

Shrine
Festival
Sumo

Besides professional sumo player, students do also participate in this traditional sports. Everytime when a religious festival is held, they give show in towns to help celebrating. This is the theme of this story, the love between sumo players. Also, in the episode, the first female character appears on stage. This makes the story more like a misallenuous mixture, which once made me regret for it.

However, the positive responses from readers always aid me to regain my confidence, and give me strength to carry on. Here, I'd express my gratitudes to everyone of you.

Thanks you.

八吉神社例大祭奉納相撲

I have apologized...

Aa...

Now don't be so anxious

Wait...

Stop...

Stop it!

あー

That sumo loincloth fits you well

Hey,
done

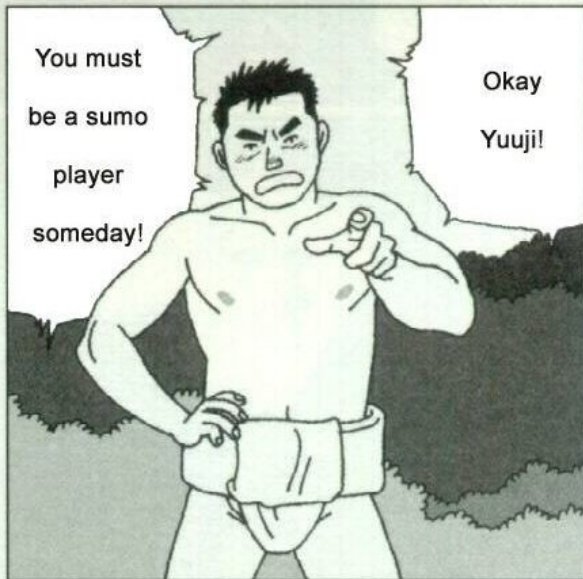

I don't want to wear
the sumo loincloth!

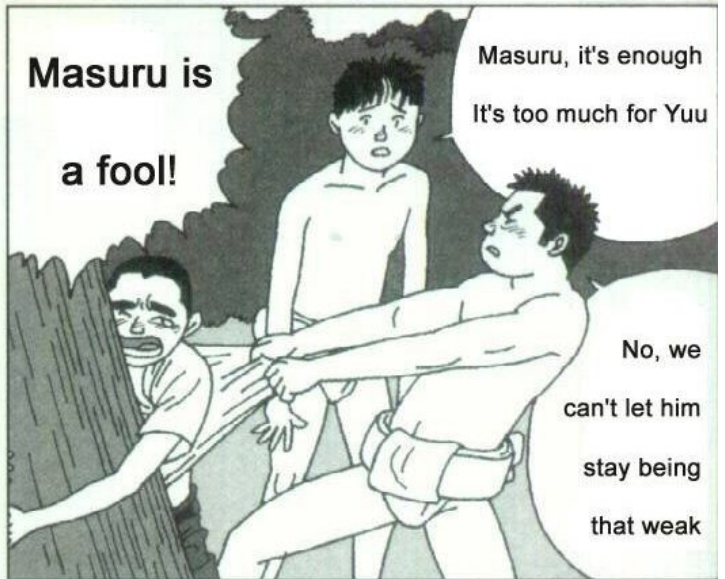

I don't want to
be a festival sumo!

You must
be a sumo
player
someday!

Okay
Yuuji!

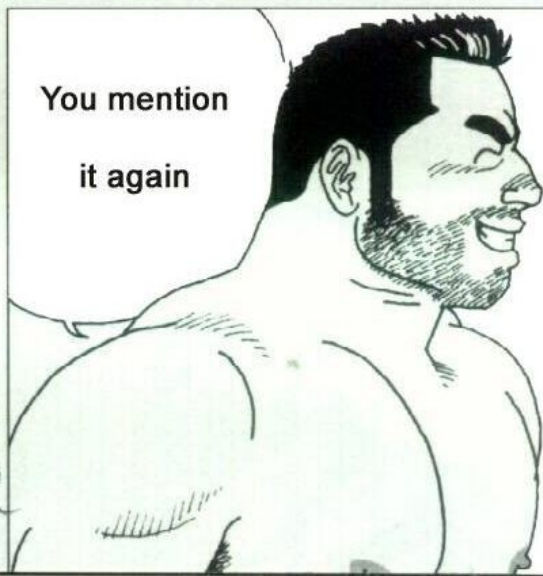

Masuru is
a fool!

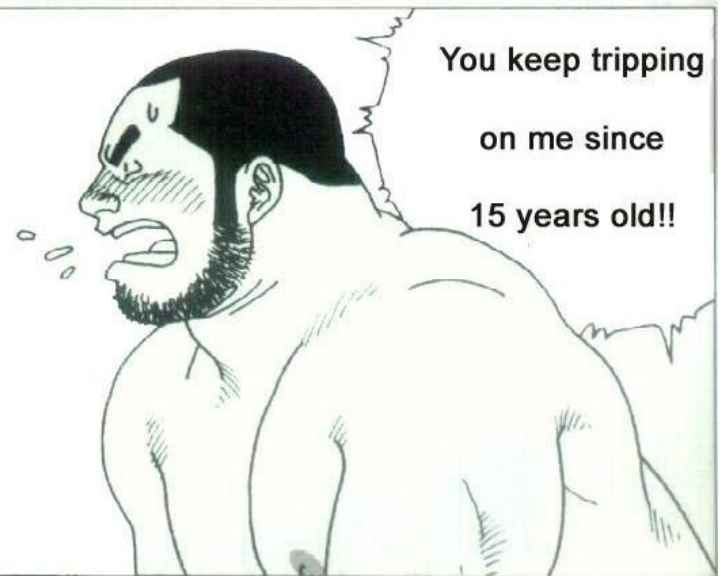

Masuru, it's enough
It's too much for Yuu

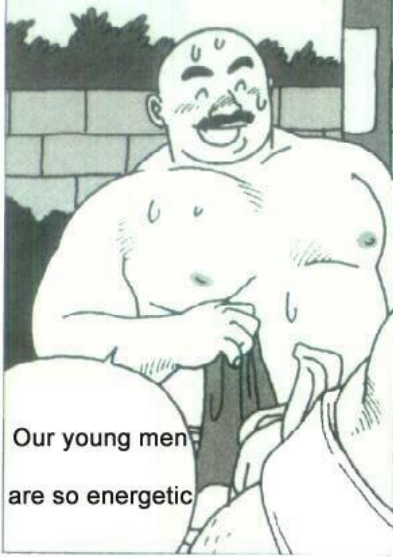

No, we
can't let him
stay being
that weak

You mention
it again

You keep tripping
on me since
15 years old!!

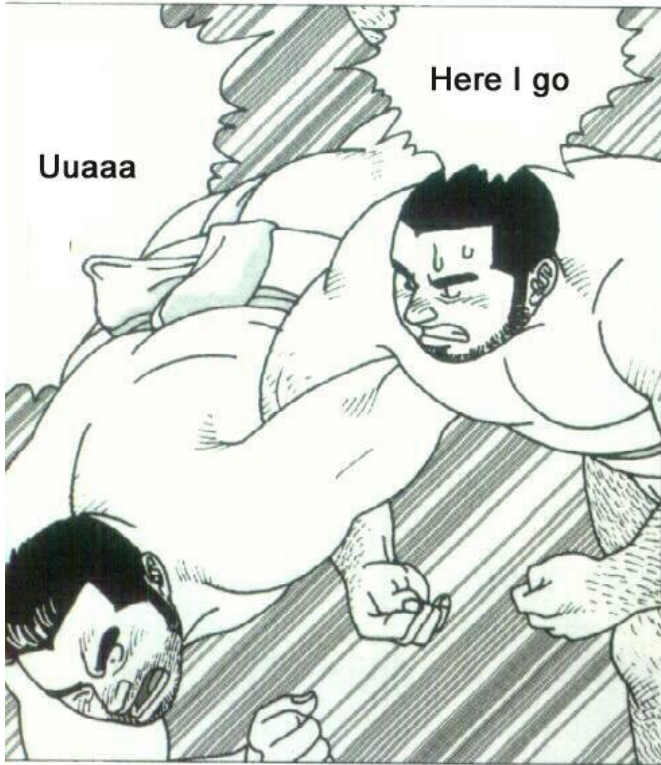

Our young men
are so energetic

I used...
I used
to have
some
special
feelings
for you

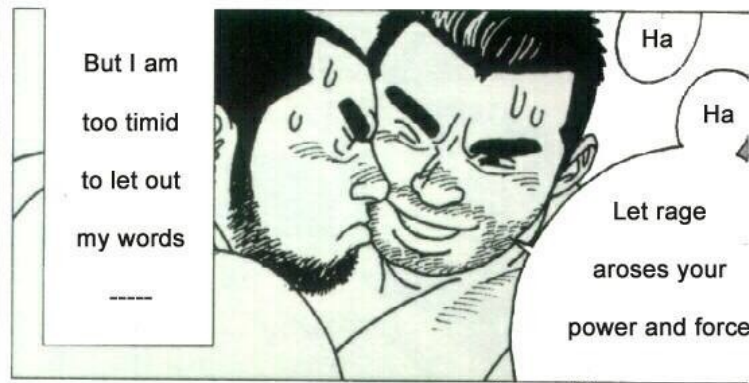

Once again!

Here I go

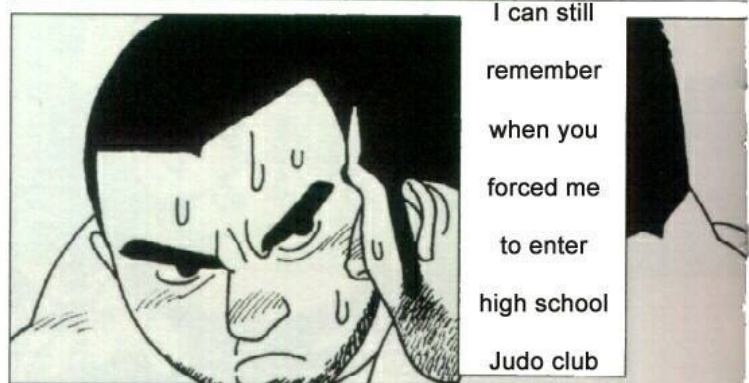

Uuaaa

At
that
very
minute
... ..
I felt
the
feeling
... ..

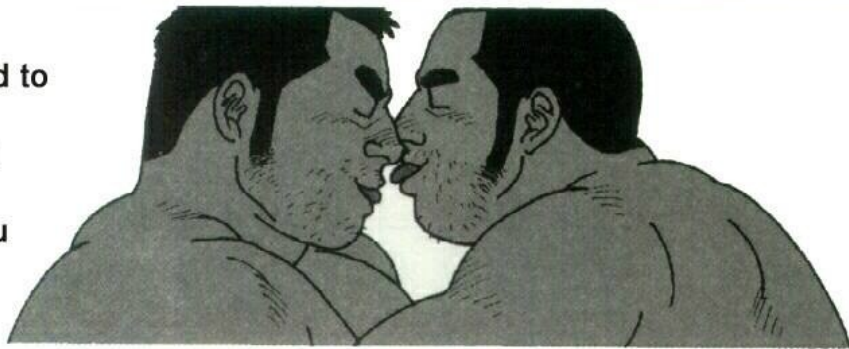

But I am
too timid
to let out
my words

Ha
Ha
Let rage
aroses your
power and force

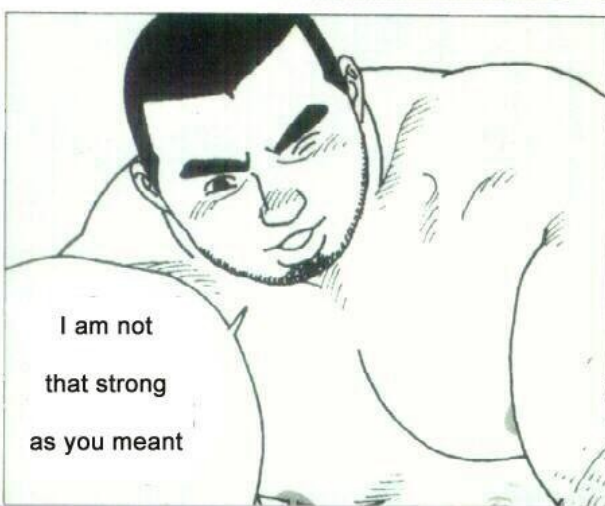

I can still
remember
when you
forced me
to enter
high school
Judo club

That I wanted to
have you
handle you

My feeling was
so strong

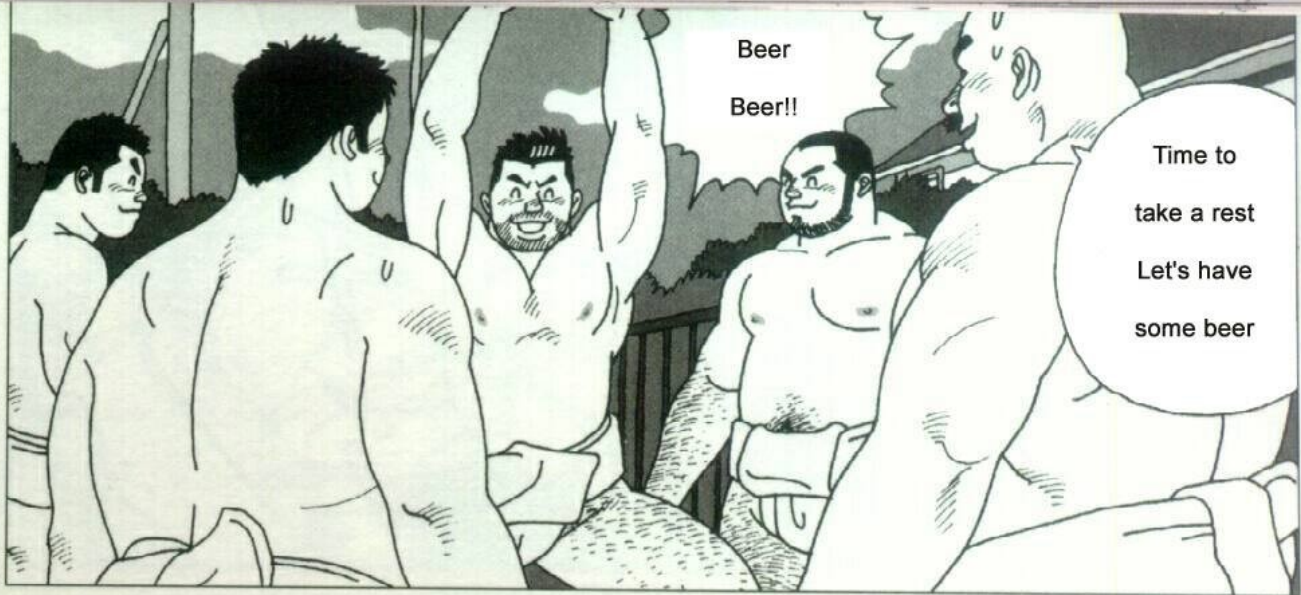

I am not
that strong
as you meant

I do
wanted
to own
you
Masuru

You are stronger
than the one I knew
in high school

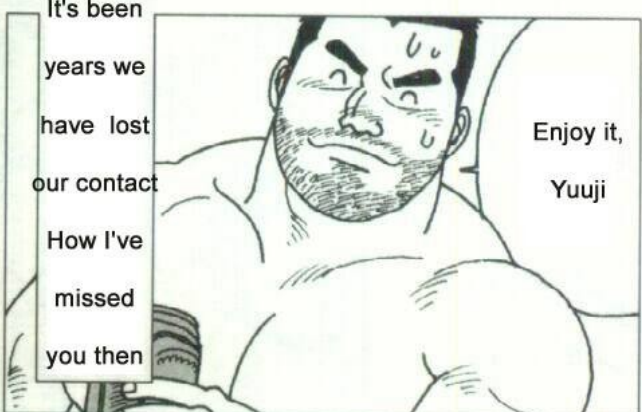

Beer
Beer!!

Time to
take a rest
Let's have
some beer

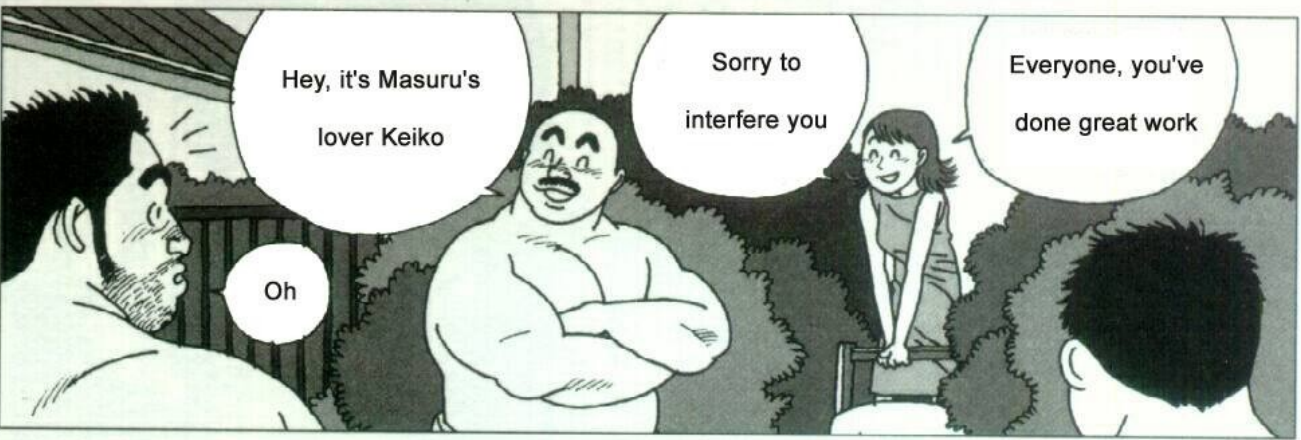

Uhm

If it wasn't
for the
sake of
this festi-
val...it'd
be hard to
find you

It's been
years we
have lost
our contact
How I've
missed
you then

Enjoy it,
Yuuji

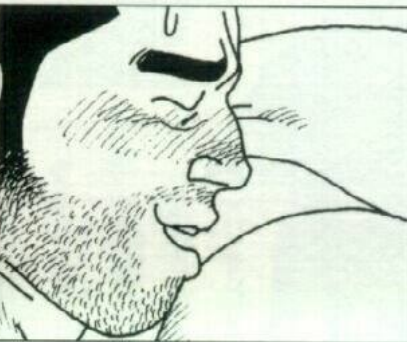

Hey, it's Masuru's
lover Keiko

Oh

Sorry to
interfere you

Everyone, you've
done great work

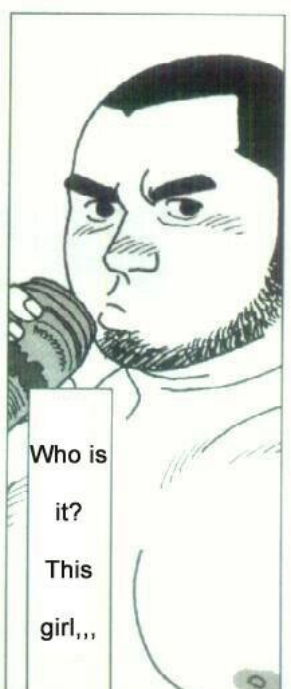

Sheesh
Who does
she think
she is
....

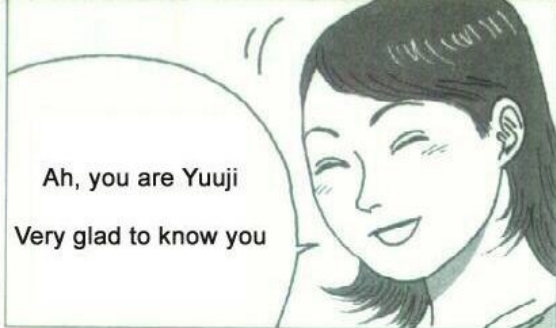

Masuru's body looks
so great out of clothes

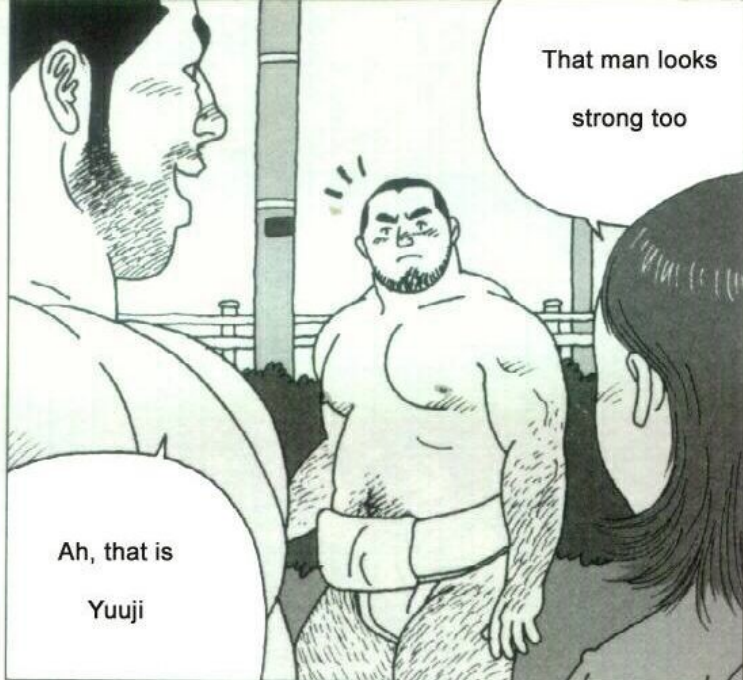

Yeah,
because
of the sumo
loincloth

Who is
it?
This
girl,,,

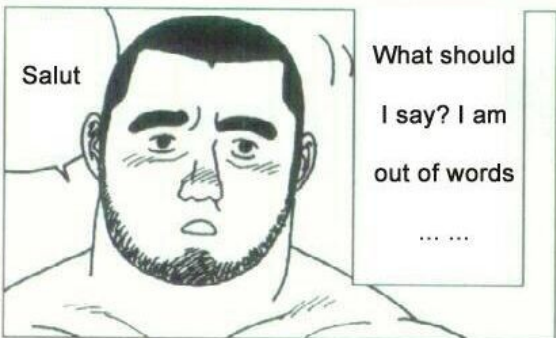

Ah, you are Yuuji
Very glad to know you

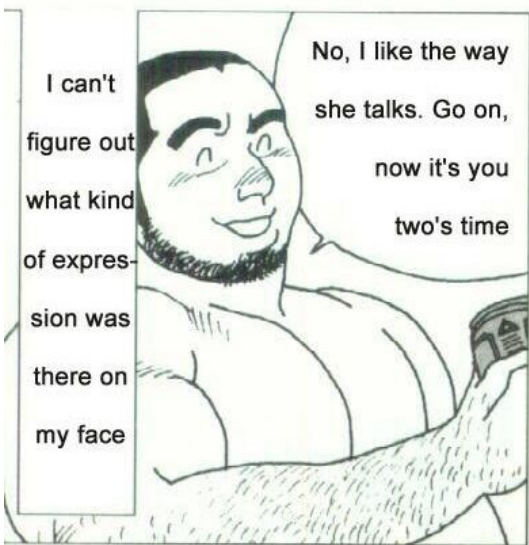

That man looks
strong too

Ah, that is
Yuuji

Salut

What should
I say? I am
out of words
.....

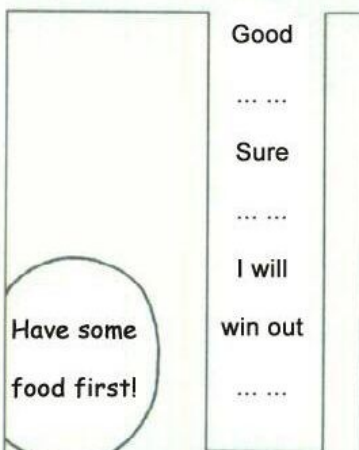

I can't
figure out
what kind
of expres-
sion was
there on
my face

No, I like the way
she talks. Go on,
now it's you
two's time

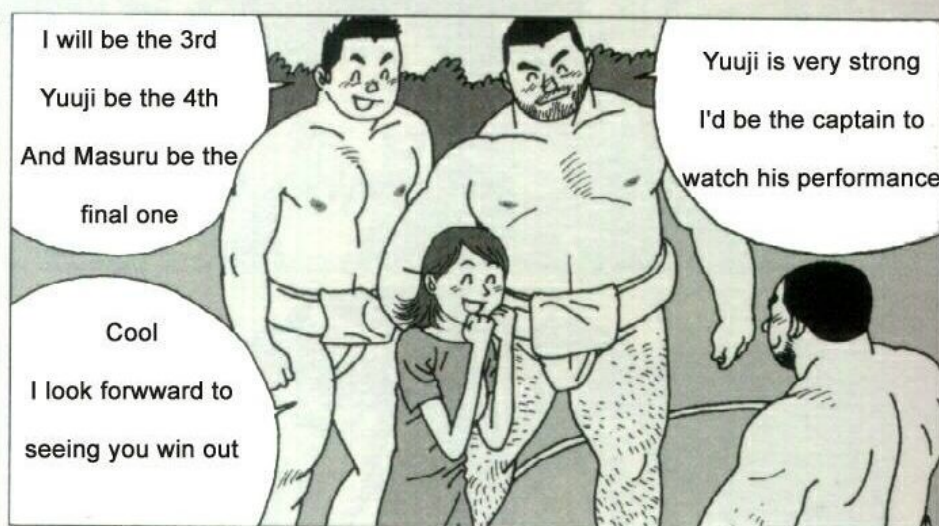

Yuuji, neglect it

Masuru and I
knew each other
when we were
very young

Have some
food first!

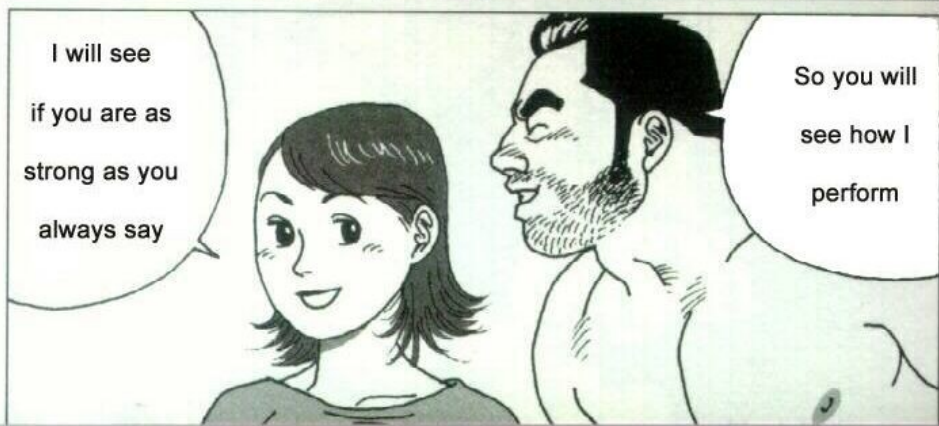

Good
.....
Sure
.....
I will
win out
.....

I will be the 3rd
Yuuji be the 4th
And Masuru be the
final one

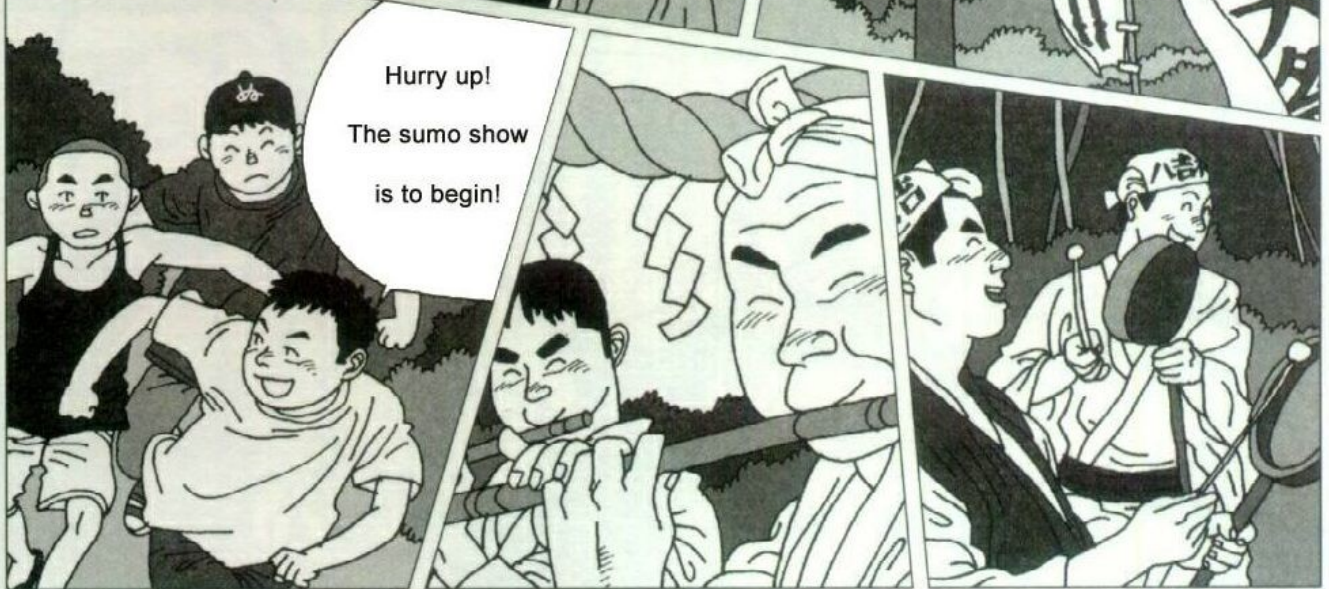

Yuuji is very strong
I'd be the captain to
watch his performance

Cool
I look forward to
seeing you win out

I will see
if you are as
strong as you
always say

So you will
see how I
perform

Yuuji, you are optimistic

We are to win!

Let's work on it!!

地区一ム

We have to win out the next round!

Yuuji, be serious, okay?

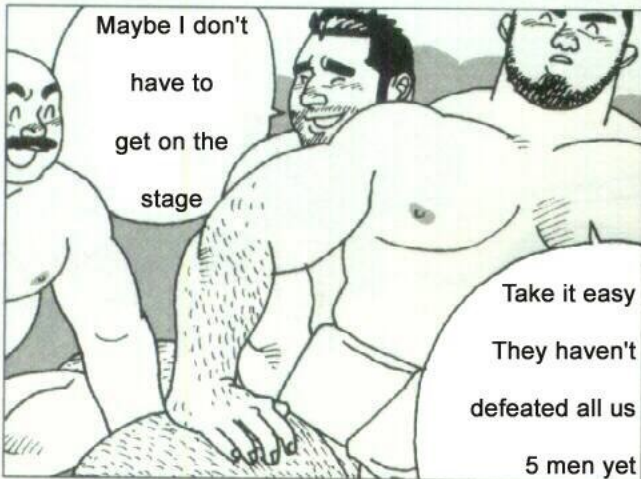

Huya

Wa

Aa

Maybe I don't have to get on the stage

Take it easy They haven't defeated all us 5 men yet

Alright...

Yuuji Sorry

We rely on you

Telling us to "Defeat them quickly and win out" This girl is so great!!

Yuuji! Good luck!!

I don't
know
why
.....

This
girl
is just
perfect
.....

But I
will
prove
myself!!

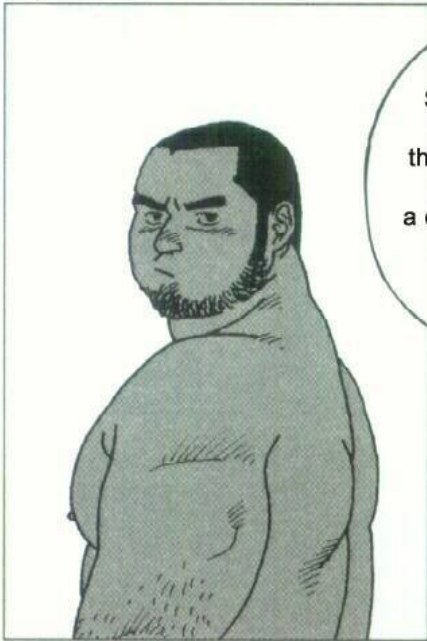

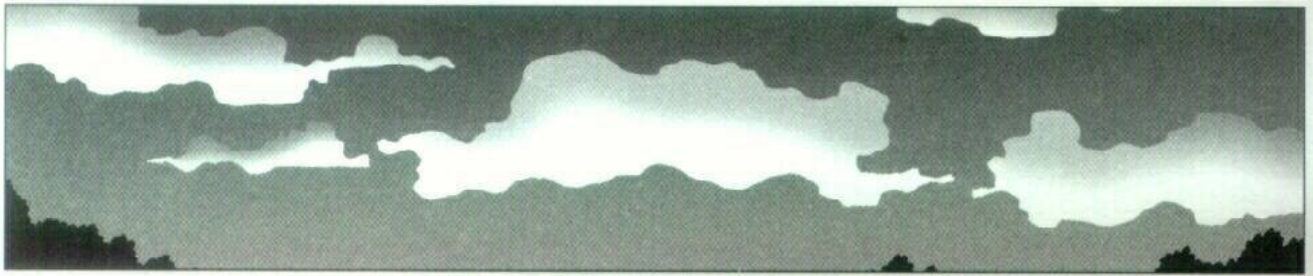

Go!!

Get ready
get ready!

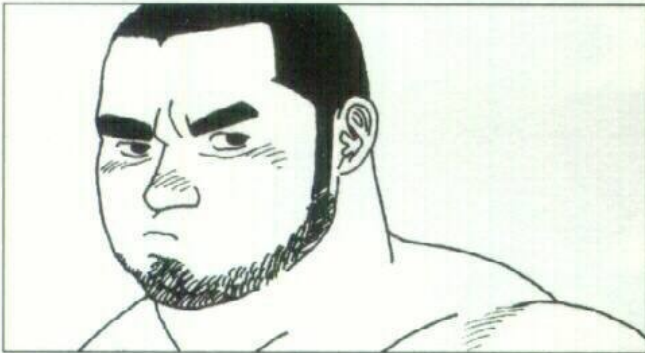

Now is the
last opponent
Take care

He is
strong!
Defeated
5 men!

Behold!

So that is
the looks on
a champion's
face

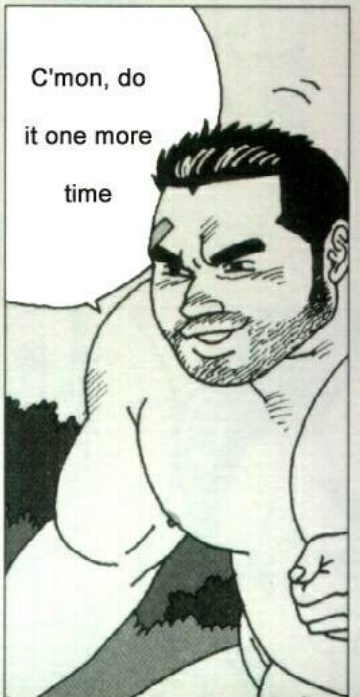

Then you're not
satisfied with what
you've gained

Hehe

Damn!!

C'mon, do
it one more
time

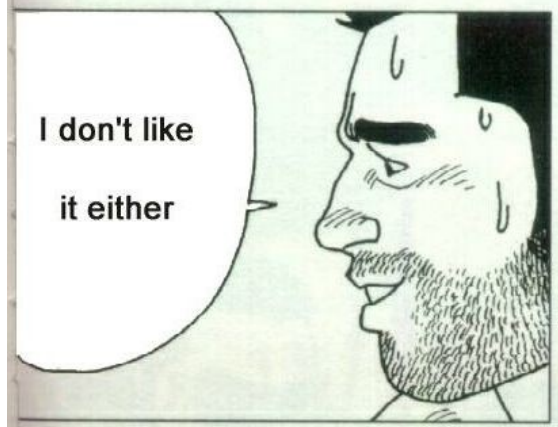

Goo!!

This is what you've got?
To have defeated them all?

That's it!
I hate you!!

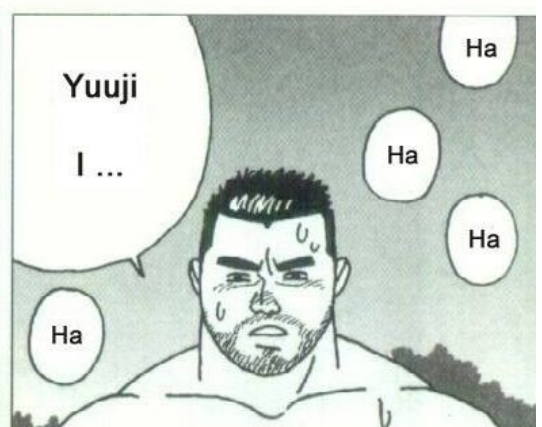

I don't like
it either

I am to
get married
next month

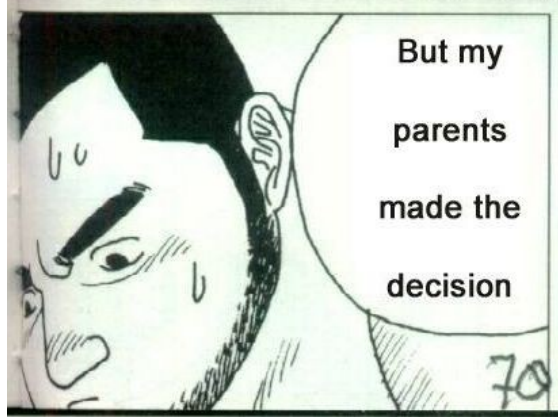

Ha

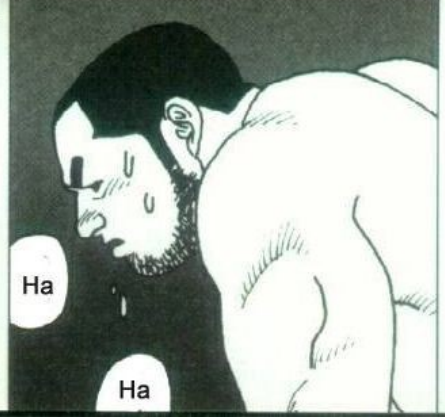

Yuuji
I ...

Ha

Ha
Ha

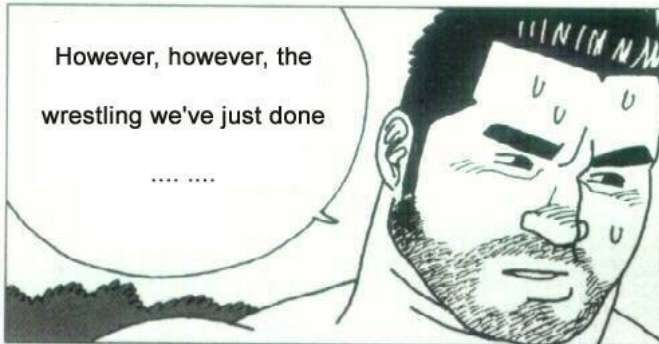

But my
parents
made the
decision

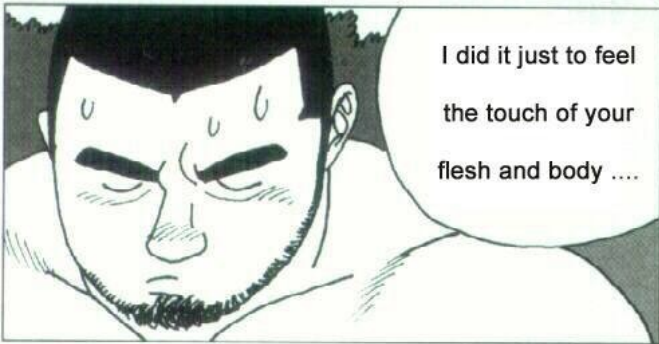

Ha

Ha

70

However, however, the
wrestling we've just done
.....

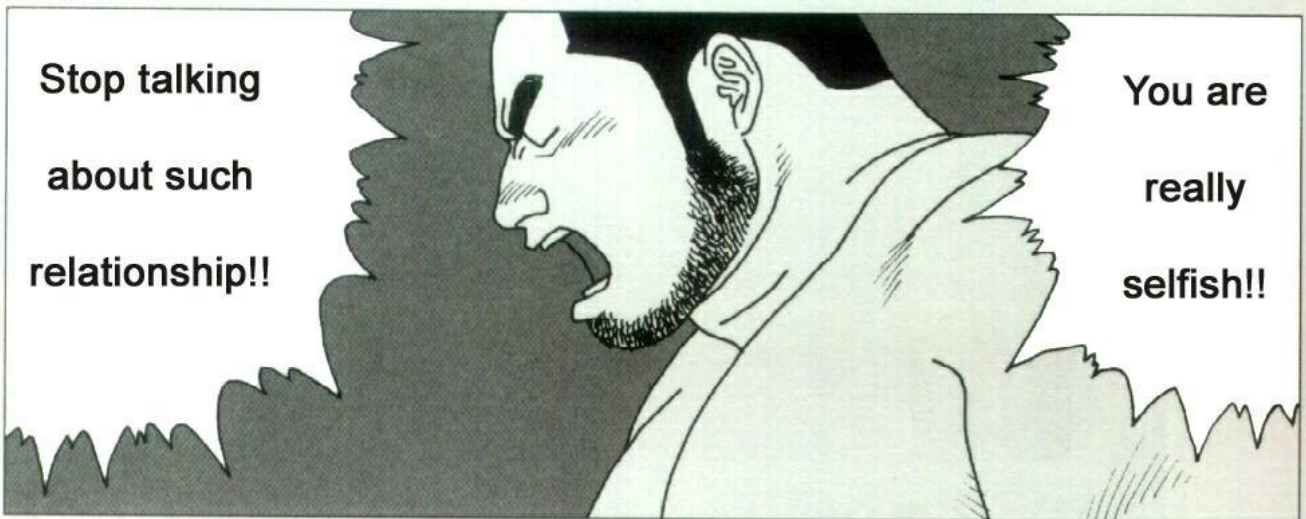

I did it just to feel
the touch of your
flesh and body

Masuru you've
done done enough
to struggle

Heh

Stop talking
about such
relationship!!

You are
really
selfish!!

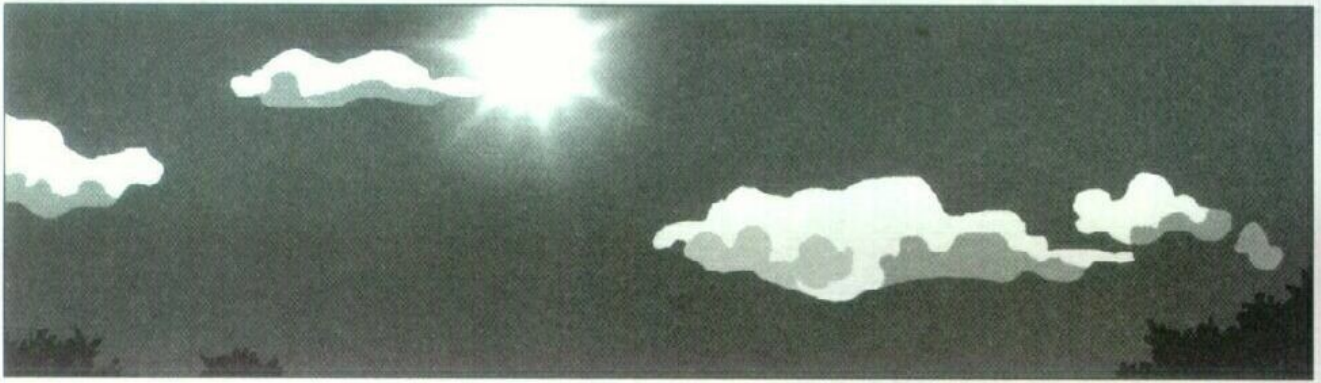

After this,
you and I will
no longer...

... .. what's inside our
sumo loincloth grind
against each other
... .. I can feel the
joy in the pain

Masuru's forceful hit woke me up
... .. his embrace woke me up
... .. finally I realized who I am

Where are you going? The ceremony will begin very soon

Is it really good?
To attend such
a ceremony?

But...

Ha

Ha

Ha

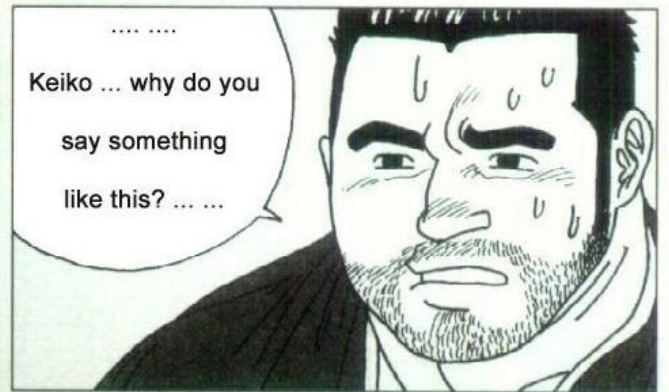

Ha

Ha

Ha

I am not the
type of person to
stay with someone
occupied

.....
Keiko ... why do you
say something
like this?

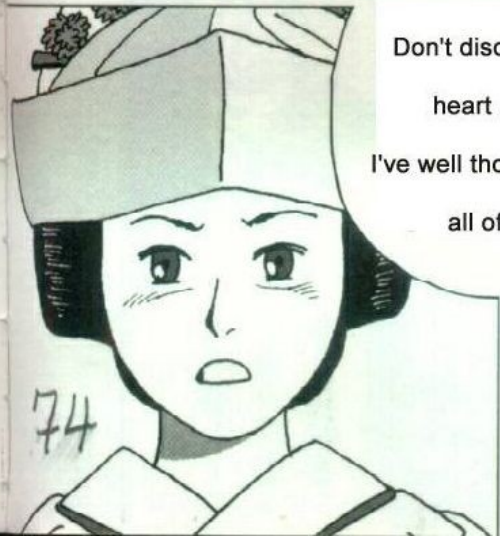

But, what else
conclusion can I
draw seeing
two men hugging
together?

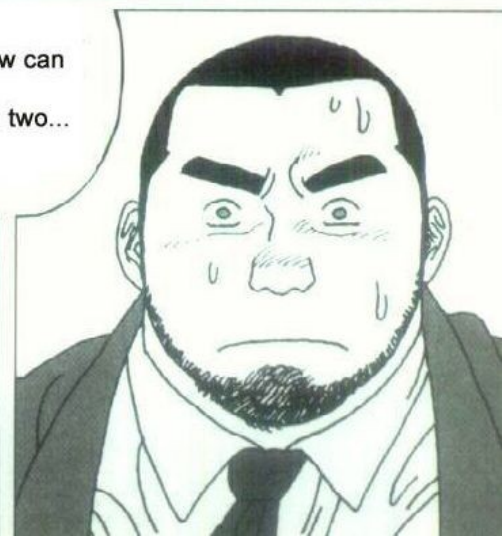

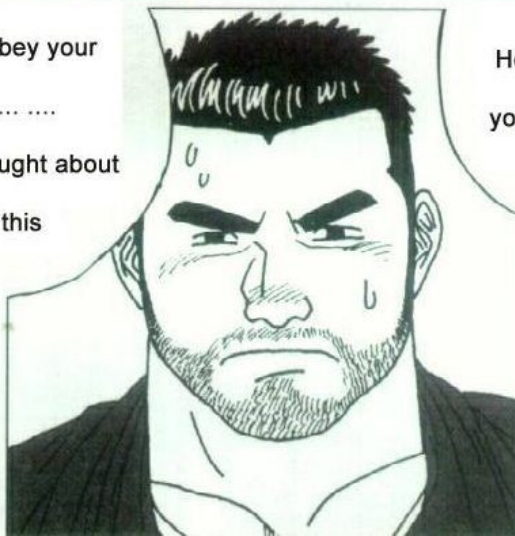

Wait...wait a
moment, this must
be a misunder-
standing

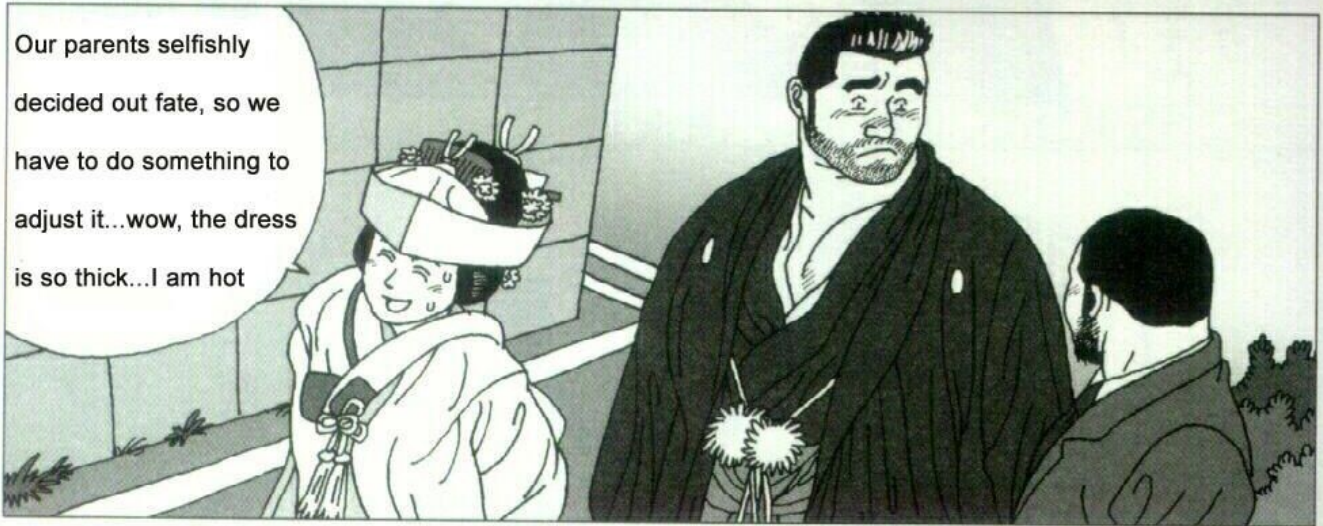

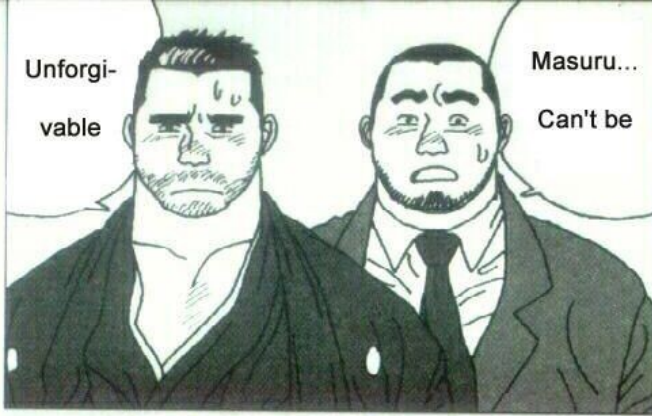

Masuru is a
very loyal man!
He can't be in love
with other girls....

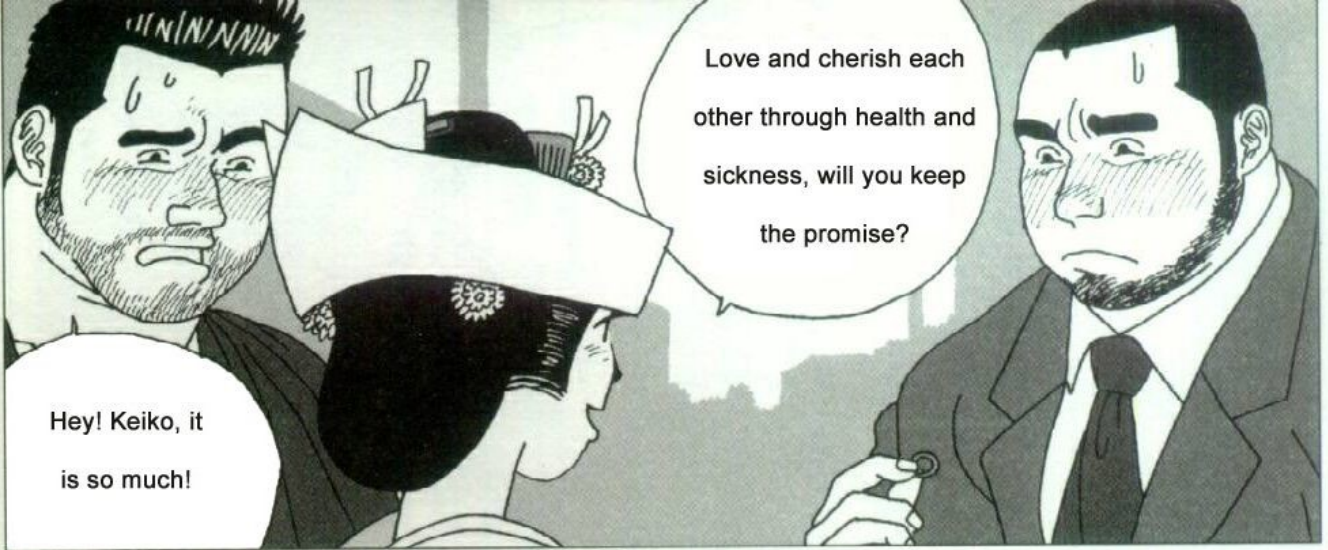

Don't disobey your
heart
I've well thought about
all of this

How can
you two...

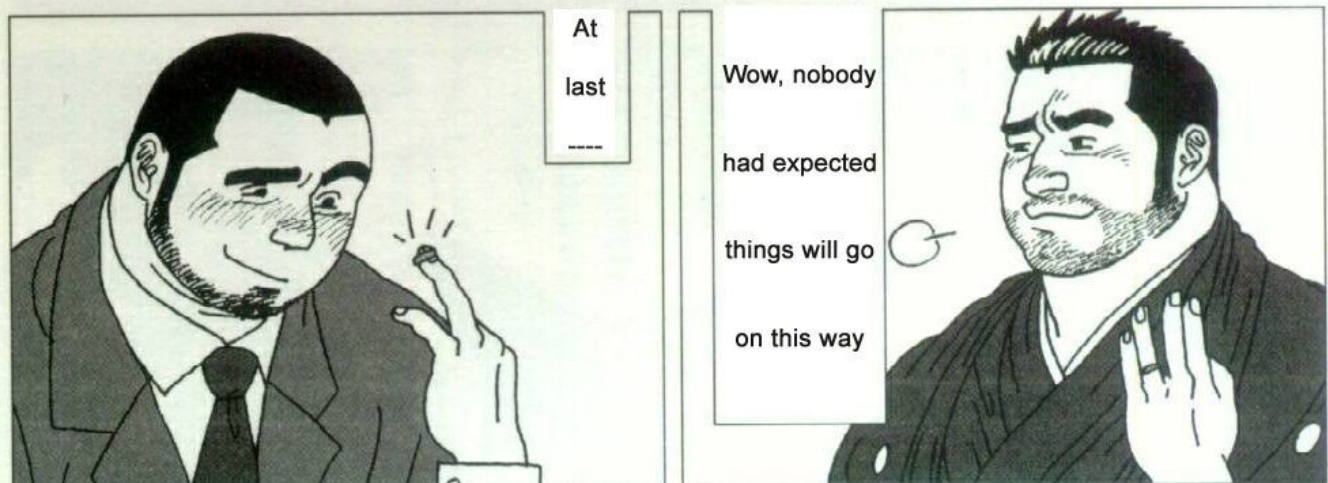

Hey! Keiko, it is so much!

Love and cherish each other through health and sickness, will you keep the promise?

Will you keep the promise?

At last

Wow, nobody had expected things will go on this way

Today, this little ring bring the three of us together in happiness

One day in the street, Keiko
and her husband meet the
couple, Masuru and Yuuji

Finally someone
you love!

Indeed!

My husband!

Hello, nice to
meet you
