This is the female teacher's book.

**Due to a lot of reasons,
her name is a secret.**

**Speaking of which,
a big breasts English teacher
will sway the students' gaze
when the class is conducted
but that can't be helped.**

Speaking of female teacher,
high heels are a must.

Although, high heels are a little unstable.
Sometimes she'll trip herself
in the middle of the class.

Although she is lucky that
there are no serious injuries

The insides of
her pantyhose
the dangerous zone
is fully exposed
for the students
to stare at.

A classroom is a place for the kids to study, it's a sacred place.
Doing such indecent acts here, makes this feel
a lot more immoral and obscene.
The female teacher exposes her ass on the student's desk,
she was covered in a bitch's odour.
Holding her ass tightly, shoving that
erect thing inside,
just like a beast, starts violating her wet pussy.

The P.E teacher is suddenly on leave,
the English teacher will be his substitute!
and also, it's swimming class!

Sensei couldn't stop moaning
from all the pleasure
she's experiencing with her body,
in order to stop her voice
he used his own mouth
and shoved it into hers
when she was about to cum.

Sensei brought her own bikini
to the swimming class!
Her DNA-shaped body, her big boobs,
are all in front of youthful boys,
DAAANNNGGG!
HALLELUJAH!

HEY!
WHY DO YOU
BOYS WANT ME
TO BEND ON
MY KNEES?

The reverberation of our sexual acts...
That ravaging sensation my penis felt inside her...
Our mixed bodily fluids...
The room that has been filled with a bitch's scent...
That calming heartbeat...
Made me so happy in my mind...
