STORY

Honami and Satoshi are in love with each other, but neither of them ever got to tell the other about their feelings. One day, while walking home from school, an accident occurred nearby. A mysterious lifeform entered Honami's vagina. Her body heated up, and she suddenly parted ways with Satoshi. She seduced a middle aged man, and gave her virginity to him, all the time while thinking about Satoshi.

THEN AN OJI-SAN FRIEND OF MINE TOLD ME SOMETHING...

HE SUGGESTED ME TO CHANGE MY LOOKS.

HUH ...

BUT AFTER THE FEVER WAS GONE, MY PIMPLES WENT AWAY.

WELL... I JUST HAD A SMALL FEVER.

YOU'VE BEEN ABSENT FOR A WHILE... DID SOMETHING HAPPEN, HONAMI-SAN?
