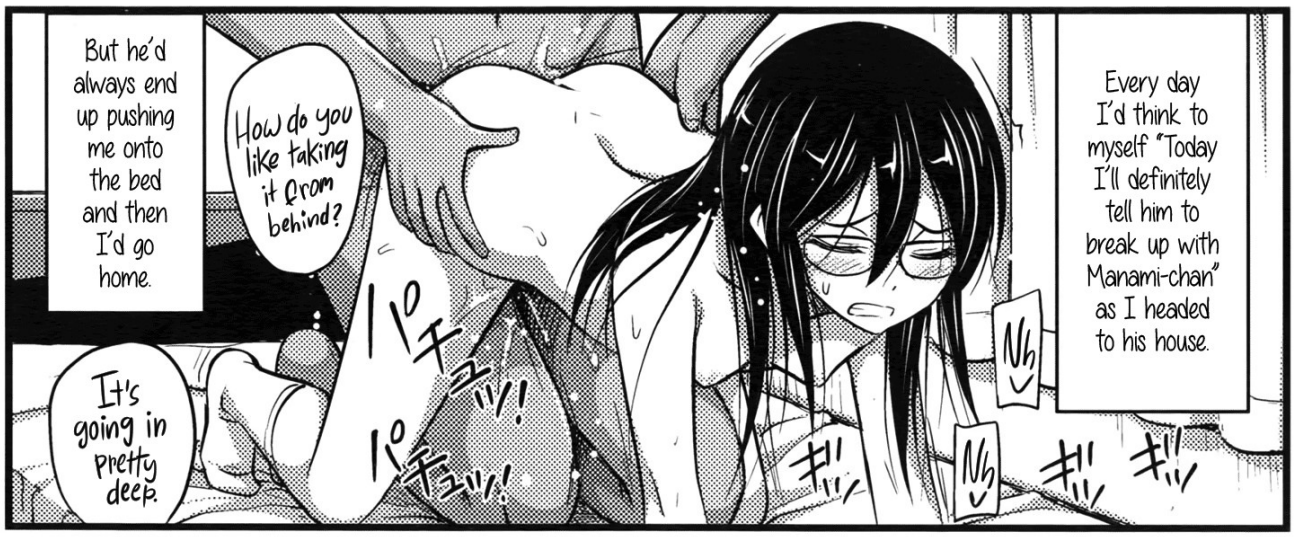

After that, time passed like nothing ever happened.
Manami-chan kept telling me random things about her boyfriend.
I felt so sorry for Manami-chan for being tricked by such an awful guy...
And I hated myself for thinking that and feeling a bit of a a sense of superiority.
Which made me hate him even more.

Suffering from hearing Manami-chan talk about her boyfriend, I went to his house alone to give him an earful.
H-Hey...
Come on in.
I'M really glad you came.
...Excuse me.
Oh! Welcome!
Did you come alone, Noriko-chan?

Sorry, it felt so good, I came like a hose.
My precious first time...
was stolen by Manami-chan's boyfriend. A guy whose guts I hate.
No!
No!
How did we end up like this? I have no idea.

Hah...
You were really good, Noriko-chan.
Peck
Noriko-chan, you're so stylish.
It's hard to believe you're only in grade school.
If you like, I'd love it if you came to hang out again.
...Sure.
This is the worst.

I kept seeing Manami-chan's boyfriend for a while.
It's been dangerous around the area lately...
So don't follow anyone who looks suspicious.

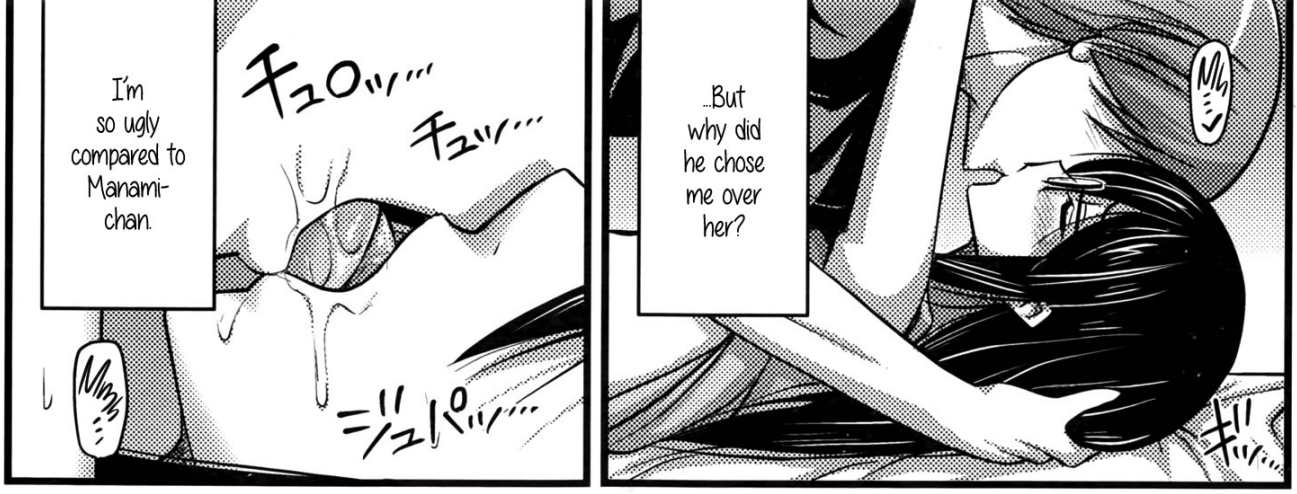

Every day I'd think to myself "Today I'll definitely tell him to break up with Manami-chan" as I headed to his house.
Nh
Nh
How do you like taking it from behind?
But he'd always end up pushing me onto the bed and then I'd go home.
It's going in pretty deep.

None the wiser, Manami-chan kept talking to me about her boyfriend as this went on.
And then...
My silly boyfriend...
Manami-chan...

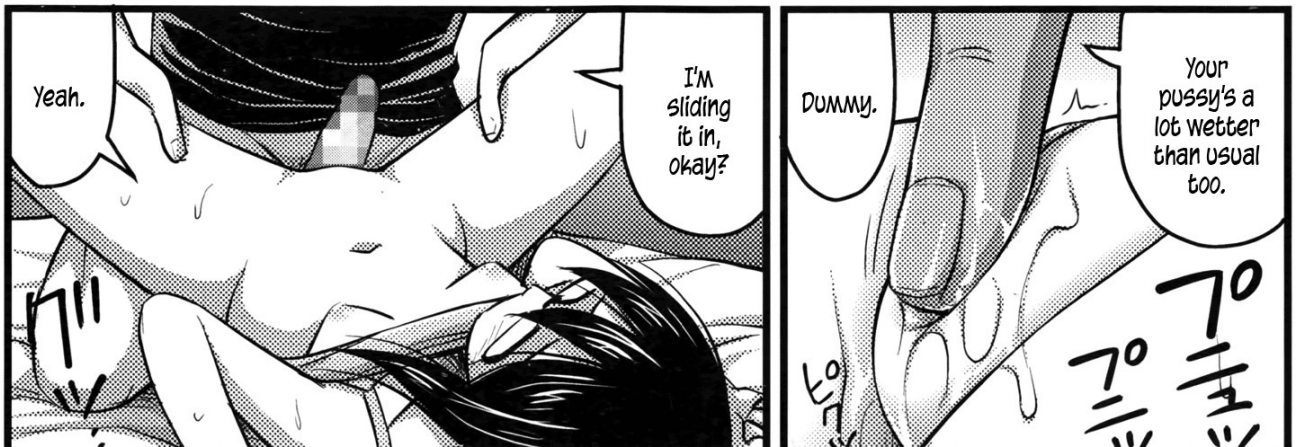

You told me you went out yesterday and he treated you to takoyaki...
That's really good, Noriko-chan.
Your face looks so lewd.
But you didn't know he made me suck his cock right afterwards, did you?

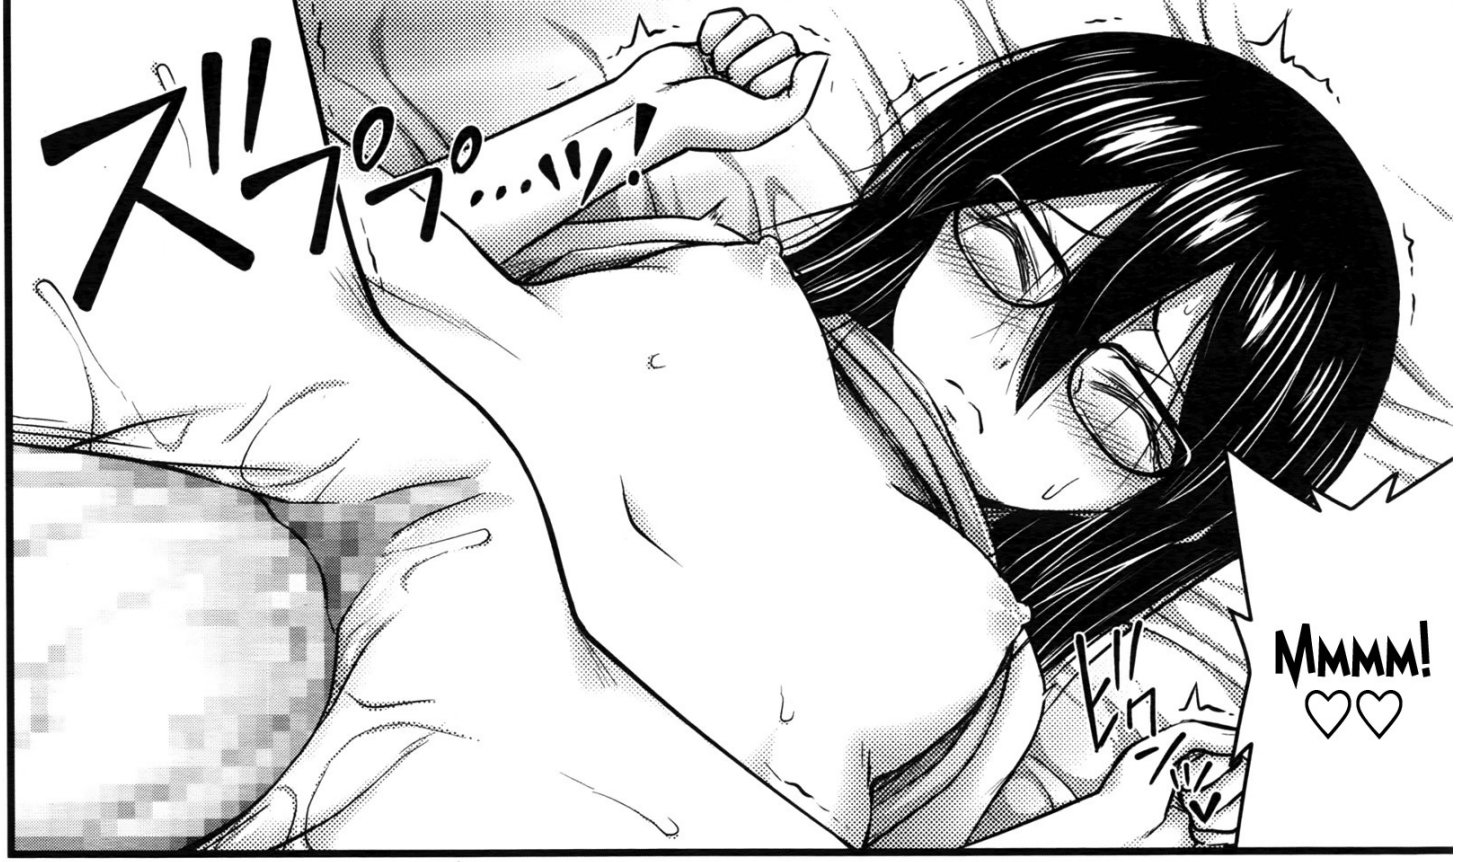

...Listen, Toshiki-san.
Let's stop...
Huh!? Why, all of a sudden?
...I've been meaning to tell you for a while.
Aren't you dating Manami-chan?
I finally said it...
No, we're not dating.
What?
I told you when we first met, didn't I?
But that's not how Manami-chan sees it...
Besides... Manami-chan is way cuter than me...
.....
Hmm... So that's how it is.
Then I'll set things straight with Manami.
Will that make things right?
But... That's...
I know you feel sorry for Manami.
But I don't want you to think I'm two-timing you with Manami.
And that's what's been bothering you all this time, right, Noriko?
.....
Everything's settled now, yeah?

Alright.
チュッ…
...I'll leave it to you, then.
ドキドキドキ
ズ…
He's right. That settles everything.
Mmh…
Ahh…
She's much cuter than me, after all.
Knowing her, I'm sure she'll be able to find an even better boyfriend in no time.
Nh
Manami-chan will be released from her lolicon boyfriend and come back to me.
キュ…

I'm so ugly compared to Manami-chan.

Mm…
ギッ…

If you think about it, I rescued Manami-chan from him.
He's a pretty terrible guy.
And where does he get the nerve to do something like this to a grade schooler?
You're being very assertive today.
Well... From now on I have you all to myself, so...

Yeah.
I'm sliding it in, okay?
Dummy.
Your pussy's a lot wetter than usual too.

Later, Manami-chan told me how she broke up with her boyfriend.
Honestly, I was still a little suspicious, but it turns out he really didn't think they were dating.
Don't be sad, Manami-chan.
You're much cuter than me, so...
I'm sure you'll find an even more wonderful guy.
I don't know if there are many boys out there as wonderful as Toshiki-kun...
I dunno...

Don't worry!
I know you can do it!
...Thanks.
You're so sweet, Noriko-chan.
I'm serious!

Let's stay friends forever.
You got it!
My Manami-chan is back.
Welcome back. ♡
