

竜首神社例大祭奉納神楽

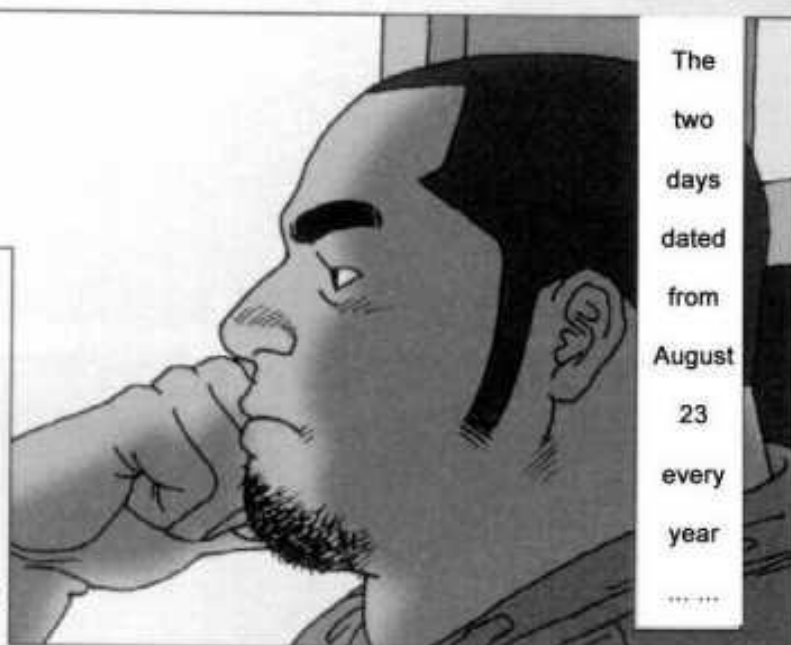

たつこべじんじやれいたいさいほうのうかぐら

I've received
a letter from
Brother Tora
as "Come back
for the festival
in August"

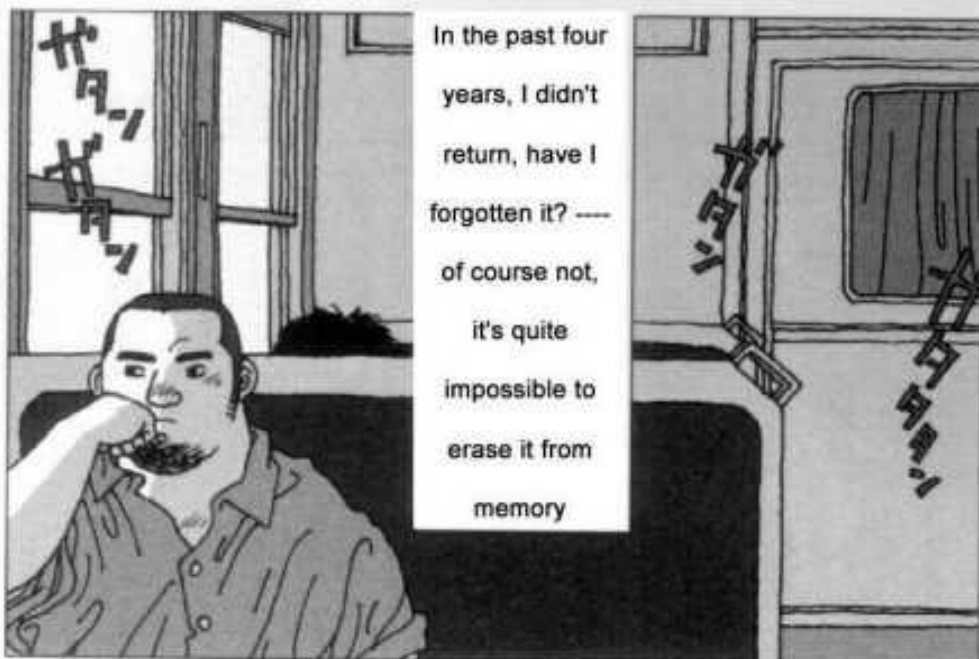

Everyone
leaves their
town to reunite
for the

Regular Festival

The
two
days
dated
from
August
23
every
year

In the past four
years, I didn't
return, have I
forgotten it? ---
of course not,
it's quite
impossible to
erase it from
memory

Yet wherever
I go, it seems
we were
together

When I was
young, that's
to say, at my
seventeen
that we
separated

Brother
Tora

What has
been
trouble
between us
was the
marriage
affair

I felt deep
for him but
... ..
it was always
untold

I didn't realize
why I was
so angry with
with Brother
Tora

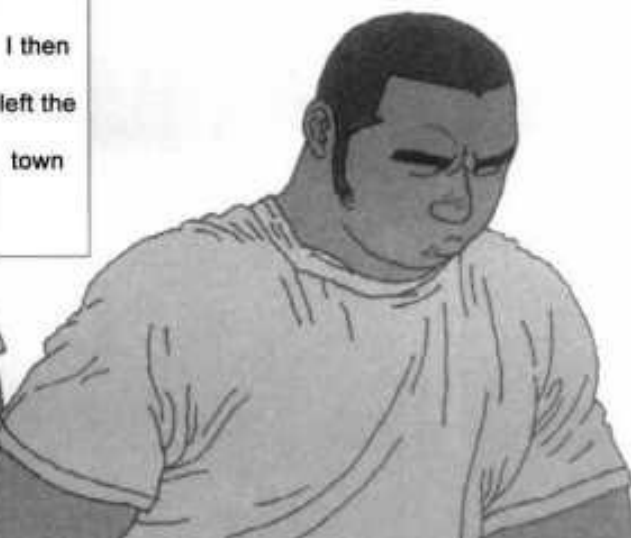

Well thought
about what
happened later,
it was really
a mess

And
planned
for not
going
back
anymore

I then
left the
town

Not very
after we
graduated
from high
school,
that our
father
passed
away

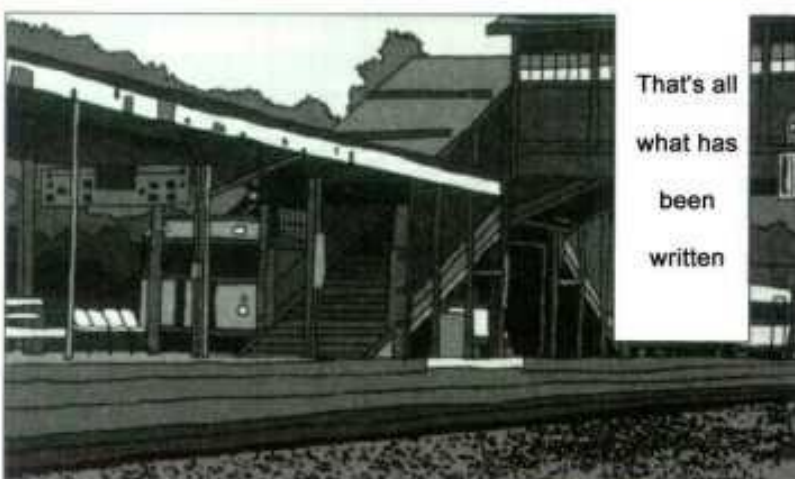

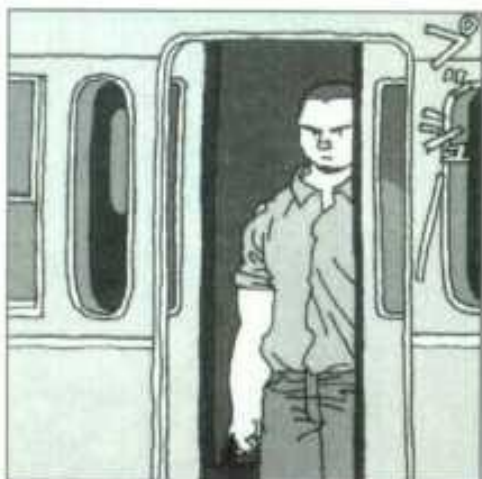

So this year
it'd be me
to play this
role to help

As the letter
says, the former
partner who
does the festival
show is now
in hospital

Thank you very
much for have
taken our train
Our next step is
Tatsukoubē

That's all
what has
been
written

Hey, look,
it's Ryuul!

So you are
back for the
festival

Yeah!
Delightful

Bad

And
I am
back
finally

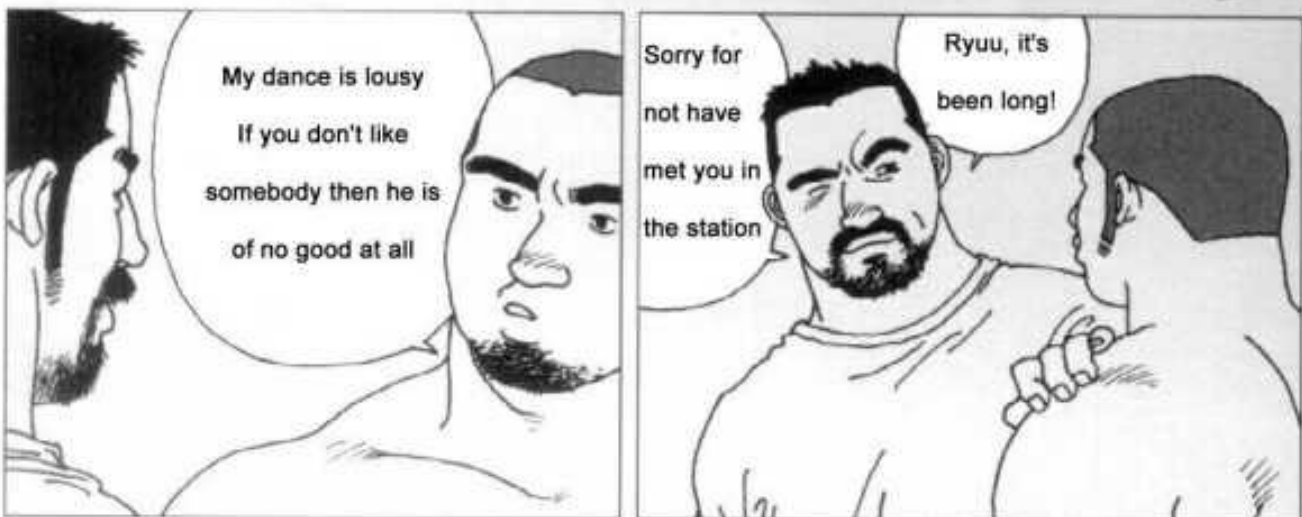

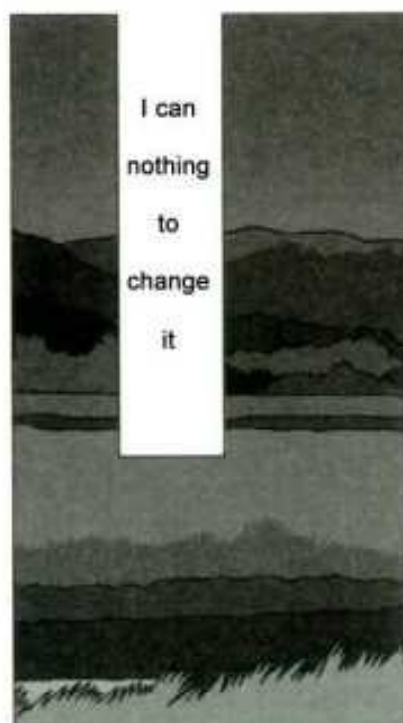

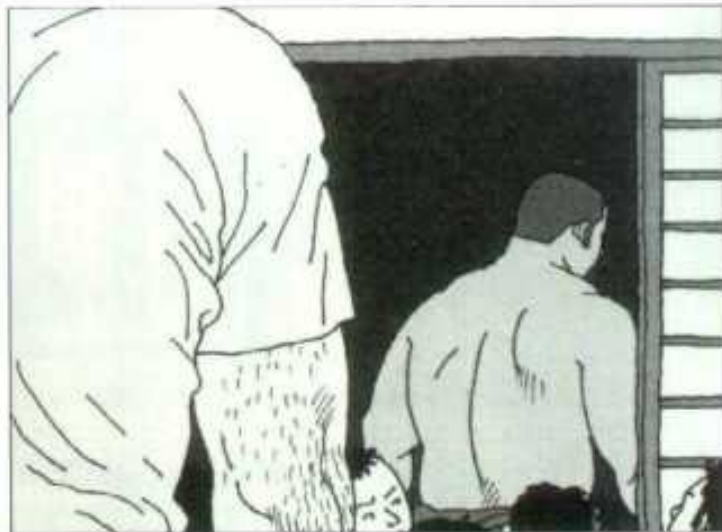

But Brother
Tora didn't
show himself

Uhm,
thanks!

My father'd be very
happy to learn it, he
always asks when
will Ryuul arrive

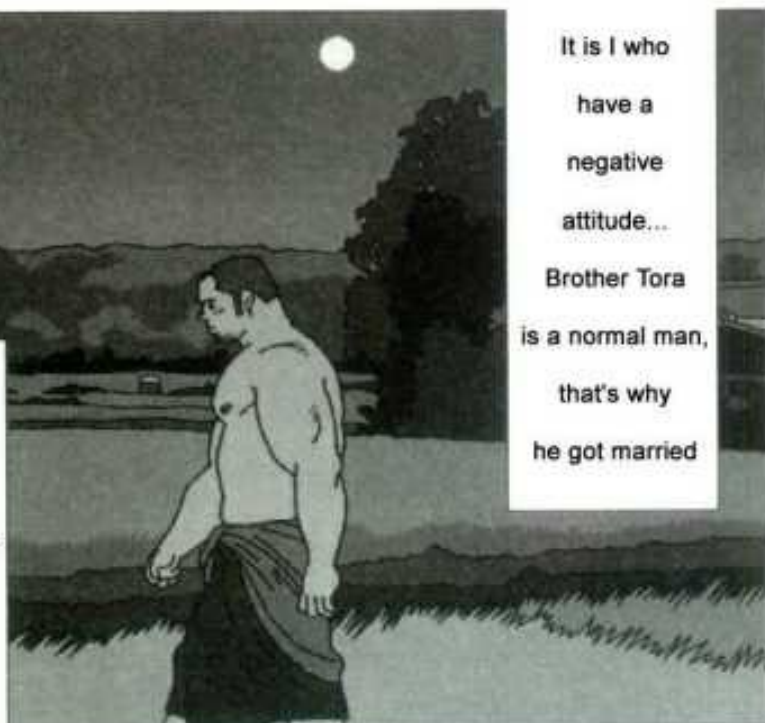

I can
nothing
to
change
it

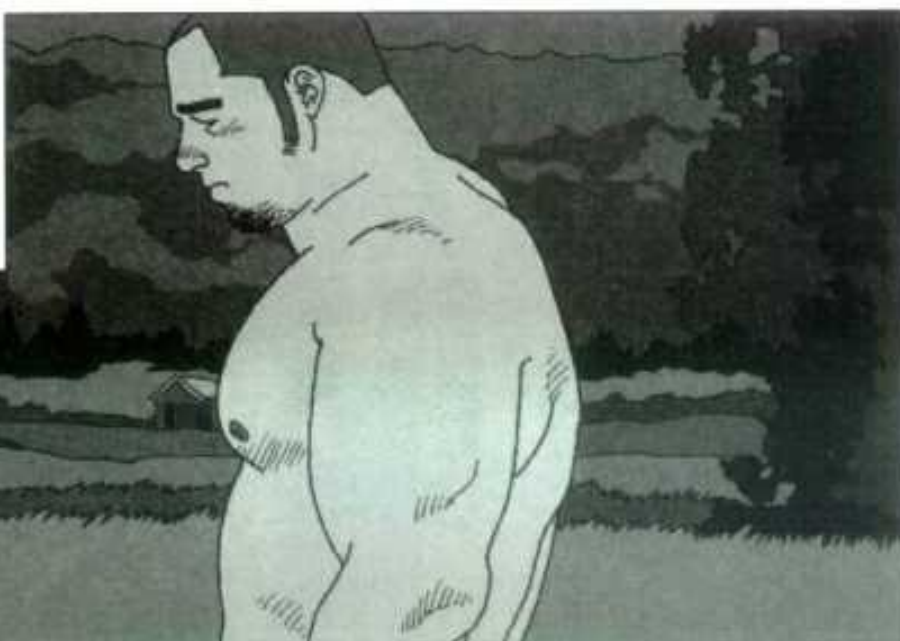

But he
is just
not aware
of how
I feel

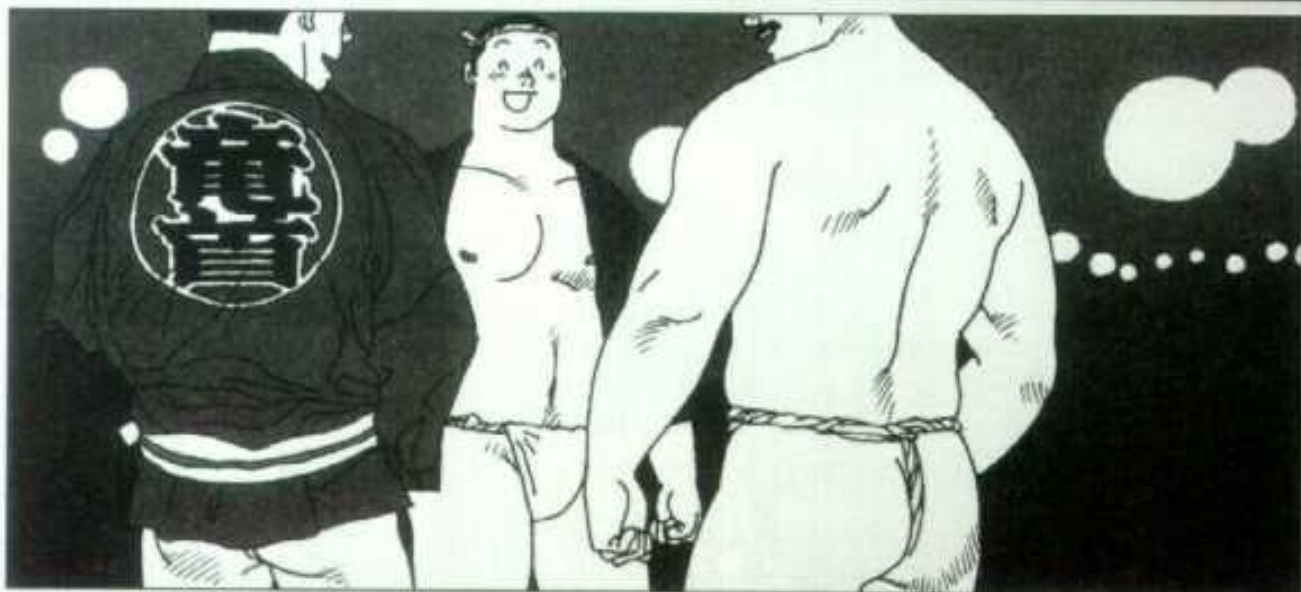

It is I who
have a
negative
attitude...
Brother Tora
is a normal man,
that's why
he got married

What
a fool,
I am!

After four years' separation of Shrine ceremony... ..

our feeling once again reunite

In the dance

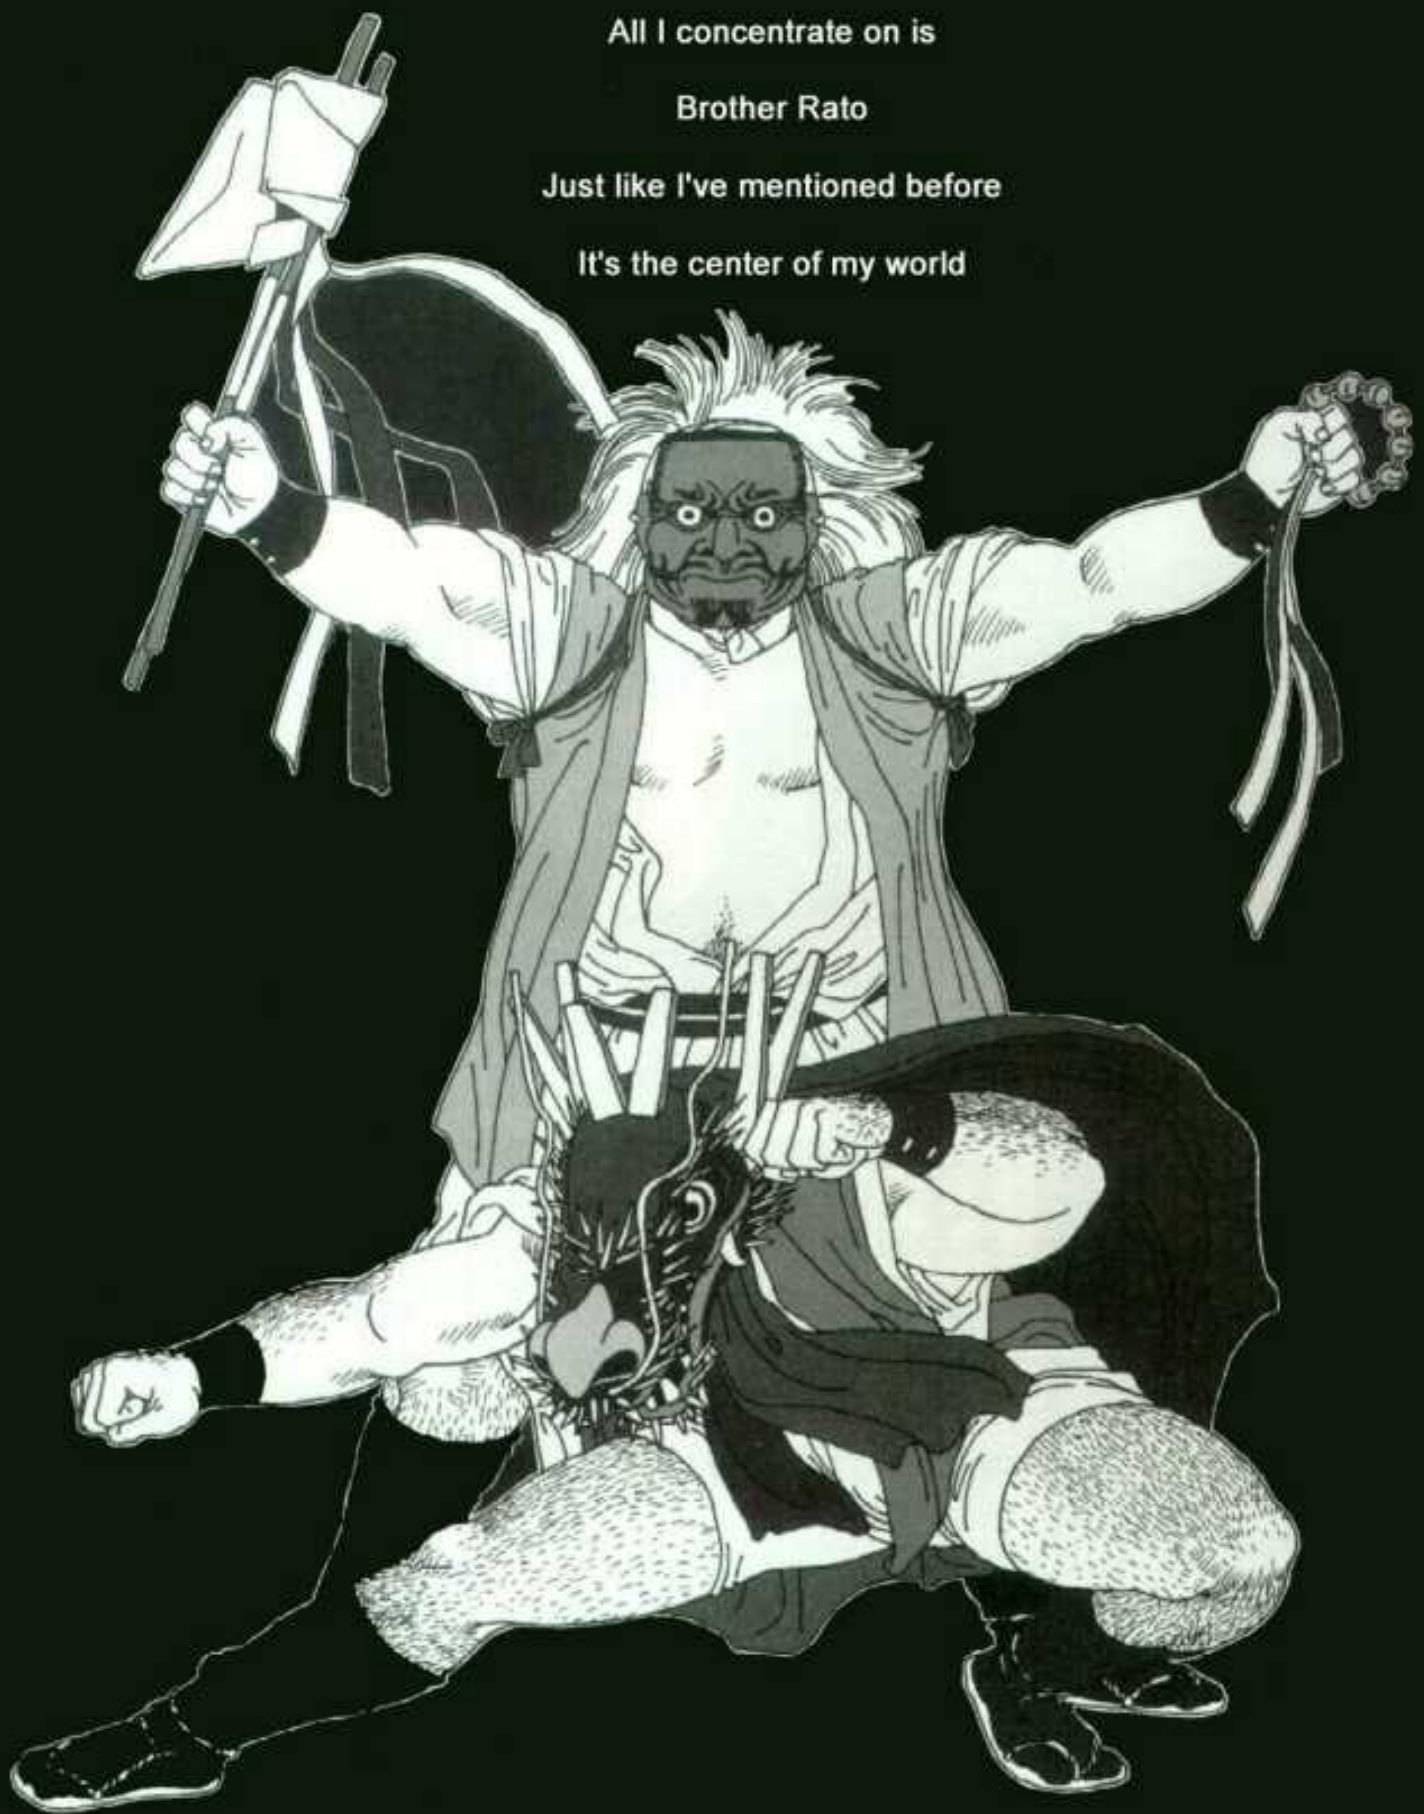

I don't sense the existence of spectators any longer

All I concentrate on is

Brother Rato

Just like I've mentioned before

It's the center of my world

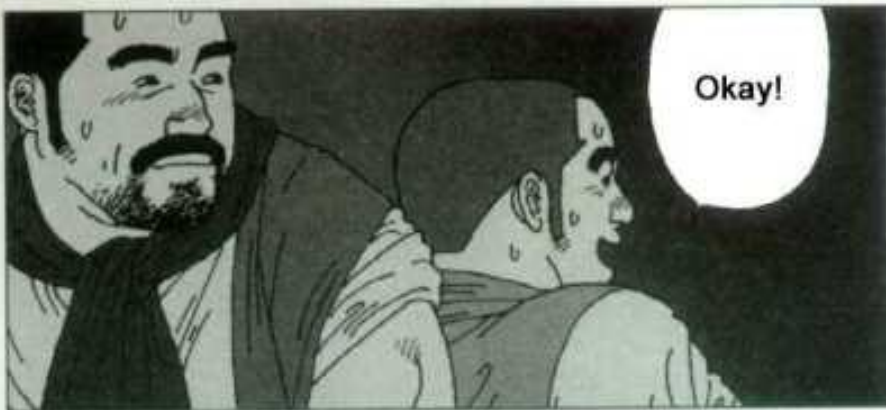

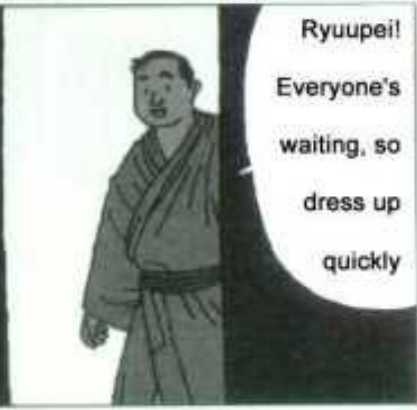

Poof,
I'm getting
aged!

It's over
----- finally!

Okay!

Ryuupei!
Everyone's
waiting, so
dress up
quickly

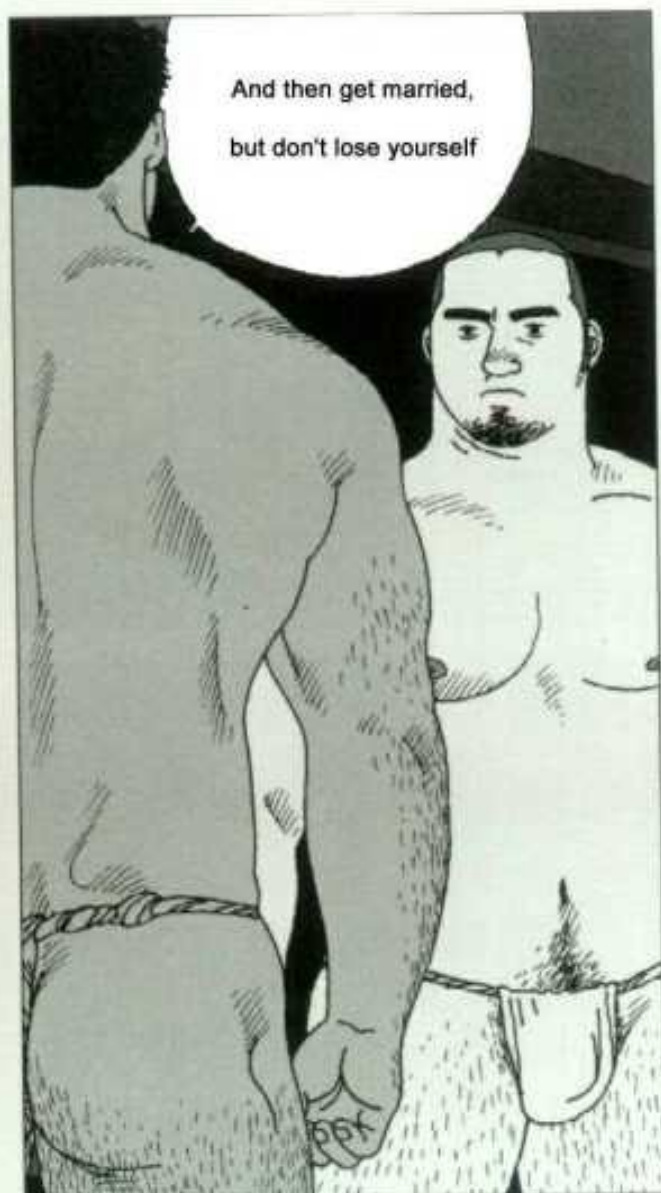

We've been
divorced for a
while since she's
with some
one else

Well Brother
Tora, what's
up with your
wife?

What a success!
It's been so many
years that we don't
do it together!

And then get married,
but don't lose yourself

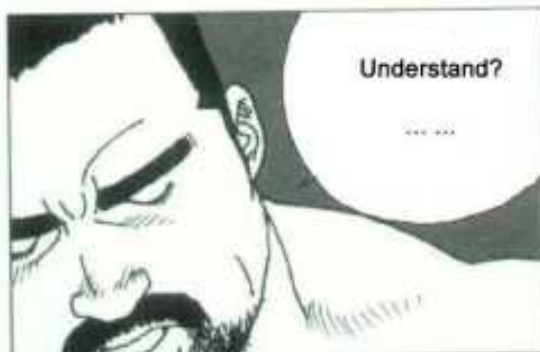

The family
property, please
inherit it if all
goes on well...
Me...

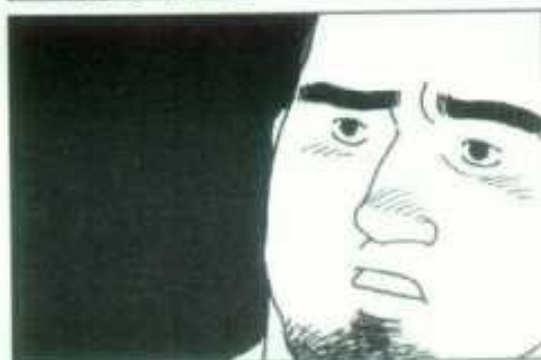

Death is
something you
cannot deny, it
will come in time

Ryuu, don't you
agree on my
conditions,
if you agree

Understand?

The night
Shrine is
coming out!

How do
you tell?

Brother
Tora is still
young, and
hard as rock!

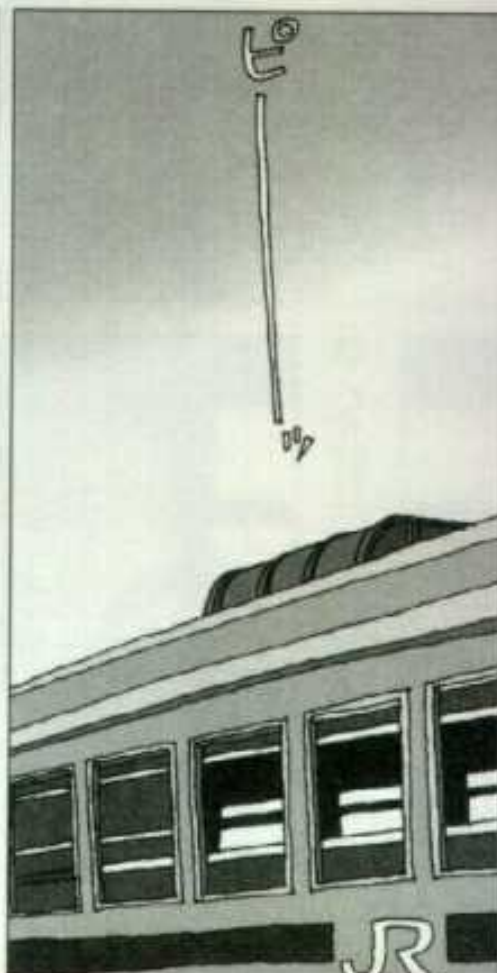

Next is the
drummer!

What a time
heh heh
we men

Look, Brother
Tora, something
like this is
waiting to

We can visit
each other if
we want

A man won't
pose such an
expression
on his face!

Next year,
in summer

Don't miss the
festival in August!

I will get back
to meet Brother
Tora!!

Absolutely I will
get back!!

Wish
August
comes
as
soon
as
possible

Then every August when the regular
festival is on, whether his holiday is
paid or not, Ryuupei comes back to
meet his Brother Tora

Every year
every year
you say
the same
thing

Haha Brother Tora
you are getting
even fatter
