

Whew...

Good grief!
The sole reason
why this happens
is you don't
study nearly
enough.

YOUNG MISS!!

The Joy of Kneeling

by Mario

I'm
sorry...

工口漫画界の超注目株が
Girls for Mに初登場!!

A true
Miyamura
lady would be
ashamed by
such a poor
performance!

Now,
first of
all...

I'm ready
to go, Ms.
Fujimura.

...very
well.

Please
think about
my words,
Young
Miss.

It's
time,
sir.

A man who does that needs to be disciplined, but a teacher?

How laughable.

And all it took was finding out you were secretly smelling the Young Miss' panties.

Good grief! You sure have changed a great deal.

Who told you to stop licking?

Ah! Hmm! Ahm shorry!

...At least for what concerns flattery, anyway.

I'm glad to see you've grown accustomed to your status as my dog.

Aah!! Mistress Fujimura! I thank you deeply for keeping it a secret!

Uh! Eh!

Did you perhaps hope to be treated like this right from the start?

Good grief! Men are such miserable creatures!

Uuh...
Yesh!

Ah! Yes ma'am!!

My! Has it been that long already?

Angh!

You never know what a pervert on the loose could end up doing.

But I can't leave you unchecked.

By the way, you seemed quite on edge with the Young Miss today.

Yes...! It's b-been a month, after all, since...

Huhu! That will do!

How about a reward for having resisted a month?

Please, Mistress... I beg of you...!

Ha! Haa...! Please, take off the ring!

Do you want out? Let's see if you learned how to behave.

I'm honestly shocked! Don't you have any shame at all?

You start masturbating like mad as soon as you're given permission...

Hey!
Where is your gratitude?

Please come in!

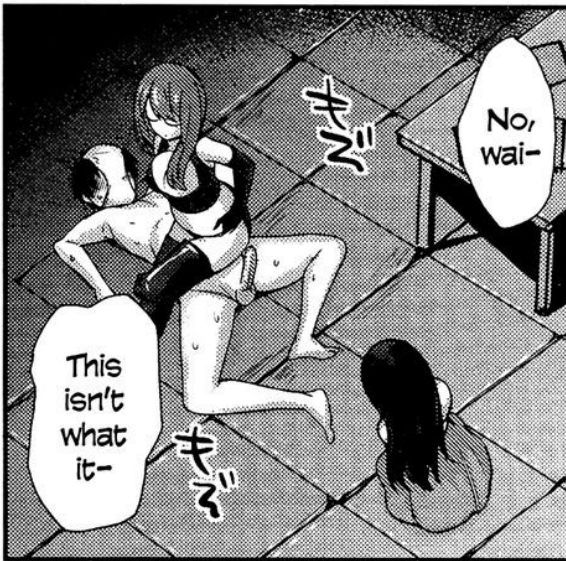

You're thanking the wrong person.

Ah!! Ah!!
Thank you so much, Mistress Fujimura!

Y-yo
Young
Miss!

This
isn't
what
it-

No,
wai-

AAA
AAR
GH!

Is it
not?!

Good
grief,
you're so
repulsive!

...such
squeals!

You really
resemble
a pig,
teacher!

Found
out your
shameful
kink?

Are you
wondering
about
when I
found
out?!

And
how do
you plan to
explain this
travesty?
Huh?!!

Aaa
aah!!

Ah!!

Agh!

Unfor-
tunately
for you...

Aah!!
But that
w-was a
secret....!

She told
me when
you first
put your
hands on
my panties!!

Here, I'll
let the smell
fuck you up
to your
brain!

I only keep
promises
made to
human
beings.

Good
grief!
Perverts
are so
selfish.

Although
that would
make this
the happiest
day of your
life, I
suppose...

And now,
for the real
training to
begin.

The
effect
is truly
instan-
taneous!

You did well
in teaching
him the
smell of his
owner while
denying his
orgasms...

Noo!
Please
stop!

Aaah!!
Oh-
Oink!
Oiiink!
Ouh!

Or would
it rather
be hit
again?

Uwhe-
een!
oink!

Aaa
ah!!

A
talking
pig
is unheard
of!

Wouldn't
it try
squealing
normally?

Too bad I
never took
any pig
language
lessons!

PFFT!
♡

This is just another pathetic student in dire need of scolding!

This cane has scolded lots of students, has it not?

Try at least a good neigh!

Oh my.

Let's give it a taste of discipline straight from the master's hands.

No, it's quite alright.

This slave is a failure. It ejaculated without permission again!

It must be because of my training, Young Miss.

I'm terribly sorry, I wasn't strict enough.

I grow tired of your voice. Close your mouth.

Good grief! How noisy.

Aah!! Wait, no!

Ah! Aah! Wha...

AAA
AAAA
AH!!

This will act as a fine cork!

Huff!

Hm!
Uh!

Huff!

Uh!
Uh!

Let's see if it can go even deeper.

Ah
Gg
ah!

Ah, urethra rape! It always works.
♡

oh!
Uh!

A slave can never go back to normal after cumming through fear!

トソソソ

But it's not over... I'll make it fall to the lowest reaches of shame...

Ahahaha! Was it so scared that it pissed and creamed itself at the same time?

teacher!

Goodbye,

Here.

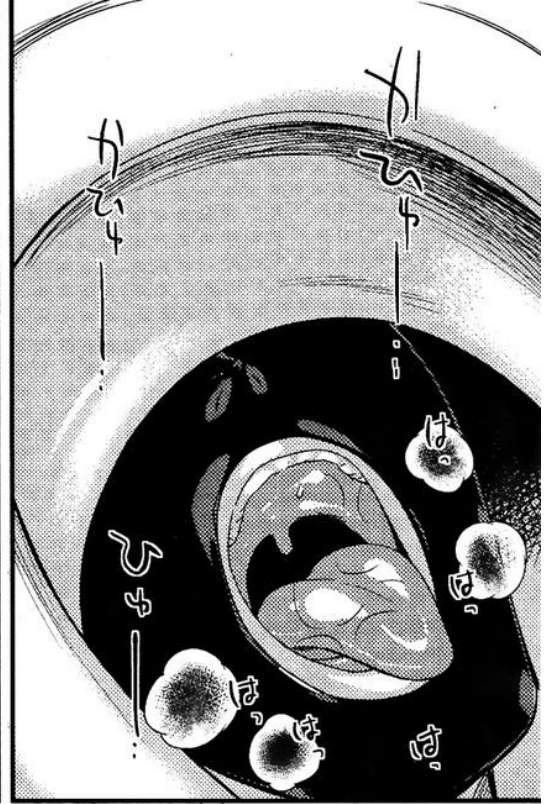

Please have a look, Young Miss!

I've taken turns with the other maids until it was completed.

Two weeks later...

And look at that dick twitch!

Oh my! This suits it much more than being a teacher...

ズルッ...

Well now...

Huhu!

I've been told you've grown very fond of pee, have you not?

I'm sure you've eagerly waited for me.

Get... ready!
♡

I'll give you mouthful after mouthful of happiness, so...

Does it not yet think of itself as the toilet it truly is?
