THANK YOU FOR READING!
(and fapping)

This Manga wasn't made by me, I just added some Trump on it, all credits to the original creator (hisasi, neko wa manma ga utsukushii). Follow me on Instagram @doushitshi for more shitty content like this. Special thanks to Patrick (@permaban) for giving me the motivation I needed to edit this Doujinshi. This is just a joke, I'm not a Trump or Clinton supporter, I'm just a perv that doesn't have a better thing to do with his life please kill me. Anyway, thank you so much and share this doujinshi as much as you can, that will make me happy :)

I LOVE YOU ALL ^o^
