Now then ...

Well then Martha, I expect you to take care of Cain and the house while I'm away.

Of course. You can count on me, sir.

Master Cain...
What are you
saying out of
the blue like that..
Are you feeling
unwell? Do you
have a fever?

Don't make
fun
of me!

Huh?

But I'm
in love
with you,
Martha!
I don't
care about
social
standing or
whatever!

Besides...
I'm a
'half',
right?
And I
have such
dark
skin...

Really?!

Then
let's-

Relax.
I'm rather
fond of
you
myself,
Master
Cain.

Nonetheless...
A boy of
your social
standing
shouldn't
think about
marrying
someone as
low-born as
myself,
you know.

Well then...

Why don't you come into my room, Master Cain.

Your room?

I want to return your feelings, and there's something I think I can do for you...

For you to think so much of me... I'm honored.

Go on, take off your clothes, Master Cain...

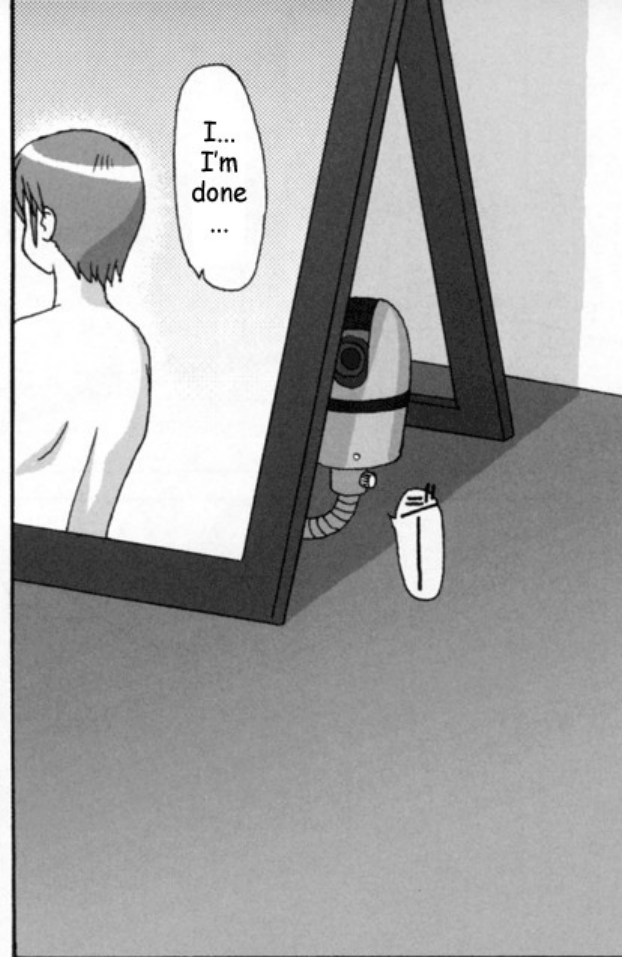

But... I'd be too embarrassed ...

Oh dear... Weren't you the one who seduced me, Master Cain? A gentleman mustn't embarrass a lady so. Isn't that right?

Just for today... I can at least act as your lover and service you accordingly.

ズル..

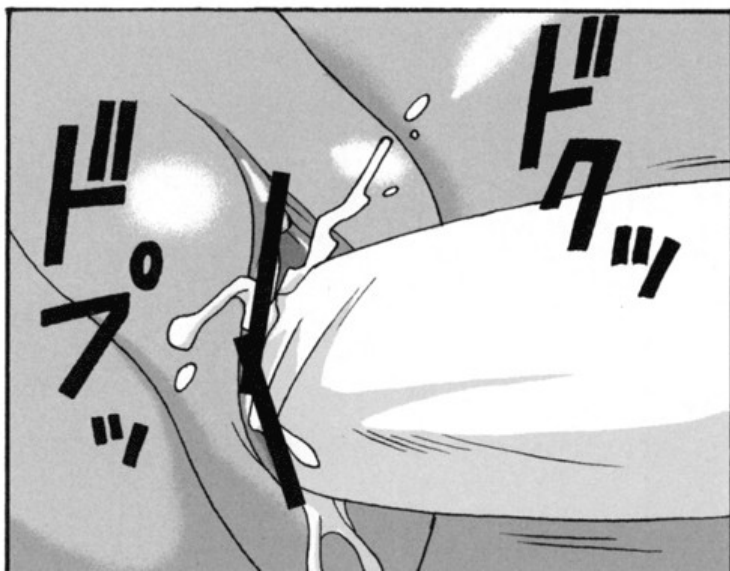

Hyaa...

Ah, my hips
are getting
tired; I
don't think
I can keep
this up.

Ahhh...
I'm
cumming
again~

Hey...
Martha,
I'm
still
hard...

Wow...
so much
cum...

Well then...
Let's try a
different
position
this
time.

Aww?
But you
just
started...

I'm
gonna
cum!

Ahh..
Ahhh~

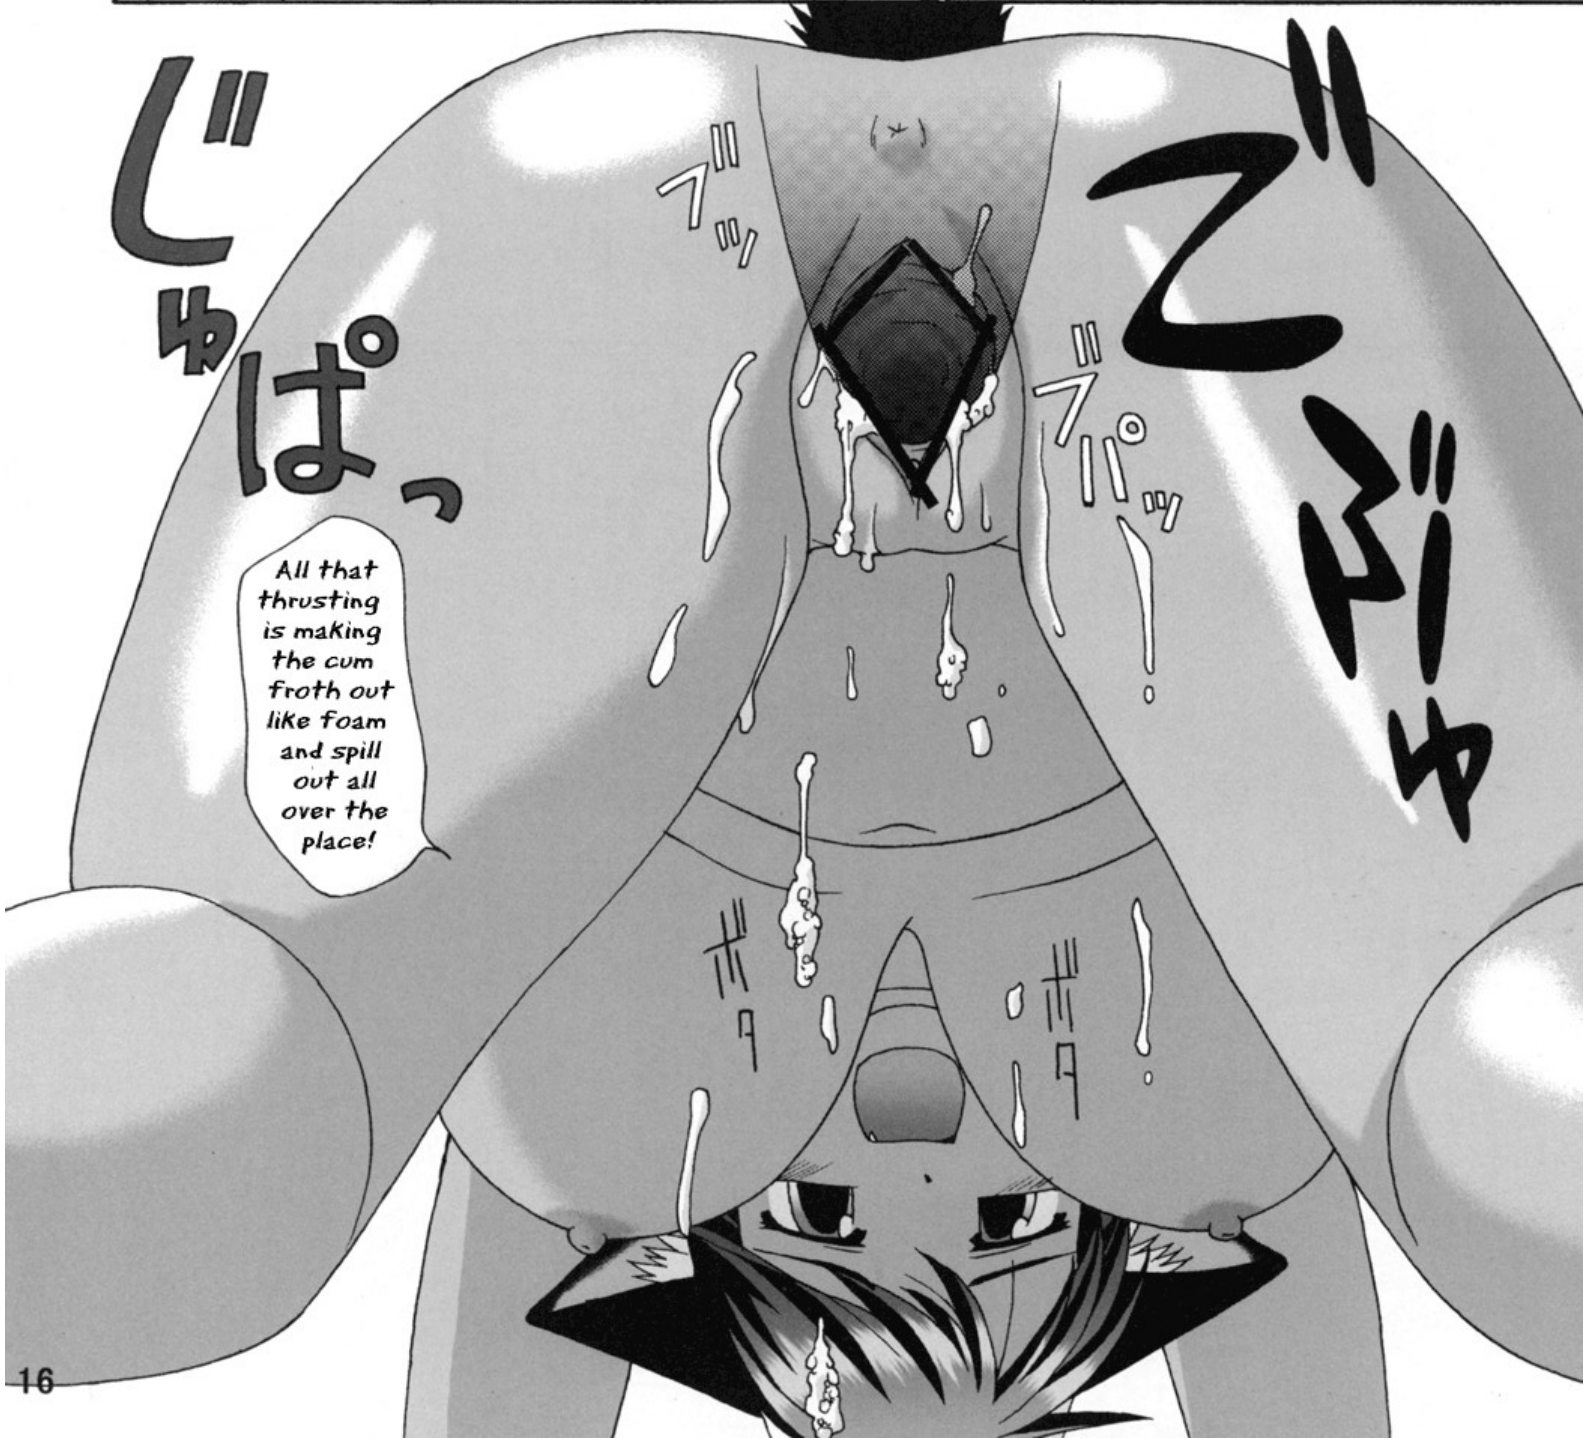

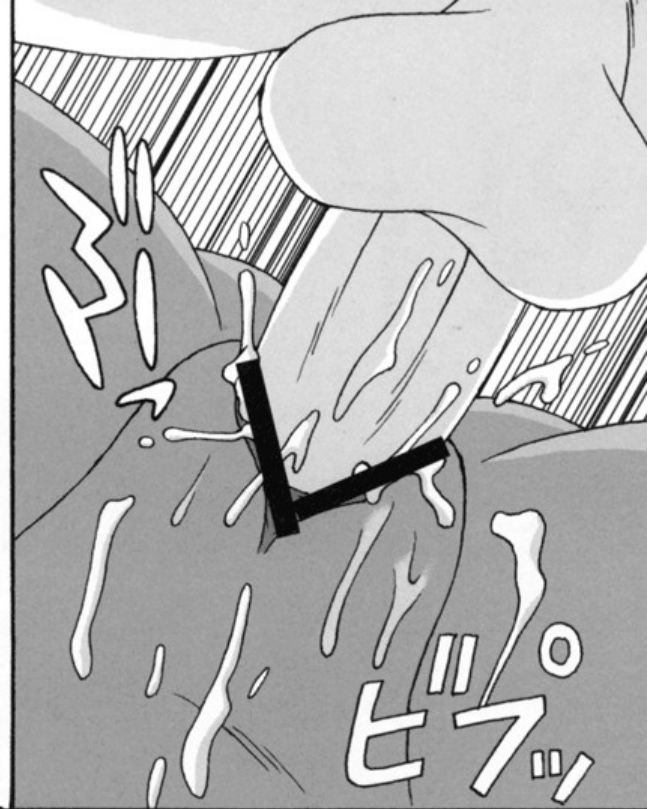

You're
terrible...
It's all
because
you feel
so good!

Ah!
wai-
so
hard...

Master Cain...
you're
incredible...
Even after
cumming you
can keep
pounding so
hard... My
pussy is
gonna get
completely
filled up!

Sheesh...
Do you have
to keep
yacking
the whole
time?

All that
thrusting
is making
the cum
froth out
like foam
and spill
out all
over the
place!

Just like
that, Master
Cain!

Fill me up
with your
cum!

It's fine
...fine...
...Cum!

Martha...

I think
I came
again...

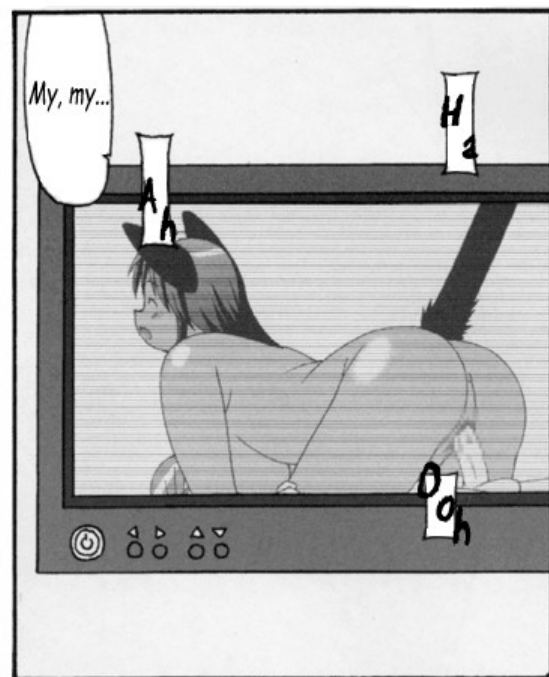

You know, we still have plenty of time before your father gets home...

Then let's go for Round Three~

丸娘さん本 第2弾「黒丸」、いかがでしたでしょうか？

アメリカ映画などでよく見るメイドさんと言えば、「丸々とした黒人で
名前はマーサ」というイメージがあったので、そのまんまで描いてみましたよ。
話の内容はありがちというか、なんつーか、「まんま」でお恥ずかしい限りで
ございますよ？

今回、本職が忙しくてほとんど描く時間がないのに、黒肌黒髪なんて
設定にしまったおかげで、ますます自分の首を絞めることに…(汗)
ま、丁度+ディアが再放送始まったのもあるし、褐色肌の流れに乗れたと
言う事でヨシとしましょうか…(そんなことはありません)
