I was born
and raised in
a village with
a declining
population.

I'm the only
doctor in this
withering
village...

U-UM...

It was a
blistering hot
August day
when I first
came across
that girl...

I thought
for sure the
heat was
playing tricks
on my mind...

So whenever she has free time, she comes here to play...

Because she came from Tokyo, she doesn't seem to get along very well with the rural kids...

This girl is Hiiragi Nico. She lost her mother in an accident.

And so she was taken in by her grandmother who lives here.

Nico's mother was my childhood friend and my first crush...

Sit over there...

She was the splitting image of her mother. I was completely enraptured by her...

M-Mi-chan...

Sensei.
♡

You
look just
like your
mother...

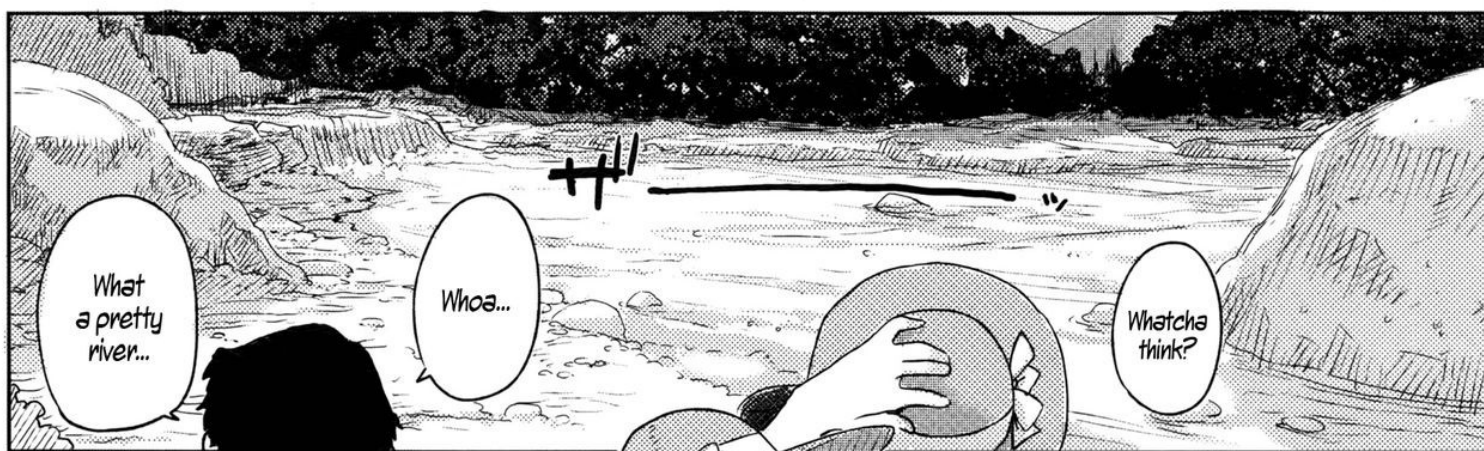

Really?

Yeah...
You're even
a prankster
like she
was.

She
was two
years older
than me...
And she was
already so
beautiful!!

HMM.

Kazu-

Hop in!
♡
Swim with
me, Kazu-

Mi-chan's
beautiful
body...

You can
do to Me
everything
you never
got to do
to her.
