

STARLIGHT IDLE
TWIN KLEN!

Singing, Dancing
and Shining Girl!

●COMMENT●

to first readers, nice to meet you.
This time, the comment is behind the front picture because we went with double-sided pages in a hurry.
Onto the 5th volume of the series! The number of panties designs increased, didn't it.
Though a lot of troubles appeared as for the taste of the story and situations...
until the end, I do my best to not forget (I sometimes do); to make it a work about diaper/scat+anime
panties.
Thank you for your patronage m(_ _)m
