

ハレノチアメ presents  
「Country girl」

What's with your tone? You're so mean-

What the hell... It was just you, Asuka.

Senpai-!  
Whatcha doing?

かわいさ、まるだし。

I just wanted to have something other than a pencil in my hand for a change, that's all.

So, what are you doing here? There's no practice today.

Wait, didn't you already retire from the club, Senpai?

Senpai, would you happen to have an umbrella with you?

Oh, that's why...

Around here..? There's not a single university here, you know.

Well, that's true...

Why not try aiming for a university around here?

If I get in, yeah.

You're going to a university in Tokyo, right, Senpai?

Plus, there are no shops here. And the air smells like cattle.

I mean, come on, look at our bus schedules. One per hour.

And besides, I hate being in the countryside.

What's this? Did you just deny the place where you were born?

Well, that's true... but..!

I'm dumb, you know- I'm not leaving this place.

...which reminds me, what are you planning on doing? Shouldn't you decide soon?

That's good and all, but where do you think you'll find work here?

Urg...

Yes, yes, you're cute, you sure are.

I mean, I'm pretty cute, don't you think?

If push comes to shove, I'll just get married and enjoy the easy life of a housewife!

Hear me, gods... Don't let Senpai pass his entrance exam!

Don't even joke about that...

All alone? You're exaggerating things.

You have a ton of friends, don't you.

Well, sure, I have friends, but...

If you leave, I'll be all alone next year.

But...

You...

A...  
Asuka?

Senpai...  
Can I  
come  
over?

You  
won't be  
here  
next year,  
Senpai.

If you  
want to,  
I could heat  
up the  
bath for  
you...  
...or not,  
nevermind.  
That'd  
be bad,  
wouldn't  
it?

There's  
no one  
else home,  
so you  
can just  
take it  
easy 'till  
the rain  
stops.  
Oh yeah,  
this is the  
first time  
you've come  
over to my  
house,  
isn't it?

PU  
HAH

Asu...  
ka?

So that  
I won't  
forget you  
even if you  
go far  
away.

I want  
you...

Why  
don't you  
get it  
already,  
Senpai?  
Aren't you  
smart?

Yeah,  
you have  
to hold  
me even  
closer.

.....

Just  
this isn't  
enough  
for you,  
right?

You really  
are  
stupid...

.....

I...  
I guess.  
I think  
I'm fine  
now.

I can go  
further,  
right?

No-  
Senpai!  
This is  
too much  
after  
all!

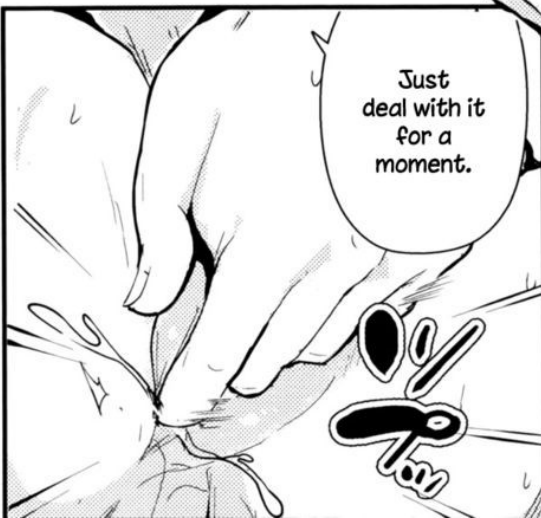

But  
you just  
said you  
were  
fine.

Wait,  
time  
out!

Ah-

Ah-!

Just  
deal  
with  
it  
for  
a  
moment.

Yeah,  
but I don't  
want to  
have every-  
thing in full  
view like  
this...

Listen to all these naughty sounds you're making, Asuka.

Don't do it that hard!

What's that?

AH

Can you feel my fingers inside you?

You've gotten really wet down here.

Show me more of those sexy expressions...

Wha- No way?!

AH

It feels good, huh?

Sto-

Stop it~

Senpai...  
Does that  
mean...

You acted the same way towards everyone...  
So I thought you were wordlessly telling me not to get the wrong idea.

I always thought you didn't see me as a guy, Asuka.

What?  
There's no way I could get you out of my head after that.

Hey...  
Senpai...  
Could we go all the way?

Ehehe...  
Hearing that made me even happier~

Aaaa-  
aahh!

My stomach hurt a bit, but...

You all right, Asuka?

At the same time, I felt happy knowing that you wanted me, Senpai.

Still...

I'm bad at remembering things... So I want you to help me really engrave something in my mind.

I don't want to forget how it feels to have your sperm flow inside me, Senpai.

So could you help me out?

You should mind...

I wouldn't mind having your baby, though-

You're not even considering the fact that you might get pregnant, are you?

NH  
AH

But if you'd go that far, I guess I have to do it.

Senpaih-!

Aahh-!

NH

You're filling me up-!

Senpai!

You're going so deep-!

Uhh

I can be your girlfriend for as long as you're still here, right..?

Senpai...

?

あは

So, please...

Stay in love with me for a little longer.

Man... You really are dumb, aren't you...

HAA

Senpai?

Senpai...  
You idiot...

Ahh, man...

My school commute's gonna end up taking two hours every day because of you...

**End**
