Though instead of an Aston Martini, I'm riding a Nissan!

I tried going for the 007 look~! What do you think? Pretty snappy, right?

Among the people I know, you're the oldest one still single!

Everyone just starts pumping out children when they're in their twenties, you know~

Wha...

She's the same age as you, by the way!

Anyway, I'm off to a friend's daughter's wedding.

フ

What are you muttering about here by yourself~?

Dad?! What's with that getup..?

Suzuki... Wow, it's been a while!

Honma-kun..?

From high school...

Screw you!

But well, staying a bachelorette is merely one of the big choices you make in life! Bye bye~

Excuse me... I'd like to request maintenance on my car...

Aye~! Wait...

Oh, yeah, Tokyo seems like the kinda place where you don't drive cars much.

Right. So I got to drive a really long distance for the first time in a while. About 400km.

You've been in Tokyo ever since graduation, right?

Man, you're the only one, Suzuki! You're the only one who understands how good the EK9 is...

What a shame, though. You've got a nice EK9 here and all.

I'm starting to wonder if you don't understand it yourself, Honma-kun. This is in terrible shape!

Hey, I do that myself. I don't need no inspectors!

You haven't done a thing!

So Suzuki, what kind of car do you have?

A DC2, what about it..?

I see, you're a Honda fan, too.

A FINAL CHANCE GOD HAS GIVEN ME..?!

HAH..! COULD THIS BE...

THE MEETING I THOUGHT WAS IMPOSSIBLE EARLIER TURNED OUT TO HAPPEN HERE...

HUH? WHAT'S THIS? AREN'T WE HITTING IT OFF PRETTY WELL?

I assume it's because you have to start and stop your engine a lot in Tokyo, but your engine oil is black as goddamn tar! When did you last change it?! Do it properly! That's why your car's having problems! And your car inspection record is nearly empty! What's up with that?!

Okay! I'm unzipping your pants! I'm doing it! I'm seriously doing it! No joke! For real!

Are you for real..?!

Whoa, it's warm...

I've seen girls take these in their mouths in porn, but... man...

Holy...

...

So what...

You really are a virgin, huh.

Thinking about your partner is all foreplay's about... There are no rules in sex.

Should I do it too?

Yeah... You're good, Suzuki...

So, does this feel good?

It's twitching.

IT'S BITTER AND HOT... SO THIS IS WHAT DICKS TASTE LIKE.

LICKING IT IS MAKING ME SO EXCITED!
