乳牛少女 かお

第3話

ただでさえ大きな乳房を超乳へと改造され、
少女はヒトから乳牛へと生まれ変わる!

成年
コミック

When i was met with my breasts' staggering size today, I was immediately eligible for a room exchange

Today i said my farewell to Shiho and Tokino

The speed of my breasts' growth has gotten a lot faster, so I'm going to have to advance in this journey alone

Disappointing as that may be, I'm going to see you two again as soon as I can!

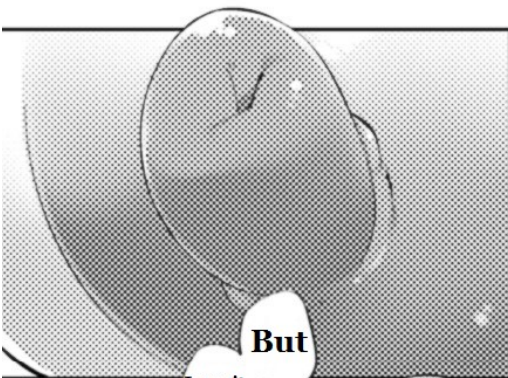

405

I wonder what kind of girl i'll be living with now...

This room ...

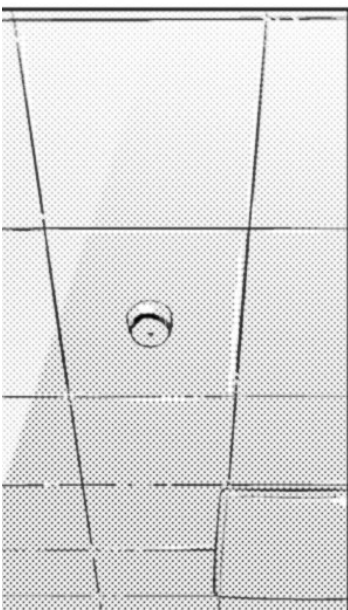

Having them
this big is
troublesome,
as expected

Waking
her would
be bad, so
i guess i'll
go to sleep

From
tomorrow
on, I will
listen to
whatever
my new
roommate
says

My
nipples
have
already
reached
the size of
my head...

Good
night

It's been
a while
since
milk
started
coming
out of my
breasts
but
When that
happened,
I started on
my way to
becoming a
true milk
cow

I am
Kaori.
Shiroyama
Kaori.
pleased to
meet you.

I am
Ichika
Rolens.
And
you
are?

Ah! you
finally
woke
up!
Yesterday I was
waiting and
waiting for your
arrival, but I
was really tired,
so i ended up
passing out. I
apologize.

Wa-

Nice to
meet ya,
Kaori!

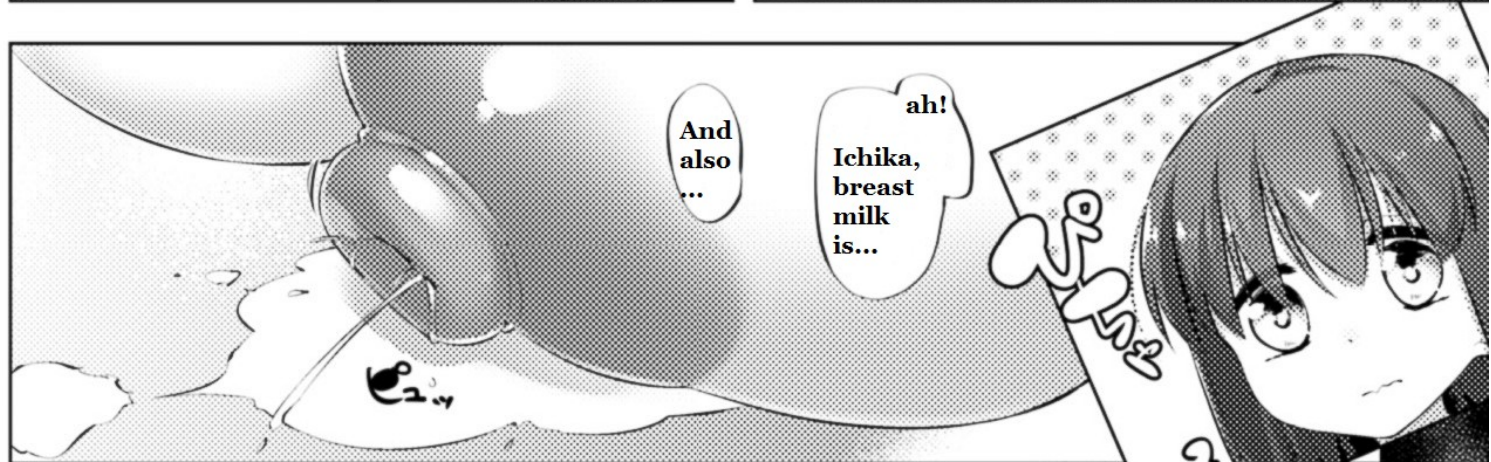

You let
out a
strange
voice!

へへへ
E
he
he

Ah,
so
sorry
...

H
Y
A
!

And
also
...

ah!

Ichika,
breast
milk
is...

Nah

It's fine, It's
fine...
though this
kind of
figure is a
little
embarrassing
...

W-
wait,
that's
not
why-

hmm?
You looked
at my
breasts
while i was
sleeping
yesterday?
gross~

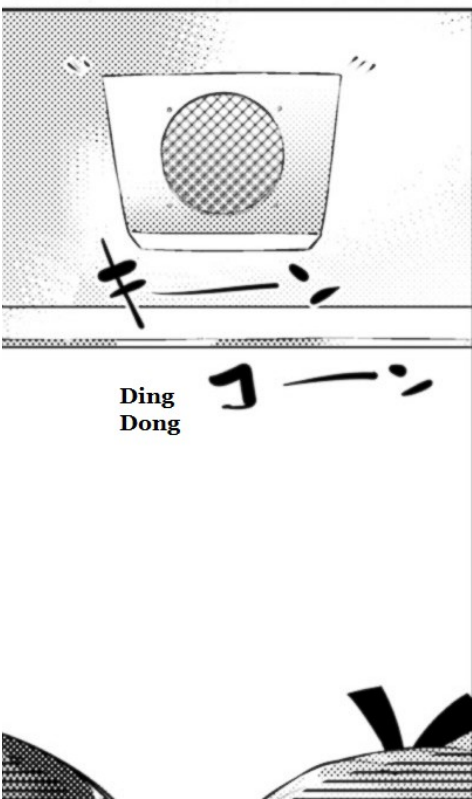

Have you
gotten
even
bigger
since
yesterday
...?

My breasts showed a kick-back reaction to being milked, and soon they began over-producing milk

Every day my breasts would be milked dry, only to be filled to bursting when i woke up the next day

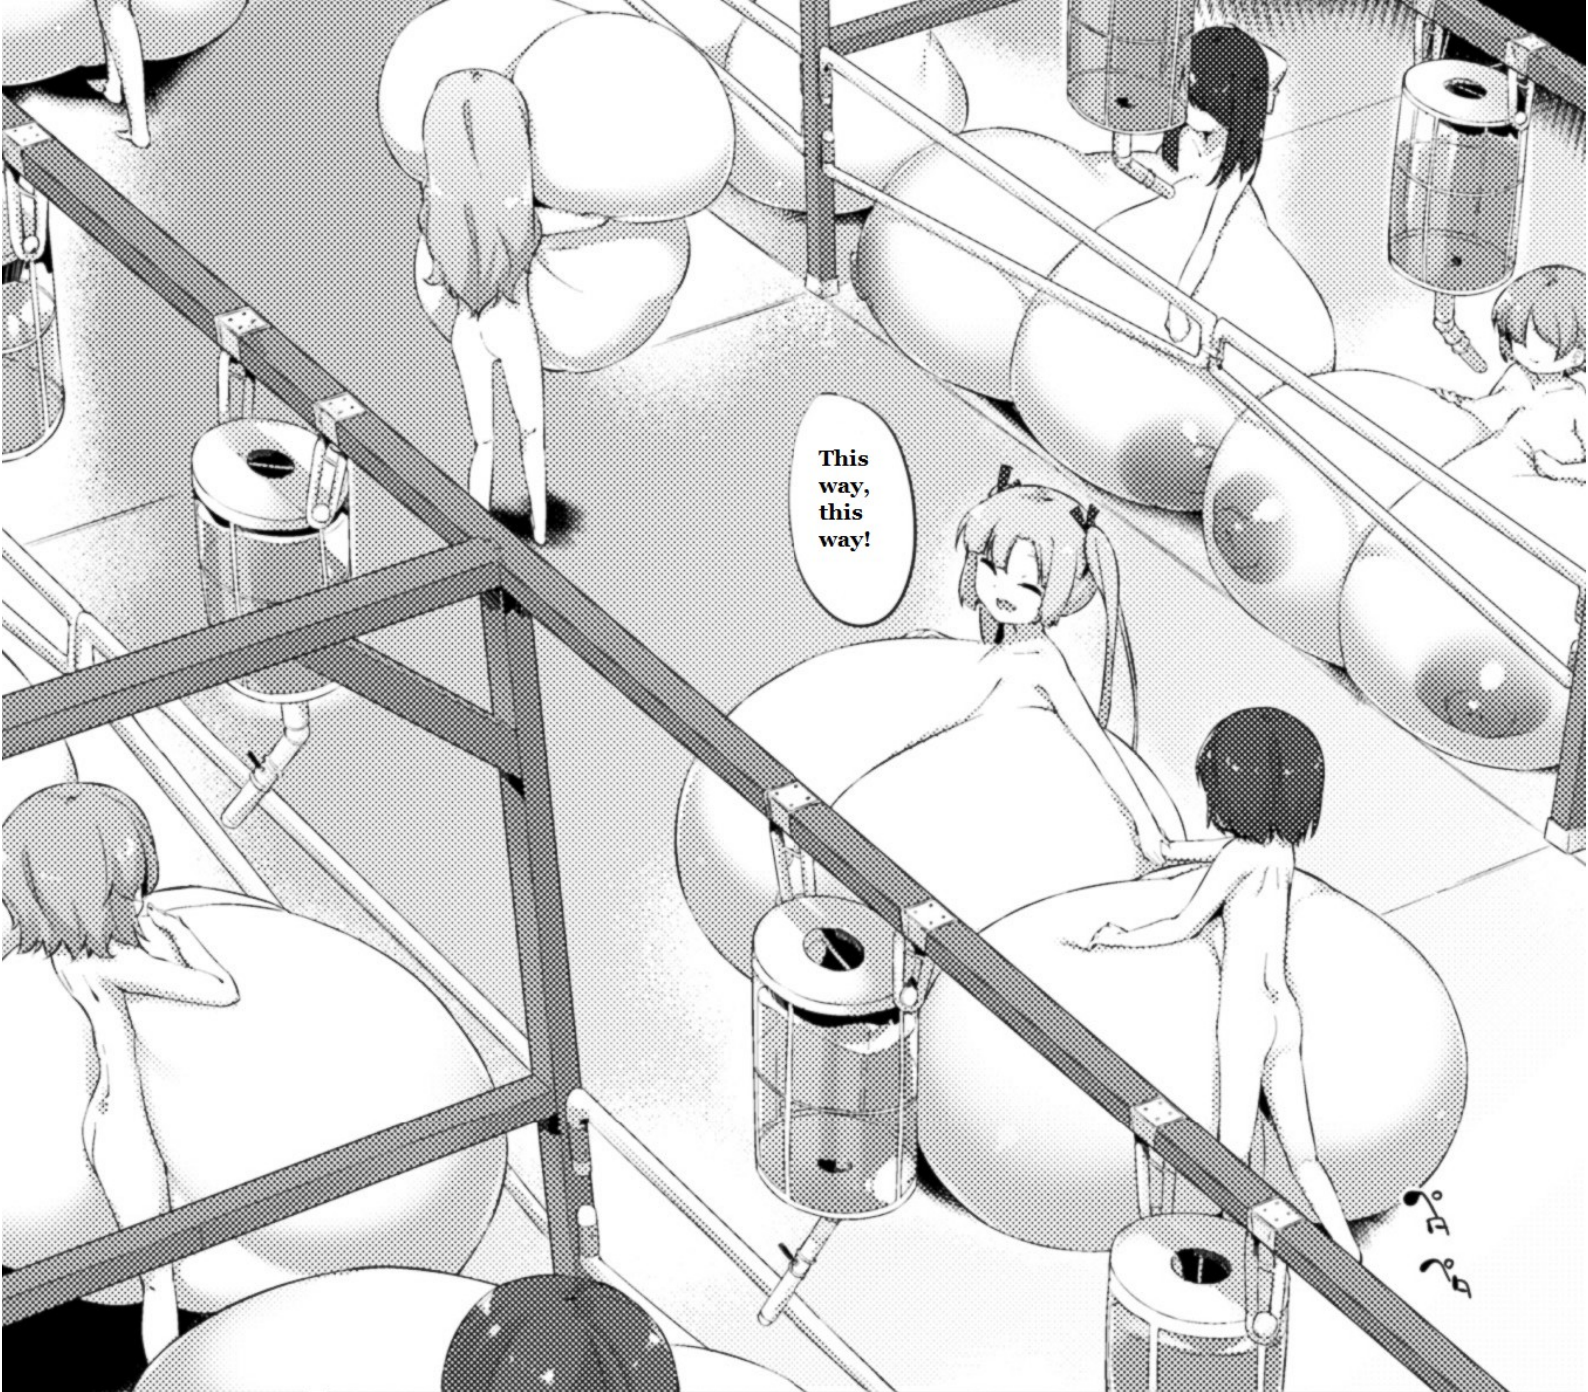

Regarding my breasts... compared to the other kids, my milk production was far above in quantity

So let's both do our best!

Though no matter the quantity of milk you produce, your quality still has a ways to go

So it looks like my volume of milk is steadily returning

This way, this way!

Every last drop?!

Don't forget to drink every last drop!

Inside this tank is medication that increases both milk quality and quantity

Alright everyone, start drinking!

and try not to spill any!

Lemme give you a hand with that!

Kaori,
How long are you just gonna keep standing there? You're not done, y'know...

I think my tummy just puffed up a little...

Just suck it all in, you'll be fine, promise!

I-if we do it now, this'll all surely come out my mouth!

W-wait!

Well now, let's get started on the next one...

that's
...

Hmm? don't
worry! it'll
start to feel
really good
due to the
medication's
effects

DON'-
I CAN'T
STAND
ANY
MORE!

AH! I'M
CUMMING!
I'M
CUMMING!

M-
more!
like
that!

This is cool, but
everyone seems
kind of
uncomfortable...

Finally your turn, hmm? Though because of the medication, being gentle isn't an option

Can you please make it gentle?

But if this is what it takes to become a milk cow

What's that? More?

AH! Don't enter and stir me up so forcefully!

Too fast! Too fast!

AH! It went in~

OH!

The medication is starting to take effect!

I'm feeling strange... My breasts are getting tingly...

NO!

My nipples are swollen and bulging! It's unbearable!

AHH! I'M HEATING UP!!

Alright now,
let's spurt!

AHH!!

**I'M CUMMING!!
MY NIPPLES
ARE ERUPTING
WITH MILK
WHILE I CUM!!**

**HARDER!!
ROUGHER!!
MORE!!
MORE!!**

Ah,
Kaori!
that
probably
means
that milk
is trying
to get
out!
Same as
with me!

That milk
you've been
steadily
producing is
quickly trying
to escape!

**MY
BODY'S
TOTALLY
BURNING
UP!**

This
position!
Let's do it
like this!!

**AHHH!
MY
BREASTS
HURT!**

HYA!
SHOOT
IT ALL
INSIDE,
PLEASE!!

UGH!
THA-!

AHH!
It's coming out!
My breasts
also...

MILK'S
COMING
OUT!!

Please pour
all of your
semen into
me also!

I WANT
MORE AND
MORE MILK
TO SHOOT
OUT FROM
MY
BREASTS!!

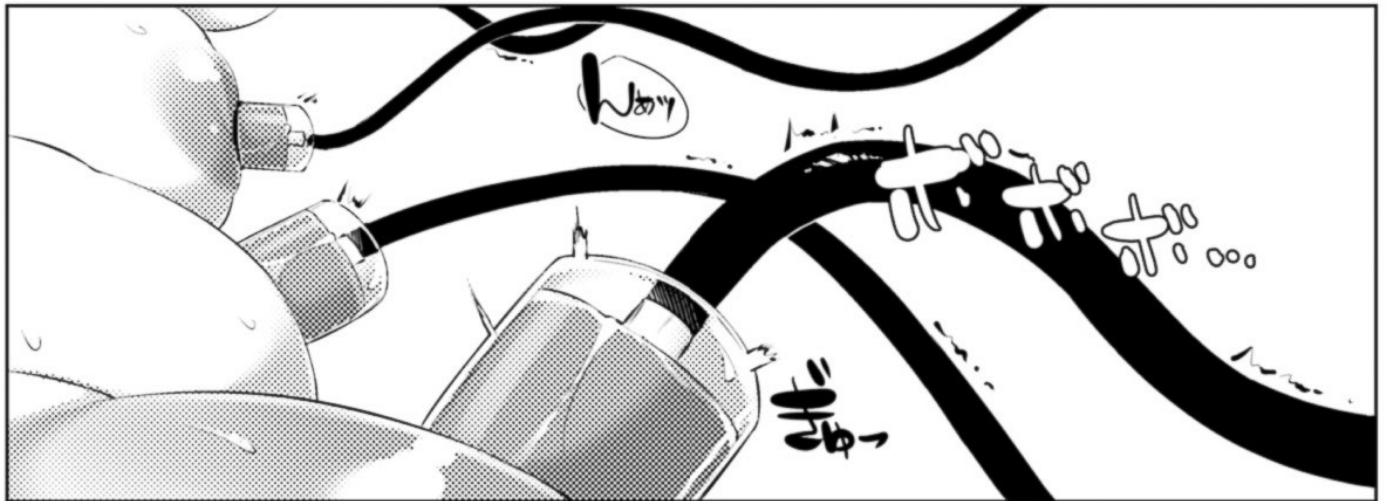

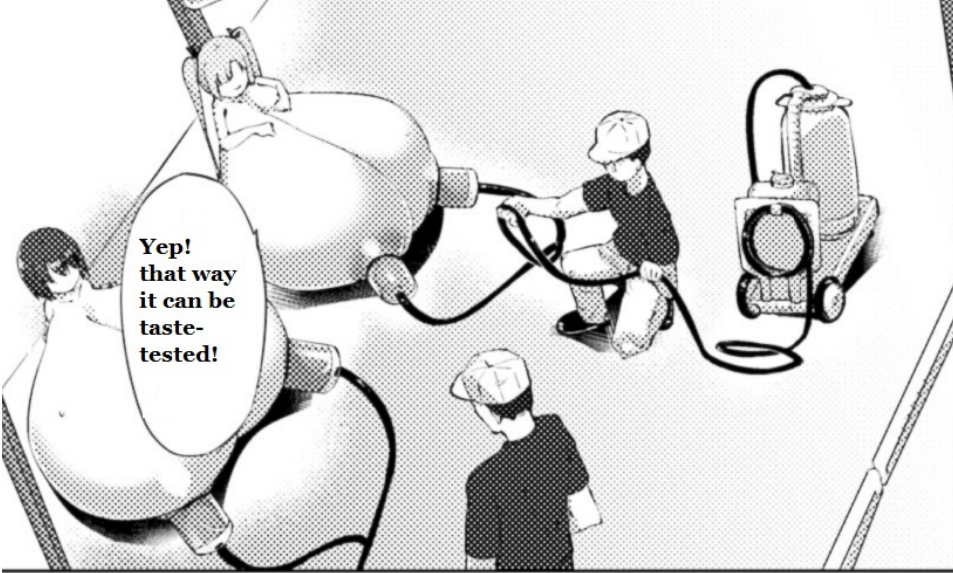

MORE!!
MORE!!

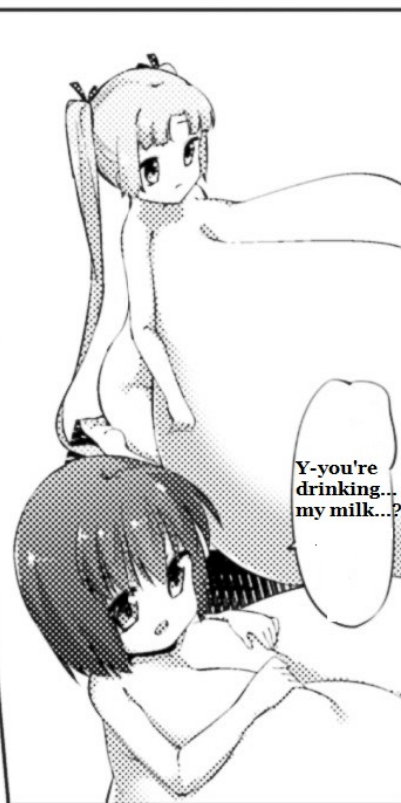

AA
Aa
AH!!

MY
NIPPLES
FEEL SO
INSANELY
GOOD
VIOLENTLY
SPURTING
MILK!!

DON'T
STOP
SPEWING
NEVER
STOP
SPEWINN
NNGGG!!

My nipple is still swollen and hard. Even after it's been milked, it's still not even close to being satisfied...

uuuu... The inside still aches...

AH! This-NN...

Wait Kaori! that's-

N! hya a!

Is having sex with my nipple good for anyone's tastes?

i wonder if anyone's dick is still excited... anyone here still want to have sex?

I see... Having a dick enter through here has GOTTA feel good...

I...

How come Kaori gets a pat on the head even though it's always me that gets one?!

WH-?!

I guess I'll have to send someone over to take care of you until you're satisfied

Hahaha, looks like the breast milking treatment wasn't enough to satisfy you.

Let's feel good together, Ichika!

Yeah!

I-if that's the case, I want nipple sex as well!

UWAH!

It feels really good like this!

It's completely sucking in my cock!

It went in~!

Over here!
someone
put a dick
in this
vagina
too,
PLEASE!!

alrighty
it's
going in!

Kaori's
swollen
nipple vagina
feels so damn
good!

Ehehe...
"nipple
vagina"
has a
nice
ring to
it. I like
it!

A little
closer
please, i
want to see
you fuck
my nipple

cool!
thump-
thump!

AH!! SO
DEEP AND
SO
SUDDEN!

AHHH!
THIS
FEELS
WAAAY
TOO
GOOD...!

This nipple
vagina feels
so good, it's
almost
better than
a real
vagina!

Even
though
this milky
lotion is
making
things all
slippery...

It still
feels
like it's
clinging
to my
dick!!

This
doesn't
feel
good...
they're
gonna
break my
breasts...

My breasts...
They're
shooting
their semen
inside my
breasts...

Kaori
is...

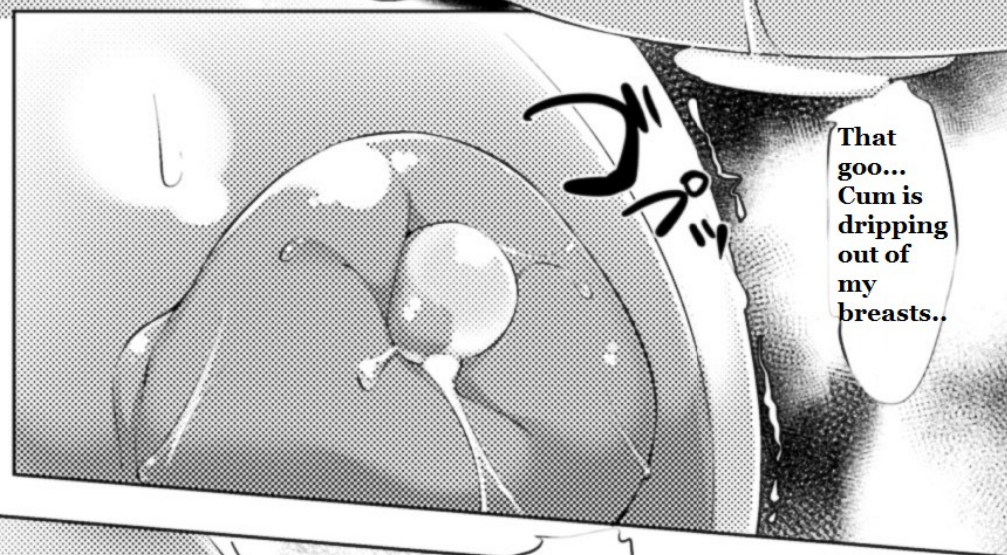

HYAA!
MORE!!
MOOOORE!!

FEELS SO
GOOD!!
MAKE ME
CUM MAKE
ME CUMM!!

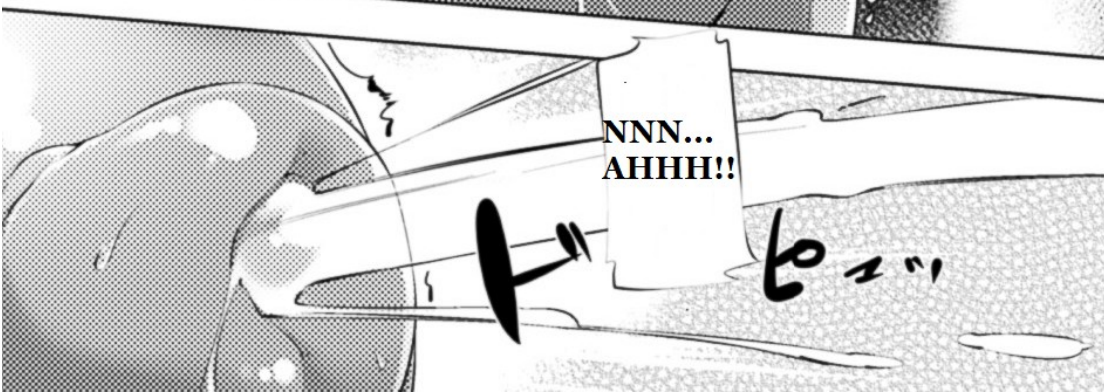

ah...

Having it
done to
her like
that
makes her
feel...

That
goo...
Cum is
dripping
out of
my
breasts..

NNN...
AHHH!!

Looks
like my
nipples
got a
little
wider...
it's a
little
breezy...
AH!

Yeah, you really did...
Your milk
is all over
the floor
like
water...

I really
let a lot
out
right
now,
didn't I?

It's crazy
that milk
is still
erupting
from
Kaori's
breasts...

And it
looks
like all
my
milk is
gone
too

Hey...
Are you
listening..?

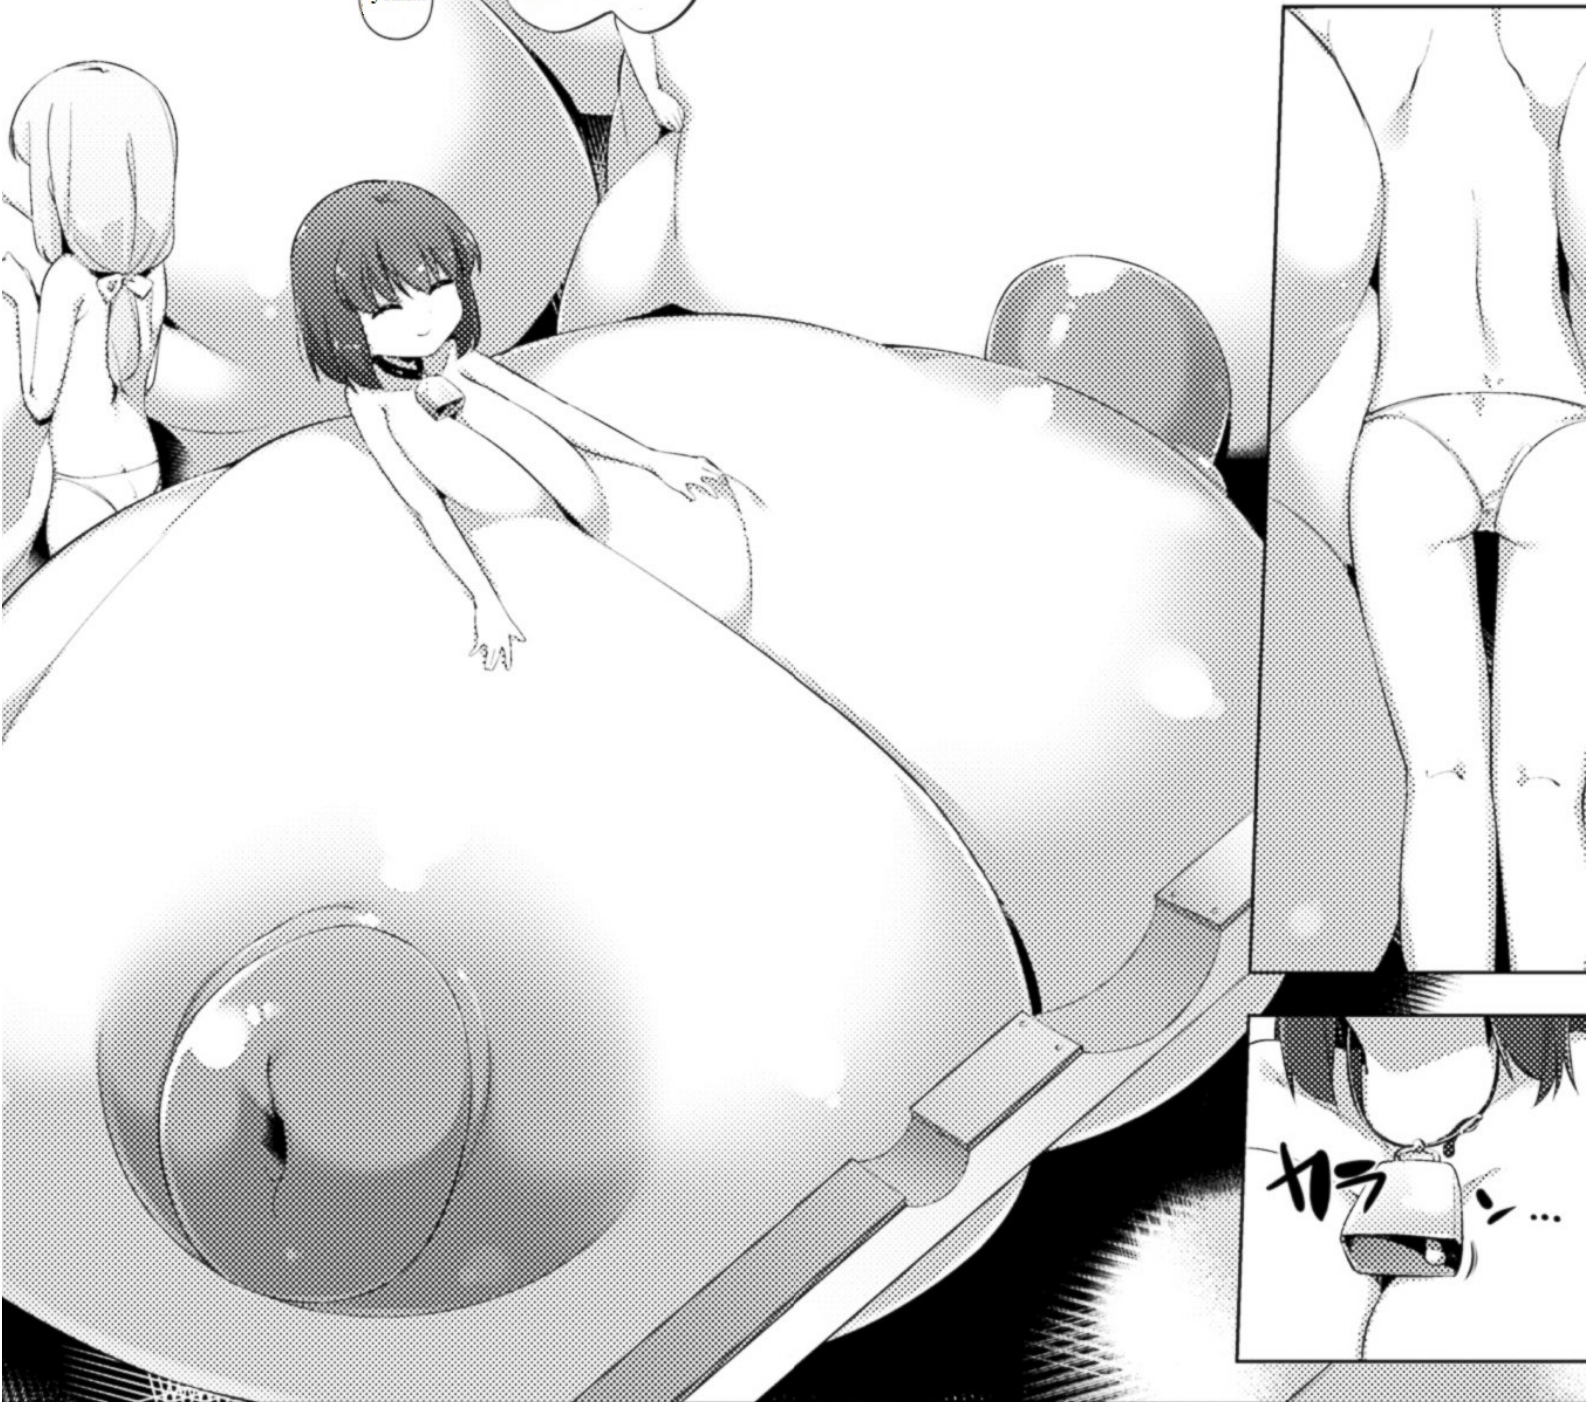

haha,
yeah...

Back when
we all had
our
uniforms,
her
breasts
were
already
slipping
out,
weren't
they...

She's
already
being
raised as
a milk
cow!

Remember
Kaori? The
girl that
arrived
recently?

Now please
excuse me,
I have to
get back to
mating!

I've already
become
part of the
honor roll!
