

Hold it!

You understand, right? Your daughter with me... will be another witch.

Looks like you've gotten pretty big.

Eeeek!

Is that all you've got? There's no way a puny magical girl could ever beat a witch.

Crrrrr!

Cuh!

Nnh... Auu, stop sucking my breast...

After I have a little fun with you...

Nooo!

What a delicious looking chest. Heheheh, I'll impregnate you with my child too!

I was just the bait, buying time for Mayu to chant her spell.

Wha-!? Magic bindings?

Th-There's no way a mere magical girl could trap me with her magic...

Ahhh!

You fell for it.

W-Wait, s-stop...

Now then... You may be a witch, but what would happen if I hit you with this at point blank range?

Did you really have to say all that...?

You can't escape! Mayu's binding magic is the best in the world! It has no range and it takes forever to chant and she can't use any offensive magic, though.

Heheh, too bad!
♥

This is my basement. I've set up an anti-magic field here that blocks everyone but me from using it.

Oh, you awake?

Mm...

Huh? What's going on... where am I!?

I had to work really hard to imprison you here.

What... happened?

Y-Yeah, since witches attack women to impregnate them... But so what!?

Because you said you'd never stop witch hunting... Hey, Mizuki. You know that witches don't attack pregnant women, right?

Imprison!? Why would you do that...?

Fueh!?

I want to protect you, so I figured I'd impregnate you.

Well s-sure, but.. P-Pregnant? What are you getting at?

So if a magical girl were pregnant, she wouldn't have to worry about witches raping her.

B-But that magic's forbidden! You have to have s-sex for that spell to work... So me and you... umm...

But with my binding skills and your incredible power, I believe it should be possible to impregnate you like witches do.

Yes, for ordinary magical girls.

I-Impreg... That's impossible!

Ahh!

Mm... Mizuki!

Fuahhh, Mayu...

I've always wanted to touch your breasts, Mizuki.

M-Mayu!?

I've always, always loved you, ever since we were kids... So please, use your power together with me.

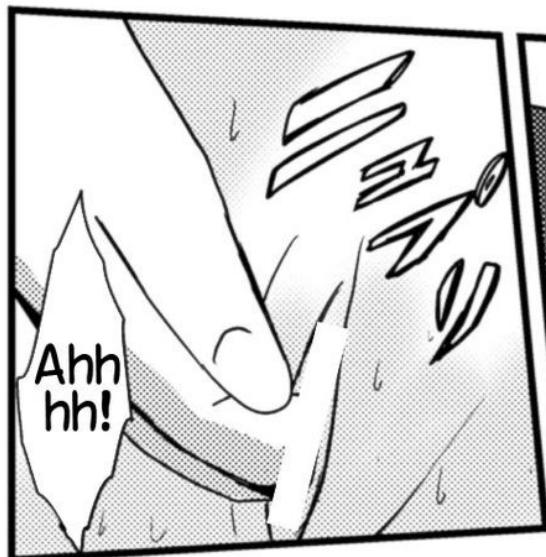

I'll take control of it, and flush it into your womb combined with my magic... that should do it.

You just have to unleash your magic at full strength when you climax.

Ah, ahhh...

I'm going to strip you now.

Ahh hh!

Ahh hhh!

What is this? This feels way better than the witch did!

B-But...
Ah, Ahh!

I'm already
prepared,
so release
your magic!
Make a
baby with
me!

Ah
hh!

Ah!

ngh

Oh no,
I can feel
something
rising up
inside of
me...

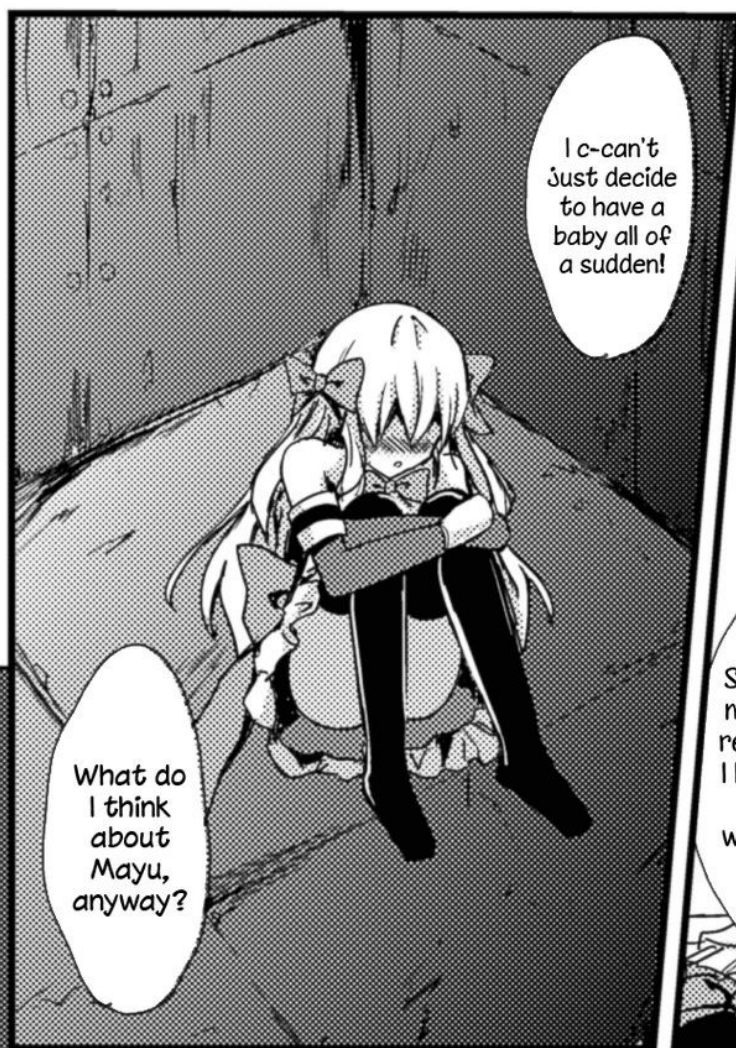

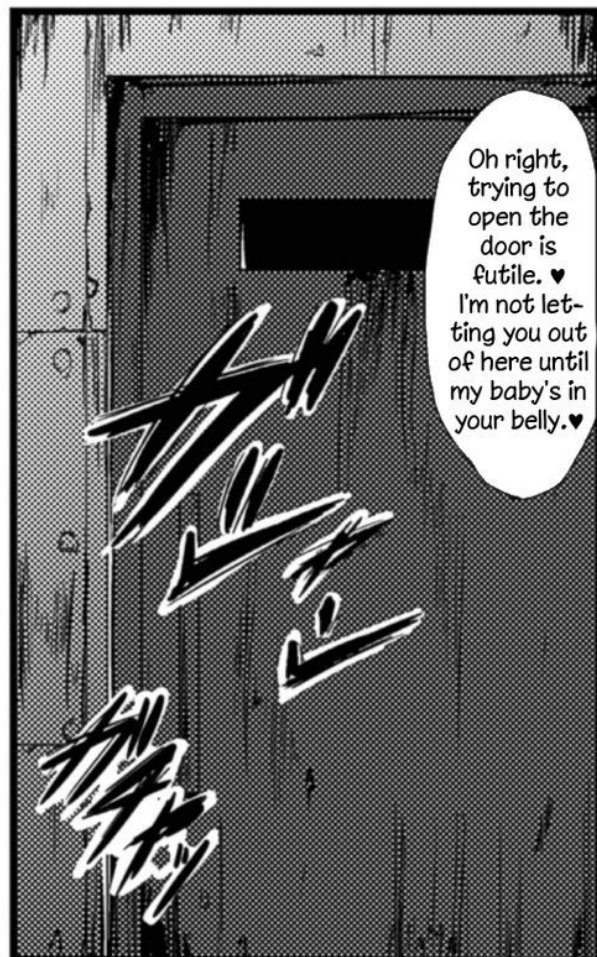

mmm

nn

Ah

Ah hh hh!

Heheheh, looks like your body's already accepted me. You're leaking so many naughty juices.

mm!
Ahn!
You really like it when I Jam my tongue deep inside.

Fu da ah!

We've been doing nothing but having sex for the last week, so I know where you like it best.

I'm just getting started. It's time to do something really shameful.

W-Wha-!?

Please don't say stuff like that... It makes me so embarrassed I wanna die!

Oh
nooooo!

Ah!

See? I can
stare inside
all your most
precious
places.

Ahhhh,
ahh,
ahhh~!

Ahhh!

Ahh,
please!

Mm...

Let's
begin
again.

Wait...
Not like
this!

Yeah...
it feels
really good,
Mayu...

You like
sex, don't
you?

Well,
that's,
um...

So? Have
you decided
to have my
baby yet?

Just admit
your true
feelings for
me! Here, I'll
give you a
little hand.

W-What
are you
doing!?

Eheheh,
you're so
cute,
Mizuki.

Mmm...
Mayu,
Mayu...!

Ahhhh!

It's a spell called "Mating Season," though you could also call it a curse. I cast another spell that prevents you from masturbating, by the way.

If... If she keeps me in this state, I'll go crazy.

The effect should start shortly.

Yes, it worked! ☆

E-Effect?

オオオオ

...!? What is this? My body's... so hot!

Hoo

Hoo

Oh right, I adjusted the spell to prevent you from coming too, so have fun with it.

N-No way...

I have some work to do, so this is it for today. ♥

Wha...!?

See you.

It's already been three days since we had sex. Sorry, But I'm busy again today.

Hoo

Hoo

Dear me, it looks like you went and wet yourself. Oh, wait, that's all just love juice.

Auu... Ahhh, Mayu!

How's it going, Mizuki~?

I brought lunch~!

Hoo

Hoo

O-Okay...

Jeez, we can do it a little. Once you're finished eating.

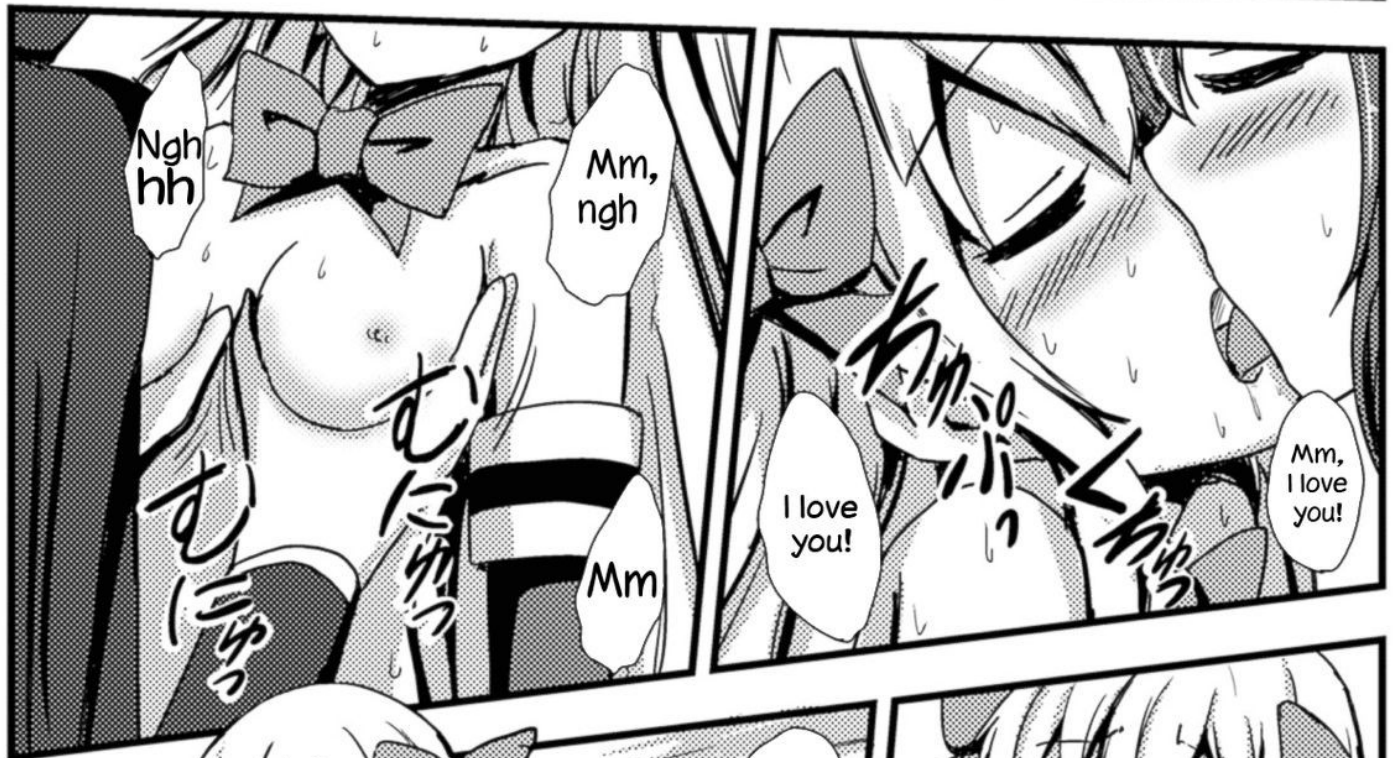

Open wiide.

Mayu... I can't take anymore...

going to be inside of me-!

Your baby's...

You're knocking me up!

Ahh, it's happening!

Ahhh hhhh~!

Get pregnant with my baby, Mizuki!

Hoo

Hoo

Ahhh!

Hey, I'm the mommy! You're the one who impregnated me.

Our baby's really inside of here... Hey, it's your mommy~

Jeez...

Come on, there's nothing wrong with having two mommies.

Haa...

Ahn!

It won't be too long before it's born.

Yeah... Please put another of your babies in my belly, Mayu.

Once you give birth, I'll impregnate you again right away.♥

End

But you know, the witches might try to rape you again if you're not pregnant anymore.
