

Got it~

Chiyo~! Sensei's here~

Sorry, I'm a little late today...

Come on in, Yamauchi-kun.

Wait a sec, okay?

Good afternoon~!

It's fine like this!

You should look at your skirt instead. Don't you think that's too short?

Does it even matter..?

What kinda hairstyle should I go with?!

Mom! Don't tell him that!

Were you staring down your mirror again?

Listen to this, Yamauchi-kun- This girl always spends at least an hour in front of a mirror on days when you come over~

Eh-? Really?

Hello again, Sensei!

Oh, Chiyo-chan. Hello there.

Thanks for that.

I see~ So that's why you always look so cute, Chiyo-chan.

Oh, you sure are fast~ Lemme take a look and I'll check your answers.

I'm done!

Nah, it's okay, you can just relax for a while.

Ah! I can go get them!

I'll go grab some snacks for us. Your mom told me there's made-leines.

Then let's take a little break.

Nope, I'm fine!

Do you have any questions?

Alright! They're all correct!

And he smells good...
♥

Sensei's so wonderful, as always... He's so nice...

Haah...

It's the chair Sensei was sitting on...

I think his smell is stronger than usual today...

I wonder if he ran here...

Sensei...

Sensei... I love you... ♡

I KNOW HE'D THINK I'M CREEPY IF HE FOUND OUT I'M EXCITED BY HIS SMELL, BUT I CAN'T HELP BUT WANT TO SNIFF IT...

EVEN NOW I'D LIKE TO JUST RUB MY CHEEK ON HIS CHAIR... AND MASTURBATE WITHOUT A CARE IN THE WORLD WHILE SMELLING HIS SCENT..!

Hn... ♡

Oh no... I should have been more thoughtful, too...

Looks like he didn't hear me just now...

Thanks. I should've just left the door open...

Sorry to make you get up while you were resting.

Chiyo-chan~ Open up~

Ngh?!

Wah~♥ There are ones with raisins, too~♥

Yeah...

Let's start eating right away!

Mom's madeleines are really delicious!

...This isn't good...

?! Are you feeling ill?!

Ah, sorry. I didn't mean it like that...

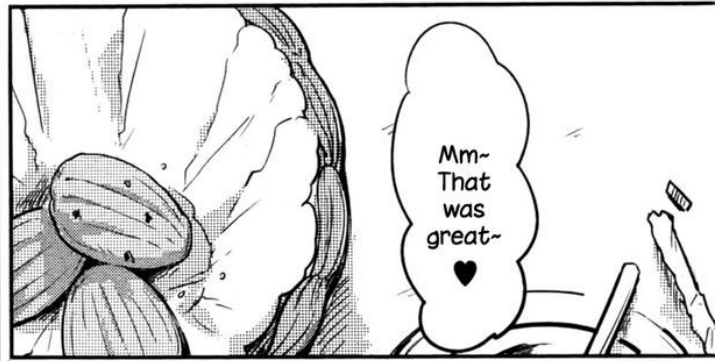

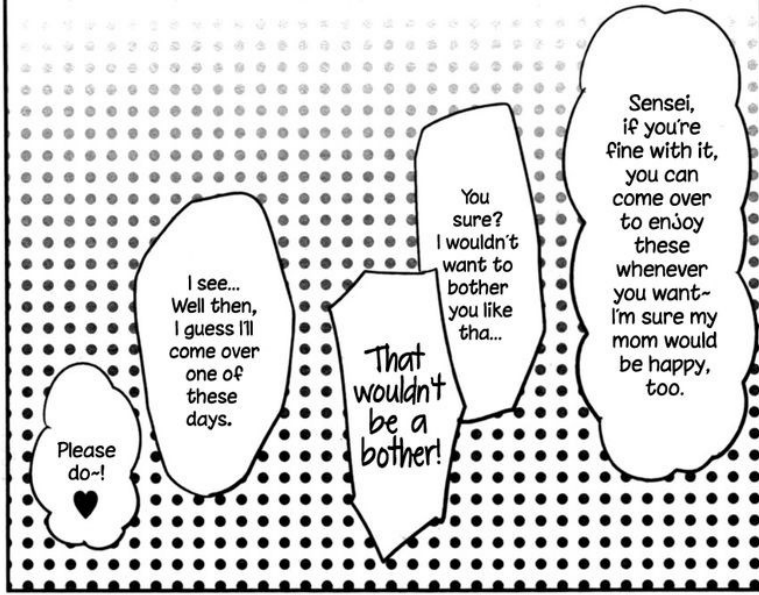

...?..?

I-I'm fine.

Really..? But it looked like you were holding your chest...

...Sensei? Is something wrong?

Eh- No- It's nothing.

Do you... want a girl friend, Sensei..?

Well... You see, that's a complicated matter...

Mm... Well... Something like that...

So... at a mixer..?

Sensei, when did you get yourself a girl friend...

No no no, I don't have one! It was just a girl I'd met when we went drinking with friends...

Eh..?

Uwah- You're right! I can faintly smell it!

Sensei...

Am I not good enough..?!

Chiyo-chan..?

Wh- What's wrong... I don't think you should stick to me like...

I don't want that!

I don't want you to get a girl friend... L...

W-Wait, you're pressing something seriously dangerous against me...

She doesn't have much hair down here...

How cute...

Ahn... ♡

Sensei... Um... You don't have to... do that...

It's dirty...

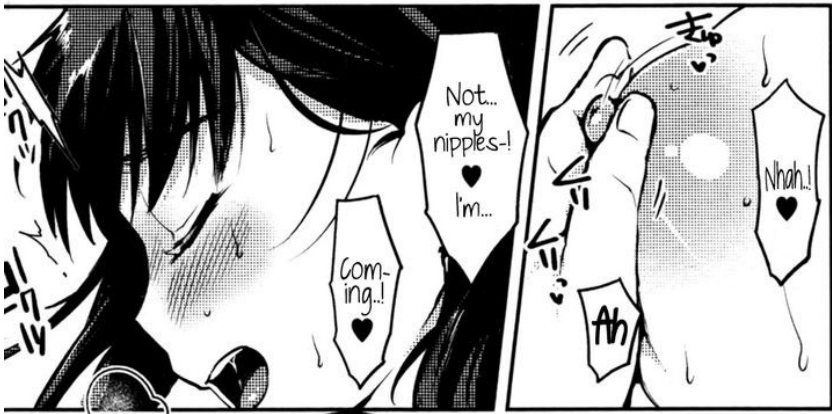

Hya-Au... ♡

AH ♡ AH ♡ AH ♡

TOO MUCH THAT'S MUNCH

Ah... Ah...

No, no, not at all. In fact, it's the opposite...

Is that bad..?

Then... Sensei, please...

I wonder if he likes naughty stuff...

Yes.

First?!

...?

H- Huh... Is that so... It's your first time...

But she seemed so used to this!

Um... Chiyo-chan... You've done this sorta thing with someone else before... right..?

..? No, you're the first, Sensei.

It's cute how sensitive her nipples are...

I'll go slow, but tell me right away if it hurts.

Okay...

Hm...

Nngh..!

Chiyo-chan...

?!

Haah...

Ah!

Ah-Ah

Sensei... Amazing...

You're rubbing me down there... so hard... It's so warm...

Nngh...

I... I'd like to do it, but...

But..!

If I don't want to..? What are you talking about?

Do you... not want to kiss me, Chiyo-chan?

I-I don't need any kisses-! And Sensei, you don't have to do it if you don't want to...

Sensei doesn't even like me that way..!

My tongue is tingly all over... This feels great...

Sensei...

Do it... Come...

No need to worry about me. I'm fine.

Thanks to you, my little friend's never gonna calm down...

...Did you like it?

I WANT TO TASTE ALL OF HIM...

I'd love that... but I don't have any rubbers left.

Should we do it one more time?

This is even better than before...

I can feel you more clearly now, Sensei...

You're twitching inside, Chiyo-chan... Did you cum a little?

Ye...s-!

...We really can't kiss.

You should... save the kissing for the girl you actually like, Sensei...

Sensei's so nice... but...

It's still 15 minutes before our appointment, you know?!

Not at all!

?! Chiyochan?! You sure came here early! Did I make you wait?

おーい♡ Sens... Wait, I mean... Yamachi-san! ♡

Think what you want, but I did not wait at all! ...Hm?

I see... So what you want to say is that you did wait.

I was just so excited for our date that I've been loitering around here since this morning-

Ah!

GEEZ...! Isn't it obvious?!

...Why else would we go back?

Hm? I'm a little annoyed, but not mad. Why?

?! Are you... mad?

Then, we're changing plans! Let's return home right away!

Eh?! Ahh... I guess... And wow, your sense of smell really is something else...

Did a girl come near you again?

I can smell perfume...

Okay... ♡

おーい♡ Come on! Let's go!

So I'll overwrite that with my own scent! ♡

I can't have you smelling like other girl!
