Chapter 1

MY JOB IS BEING A HOUSEMAID.
IT SUITS ME VERY WELL, LIKE I HAVE A CALLING FOR THIS TYPE OF WORK.
뚜벅

DOING HOUSEHOLD CHORES, TAKING CARE OF FOOD,
CLOTHING AND SHELTER FOR OTHER PEOPLE, AND CLEANING THE DIRT

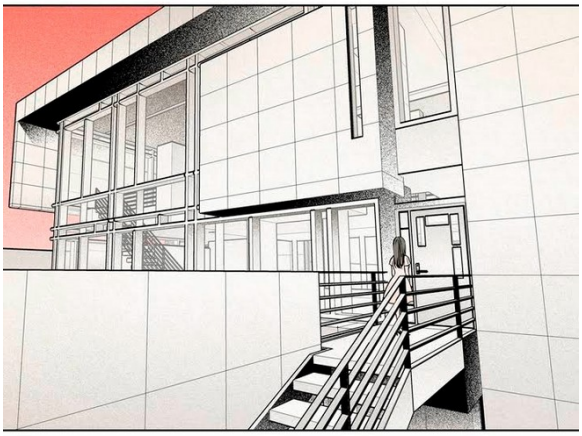

MY GRANDMA ALWAYS SAID THIS TO ME BEFORE SHE PASSED AWAY.

WORK FOR OTHERS.

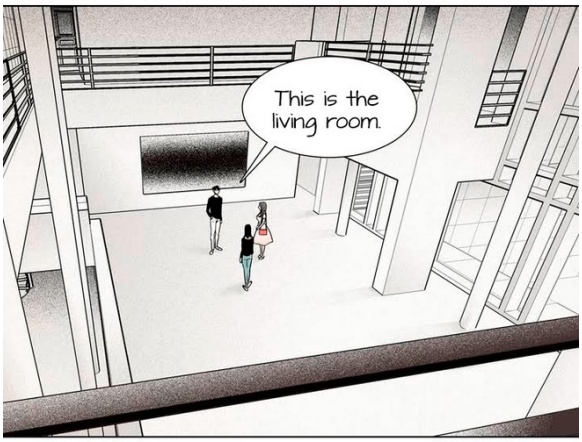

BE OBEDIENT.

YOMANGA.CO

It's here...

WHO ARE YOU?
I'm the new housemaid.
WAIT A MOMENT PLEASE.

This is the living room.

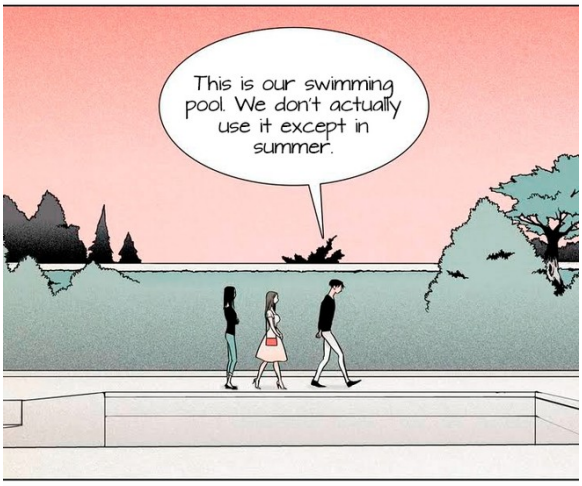

YOMANGA.CO

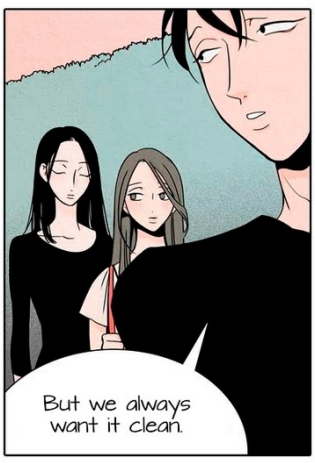

You only have to clean the dust,

Oh, when you are cleaning the stairs, please do it carefully.

Dad is an architect so he's very sensitive for our furnitures.

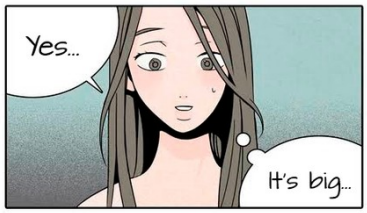

He really loves these stairs, so be careful.
Yes, sir.

This is our swimming pool. We don't actually use it except in summer.

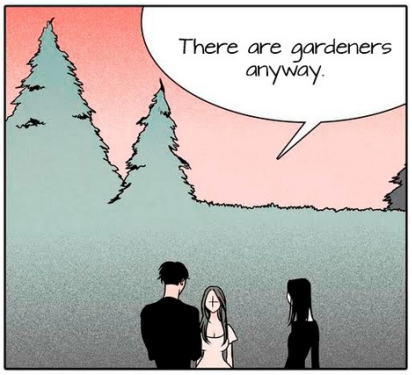

But we always want it clean.

YOMANGA.CO

You can do it alone, right?

Yes...
It's big...

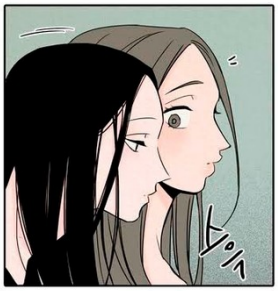

There's not many things to do in the garden.

There are gardeners anyway.

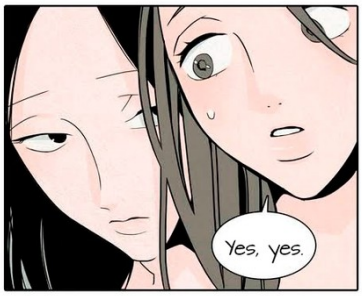

Call them every week so they can tend the garden.
Yes.
Pay them cash.
Yes.

Hee-yeon-ssi's, your schedule is to wake up at 6 o'clock,
eat breakfast at 7, cleaning at 8,
and do the laundry at 10.

YOMANGA.CO

Don't touch my underwear.
I do it myself.

Yes, yes.

Eat lunch at 12 o'clock.

From 1 to 2 you can rest.

You can sleep or go out,
you're free to do what you want.

I think that's it.
Do you have any questions?
I'll tell you if any come up.

YOMANGA.CO

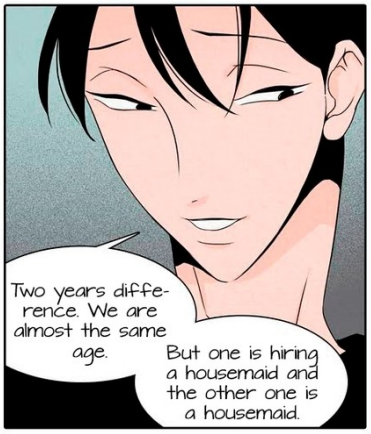

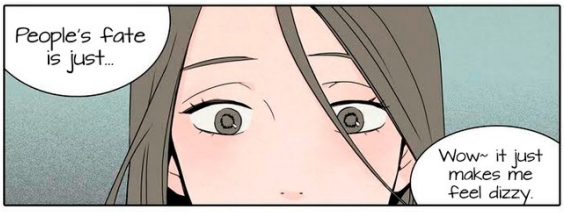

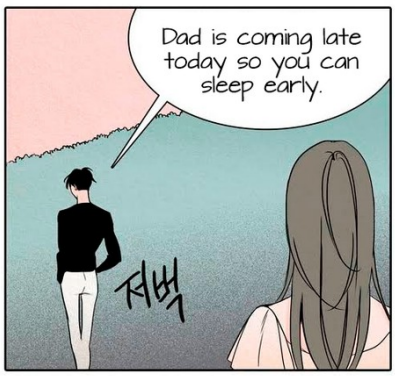

YOMANGA.CO

Two years difference. We are almost the same age.
But one is hiring a housemaid and the other one is a housemaid.

People's fate is just...
Wow~ it just makes me feel dizzy.

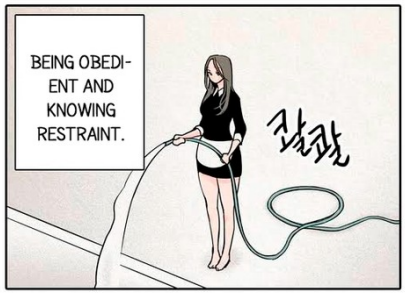

Anyway,
Do your best!

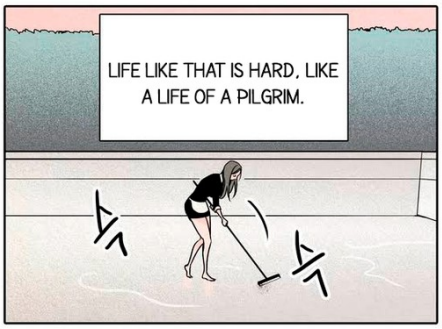

Dad is coming late today so you can sleep early.

You've done
well.

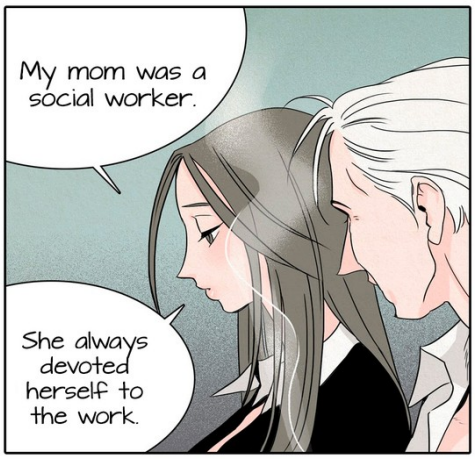

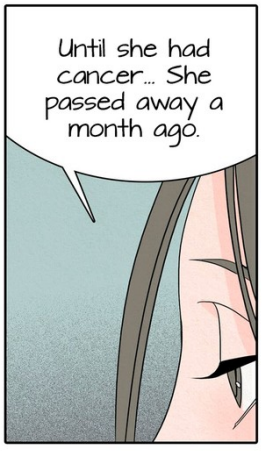

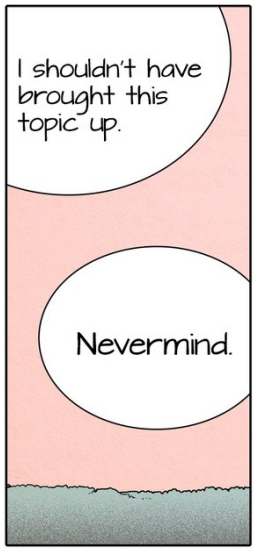

Wasn't it a bit painful?
No, it was nice.
I can't control myself when I see you.
I get excited unconsciously.

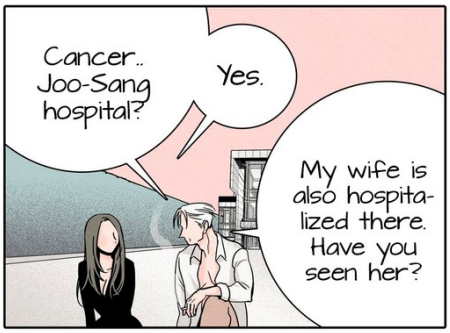

How did you live before you came here?

A life that would have never make me meet you without this job.

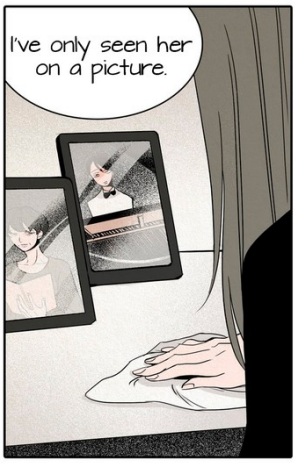

My mom was a social worker.
She always devoted herself to the work.

Until she had cancer... She passed away a month ago.

I shouldn't have brought this topic up.
Nevermind.

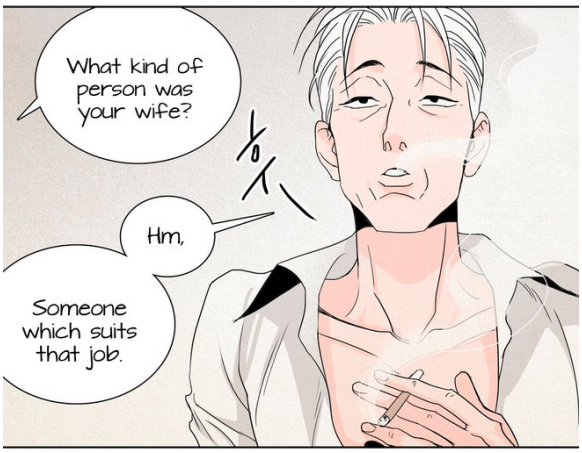

Cancer.. Joo-Sang hospital?
Yes.
My wife is also hospitalized there. Have you seen her?

No.

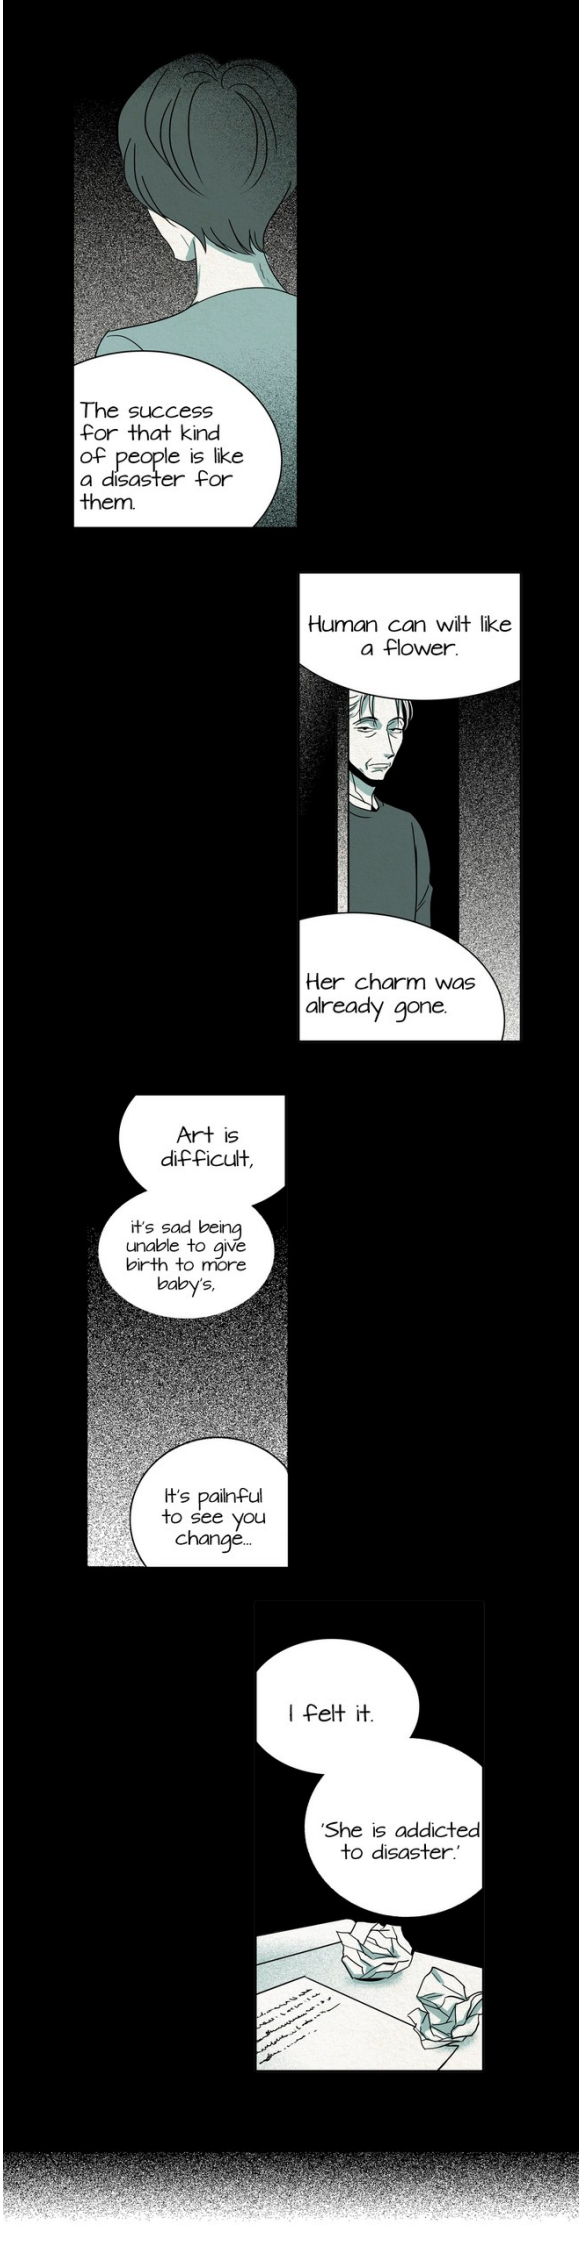

I've only seen her on a picture.

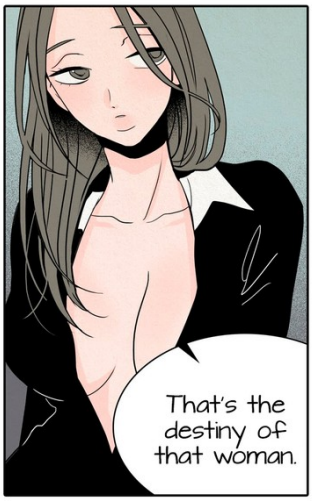

She's a popular fairytale author right?

What kind of person was your wife?
Hm,
Someone which suits that job.

Always working very hard on getting some new inspiration.
She was always writing something at home.

The success for that kind of people is like a disaster for them.
Human can wilt like a flower.
Her charm was already gone.
Art is difficult,
it's sad being unable to give birth to more baby's,
It's painful to see you change...
I felt it.
'She is addicted to disaster.'

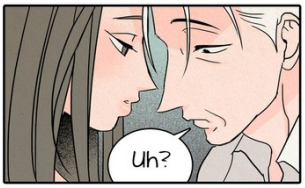

Then the tumor was detected...
And now she has half a year to live.

That's the destiny of that woman.

My destiny is to meet you.

Isn't it odd that they were in the same hospital?

You are like a last gift of my wife.

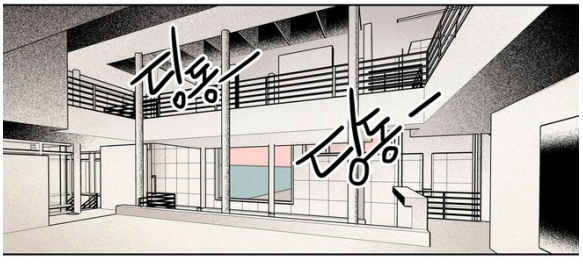

Uh?

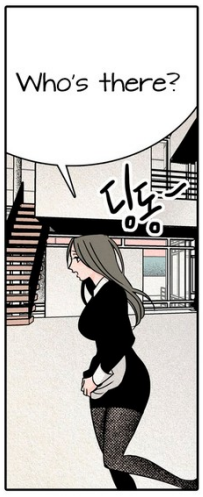

Oh.

Haven't cleaned it all.

Oh....

We have to be careful with this.

Who's there?

Ah, hello.

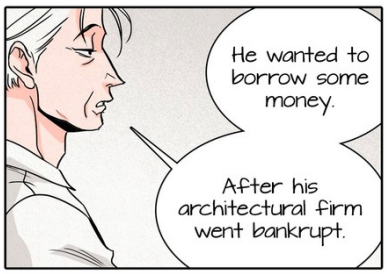

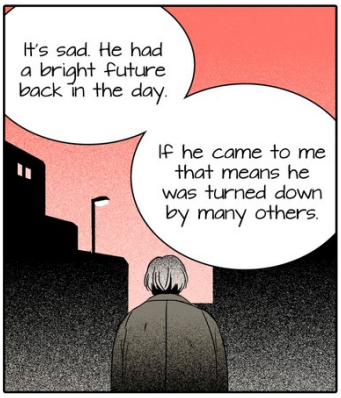

툭

Who was that person?
Alumnus of the university.

He wanted to borrow some money.
After his architectural firm went bankrupt.

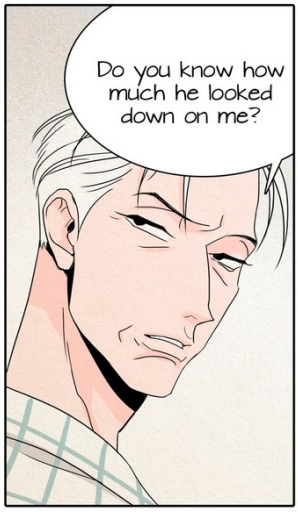

It's sad. He had a bright future back in the day.
If he came to me that means he was turned down by many others.

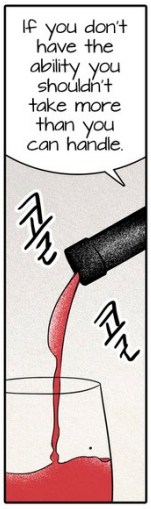

You can predict someone's destiny.

So... Did you help him?
샤아-

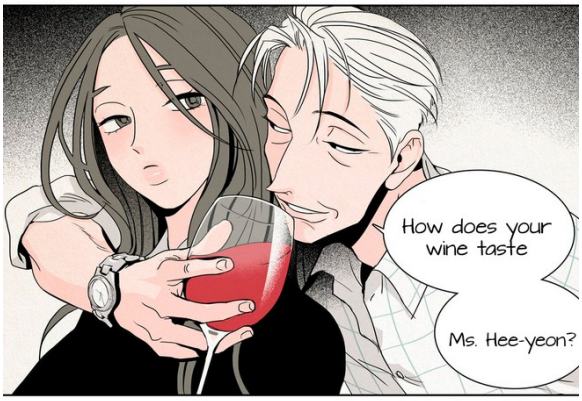

No I didn't lend him anything.

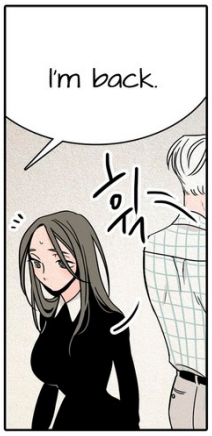

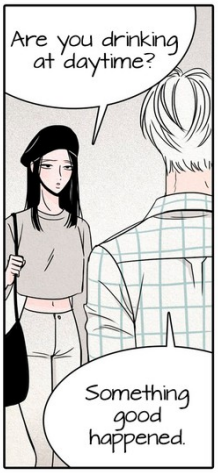

Do you know how much he looked down on me?

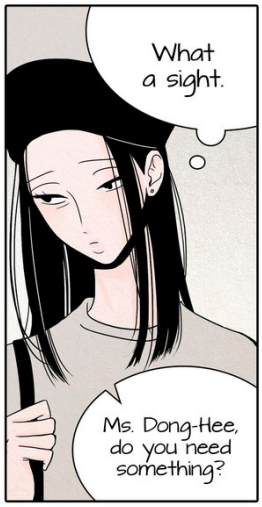

If you don't have the ability you shouldn't take more than you can handle.

Or you should get a sponsor like me.
Today we are going to taste what life is about.

How does your wine taste
Ms. Hee-yeon?

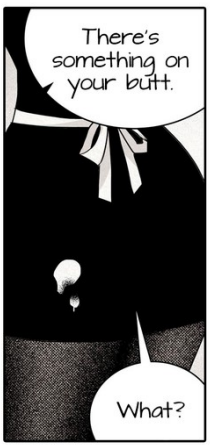

I'm back.
흐읏

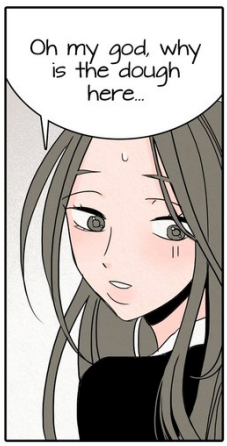

Are you drinking at daytime?
Something good happened.

What a sight.
Ms. Dong-Hee, do you need something?

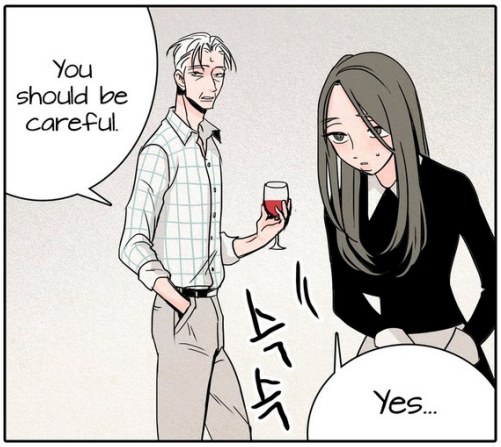

I'm thirsty, give me some water.
Yes~

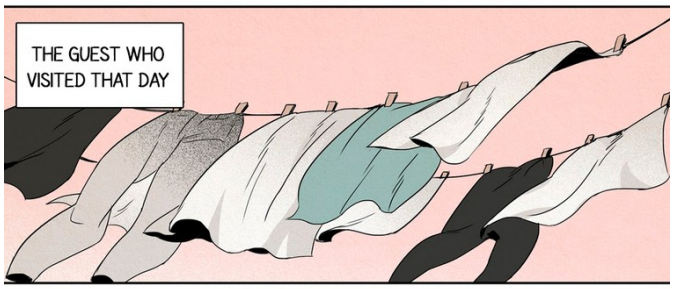

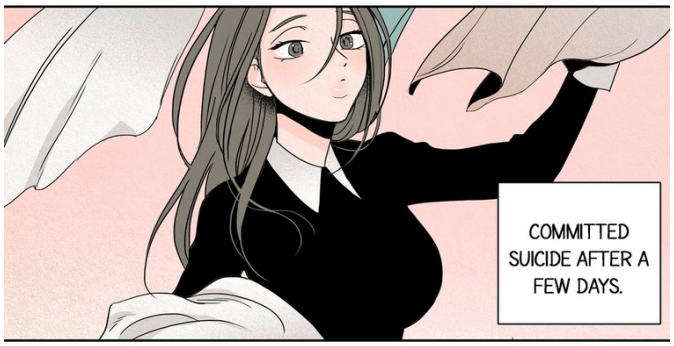

There's something on your butt.
What?

Oh my god, why is the dough here...

저벅

You should be careful.
Yes...

This woman...

Why is she doing this here...?

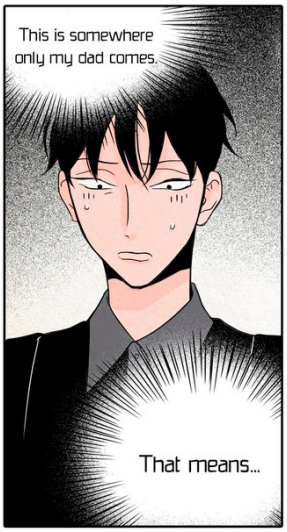

Why doesn't he reply?

Is he observing me quietly?
Is he the type that gets excited just by watching?

Wait, he said nobody would come here except him-self.

This is somewhere only my dad comes.
