

HESITATING

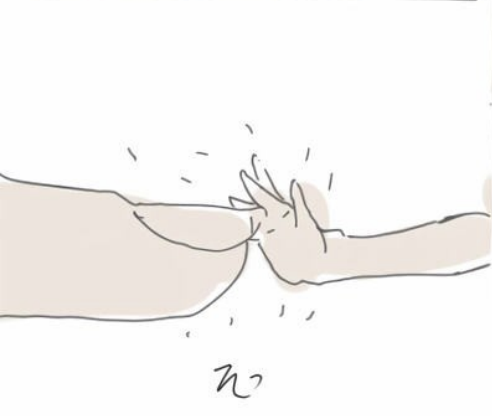

May I touch you!?!
ハッ

Umm...

Yeah, you can.

ん

ハッ

クスッ...

Hahaha, are you kidding?

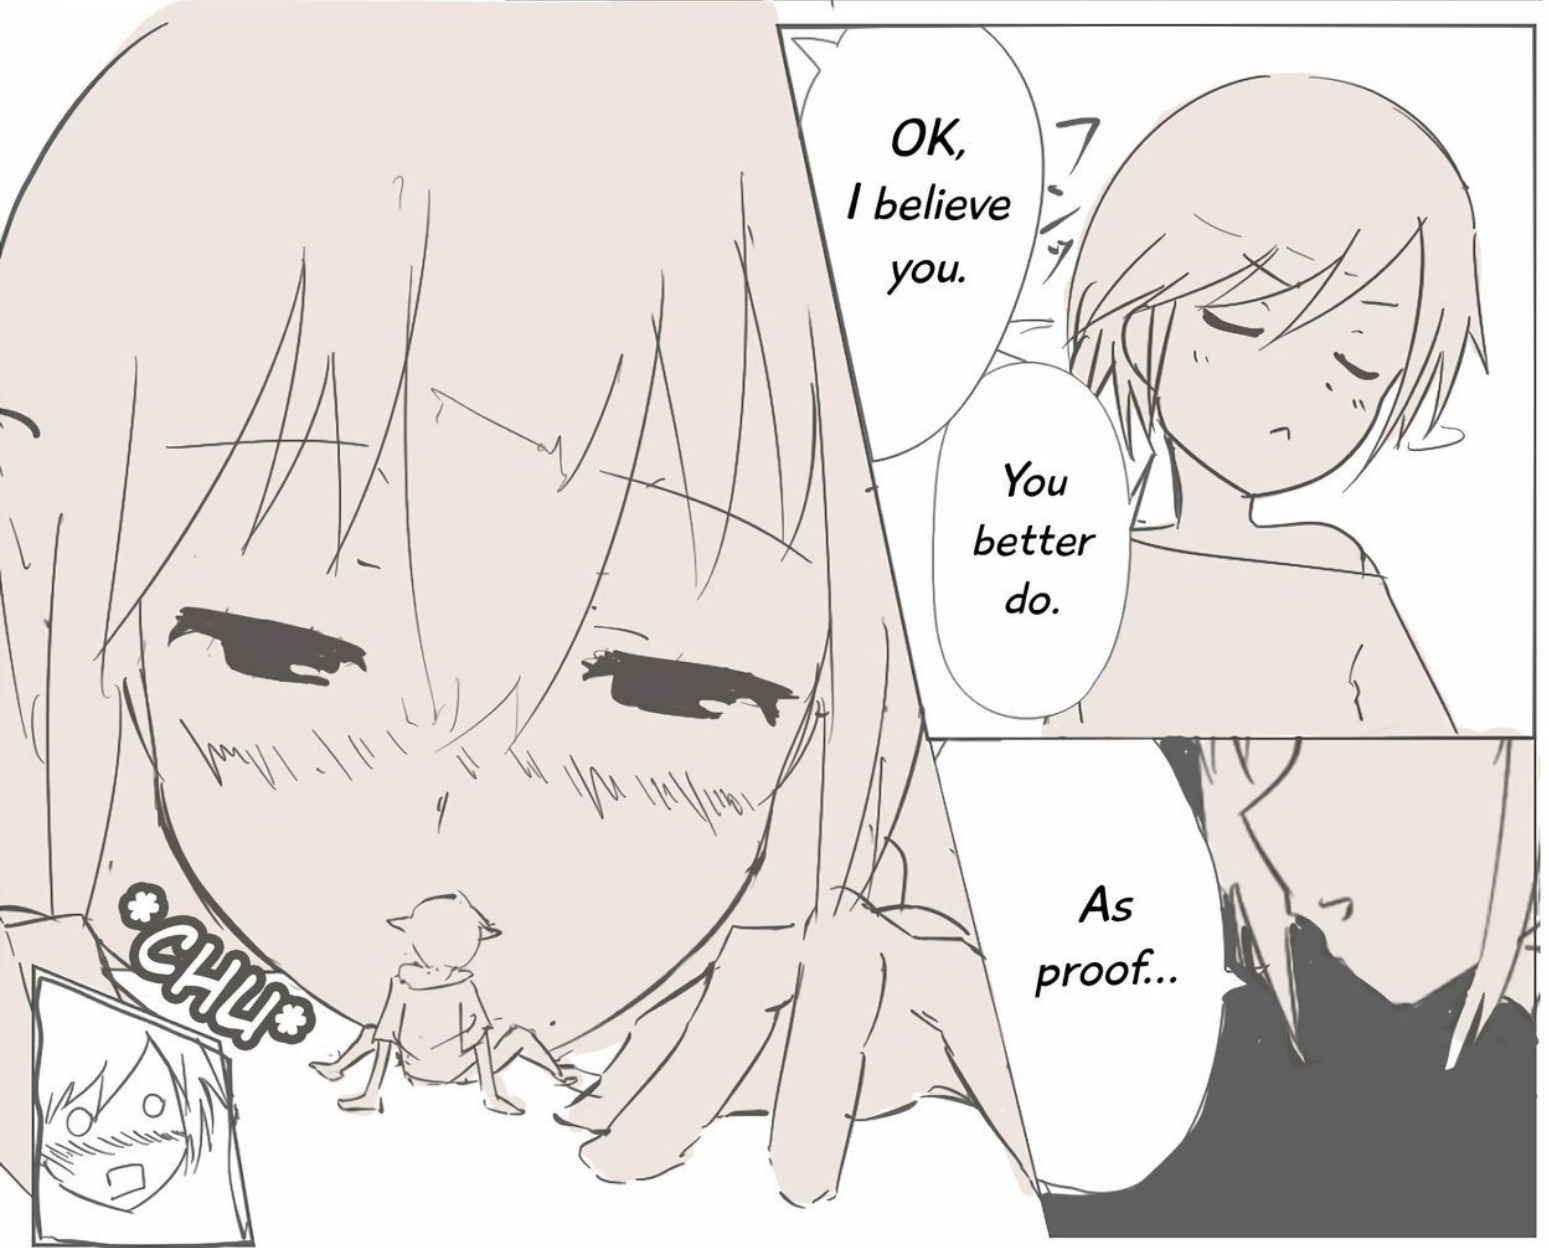

I'm not!!

But I feel lonely when you're not here.

Did anything happen when I was out today?

No, nothing special.

OK, I believe you.

You better do.

As proof...

SEPTEMBER

TAKES OFF HIS CLOTHES

September already and it's so hot.

It can't be helped, it's still early.

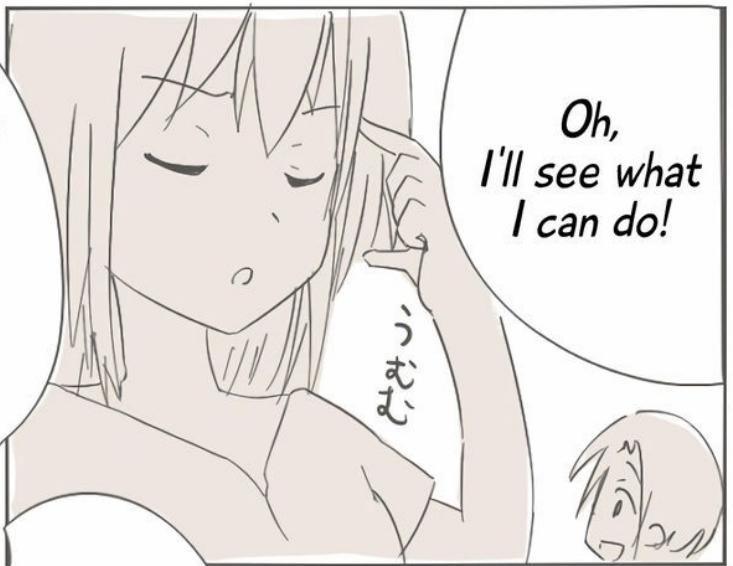

Oh, you're naked, how lewd...

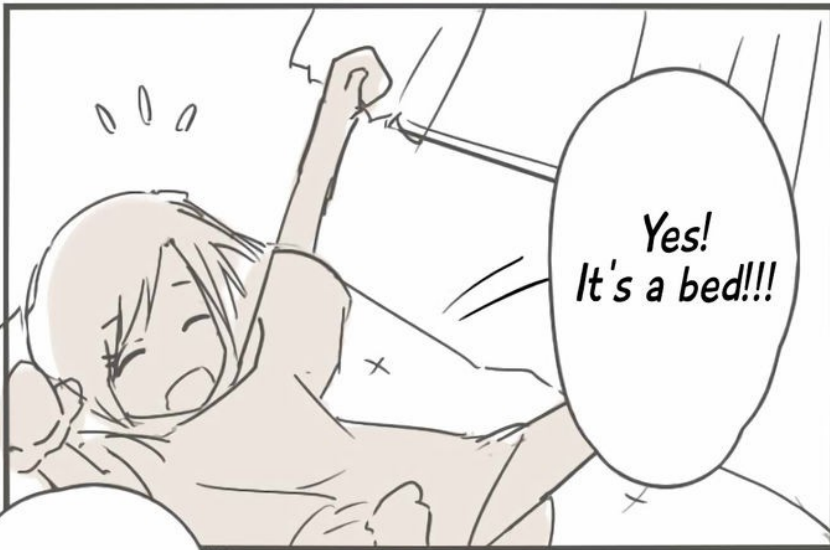

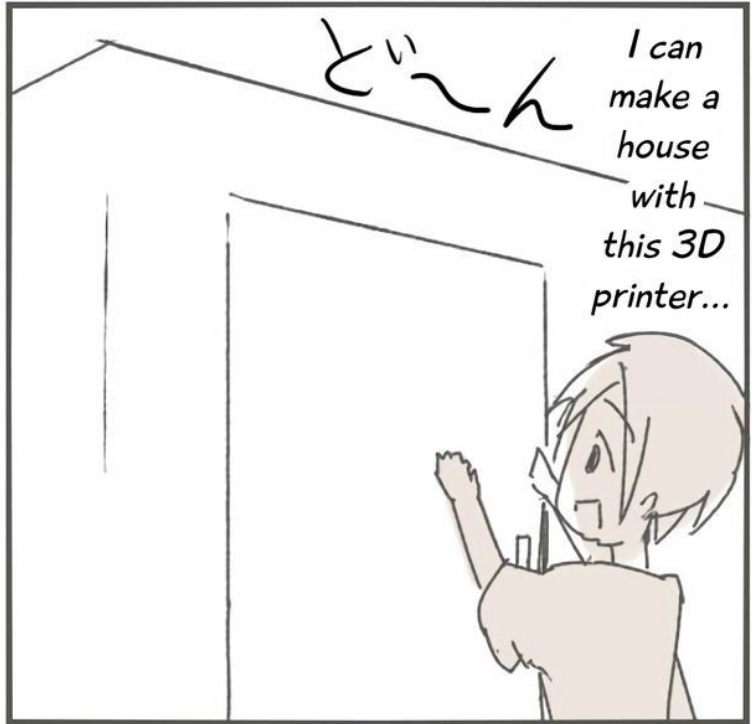

Why don't you look away, then!?

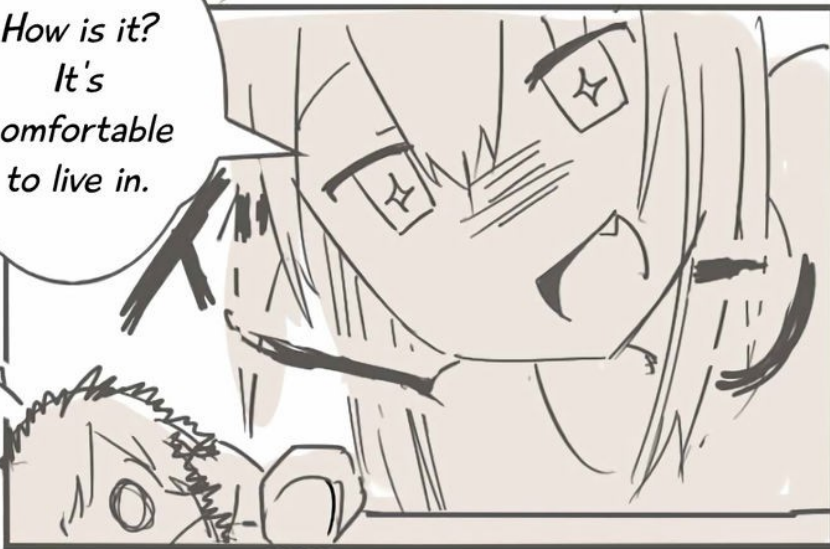

Ah, why don't you take off your clothes then.

What?! That'd be embarrassing!

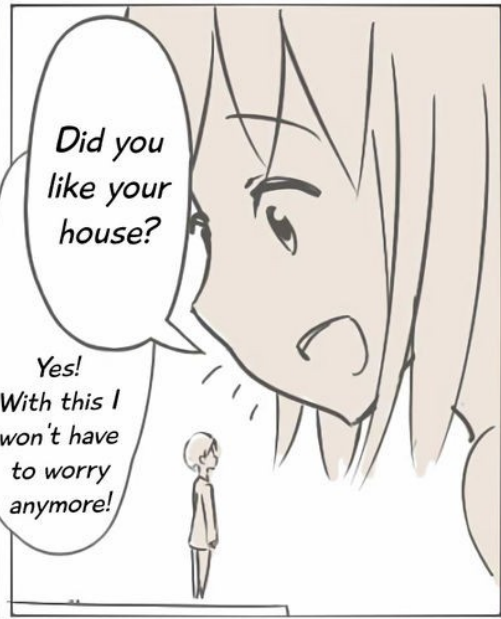

How is it?
It's comfortable
to live in.

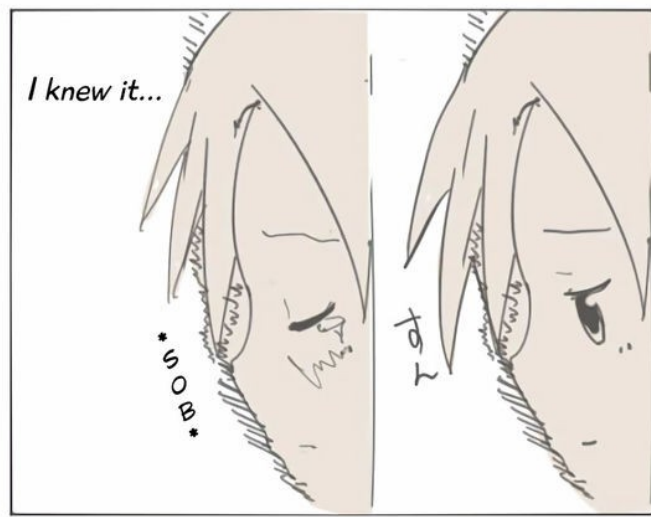

That's good!
Sleep at ease tonight then!

Yes!

Did you like your house?

Yes!
With this I won't have to worry anymore!

I knew it...

sob

Yes?

OK.

Then, I'll go sleep in my bed.

Because you are here, I'm relieved.

Yes.

Will you sleep with me then?

Wait!
I'll sleep with you if you feel lonely!
