

That's unreasonable

It won't be a practice at all if you guys get tired so fast!

Sho! Satoshi!

Thank you.

Sorry, this is all I can do.

Shut up!

My thing down here is very tough ~

haha..

Hinata is really a maiden after all.

Wow ~~~

Satoshi

Satoshi ...

This.. is.. not what you think ...

Uhh.. Uhm...

Ahh damn, you like Satoshi.

**GYAAA
AAAAA
AAAAA
AAH
!!!**

But in return ...

Don't worry, I get it. I won't tell anyone what I saw.

Where do you think you are touchi... Let me go, you bastard !!

Stop joking around !!

You will be my sexfriend... OK ?

HM School Athletic Club

If you like, we can include Satoshi as our sexfriend buddy.

It will be a waste to leave Hinata's body alone.

Sexfriend is something that people fool around by having sex only.

ちよ

カニカニカニカニ

Uuu...
You are
the
worst.

Well then,
lets have
some
intimate
touching
session.

Anyway,
I will get
over this
....

This
bastard
is saying
whatever
he want...

I.. I get
it so
do not
tell
Satoshi..
..

You
idiot..

Oh,
Hinata's
body is
softer than
I thought.

So hard..
Is this
really a
human's
body...

Some-
thing like
this....

Hey, Hinata!

NO !!!

.....
Going back.

Ah..

OK ?

I will be waiting for your reply after school.

.....
You are really the worst !!

This... is really a dangerous weapon...

Its hot... And this smell...

You should be saying splendid.

Your thing is as twisted as your bloody guts.

Eh... That's because...

Hey, Hinata, are that unpleasant about this ?

Even I will not invite my best friend's girlfriend to be my sexfriend.

If you are not comfortable with this, just go confess to Satoshi.

That's because ...

Satoshi surely will not look at me that way...

It will be an annoyance to you ...

That's because.. test is around the corner...

... I know!

By the way, the time is running out soon.

Let's feel good together after all. It's more exciting that way.

Hyah!!

The time is gonna run out....

Come on, can you just cum already !!

んっ!

Thats good, Hinata. I will also....

Both my mouth and pussy are so wet...

This is... bad.

Hinata, you are so wet already.

I can't
escap....

I .. can't
focus..

OK.
Time's
up.

Oi oi,
don't slack
off there.

As for today... I am... going back...

Ok... I promise.. I will do it from tomorrow onwards...

You are my sexfriend from now on.

If I go any further than this....

If... I continu...

Ahh!

I can't wait any more longer.

Come on, you can't do that.

OK?
Hey?

It's unfair that
Hinata is the
only one
feeling good.

No...
My brain
is feeling
dizzy...

Can I put
it in?
It will
definitely
feel good.

If I
don't
escape
soon..

I have to
come up
with
an
excuse...

Whatever
it is...

Ok?
Let me cum
at least
one time.

Ahh

Please stop...
I will...

get pregnant
if we
continue..

Sato..shi... ?

NO!
You really
can't!

I have
condom.
That will be
fine right.

No ...

That's not
what i
meant...

You idio..

This is....

Of course... not...

No, I did not... Something like this...

Hinata, you cummed from that?

That's so erotic.

Our compatibility is too good.

Hinata, you are feeling good too, right?

Saying.. whatever he wants to...

Don't compare me with others.

Your pussy tightening is awesome.

Yours is the tightest so far.

I might be serious about Hinata after all.

I... I can't think straight anym..

My brain is becoming weird...

This is not good.. but..

My voice ... is leaking out...

Satoshi

I can't let Satoshi hear me...

Going home now ?

Hinata, Sho

?

GYAAH !!

Hmmh.

Hey.

Hehe, well ya.

It's rare seeing both you walking home together.

What should I do ...
I ..

Ahahaha, it's nothing.

What's wrong, Hinata ?
