

Demonic Exams

A New Beginning

STUDY
CONVERGENCE!

BY: CG17

The next morning...

Hm...
Mmm?

Ugh...
I feel like I
got hit by a
bus... My
whole
body's
drained.

05: A NEW BEGINNING

Last night
was crazy...
I still can't
believe everything
that happened.
Ngh! My dick's
still hurting...

Well... at
least things
have quieted
down for now...
Although...
the silence
is a little
depressing,
since
everyone's
gone...

I guess,
they must've
all left while I
was asleep?
W-wait...
What's...

She's dreaming, that's what this has to be. But...

Oh Shit! She's going to bite me again! NO!

Ha-ahh!

Ahh... I want to eat you so bad!

You're so delicious!

Ah! H-Hey! Hold on! Don't eat me!

Sooo Fucking good!

Yeah... Zhi...

Argh! Body's too... tired to fight back...

Getting... hard... to... breathe.

Maya, Stop it! Someone hel-p!

Haha!
Mmn... You
shot right
into my
mouth...

Maya!
Come on
already!
WAKE UP!

Rgggh!
I don't want
to be eaten!

Now it's
time to
swallow
you!

GULP!

YAAAAA
AHHHHH!

Mnnn-gh...
My mouth
is so full...

Zhi...

Huh?
Hey
Zhi!

Where'd
you go?

Laughing?

Look...
I'm just
happy to
be alive.

Seriously.
What the
hell's wrong
with you?! At
first you were
all over me,
then suddenly,
you're nearly
killing me
in your
sleep.

Rrrrrr!

Cuddling me!
Licking me,
while telling me
you love me
and my dick
in your sleep...

Then
suddenly
you're trying
to eat me!?
So, tell me!
Was my dick
tasty!?

I mean,
I really
thought
you...

Hey!
WAIT!
Why are you
hovering
your foot
over me?!

You're not
really
serious
are
you?

Hey! Fucking
DEMON
BITCH! Wait!

WAIT!
I'm...
s-sorry!

Forget
You Zhi!

20 minutes later..

...

I honestly don't see how that's so special... Seriously, a lot of good it does them. Really, it's not like it brings them any closer to what even fledgling demons can do with just a simple incantation.

You're not listening to me Maya. You are the same in this respect. Demon... human... it does not matter, for studying and learning are both necessary to pass an exam...

Feh! Humans! Weak and incapable. I do not aspire to be like them in any way.

I know it's a very specific aspect. Though trifling and mundane... however it is one thing we do share in likeness.

Hey!

Now Zhi, there is no reason to get upset it's only the truth-

Enough!

I have heard enough of this! I can only sit here for so long and be quiet while you two talk down about it!

I see now... It has become painfully obvious that you demons truly understand nothing...

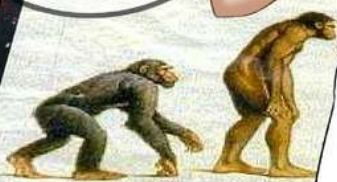

Do not! underestimate the POWER!

THE POWER OF HUMAN INTELLIGENCE!

Knowledge
is power...

To study
is to acquire
knowledge! Therefore it
is the instinct of life, of
social evolution, and
natural RULE! It is the
singular road traveled
to discover the
truth!

The only
truth tucked
deep within the
folds of the
cosmos!

The First
steps of this road
beginning here- mere
ink scrawled over
paper..

Modest words
in form of complex,
and abstruse
questions...

Yet! If it is
with all of
your heart,
one ardously
studies!

Then
it will be
FROM the
heart that
you can
answer
anything!

And so!
It is this!

$$a = \sqrt{3}$$

THE
ANSWER
OF MY
HEART!

This is the one TRUE
magic which you demons
will NEVER understand!

The elation of
a road journeyed!

BY STUDY!!

Change complete!

WHAT DO YOU THINK YOU'RE DOING MAYA?

Come on! Let's do it together!

Study! PF Course!

I... can't believe it...

Human and demon, together...

Hey! Quit hogging the table! I want to study too!

Quit it! Maya, the table's too small to share!

Oh?

So...
the table's
too small
huh?

Y-yeah?

Is that
what you're
telling me?

Uhhhh...
Why are
you looking
at me like
that?

SHRINK!

A

There!
Problem solved.
Is the table
BIG enough for
you now?
Hahaha...

Come on...
It's time to
study!

Hey, you don't need to study this!

This is my exam!

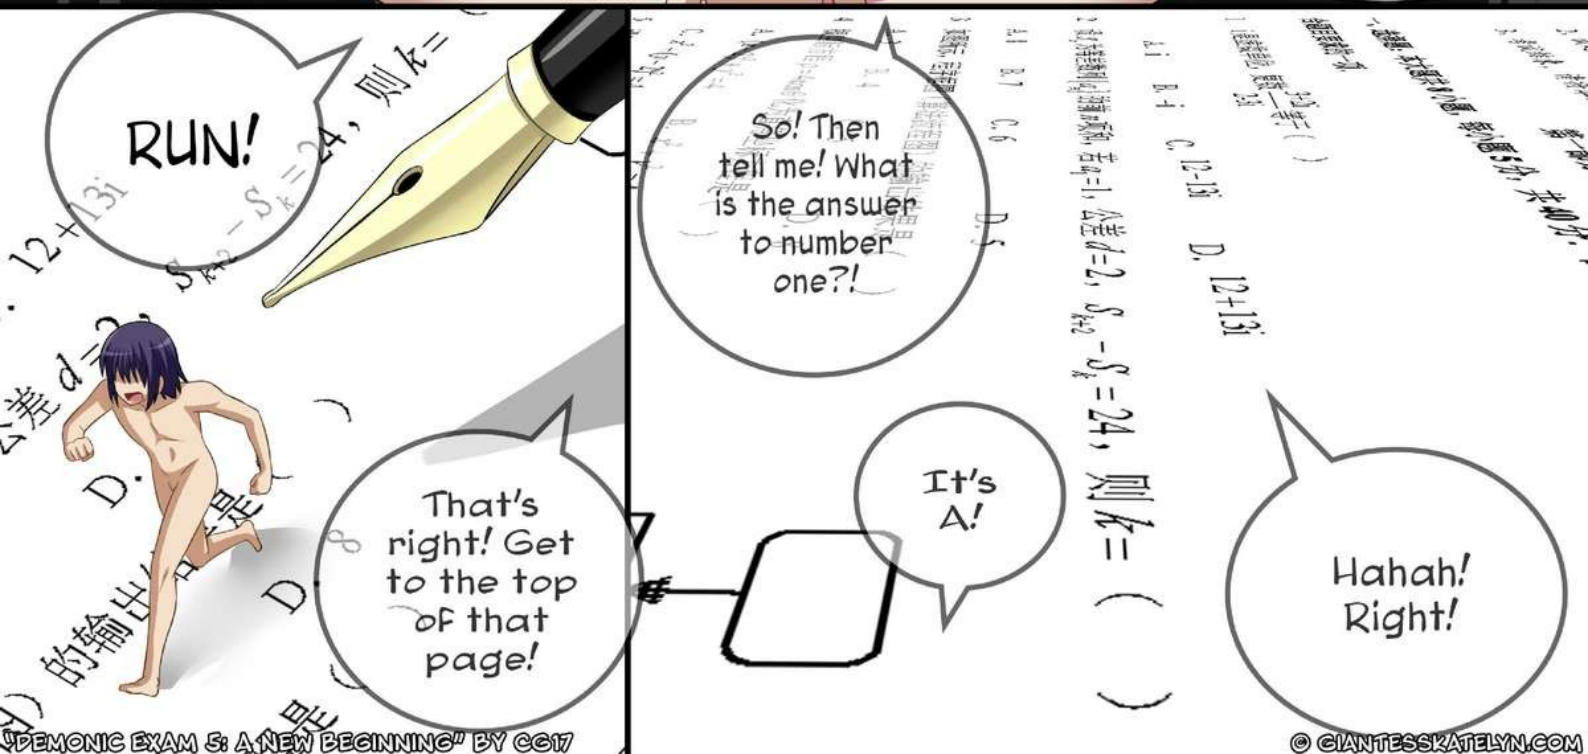

Quit being so selfish! I love to learn too!

So! Shut up! Let's begin!

So lets play a little game... hmmm.. how about, I ask you the questions, and if you get one wrong...

I get to kill you with this pen! Doesn't that sound like Fun? OF course it does! So...

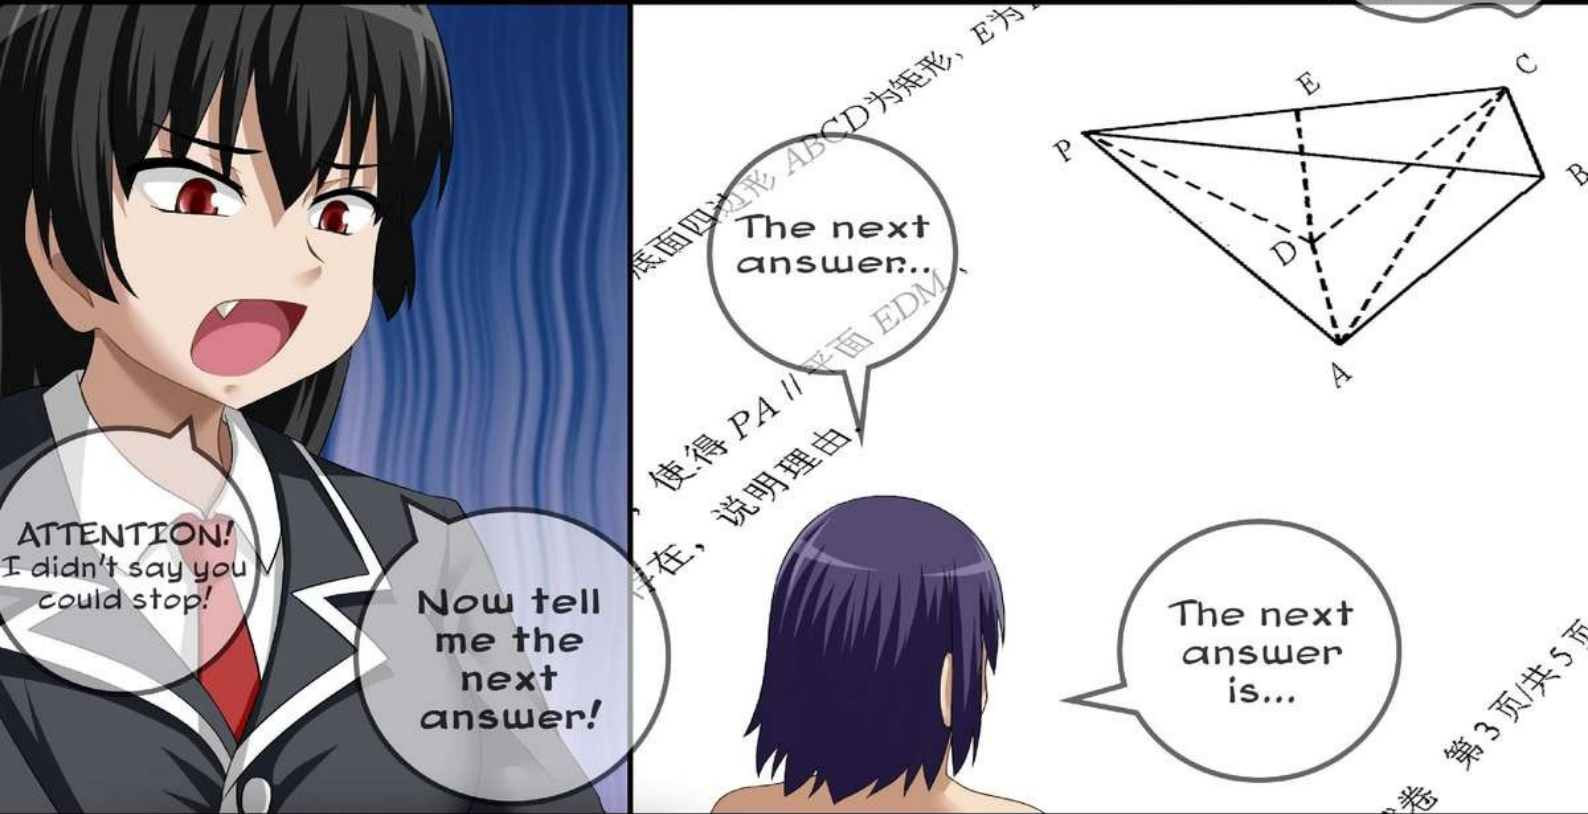

RUN!

So! Then tell me! What is the answer to number one?!

That's right! Get to the top of that page!

It's A!

Hahah! Right!

That book!

Hey...
Zhi, What's
wrong? Are
you ok?

I can
understand
that because of
the last few
days you might
have fallen
behind on your
studies...

I think it's
only fair to help
you catch up, right?
Now, I'm fairly
knowledgeable about
your human exams
myself. If you'd
want, then perhaps
I could help you
with what
I know?

Ahem...
Maya, that's
enough... Zhi, I'm
so sorry! She tends
to get carried
away when she's
passionate about
something.

Miss
Alice!?

Responsibility?
Right! If it's just
responsibility, then
why is your face
all red like that?
And what's with
the ambiguous
background?!

Now...

Yes, I know this...

I just wish things were different...

It's too bad... 'cause it just seems like such a waste to me...

I mean come on! Damn! You're one fine ass cop!

Since you know too much about the drugs we've been dealing, you know we just can't risk keeping you alive.

Game's OVER.

PA!

Zhi...

I just want to see you again...

HEY!

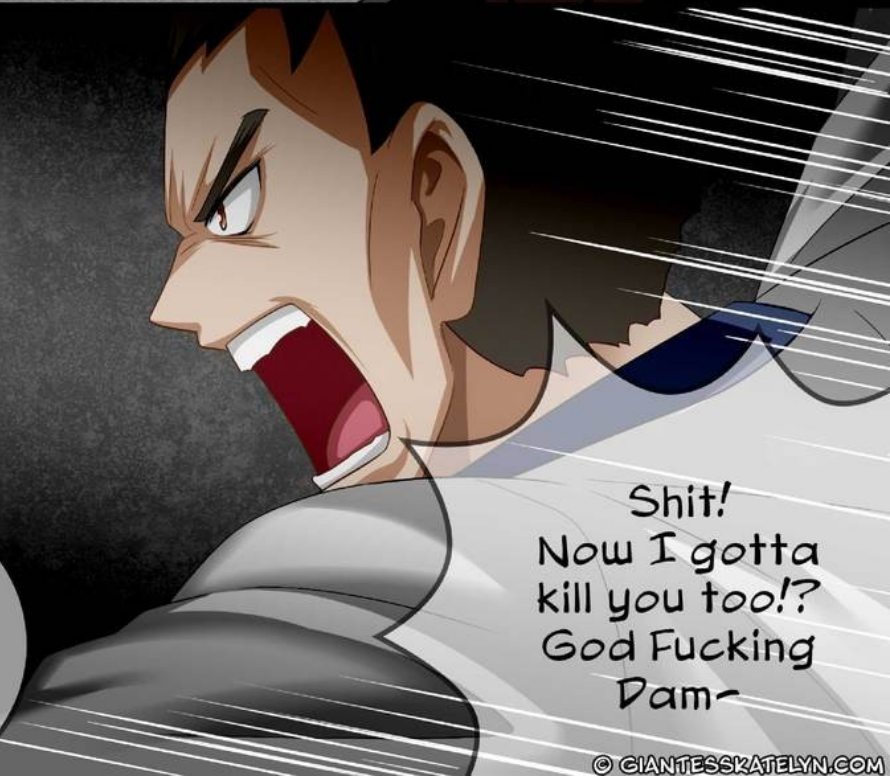

What the Fuck?! Where did you come from?!

Oops! Did Lela make a mistake?

On... Are you really the life Lela ends tonight?

Shit! Now I gotta kill you too!? God Fucking Dam-
